## **F. Other Activities**

For example, if the CLG proposes to develop and maintain a website for its local preservation program, it should be discussed in this section. Also, identify conferences, workshops, or other training programs for city preservation staff and/or local historic preservation commission member development, and include the name of the event, location, and estimated cost to be charges to the CLGF project (including a justification of how participation in the event supports the local historic preservation program). Please include SHPO-sponsored conferences, workshops and training in this list, if applicable. Use continuation sheet, if necessary.

## SECTION II – PROJECT SCHEDULE

Provide a detailed project schedule. List each month in the project period and the activities to be accomplished during the month. Remember to include review time for both the SHPO as well as your office on all products. Include at least thirty (30) days for the SHPO review of the first draft and at least ten (10) days for the SHPO review of the final draft. Your review time is at your discretion. The maximum length of time for completion of the project is twelve (12) months from the beginning date of the project, and the project schedule may not detail a longer project period. If the use of the CLGF is for an activity of a very short duration, such as only for attendance at a specific conference, then the project schedule may be for a period of time much shorter than twelve months. The progress reports due to the SHPO on the tenth of each month should correspond to this schedule, so be as realistic as possible. (Note: Each CLG must carefully monitor its progress in accordance with the project schedule and consult the SHPO immediately about problems that will cause delays in product completion. It may be possible for the SHPO to approve a revised schedule and/or an extension of the ending date. However, the SHPO cannot extend any project ending date beyond the expiration date for the federal funds (e.g., If a project agreement begins on July 1, and ends on June 30 of the following year, the maximum extension of time would be to the following September 30 [an extension of 90 days].)

## SECTION IV – PROJECT BUDGET AND NONFEDERAL MATCH

Total CLG Funds Requested	\$ 8,650	60%
Total Nonfederal Match	\$ 5,767	40%
Total Project Cost	\$ 14,417	100%

**REMINDER: A 60/40 match is required.** This means the federal share will be 60% of the total and the local match will be 40% of the total project costs. An easy way to calculate the required 40% is to take the allocated amount, multiply by 40 and divide by 60 (Example: \$4,500 x 40 / 60 = \$3,000; Total Project Cost is \$7,500).

Three budget forms must be completed: A budget summary, an itemized budget, and a matching share disclosure form. All three forms must be submitted with this application.

### Budget Summary:

The CLG matching share must be at least 40% of the total project costs. Provide a complete disclosure of the local matching share on the form provided below. Only one section may need to be completed, or if there are multiple donors or sources, complete a section for each agency, organization, or individual providing the match. “Donor” means the agency, organization, or individual providing the matching share. “Source” means where the match was obtained: for example, “Subgrantee General Fund”, or if an individual is donating services (identified as the Donor), “Source” is simply listed as “Same as Donor”.

“Kind” means is the matching share cash, donated services, eligible indirect costs, etc.

“Amount” means the dollar value of the contribution. If donated services or materials are contributed, provide the basis for the valuation of the contribution. *Guidelines for Subgrantees* provides assistance in determining the value of donated goods and services. Indirect costs may be claimed only if the CLG has an approved indirect cost rate established by its cognizant federal agency, and a copy of the document approving that rate must be attached to this application. ## **SECTION V – PUBLIC PARTICIPATION**

Each Certified Local Government's Certification Agreement includes a provision that the local government will "ensure, to the maximum extent possible, public participation in the local historic preservation program." Explain how the CLG involved the public in the development of this application.

All activities associated with the CLG Program are reported and discussed as an agenda item at the Historic District Commission meetings, which are all public meetings.

The Historic District Commission meets on the first Monday of each month. Agendas of the meetings are posted at least 48 hours in advance of the meetings, both physically at City Hall as well as on the City Calendar located on the City of Norman web page.

Additionally, the Norman City Council Meeting at which this application was approved, included discussion of proposed projects and advance notice of the meeting was posted at least 48 hours in advance of the meeting.

The Historic Walking Tour App will be advertised through a press release, posted on the City's website and Facebook page.
