BACKGROUND:

In 2020, the Oklahoma Legislature enacted House Bill 4138, the Political Subdivisions Opioid Abatement Grants Act, creating the Oklahoma Opioid Abatement Board oversight body for the distribution of opioid settlement funds. Section 2 of the Act provides the Legislature's purpose, which is "to promote and protect the health of Oklahomans by using monetary grants to abate the opioid crisis in a comprehensive manner that includes cooperation and collaboration with political subdivisions." 74 O.S. § 30.4. Although the City of Norman did not participate as a litigating party in any of the opioid lawsuits, it is eligible for opioid abatement grants.

Grants funds are limited by statute for certain approved purposes set out in 74 O.S. §30.5. These include evidence-based, forward-looking strategies, programming and services used to:

- j. address the needs of pregnant or parenting women with opioid use, abuse or disorder and their families,
- k. address the needs of parents and caregivers caring for babies with neonatal abstinence syndrome,
- l. support efforts to prevent overprescribing and ensure appropriate prescribing and dispensing of opioids,

- n. support efforts to prevent or reduce overdose deaths or other opioid-related harms including through increased availability and distribution of naloxone and other drugs that treat overdoses for use by first responders, persons who have experienced an overdose event, families, schools, community-based service providers, social workers and other members of the public,
- o. reimburse or fund law enforcement and emergency responder expenditures relating to the opioid epidemic including costs of responding to emergency medical or police calls for service, equipment, treatment or response alternatives, mental health response training and training for law enforcement and emergency responders as to appropriate practices and precautions when dealing with opioids or individuals who are at risk of opioid overdose or death,
- p. reimburse attorney fees and allowable expenses directly related to opioid litigation incurred as part of legal services agreements entered into before May 21, 2020,

The City applied for the first round of Opioid Abatement Grant Funding in March 2024 and was successfully awarded a grant in the amount of \$190,000 in July 2024 to fund a project with The Virtue Center.

The Oklahoma Opioid Abatement Board has opened another application round in 2025 for additional Opioid Abatement Grant awards. The applications open online on May 12, 2025 and close June 13, 2025. This round of grant funding is designed to support projects/programs that span a timeline of three years, and as such, the Board has increased the maximum funding limits. For a municipality with a population of 100,001 or more, the proposed maximum funding is \$750,000 (\$250,000 per year). This grant funding round also permits a grant recipient to contract or partner with a nonprofit organization or other applicant for the purpose of using its grant award for the approved purposes set forth in the Act. Grant award funding is not guaranteed.

Staff posted RFP-2425-60 on May 13, 2025, seeking proposals for partnerships and setting a deadline for proposal submission of May 27, 2025 at 5:00pm. Four proposals were received. A selection committee made up of Shannon Stevenson, Assistant City Manager, Major Jamie Shattuck, Norman Police, and Anthony Purinton, Assistant City Attorney, reviewed the proposals on June 2, 2025 and scored them in accordance with the RFP.

DISCUSSION:

After review of the proposals, the highest-ranking submission was from The Virtue Center. The Virtue Center is requesting \$498,000.00 in total funding (\$166,000.00 per year) to accomplish:

- Implementation of new Strengthening Families Program (SFP), a science-based family skills training program, that consists of three 14-week courses (Parent Training, Children's Skills Training, and Family Life Skills Training).
- Expansion and enhancement of existing programs targeted toward opioid abatement:
 - Outpatient treatment services; access to Medication for Opioid Use Disorder (MOUD) and distribution of Naloxone and Fentanyl test strips; public awareness and education initiatives; and peer recovery and case management services.

Resolution R-2425-132 authorizes Staff to submit an application for grant funding for the purpose of funding a partnership with The Virtue Center to implement the qualifying programs and services described above.

RECOMMENDATION:

Staff recommends adoption of Resolution R-2425-132.
