RE: Robinson Widening and Signalization Project – Griffin Park

Dear Mr. O'Leary:

A total of two (2) bids were opened on Thursday, January 26, 2023, for the Robinson Widening and Signalization Project at Griffin Park. Rudy Construction was the apparent low bidder for the project based on the Bid Items.

Upon review of the Bid Tab, discussions regarding the past work of the contractor, and PDG's past and current work experience with the contractor, we recommend Rudy Construction be awarded the contract for the full amount of \$589,486.60. Rudy Construction must build the project according to construction documents and specified products.

If I can answer any questions, please don't hesitate to contact me.

Sincerely,

A handwritten signature in blue ink, appearing to read "Geoffery Evans". The signature is stylized with large, sweeping loops and a vertical line through the middle.

Geoffery Evans, PLA
Principal/Project Manager
