RE: Sole Manufacturer Statement – Med-Eng Products

This letter confirms that Med-Eng Holdings ULC, and its affiliates (“Med-Eng”), is the sole manufacturer of Med-Eng branded personal protective equipment (PPE) and tools for Explosive Ordnance Disposal (EOD) and blast related operations. This equipment includes, but is not limited to, the following:

- EOD 10/10E Bomb Suit and Helmet
- EOD 9/9N Bomb Suit and Helmet
- TAC 6E Protective Ensemble
- TAC and ARC Visor Systems
- SRS 5 Protective Ensemble
- Lightweight Demining Ensemble (LDE) and Demining Apron
- Lightweight Demining Helmet (LDH)
- BCS 4 Body Cooling System
- HW 300 Communication System
- Blast Tracker
- TM 600 Telescopic Manipulator
- HAL Branded Hook and Line Systems

All manufacturing is conducted at our production facilities in Ogdensburg, New York, USA and in Pembroke, Ontario, Canada, or at a sub-contracted facility solely on behalf of Med-Eng.

If you have any questions in this matter, please do not hesitate to contact your designated Sales Director or Sales Support representative.

Sincerely,

Richard Busbridge
EOD Product Line Director
