To Whom It May Concern:

I am writing to object to the zoning change requested by a business called Aquasports, located across Robinson from my neighborhood.

This is a quiet residential area which will not be the same with noisy bikes and cars going in and out. This could ruin the peace and quiet of the neighborhood, and possibly lower property values.

As I understand it, the company will repair motorized vehicles such as motorcycles and jet skis, and I suspect that we don't want oil, antifreeze, and other toxic matter dumped in the local watershed.

This business is already in operation, with a presence on Facebook and Google maps. I believe this is being done in an area zoned as single family residences. What I think is a dirt bike track has already been built, and it is an eyesore. I would like to see zoning enforced.

Sincerely yours,

Donna Johnson
