

REVOCABLE RIGHT-OF-WAY LICENSE AND AGREEMENT

THIS REVOCABLE LICENSE AND AGREEMENT (“License”) is hereby issued as of the _____ day of _____, 2024, by THE CITY OF NORMAN, OKLAHOMA, A Municipal Corporation, (“City”), to Flint Hills Homeowners Association, Inc. (“Licensee”).

RECITALS

WHEREFORE, Licensee has submitted a request and supporting materials and information to the City to support its request to utilize right-of-way located within median located on Flint Hills Street and Founder’s Park Boulevard, as further identified herein.

WHEREFORE, within said right-of-way, the Licensee proposes the installation and continued maintenance of vegetation, irrigation and signage, as further demonstrated herein.

WHEREFORE, the City and Licensee wish to enter into an agreement whereby Licensed Improvements (as defined below) may be placed by Licensee within the Premises (as defined below) subject to certain limitations and conditions.

LICENSE AND AGREEMENT

WITNESSETH, the parties hereto, for the consideration hereinafter expressed, covenant and agree as follows:

1. **Premises and Licensed Improvements.** City hereby permits Licensee, subject to the rights and easements hereinafter excepted and reserved and upon the terms and conditions hereinafter set forth, to use the following described land situated in Norman, Cleveland County, State of Oklahoma, as exhibited and described collectively on the attached **Exhibit A** made a part hereof (“Premises”), for a term beginning on _____, 2024 and ending when this License shall be terminated as hereafter provided. This License is issued solely for the purpose of the installation and maintenance of vegetation, irrigation equipment and signage within two street medians, as demonstrated in those documents attached collectively as **Exhibit B** (collectively the “Licensed Improvements”). The Licensee may not make any improvements on the Premises that are unrelated to or not necessitated by the Licensed Improvements, and the Licensed Improvements are only permitted to the extent they are compliant with the applicable Code of Ordinances for the City of Norman, Oklahoma and federal law. The Licensee may not use the Premises for any other purpose under the terms of this License and Agreement.

2. **License Subject to City Use.** City hereby excepts and reserves the right, to be exercised by City and by any others who have obtained or may obtain permission or authority from City so to do, (a) to operate, maintain, renew and relocate any and all existing utilities, pipe, power, and communication lines and appurtenances and other facilities, including street infrastructure, of like character upon, over, or under the surface of the Premises; and (b) from time to time to construct, operate, maintain, renew and relocate such additional facilities and street infrastructure of the same character. City shall incur no liability to Licensee for any damages to the Licensed Improvements or the Premises that may occur during the operation, maintenance, renewal, relocation of any or all existing street infrastructure, utilities, pipes, power or communication lines, appurtenances, or facilities, and in all instances it shall remain the responsibility of Licensee to ensure that the Licensed

Improvements remain complaint with the applicable Code of Ordinances for the City of Norman, Oklahoma and federal law.

3. **License Fee.** Considering the circumstances relating to Licensee's particular use and maintenance of the Licensed Premises, Licensee shall pay a one-time fee to City for the use of the Premises as follows: Five Thousand and 00/100 Dollars (\$5,000.00).

4. **No Alteration to the Licensed Improvements.** Licensee shall use the Premises exclusively for the Licensed Improvements. Prior to installation of any item comprising the Licensed Improvements (or prior to any subsequent repairs to the same), sufficient information, plans and/or drawings must be submitted to and approved by the City of Norman Public Works Department. Any deviation from the approved plans may be grounds for revocation of this License.

5. **City Right to Inspect.** Licensee shall allow City to enter upon the Premises at reasonable times for the purpose of inspection. Should Licensee not comply fully with the above-stated obligations of this section, notwithstanding anything contained in the termination for cause section hereof, City may, at its option, terminate this License by serving five (5) days' notice of termination upon Licensee. Any waiver by City of any breach of Licensee's obligations shall not constitute a waiver of the right to terminate this Lease for any subsequent or continued breach which may occur, or to enforce any other provision of this License. Upon termination, Licensee shall be governed by Section 13 of this License regarding Licensee's surrender of possession of the Premises. Any termination of the License herein will not serve to terminate any other obligations by Licensee under this Agreement.

6. **Licensee's Duty to Maintain.** Licensee shall keep and maintain the Premises and Licensed Improvements in such safe, sanitary and sightly condition as shall be satisfactory to City, and otherwise in compliance with applicable submittals and regulations relating to the use proposed in this License and Agreement. Licensee shall ensure that irrigation infrastructure remains operational and in good working order for the duration of license. Licensee shall further ensure that all vegetation placed on the Premises shall be maintained in good condition, and replaced as necessary as reasonably necessary to maintain a satisfactory aesthetic appearance for the Premises. If Licensee fails or refuses within fifteen (15) days after receipt of any request by City to meet its obligations under this paragraph, City may, at its option, perform such work, and in such event, Licensee shall, within thirty (30) days after the rendition of bill therefore, reimburse City for the cost so incurred. City may also, at its option, provide Licensee five (5) days' notice of termination of this License upon Licensee's failures pursuant to this Section.

7. **No Liens on Premises.** Licensee shall promptly pay any contractors hired for installation, repair or maintenance of the Licensed Improvements, and shall not permit or allow the placement of any lien upon the Premises. Licensee shall promptly pay and discharge any and all liens arising out of any construction, alteration or repair work done, or suffered or permitted to be done, by Licensee on the Premises, and City is hereby authorized to post any notices or take any other action with respect to the Premises that is or may be permitted by law to prevent the attachment of any such liens to the Premises; provided, however, that failure of City to take any such action shall not relieve Licensee of any obligation or liability under this or any other paragraph hereof.

8. **Indemnification by Licensee.** Licensee shall indemnify, defend and hold harmless City against all actions or causes of action, claims, liability, loss, cost, damage or expense, or whatever

kind and nature, including but not limited to those arising under the Federal Employer's Liability Act, or under any Workers' Compensation Act, and any amendment to said Acts now or hereafter in effect, including attorney fees and other expenses of litigation, and including any suit instituted to enforce the obligations of this provision, which City may sustain or incur, or for which it may become liable, by reason of use of, damage to or destruction of property, including the loss of use thereof and lost profits, or by reason of injuries, including death, to any person or persons including, but not limited to, the person or property of the parties hereto and their employees (hereafter "Loss and Damage"):

(a) Arising out of, or directly or indirectly due to, any failure by Licensee to satisfy, promptly and faithfully, its obligations under this License;

(b) Arising out of, or directly or indirectly due to, any accident or other occurrence whatsoever causing injury, including death, to any person or persons or damage to or destruction of any property, including the loss of use thereof and lost profits, resulting from the use, occupancy or condition of the Premises and Improvements by Licensee, its employees, invitees and licensees; and

(c) Arising out of any mechanic's lien or other lien, tax, assessment or charge of any and every nature that may at any time be established against the Premises or the Improvements, or any part thereof, as a consequence, direct or indirect, of the existence of Licensee's interest under this License.

No settlement by Licensee for Loss and Damage shall affect City's right to indemnity, contribution or defense under this agreement.

Upon written notice from City, Licensee agrees to assume the defense of any lawsuit, administrative action or other proceeding brought against City by any public body, individual, partnership, corporation, or other legal entity, relating to any matter covered by this License for which Licensee has an obligation to assume liability for and/or to save and hold harmless the City. Licensee shall pay the entire costs incident to such defense, including, but not limited to, attorneys' fees, investigators' fees, litigation expenses, settlement payments, and amounts paid in satisfaction of judgments. Any and all lawsuits or administrative actions brought or threatened on any theory of relief available at law, in equity or under the rules of any administrative agency shall be covered by this Section, including, but not limited to, the theories of intentional misconduct, negligence, breach of statute or ordinance, or upon any theory created by statute or ordinance, state or federal.

Licensee hereby covenants and assures the City that Licensee has obtained all necessary approvals from any third party for installation and maintenance of the Licensed Improvements, and to enter into the License and Agreement terms as set forth herein. To the extent Licensee has failed to do so, or is subject to any such claim, Licensee shall defend, indemnify and hold harmless the City in conformance with the language above.

9. **Licensee Insurance.** Licensee shall maintain commercial general liability insurance and Workers' Compensation Insurance (as applicable) and shall provide the City with evidence thereof, such evidence to be continually updated by Licensee upon renewal. Any commercial general liability policy shall have minimum limits of Two Million Dollars (\$2,000,000.00) per occurrence, and no less than Two Hundred and Fifty Thousand Dollars (\$250,000.00) in coverage for damages to the property, including the Premises and Licensed Improvements. Said policy shall name the City of Norman as an additional insured for the purposes of the Premises and Licensed Improvements.

10. **No Liability to Licensee.** In case of the eviction of Licensee by anyone owning or claiming title to or any interest in the Premises, City shall not be liable to Licensee for any damage of any nature whatsoever, or to refund any fee paid hereunder, except the proportionate part of any fee paid in advance. City shall further not be liable to Licensee in any way relating to the actions or decisions of third parties.

11. **Other Termination Rights.**

(a) If any fee shall be due and unpaid, or if default shall be made in any of the covenants or agreements of Licensee herein contained, or in the case of any assignment or transfer of this License by operation of law, City may, at its option, terminate this License by serving five (5) days' notice in writing upon Licensee; but any waiver by City of any default or defaults shall not constitute a waiver of the right to terminate this License for any subsequent default or defaults.

(b) This License may be terminated for any reason at any time by either party by serving thirty (30) days' written notice of termination upon the other party, stating therein the date that such termination shall take place, and upon the expiration of the time specified in such notice, this License and all rights of Licensee hereunder shall absolutely cease and terminate.

(c) City retains the ability to revoke this License to address any City need reasonably originating from the City's right to ensure the public's health, safety and general welfare. In such case as this provision is invoked, the City shall provide thirty (30) calendar days' notice to Licensee.

12. **Notices.** Any notice to be given by City to Licensee hereunder shall be deemed to be properly served if deposited in the United States mail, postage prepaid, addressed to Licensee at:

13. **Termination Procedures, Requirements, Remedies and Rights.**

(a) Upon the termination of this License in any manner herein provided, Licensee shall forthwith surrender to City the possession of the Premises and shall, at its own cost, remove the Licensed Improvements and shall complete construction or otherwise restore the structures to which the Licensed Improvements were attached in conformance with applicable approvals and code provisions.

(b) In the case Licensee shall fail within thirty (30) days after the date of such termination to perform such construction or restoration, then City may, at its election to be exercised within thirty (30) days thereafter, remove the Licensed Improvements and perform such construction or restoration in conformance with applicable approvals and code provisions, and in such event Licensee shall, within thirty (30) days after the rendition of bill therefore, reimburse City for the cost so incurred. If the Licensee fails to remove the Licensed Improvements, and the City is required to remove the Licensed Improvements, the City may take and hold the Licensed Improvements as its sole property.

(c) If Licensee fails to surrender to City the Premises, upon any termination of this License, all the liabilities and obligations of Licensee hereunder shall continue in effect until the Premises are surrendered; and no termination hereof shall release Licensee from any liability or obligation hereunder, whether of indemnity or otherwise, resulting from any acts, omissions or events happening prior to the date of termination or the date, if later, when the Improvements are removed and the Premises restored or City elects to take and hold the Improvements as its sole property as hereinabove provided.

(d) Upon termination of this License, Licensee further agrees and covenants that it will, at its own cost, perform any construction or restoration in conformance with the applicable Code of Ordinances of the City of Norman.
