**B. DESIGN DEVELOPMENT/PRELIMINARY PLAN SERVICES**

Task 2 Design Development/Preliminary Plan Services

(a) Prepare schematic design studies, including review and comment of the project and design development documents. The Design Consultant shall prepare schematic design studies consisting of drawings and other documents illustrating the scale and relationship of project components for approval by the City Engineer. The Design Consultant shall prepare from the approved schematic design studies the design development document/preliminary plans consisting of drawings and other documents to fix and describe the size and character of the project as to structural, mechanical and electrical systems, preliminary site drawing, materials and such other essentials as may be appropriate. The preliminary site drawing shall include a topographical survey of the site, layout of any existing proposed and/or recommended sanitary sewers, water lines, storm sewers, all other underground obstructions, street improvements, site drainage and detention studies as appropriate, any and/or all of which might affect the construction of this project. The design development document/preliminary plans shall include, if applicable, a drainage study to determine one-hundred (100) year flood elevation; these computations shall be included in preliminary plans.

(b) Prepare an approximate estimate of the construction costs of said improvements, extensions and repairs.

(c) Hold all necessary conferences with the City and all other interested parties.

(d) Prepare the design development document/preliminary plans to the City covering the Design Consultant's preliminary surveys, studies, investigations and other items as specified in paragraph "Basic Services" A. (1), (2) and (3) and Exhibit A hereof. If applicable, the plans shall include a drainage study with complete computations and calculations and shall cover the total construction work by phases or sections and shall recommend to the City the order of construction and completion of each phase of construction.

(e) Furnish the City with Digital Copies, and up to two (2) printed sets, of the

preliminary documents free of cost to the City. The cost of any additional copies of preliminary reports as the City may require will be reimbursed at the net cost thereof.

(f) Identify and prepare all requirements for the City to order the geotechnical investigation (to be paid by PDG), including but not limited to sampling, test boring, subsurface explorations, analysis and other investigations required for determining conditions and geotechnical recommendations for foundations and paving design.

(g) The preliminary plans shall be recommended by the Authority Engineer for formal approval by the Authority.

## **C. CONSTRUCTION DOCUMENT/FINAL PLAN SERVICES**

### **Task 3     Construction Document/Final Plan Services**

(a) Prepare final plans, bid documents, specifications and estimate of costs.

(b) After approval of the design development document/preliminary report in whole or in part by the City, the Design Consultant shall proceed as directed in writing by the City Engineer to prepare detailed plans and specifications, using wherever applicable, City standards, details and specifications for such work. The Design Consultant shall complete said plans and specifications for submission to the City for its approval. All final as-built plans must be reproducible.

1. Scale for plan and profile sheets for preliminary and final plans shall be approved by the City Engineer prior to preparation of plans.
2. Aerial photographs will not be permitted for plan and profile sheets of the final construction plans.
3. The Design Consultant shall indicate on final plan and profiles all water lines, sanitary sewer lines, gas lines, oil lines, telephone conduits and all other underground obstructions which might affect the construction of the project

(c) Should it be necessary to extend or relocate public utilities, storm sewer, sanitary sewer, waterlines, or paving, the Design Consultant shall enlist the aid of a Registered Professional Engineer at the City's expense to prepare construction documents as may be required for these improvements and submit same to the City Engineer for approval. Detailed construction plans will be required on all storm sewer, sanitary sewer, waterlines, and paving construction and shall include the following:

1. Plan and profile of all proposed improvements. Indicate right-of-way and/or easement, state whether existing or to be acquired.
2. Include complete drainage map and calculations, detail of special structures, typical paving section, manhole detail, storm sewer inlet details, etc.
3. All such plans must be signed and sealed by a Professional Engineer registered in the State of Oklahoma.
4. The horizontal scale used on plan and profile sheets shall be determined by the Authority based on the work depicted.
5. Sheet size shall be 24" x 36".
6. All street returns shall meet City of Norman Requirements.
7. On construction plans the streets should reflect the name, existing surface and existing and proposed right-of-way width.
8. All utility easements shall meet the City of Norman Requirements.
9. All elevations shown on the plans shall be based on United States

Geological Survey datum.

(d) The Design Consultant shall assemble said plans and specifications for submission to the City for their approval. All original plans must be reproducible.

(e) Upon preliminary completion of final plans for formal submittal to the City, the Design Consultant will submit Digital Copies, and up to two (2) printed sets, of the final plans and specifications free of cost to the City. The cost of any additional copies of preliminary reports as the City may require will be reimbursed at the net cost thereof.

(f) Prepare and furnish the City all final plans and specifications, all necessary forms for construction proposals and advertisements for bids, subject to approval of the City, employing wherever applicable, standard City forms, in completed form.

(g) Furnish the City Digital Copies, and up to three (3) copies of all final plans and specifications with cost included in the Basic Services Fee. The Design Consultant will distribute bidding plan sets from their office via digital files in a shared folder at no charge to the plan holders.

(h) Identify and coordinate all requirements for geotechnical investigation, including but not limited to sampling, test boring, subsurface explorations, analysis and other investigations required for determining conditions and geotechnical recommendations for foundations and paving design. Identify and coordinate sampling and analysis of water and other substances as appropriate.

(i) Confirm and/or supplement the geotechnical requirement described in Preliminary Report Services above.

(j) The laboratories will be selected by PDG, and costs of sampling, analysis, borings, tests, or explorations and investigations will be paid by PDG.

(k) Meet with the City or its representatives at any time requested for consultation or conference as directed in writing by the City Engineer.

(l) Prior to the submission of contract documents to the City for solicitation of bids, the Design Consultant shall submit plans and specifications required for the granting of all necessary building permits.

(m) Prepare all necessary plans, studies and applications for submission to City, State and Federal authorities as may be required for the initiation, prosecution, construction and for approval of grants and permits at no additional cost to the City.

(n) Final design shall include the establishment of permanent horizontal and vertical alignment control points throughout the entire project limits of all storm sewers, sanitary sewers, paving, water and/or appurtenances. The Design Consultant shall provide a permanent bench mark as close as possible to the proposed construction.

#### **D. BIDDING SERVICES**

##### **Task 4    Bidding Services**

(a) Meet with the City or its representatives at any time for consultation/conference, as directed in writing by the City Engineer. In this connection, the Design Consultant shall hold at least one (1) pre-bid conference with prospective bidders.

(b) Answer all City and bidder's questions regarding the bidding of the project, prepare and distribute upon approval by the City Engineer, all addendums for the project.

(c) Prior to bid opening, the Design Consultant shall submit a **sealed** construction cost estimate to the City derived from the Design Consultant's approved final plans and specifications.

(d) The City will receive the proposals (bids) and the Design Consultant will receive a copy of the proposals from the City. The Design Consultant will review and evaluate the proposals and will make recommendations to the City for an award. The Design Consultant shall assist, review and make recommendations to the City on all construction contract issues.

(e) If bids are received, all of which exceed the estimated construction cost, the Design Consultant shall revise its plans as directed by the City, pursuant to the paragraph number 21 "Estimated Cost for Construction" of this Contract.

## **E. CONSTRUCTION ADMINISTRATION SERVICES**

### **Task 5    Construction Administration Services**

(a) The Design Consultant shall provide administration of the construction contract during construction and until final payment is made to the contractor. The City will provide on-site inspection on a day-to-day basis as well as all code inspections.

(b) Meet with the City or its representatives at any time requested for consultation or conference as directed in writing by the City Engineer.

(c) Assist in coordination of pre-work conferences for the contractor(s), the City and all other interested parties. The City will issue all work orders for the project.

(d) Establish permanent horizontal and vertical alignment control points throughout the entire project limits from which the construction contractor shall set its control for construction. Provide a permanent benchmark as close as possible to the proposed construction area. All surveys and control points shall be tied to the Authority's GIS control network and datum. Construction staking is to be performed by the construction contractor. The Landscape Architect will periodically review the contractor's construction staking survey field notes and the actual staking to verify line and grade in accordance with the Contract Documents.

(e) Provide interpretation of the plans and specifications in accordance with the intent of the contract documents. Such interpretations shall be made upon request of the City and its representatives or the contractor, to safeguard the City against defects and deficiencies in the construction. When making such interpretations and decisions, the Design Consultant will endeavor to secure faithful performance by the contractor. The Design Consultant does not guarantee the performance of the contract by the contractor(s), nor is it responsible for construction means, methods, techniques, sequences or procedures, or for safety precautions and programs in connection with the work, and it shall not be responsible for a contractor's failure to carry out the work in accordance with the contract documents.

(f) Perform coordination of the work of inspection and laboratories selected by the City for the inspection and testing of construction materials. Receive reports and recommend approval or rejection of the materials based upon reports made by such

laboratories or bureaus. The costs of all such tests and inspection by laboratories will be paid by the City.

(g) Review and recommend approval of testing laboratory claim vouchers.

(h) The Design Consultant shall visit the site with qualified Architectural, Civil, Structural, Mechanical, Electrical, etc., representatives at intervals appropriate to the stage of construction to become familiar with the progress and quality of the work. This will take place at a scheduled on-site meeting with the City, contractor and the Design Consultant or his consultants. The Design Consultant will further determine, in general, if the work is being performed in a manner indicating that the work, when completed, shall be in accordance with the contract documents. However, the Design Consultant is not required to make exhaustive or continuous on-site inspections to check quality or quantity of the work. The Design Consultant will keep the City informed of progress of the work, and will endeavor to guard the City against defects and deficiencies of the work. The City will assign a City inspector to the project that will communicate with the Design Consultant as necessary in between scheduled meetings. The City inspector will keep a daily log for work days and general progress of the project.

(i) Review all necessary information for monthly estimates of the quantity of work performed, and review the claim vouchers for payments to be made to the contractor(s) during the progress of the work and upon completion of any and all work and report the same to the City.

(j) Review the contractor's final request for payment and certify that, to the best of its knowledge and industry standards, the completed work conforms to plans and specifications.

(k) Prepare and keep a record of the meeting minutes for the scheduled meetings, including a summary of work performed by any contractor on this project for the previous work week. This will be distributed to the City and all interested parties. The report shall be distributed by the following scheduled construction meeting.

(l) Except as otherwise provided in this contract, communications with the Design Consultant's consultants will be through PDG. Communications with the contractor's subcontractors and material suppliers will be through the contractor. Communications with other City contractors will be through the City. The Design Consultant shall be available at all times for the purpose of communication.

(m) The Design Consultant shall recommend rejection to the City Engineer and/or City Inspector of work that does not conform to the contract documents. At any time during construction, the Design Consultant may be given the authority to require additional inspection or testing of the work by the City Engineer.

(n) The Design Consultant shall review for conformance with contract documents, and approve or take other appropriate action upon the contractor's submittals, such as shop drawings, product data and samples. The Design Consultant's review of submittals will be promptly completed, but no longer than fourteen (14) calendar days from receipt of submittals. Review of such submittals is not conducted for the purpose of determining the accuracy and completeness of other details such as dimensions and quantities, or for substantiating instructions for installation or performance of equipment or systems, all of which remain the responsibility of the contractor as required by the contract documents. The Design Consultant's review of

the contractor's submittals will not relieve the contractor of its contractual obligation to the City as required by the contract documents. The Design Consultant's review of the contractor's submittals will not constitute approval of safety precautions or of any construction means, methods, techniques, sequences or procedures. The Design Consultant's approval of a specific item shall not indicate approval of an assembly of which the item is a component.

(o) The Design Consultant shall reply to contractor's requests for information, prepare clarification drawings, prepare change orders, field orders, amendments, field changes and construction change directives. The Design Consultant may recommend minor changes in the work, not inconsistent with the intent of the contract documents. Such recommended changes shall be made by written order approved by the City Engineer and shall be binding upon the contractor.

(p) The Design Consultant shall conduct observations and inspections as required to determine the quality of work to be accepted and the date or dates of final completion and acceptance. The Design Consultant shall receive and forward to the City all written warranties and any related documents required by the contract documents and assembled by the contractor. The Design Consultant will recommend approval of the contractor's final certificate of payment upon completion of the work and compliance with the requirements of the contract documents.

(q) The Design Consultant will review reports furnished by the City's inspector to evaluate and determine compliance with the contract documents. Significant variations between reported conditions and the contract documents shall be verified by the Design Consultant and resolved with the contractor and the City. The Design Consultant's duty to review reports and initiate remedial action shall not extend to the contractor's construction means, methods, techniques, sequencing or procedures or for safety precautions and programs in connection with the work.

3. **No Extra Work.** No claims for extra work of any kind or nature or character shall be recognized by or be binding upon the City unless such work or service is first approved in writing by the City.
4. **Compensation.** The aggregate total compensation for all Design Consultant services under this Contract shall not exceed a total fee of **\$264,150** for Basic Services as specifically set forth in Exhibit B, attached hereto and incorporated herein.
5. **Payments.**

(a) Payment of claims for incremental work completed on each task may be submitted. Invoices for the amount and value of the work and services performed by the Design Consultant shall be submitted monthly to the City and shall meet the standards of quality as established under this Contract. The City agrees to pay the Design Consultant, as compensation for such Design Consultant services as listed herein. Professional consultants engaged for the normal Architectural, Civil, Structural, Electrical or Mechanical Engineering services shall be billed to the City by the Design Consultant as part of the Design Consultant total compensation.

(b) The Design Consultant shall present the invoice to the City for compensation and payment. The City will review the invoice and claim voucher for payment. Should the City question or request additional documentation or disapprove all or a portion of any invoice, the Design Consultant will be notified so that it may provide additional documentation sufficient to permit the invoice and claim to be paid, in whole or in part; provided, however, no invoices or claims shall be paid the aggregate of which are in excess of the "not to exceed" amounts or limitations established in Exhibit B.

(c) Final payment shall not be deemed to waive any rights or obligations of the parties to this Contract.

6. **As-Built Drawings**

Upon termination or completion of this Contract, the Design Consultant shall, at its expense, correct the original drawings [show all as-built changes based on information provided by the construction contractor] with the actual construction included under this Contract and shall furnish the City, without expense, Digital Copies of the corrected original with date of drawing on each sheet. All changes must be highlighted on the final drawings, showing any and all changes. All written comments or other markings on the drawings must be in black ink (red or other colors are not reproducible and will not be accepted).

7. **Indemnity.** To the fullest extent permitted by law, the Design Consultant agrees to release, defend, indemnify and save harmless the City and any participating public trust, their officers, agents and employees, from and against any and all loss of or damage to property, injuries to or death of any person or persons and/or all claims, damages, suits, costs, expenses, liability, actions or proceedings of any kind or nature whatsoever, including, without limitation, Worker's Compensation claims of or by anyone whomever, in any way resulting from or arising out of the Design Consultant's negligent acts, operations, errors and/or omissions under or in connection with this Contract, or the Design Consultant's use and occupancy of any portion of the project site, including, without limitation, negligent acts, operations, errors and/or omissions of the Design Consultant's officers, employees, representatives, suppliers, invitees, contractors, subcontractors or agents. The Design Consultant shall promptly advise the City and any participating public trust, in writing, of any action, administrative or legal proceeding or investigation as to which this indemnification may apply, and the Design Consultant, at its expense, shall assume the defense of the City and any participating trust, with counsel satisfactory to the City and any participating trust. This section shall survive the expiration of the Contract. Provided, however, the Design Consultant need not release, defend, indemnify or save harmless the City and any participating public trust, or their officers, agents and employees, from damages or injuries resulting from the negligence of the City and any participating public trust, their officers, agents or employees. It is understood that this indemnity and hold harmless provision is not limited by the insurance required under the provisions hereof.

8. **Insurance.** Required insurance shall be carried and maintained throughout the term of this Contract, and certificates of insurance shall contain a provision by the insurer(s) to the effect that the policy(s) may not be canceled, fail to be renewed, nor the limits decreased by endorsement without thirty (30) days prior written notice to the City and any participating public trust.

- A. During the term of the Contract, the Design Consultant shall provide, pay for, and maintain with companies satisfactory to the City and any participating public trust, the types of insurance described herein. All insurance shall be from responsible insurance companies eligible to do business in the state of Oklahoma. All liability policies (except professional liability policies) shall provide that the City and any participating public trust are named additional insureds as to the operations of the Design Consultant under this Contract and shall also provide the following Severability of Interest Provision:

With respect to claims involving any insured hereunder, except with respect to limits of insurance, each such interest shall be deemed separate from any and all other interest herein, and coverage shall apply as though each such interest was separately insured.

Promptly after notice of award of this Contract, the insurance coverage and limits required must be evidenced by properly executed certificates of Insurance. The certificate must be

signed by the authorized representative of the insurance company(s) shown in the certificate with proof that he/she is an authorized representative thereof. In addition, certified, true and exact copies of all insurance policies required shall be provided to the City and any participating public trust on a timely basis if requested by the City and any participating public trust. The required policies of insurance shall be performable in Norman, Oklahoma, and shall be construed in accordance with the laws of Oklahoma.

No less than thirty (30) days prior written notice by registered or certified mail shall be given to the City and any participating public trust of any cancellation, intent not to renew, or reduction in the policies' coverage except in the application of the aggregate limits provisions. In the event of a reduction in any aggregate limit, the Design Consultant shall immediately notify the City and any participating public trust and shall make reasonable efforts to have the full amount of the limits appearing on the certificate reinstated. If at any time the City and any participating public trust requests a written statement from the insurance company(s) as to any impairments to the aggregate limit, the Design Consultant hereby agrees to promptly authorize and have delivered to the City and any participating public trust such statement. The Design Consultant authorizes the City and any participating public trust to confirm all information so furnished as to the Design Consultant's compliance with its bonds and insurance requirements with the Design Consultant's insurance agents, brokers, surety and insurance carriers. All insurance coverage of the Design Consultant shall be primary to any insurance or self-insurance program carried by the City and any participating public trust.

- B. No work or occupancy of the premises shall commence at the site unless and until the required certificates of insurance are provided and in effect and the written notice to proceed is issued to the Design Consultant by the City and any participating public trust.
- C. The insurance coverage and limits required of the Design Consultant under this Contract are designed to meet the minimum requirements of the City and any participating public trust. Such coverage and limits are not designed as a recommended insurance program for the Design Consultant. The Design Consultant alone shall be responsible for the sufficiency of its own insurance program. Should the Design Consultant have any question concerning its exposures to loss under this Contract or the possible insurance coverage needed therefore, the Design Consultant should seek professional assistance.
- D. Any deductibles or self-insured retentions or any scheme other than a fully insured program of general liability, automobile liability and/or employer's liability must be declared by the Design Consultant for approval in advance by the City and any participating public trust. At the option of the City and any participating public trust: (1) the Design Consultant shall require the insurer to reduce or eliminate such deductibles or self-insured retentions with respect to the City and any participating public trust; or (2) the Design Consultant shall procure a bond guaranteeing payment of the losses and related investigations, claim administration and defense expenses not otherwise covered by the Design Consultant's insurance because of deductibles or self-insurance retentions; or (3) the Design Consultant shall provide owner's protection liability coverage with the City and any participating trust as the named insured's, for the commercial general liability requirement, in a combined single-limit bodily injury and property damage amount of One Million Dollars (\$1,000,000.00)
- E. The Design Consultant shall provide the City the following insurance:
  - (1) Worker's compensation and employer's liability. The Design Consultant shall maintain, during the term of the Contract, worker's compensation insurance as prescribed by the laws of the state of Oklahoma and employer's liability Insurance in an amount not less than One Hundred Thousand Dollars (\$100,000.00) each for all its employees employed at the site of the project, and in case any work is subcontracted,

the Design Consultant shall require the subcontractor similarly to provide worker's compensation and employer's liability Insurance for all the subcontractor's employees, unless such employees are covered by the protection afforded by the Design Consultant. In the event any class of employees engaged in work performed under the Contract or at the site of the project is not protected under such insurance heretofore mentioned, the Design Consultant shall provide and shall cause each subcontractor to provide adequate insurance for the protection of the employees not otherwise protected.

- (2) Commercial general liability insurance. The Design Consultant shall maintain during the term of the Contract sufficient commercial general liability Insurance to protect the Design Consultant and any additional insured(s) from claims for bodily injury, including death, as well as from claims from property damages or loss, which may arise from activities, omissions and operations under the Contract, whether such activities, omissions and operations be by the Design Consultant or by any subcontractor or by anyone directly or indirectly employed by or acting on behalf of or to the benefit of them. The amounts of such insurance shall be not less than the City's maximum liability under the Governmental Tort Claims Act, 51 O.S. § 151 *et seq.*, as amended from time to time and currently are:
  - a. Property damage liability in an amount not less than Twenty-Five Thousand Dollars (\$25,000.00) per claimant for loss, damage to or destruction of property, including but not limited to consequential damages arising out of a single accident or occurrence.
  - b. All other liability in an amount not less than One Hundred Twenty-Five Thousand Dollars (\$125,000.00) per claimant for claims including death, personal injury, and all other claims arising out of a single accident or occurrence.
  - c. Single occurrence or accident liability in an amount not less than One Million Dollars (\$1,000,000.00) for any number of claims arising out of a single accident or occurrence.

Note: If commercial general liability coverage is written in a "claims-made" form, the Design Consultant shall also provide tail coverage that extends a minimum of one year from the expiration of this Contract.

- (3) Automobile liability insurance shall be maintained by the Design Consultant as to the ownership, maintenance, and use of all owned, non-owned, leased or hired vehicles, with limits of not less than:

Bodily injury liability	\$125,000.00	Limit each person
	\$1,000,000.00	Limit each accident
Property damage liability	\$25,000.00	Limit each accident or
Bodily injury and property damage liability	\$1,000,000.00	Combined single limit each accident

- (4) Valuable paper insurance in an amount not less than fifty percent (50%) of the Design Consultant's total fee to assure the restoration, in the event of their loss or destruction, of any field notes, drawings, documents, summaries, estimates, reports, specifications, data, as-built drawings, renderings, calculations, tracings, computer files, models or plans (hereinafter collectively referred to as "documents") obtained or prepared as a part of this Contract and the delivery of said documents to the City and

any participating public trust upon the completion, expiration, cancellation or termination of this Contract. The City and any participating public trust is to be named as loss payee for its interest only.

- (5) Professional liability insurance. Before this Contract may become effective, the Design Consultant shall provide the City and any participating public trust with a certificate of insurance evidencing the Design Consultant's coverage under a Professional Liability Insurance Policy in an amount not less than \$1,000,000 aggregate annual limit of liability. Such insurance shall be maintained for a period of two (2) years after the completion of construction of this project.

Any lapse of insurance coverage is declared a breach of this Contract. The City and any participating public trust may, at its option, suspend this Contract until there is full compliance with this paragraph "Insurance" or terminate this Contract for nonperformance.

9. **Termination for Convenience.** The City may terminate this Contract, in whole or in part, for the City's convenience. The City may terminate by delivery of a notice to the Design Consultant, pursuant to paragraph "Notices" herein.

Upon receipt of the notice of termination, the Design Consultant shall (1) immediately discontinue all work and services affected (unless the notice directs otherwise), and (2), upon payment for work performed, deliver to the City all documents, data, drawings, specifications, reports, calculations, field notes, tracings, plans, models, computer files, estimates, summaries and other information and materials accumulated in performing this Contract, whether complete or incomplete unless the notice directs otherwise.

Upon termination for the convenience by the City, the City shall pay the Design Consultant for all work and services rendered, up to the time of the notice of termination, in accordance with the terms, limits and conditions of this Contract and as further limited by the not to exceed amounts set in this Contract.

The rights and remedies of the City provided in this paragraph are in addition to any other rights and remedies provided by law or under this Contract.

Termination herein shall not terminate or suspend any of the required provisions of paragraph "Indemnity" or "Insurance" of this Contract.

10. **Notices.** All notices given pursuant to this Contract shall be in writing, delivered or mailed by United States mail, or emailed (with hard copy follow up by mail or delivery) addressed as follows:

The address of any person or party may be changed by notice to the other party, given in the manner described above. All such notices shall be deemed received when hard copies are delivered.

11. **Stop Work.** Upon notice to the Design Consultant, the City may issue a stop work order suspending the performance of work and/or services under this Contract. The stop work order shall not terminate or suspend any of the required provisions of paragraph "Indemnity" and/or "Insurance" of this Contract. In the event the City issues a stop work order to the Design Consultant, the City will provide a copy of such stop work order to the contractor.
12. **Compliance with Laws, Ordinances, Specifications and Regulations.** The Design Consultant shall comply with all existing federal, state and local laws, standards, codes, ordinances, administrative regulations and all amendments and additions thereto, pertaining in any manner to the work and/or services provided by this Contract.
13. **Records and Accounts.** During the term of this Contract and continuing for a period the longer of five (5) years after the final acceptance of the completed project by the City, or until the final resolution of any outstanding disputes between the City and the Design Consultant or the contractor(s) on the project, the Design Consultant shall maintain: all documents, notes, drawings, specifications, reports, estimates, summaries, renderings, models, photographs, field notes, as-built drawings, information, survey results, plans, computer files and any other materials produced, created or accumulated in performing this Contract that have not been submitted to the City subsequent to final completion of the project and its internal accounting records, and other supporting documents pertaining to the claims and/or invoices for costs of work and/or services of this Contract. The Design Consultant must maintain its accounting records in accordance with generally accepted accounting principles applied on a consistent basis. The Design Consultant shall permit periodic audits by the City and the City's authorized representative. The periodic audits of the records in support of claims and invoices for the Contract shall be performed at times and places mutually agreed upon by the City and Design Consultant. Agreement as to the time and place for audits may not be unreasonably withheld.
14. **Reporting to the Authority.** The Design Consultant shall report to the City on a regular monthly basis and on an as needed basis.
15. **Prohibition Against Collusion.** The Design Consultant warrants that it has not employed or retained any company or person other than a bona fide employee working solely for the Design Consultant to solicit or secure this Contract. The Design Consultant further warrants that it has not paid or agreed to pay any person, company, corporation, individual or firm, other than a bona fide employee working solely for the Design Consultant, any fee, commission, percentage, gift, or any other consideration, contingent upon or resulting from the award or making of this Contract. In addition, the Design Consultant must execute the Anti-collision Affidavit, attached as Exhibit C, prior to the effective date of this Contract.
16. **Sub-consultant, Subcontractor or Employee Conflict of Interest.** Any work performed by the Design Consultant's employees, sub-consultants or subcontractors on this project shall prohibit said persons from contracting with, working for, or otherwise assisting any potential bidder to do any project-related work for the bidder which may in any way be (or construed to be) a conflict of interest. It is the responsibility of the Design Consultant to require all employees, sub-consultants, or subcontractors engaged by the Design Consultant of any business relationship (formal or otherwise) which may pertain directly or indirectly to this project and/or which may in any way be (or construed to be) a conflict of interest. The Design Consultant will subsequently notify the City of any such business relationship and/or conflict of interest. Any conflict of interest discovered by the City may be cause for rejection of the bid in question and/or cancellation of the Design Consultant's contract.
17. **Work Orders.** The Design Consultant shall proceed with the provision of work and/or services for this Contract upon receipt of work orders from the City Engineer.

18. **Ownership of Documents.** All documents, notes, drawings, specifications, reports, estimates, summaries, computer files, renderings, models, photographs, field notes, as-built drawings, information, survey results, plans, computer files and any other materials produced, created or accumulated in performing this Contract, are and shall remain the property of the City and may be reproduced, distributed and published in whole or part without permission or any additional payments or fees to the Design Consultant. Reuse of said documents by the City shall be at the City's risk and responsibility and not that of the Design Consultant. The parties may use any portions of said documents at their own risk and responsibility. During preparation of design documents, the Design Consultant shall do weekly backups of CADD computer files and maintain said backups in a safe and secure off-site location. These back up CADD computer files are the property of the Design Consultant.
19. **References Not Incorporated.** The use of language or definitions from the Federal Acquisition Regulations, the ("FAR"), the American Institute of Architects ("AIA"), the American Society of Landscape Architects ("ASLA") or any other publication, is not intended to adopt by reference or otherwise any or all of the language, definitions, regulations or publications or any interpretation.
20. **Standard of Care.** In providing the work and services herein, the Design Consultant shall maintain during the course of this Contract the standard of reasonable care, skill, diligence and professional competency for such work and/or services. The Design Consultant agrees to require all of its consultants, by the terms of its consultants' contracts, to provide services at the same standard of reasonable care, skill, diligence and professional competence required of the Design Consultant.
21. **Estimated Construction Cost.** If the lowest and best bid proposed in response to a timely solicitation of bids for construction of the project, in accordance with the bidding documents provided by the Design Consultant, exceeds the estimated construction cost or funds available for this project, the Design Consultant, at no increase or additional cost to the City, shall redesign the project and redraft the bidding documents so that the construction bids pursuant to a subsequent solicitation come within the estimated construction cost.
22. **Design Corrections.** The Design Consultant agrees to make any necessary corrections to the designs, drawings, specifications or other documents, work or services furnished, when such documents or services contain any errors, deficiencies or inadequacies caused by the Design Consultant, at no cost to the City. The Design Consultant further agrees to be liable for any damages caused by its negligence and/or the negligent failure to timely discover and/or make such necessary corrections. The Design Consultant is not relieved of liability for design errors, deficiencies or inadequacies undiscovered by the City upon its review or inspection, nor is the Design Consultant relieved from liability for the City's lack of review or inspection of said documents.
23. **Notice of Design Limitations.** The Design Consultant will immediately advise the City at any time it believes that the project being designed will exceed, or is likely to exceed, the allocated cost for construction as set forth in this Contract.
24. **Sub-consultants.** Design Consultant agrees to submit for approval by the City, prior to engagement, a list of sub-consultants or subcontractors the Design Consultant intends to engage to perform work and/or services related to this Contract. Such approval will not be unreasonably withheld.
25. **Nondiscrimination.** In connection with the performance of work and/or services under this Contract, the Design Consultant agrees as follows:
  - A. The Design Consultant shall not discriminate against any employee or applicant for employment because of age, race, creed, color, sex, national origin, ancestry or disability as defined by the Americans with Disabilities Act of 1990, Section 3(2). The Design Consultant shall take affirmative action to ensure that employees or applicants for employment are treated without regard to their age, race, creed, color, national origin, sex, ancestry or

disability as defined by the Americans with Disabilities Act of 1990, Section 3 (2). Such actions shall include, but not be limited to the following: employment, upgrading, demotion or transfer, recruiting or recruitment, advertising, layoff, termination or cancellation, rates of pay or other forms of compensation and selection for training, including apprenticeship

- B. In the event of the Design Consultant's noncompliance with this nondiscrimination clause, this Contract may be suspended, canceled or terminated by the City. The Design Consultant may be declared by the City ineligible for further contracts or agreements until compliance, and/or satisfactory proof of intent to comply shall be made by the Design Consultant.
  - C. The Design Consultant agrees to include this nondiscrimination clause in any subcontracts connected with the performance of this Contract. The Design Consultant shall also execute the nondiscrimination certificate, attached and incorporated as Exhibit D, prior to the effective date of this Contract.
26. **Assignment.** Inasmuch as this Contract is a personal and professional service agreement which relies upon the personal and professional integrity, financial standing and unique ability and expertise of the Design Consultant to provide professional and personal services to the City, the parties agree that the Design Consultant may not assign its obligations, rights or interest in this Contract except as set forth in paragraph "Termination for Default" subparagraph B.
27. **Termination for Default.** The City may cancel this Contract in whole or in part, for failure of the Design Consultant to fulfill or promptly fulfill its obligations under this Contract.
- A. After due notice and thirty (30) days within which to correct the default, this Contract may be terminated by either party for default upon fourteen (14) days written notice should the other party fail substantially to perform in accordance with the Contract terms through no fault of the party initiating the termination.
  - B. If this Contract is terminated by reason of a default of the Design Consultant prior to the completion of this project, regardless of the reason for said termination, the Design Consultant shall immediately assign to the City any contracts and/or agreements relative to this project entered into between the Design Consultant and its subcontractors and sub-consultants, as the City may designate in writing and with the consent of the sub-contractors and sub-consultants so designated. With respect to those contracts and/or agreements assigned to and accepted by the City, the City shall only be required to compensate such subcontractors and sub-consultants for compensation accruing to such parties under the terms of their agreements with the Design Consultant from and after the date of such assignment to and acceptance by the City. All sums claimed by such subcontractors or sub-consultants to be due and owing for services performed prior to such assignment and acceptance by the City shall constitute a debt between the Design Consultant and the affected subcontractors or sub-consultants, and the City shall in no way be deemed liable for such sums. The Design Consultant shall include this provision and the City's rights and obligations hereunder in all agreements or contracts entered into with the Design Consultant's subcontractors and sub-consultants.
  - C. Termination herein shall not terminate or suspend any of the required provisions of the paragraph "Indemnity" or "Insurance" of this Contract.
28. **Time Is of the Essence.** Both the City and the Design Consultant expressly agree that time is of the essence with respect to this Contract, and the time for performance of each task established by the work orders shall be made a part of this Contract and shall be strictly observed and enforced. Any failure on the part of the City to timely object to the time of performance shall not waive any right of the City to object at a later time.

29. **No Damage for Delay.** No payment, compensation or adjustment of any kind (other than an approved extension of time) shall be made to the Design Consultant for damages because of hindrances or delays from any cause in the progress of the work, whether such hindrances or delays be avoidable or unavoidable. The Design Consultant agrees that it will make no claim for compensation or damages for any such delays and will accept as full satisfaction for such delays the extensions of time.
30. **Severability.** In the event that any provision, clause, portion or section of this Contract is unenforceable or invalid for any reason, such unenforceability or invalidity may not affect the enforceability or validity of any other paragraph or the remainder of this Contract.
31. **Entire Agreement.** This Contract, including its Exhibits and any other documents or certificates incorporated herein by reference, expresses the entire understanding of the City and the Design Consultant concerning the Contract. Neither the City nor the Design Consultant has made or shall be bound by any agreement or any representation to the other concerning this Contract which is not expressly set forth herein.
32. **Amendment.** This Contract may be modified only by a written amendment of subsequent date hereto, approved by the City and the Design Consultant. In the event the Design Consultant's scope of work is increased or changed so as to materially increase the need for Design Consultant services in excess of the not to exceed total compensation, the Design Consultant may seek to amend this Contract.
33. **Execution in Counterparts.** This Contract may be simultaneously executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument.
34. **Descriptive Headings.** The descriptive headings of the sections of this Contract are inserted or annexed for convenience of reference only and shall not affect the meaning, construction, interpretation or effect of this Contract.
35. **Construction and Enforcement.** This Contract shall be construed and enforced in accordance with the laws of the State of Oklahoma. In the event of ambiguity in any of the terms of this Contract, it shall not be construed for or against any party on the basis that such party did or did not author the same.
36. **Survival of Representations.** All representations and covenants of the parties shall survive the expiration of the Contract.
37. **Parties Bound.** This Contract shall be binding upon and inure to the benefit of all parties. This Contract is solely for the benefit of the parties and their successors in interest, and none of the provisions hereof are intended to benefit third parties.
38. **Venue of Actions.** The parties agree that if any legal action is brought pursuant to this Contract, such action shall be instituted in the District Court of Cleveland County.
39. **Effective Date.** The effective date of this Contract shall be the date of execution of this Contract by the City.

In connection with the performance of work under this Contract, the Design Consultant agrees as follows:

- A. The Design Consultant agrees not to discriminate against any employee or applicant for employment because of race, creed, sex, color, national origin, ancestry, age or disability, as defined by the Americans with Disabilities Act of 1990, Sec. 3(2). The Design Consultant shall take affirmative action to insure those employees are treated without regard to their race, creed, color, national origin, sex, ancestry, age or disability, as defined by the Americans with Disabilities Act of 1990, Sec. 3(2). Such actions shall include, but not be limited to, the following: employment, upgrading, demotion or transfer, recruiting or recruitment, advertising, layoff or termination, rate of pay or other forms of compensation and selection for training, including apprenticeship. The Design Consultant and sub consultants shall agree to post in a conspicuous place, available to employees and applicants for employment, notices to be provided by the City Clerk of the City of Norman setting forth the provisions of this section.
- B. In the event of the Design Consultant's noncompliance with this Nondiscrimination Certificate, the Contract may be canceled, terminated or suspended by the City. The Design Consultant may be declared, by the City, ineligible for further contracts until satisfactory proof of intent to comply shall be made by the Design Consultant and/or sub-consultants.
- C. The Design Consultant agrees to include the requirements of this Nondiscrimination Certificate in any subcontracts connected with the performance of this Contract.

I have read the above clause and agree to abide by its requirements.
