Dear Member,

Thank you for your continued membership in the Oklahoma Municipal League (OML). Your support ensures your community has a strong voice at the Capitol and access to vital resources and services tailored to Oklahoma municipalities.

This year, your membership has helped deliver:

- Ongoing ARPA closeout training and technical assistance to help municipalities successfully complete projects and prepare final reports due in December 2026.
- Legislative advocacy on behalf of municipalities, including municipal judicial carry, Oklahoma Common Cents, protections against doxing of municipal officials, adoption of single-stair standards, and extending the statutory deadline for ordinance publication from 15 to 30 days.
- Leading the charge along with 17 partner organizations, including agricultural and business groups, in legal action opposing State Question 874, which would eliminate property tax and significantly impact municipal services statewide.
- Expanded professional development, including an updated New Officials Institute tailored specifically to Council/Manager forms of government, offered twice annually alongside the existing NOI program.

Enclosed are your membership dues invoice for the upcoming fiscal year. Your participation ensures our ability to continue OML's work on behalf of municipalities across the state.

If you have any questions about your invoice or membership benefits, please contact us at 405-528-7515.

We are honored to serve you and value the trust you place in us as we continue to work with you to make your municipality stronger.

Sincerely,

Mike Fina
Executive Director
