I. INTRODUCTION

Wiggin Properties, LLC (the “**Applicant**”) seeks to rezone a property currently located in Ward 5 of the City of Norman. More particularly, the site is located East of US Highway 77, South of East Cedar Lane, and North of Post Oak Road, as more particularly described on the attached **Exhibit A** (collectively referred to herein as the “**Property**”).

The Applicant intends to put forth the parameters for which the Property may develop over time. Through the use of this Planned Unit Development (“**PUD**”), the Property may be developed as a mixed-use development including a resort destination and multi-family, office, and commercial uses. The resort will include RV camp sites, glamping tents, and cabins, as well as expansive open space and traditional amenities, as further laid out within this PUD.

II. PROPERTY DESCRIPTION/GENERAL SITE CONDITIONS

A. Location

The Property lies East of US Highway 77, South of East Cedar Lane, and North of Post Oak Road. A location map is included on the attached Preliminary Site Development Plan and Preliminary Plat.

B. Existing Land Use and Zoning

The Property is currently vacant and zoned PUD. The Property’s AIM Character Area designation is Suburban and AIM Land Use designation is Commercial.

The Property is located North of Post Oak Road which is the southern border of the City of Norman. The Links development is to the North of the Property and is zoned PUD. The property to the East is zoned PUD. The properties to the West of the Property, across Classen Boulevard, are zoned I-1, Light Industrial, A-2, Rural Agricultural, R-1, Single Family Dwelling, and C-2, General Commercial. A property to the South is zoned A-2, Rural Agricultural, as well.

C. Elevation and Topography

The Property is currently unimproved raw land. The Property generally slopes towards to the center of the Property, as more particularly discussed in the preliminary drainage report provided to City Staff as part of the Preliminary Plat application.

D. Drainage

A drainage report has been provided by the Applicant to City Staff as part of the Preliminary Plat application. The Applicant shall comply with all City ordinances and regulations unless otherwise indicated on the attached site plans.

E. Utility Services

The necessary utility services for this project are already located in close proximity to the Property or shall be extended to the Property, as necessary. The Applicant will extend a 12" waterline along State Highway 77 and to the southeast corner of the Property along Post Oak Road prior to opening the Resort. The previous lift station agreement approved for the original zoning, Contract K-2324-109, will be utilized for the appropriate lift station charges for this Property which is being served by the Post Oak Lift Station.

F. Fire Protection Services

Fire Protection services will be provided by the City of Norman Fire Department and by the Applicant as such are required by adopted City codes. The Applicant proposes to utilize the public water system but will then have a private water system within the Resort which will include private fire hydrants.

G. Traffic Circulation and Access

Access to the Property shall be permitted in the manner depicted on the attached Preliminary Site Development Plan.

III. DEVELOPMENT PLAN AND DESIGN CONCEPT

The Property is planned to accommodate a mixed-use development including a resort destination and multi-family, office, and commercial uses. The resort will include RV camp sites, glamping tents, and cabins, as well as expansive open space amenities and natural buffers. The resort will also include traditional amenities, such as a swimming pool, clubhouse, restaurant, and bar, as further laid out within this PUD. The multi-family residential portion of the Property is expected to contain approximately 334 units. To the extent possible, the Property shall be developed in compliance with the preliminary site development plan, attached to this PUD, subject to final design development and the changes allowed by Section 36-509(g) of the City of Norman's PUD Ordinance, as may be amended from time to time. The Exhibits attached hereto, and as submitted on behalf of the Applicant, are incorporated herein by reference and further depict the development criteria for the Property.

A. Uses Permitted:

As contemplated herein, the Property will be allowed to develop over time as a mixed-use development, featuring uses aligned with the resort and multi-family, office, and

commercial development. A complete list of the allowable uses is attached as **Exhibit D**.

B. Area Regulations:

1. Setback off of US Highway 77:

All Lots within the Property that front Classen Blvd. shall have a minimum twenty-five (25') foot building setback from the property line fronting Classen Blvd.

2. Setback off of North Property Line:

All Lots within the Property that abut the neighboring property located to the North of the Property shall have a minimum ten (10') foot building setback from the North property line. Additionally, there shall be a minimum ten (10') foot building setback from the private drive running along the North property line

3. Setback off of South Property Line:

All Lots within the Property that abut the neighboring property located to the South of the Property, including Post Oak Road, shall have a minimum ten (10') foot building setback from the South property line.

4. Setback off of East Property Line:

There shall be a minimum one hundred fifty (150') foot building setback from the Easternmost boundary of the Property. This 150' setback is made up of a one hundred (100') foot utility easement and an additional fifty (50') foot natural wooded buffer area. No buildings, parking lots, or dumpsters will be allowed within the 150' natural buffer setback. Additionally, there shall be a minimum two hundred (200') foot setback from the Easternmost boundary of the Property for any recreational cabins.

5. Setback off of Interior Streets:

All Lots within the Property that abut any interior platted public streets, which are 24th Avenue SE, and Liberty Point Drive, shall have a minimum twenty-five (25') foot building setback from the property line fronting said interior street.

6. Setback off of Utility Easements:

If a utility easement or other public easement is not located within the building setbacks enumerated above on a Lot within the Property, all permanent buildings and vertical habitable structures shall be setback a minimum of one (1') foot from said easement located on the Lot. Paving shall be allowed over drainage, utility, and other public easements.

7. Landscape Buffers:

For all Lots that front an interior street within the Property, there shall be a minimum five (5') foot landscaping buffer along all interior streets within the Property. For all Lots within the Property that front Classen Blvd., there shall be a minimum ten (10') foot landscaping buffer along Classen Blvd.

8. No Other Setbacks:

Except for the building and landscaping setbacks enumerated above, there shall be no other required setbacks for the Lots located within the Property to allow for a flexible development of the Property over time.

9. Height:

There shall be no height restriction for the commercial and office uses within the Property. The maximum height for any Lot with an exclusive use of multi-family residential within the Property shall be five (5) stories.

10. Minimum Lot Frontage:

The minimum lot frontage along a public road shall be thirty-four (34') feet.

H. Parking:

Parking will meet or exceed the requirements of Norman's ordinances. All RV parking pads shall be asphalt or concrete, and not gravel. Small defined areas of crushed granite, or similar stone, may be used for personal vehicular parking at each RV site.

D. Dumpster and Trash Enclosures

Trash may be handled through on-site dumpsters. A trash compactor(s) and its enclosure(s) may also be located on site to facilitate trash removal. Any dumpster or trash facilities shall be screened within enclosures that are built of materials to be compatible with the building exteriors in the main building. Locations of dumpsters and/or compactors shall be such that allows for proper ingress and egress for City sanitation vehicles in accordance with the EDC.

E. Miscellaneous Development Criteria

1. Site Plan

The Preliminary Site Development Plan for the Property is concurrently submitted with this PUD and shall be incorporated herein as an integral part of the PUD and the development of the Property shall be substantially constructed as presented thereon, subject to final design development and

the changes allowed Section 36-509(g) of the City of Norman's PUD Ordinance, as amended from time to time.

2. Open Space/Landscaping

Open space and landscaping shall be located throughout the Property as shown on the attached Green Space Exhibit, attached as **Exhibit E**. The Property shall contain approximately 35% open space comprising approximately 52 acres of the Property. Lots containing exclusively multi-family residential uses shall have no more than 65% impervious coverage. The Property shall contain drainage and detention solutions that adequately control, contain, and channel stormwater runoff from the Property in accordance with all applicable City ordinances and regulations. Landscape buffers within the Property may be located within and/or may contain utility easements, waterline easements, and drainage easements. Landscaping shall be provided in conformity with the City of Norman ordinances, as amended from time to time. Final landscaping types, quantities, and locations may change during final design and construction.

3. Signage

Signage for all Lots shall comply with the City of Norman's applicable signage restrictions then in effect for the actual use of the Lot, as may change from time to time. In addition to the signage allowances contained herein, the Property shall be allowed to feature the following signs:

- a. **Development Entrance Signs** – Up to six signs within the Property advertising the Property and any tenants located therein. Each Development Entrance Sign may be a maximum of 300 square feet per side, each sign having no more than two (2) sides.
- b. **Directional Signs** – Up to ten Directional Signs within the Property indicating directions to the different offices, locations, services, or entrances contained within the Property. The Directional Signs are intended to contain directions to multiple locations or destinations on each sign, such as directions to the main entrance, specific offices or services, and parking locations. Each Directional Sign may be a maximum of 150 square feet per side.
- c. **Façade Signs** – Each building within the Property may feature up to two Façade Signs per each side of the building. Each Façade Sign may be a maximum of 300 square feet and a portion of each Façade Sign may extend above the roof line of the building.
- d. **Illumination** – All of the signage discussed herein may be illuminated in accordance with the maximum extent allowable under the City of Norman's applicable commercial signage restrictions, as amended from time to time.

- e. **Banner Signage** – Banners, flag signs, and other similar decorative signage may be displayed within the Property. Banners may be attached to private light poles or to the buildings to advertise holidays, events, the Property, and any tenants located therein.
- f. **Sight Triangle Protection** – All signage within the Property shall be placed in appropriate locations to not interfere with applicable traffic sight triangles.
- g. **Platted Easements** – Signs may not be placed in any platted easements without first obtaining consent to such encroachment from the applicable utility providers and City Council.

4. Traffic access/circulation/parking and sidewalks

Access to the Property shall be permitted in the manner depicted on the attached Site Development Plan. The Property shall comply with the City of Norman standards to allow for emergency access and fire access as necessary, as such standards may be amended from time to time. The Property shall be allowed to utilize the maximum number of curb cuts along Classen Blvd that are permissible in accordance with ODOT approval.

5. Lighting

All exterior lighting for any Lots with a commercial use shall be installed in conformance with any applicable City of Norman Commercial Outdoor Lighting Standards, as such may be amended from time to time.

6. Fencing

Fencing, such as, by way of example and not limitation, wrought iron, stockade wood, composite, and other fencing types, is permissible but is not required within the Property. In conformance with City Code the Applicant may file restrictive covenants against the Property to more narrowly tailor architectural review of fencing within the development. The Property may, but is not required to, install perimeter fencing along all or portion of the Property.

7. Phasing

It is anticipated that the Property will be developed in multiple phases. The initial phase is anticipated to be the Retail and Commercial areas in the western portion of the Property. The timing and number of future phases will be determined by market demand and absorption rates.

8. Exterior Materials

Exterior materials of the buildings to be constructed on the Property shall be a minimum of eighty percent (80%) brick, wood, stone, synthetic stone, stucco, EIFS, masonry, metal accents, metal exteriors with aggregate, sandblasted or textured coating finish, or other comparable materials, and any combination thereof, exclusive of all window, doors, roofs, or glass. The Applicant may file restrictive covenants against the Property to more narrowly tailor architectural review within the development.

EXHIBIT A

Legal Description of the Property

A tract of land, being in a part of the Southwest Quarter (SW/4) of Section 15, Township 8 North, Range 2 West and the East Half (E/2) of Section 16, Township 8 North, Range 2 West of the Indian Meridian, Cleveland County, Oklahoma, described by metes and bounds as follows:

BEGINNING at the Southeast corner of said southwest (SW/4) of Section 15;

THENCE N 89°53'33" W along the South Line of said SW/4 a distance of 100.00 feet;

THENCE N 00°00'07" E and parallel with the East Line of said SW/4 a distance of 363.00 feet;

THENCE N 89°53'33" W and parallel with said South Line a distance of 750.00 feet;

THENCE S 00°00'07" W and parallel with said East Line a distance of 363.00 feet to a point on said South Line;

THENCE N 89°53'33" W along said South Line a distance of 1076.44 feet;

THENCE N 27°30'23" W a distance of 1538.58 feet to a point on the West Line of said SW/4;

THENCE N 00°01'19" W along said West Line a distance of 130.01 feet to a point on the East right of way line of US Highway No. 77;

THENCE N 27°30'23" W a distance of 127.80;

THENCE S 62°24'49" W a distance of 12.05 feet to a point on said East right of way line of US Highway No. 77;

THENCE N 27°35'11" W, on said East right of way line of US Highway No. 77 for a distance of 300.00 feet;

THENCE N 28°32'28" W on said East right of way line of US Highway No. 77 for a distance of 300.04 feet;

THENCE N 27°35'11" W on said East right of way line of US Highway No. 77 for a distance of 567.94 feet to a point on the North Line of the SE/4 of said Section 16;

THENCE continuing N 27°35'11" W on said East right of way line of US Highway No. 77 for a distance of 44.60 feet to a point on the South Line of South Lake Industrial Park Addition (Recorded in book of plats, Bk. 15, Pg. 116);

THENCE N 89°08'24" E on said South Line of South Lake Industrial Park Addition (Recorded in book of plats, Bk. 15, Pg. 116) for a distance of 635.17 feet to a point on the East Line of said Section 16;

THENCE S 00°00'24" W on said East Line of the NE/4 of Section 16 for a distance of 41.65 feet to the Southeast Corner of said NE/4;

THENCE S 89°44'29" E along the North Line of said SW/4 a distance of 2637.64 feet to the Northeast Corner of said SW/4;

THENCE S 00°00'07" W along the East Line of said SW/4 a distance of 2634.38 feet to the POINT OF BEGINNING.

Said described tract of land contains an area of 6,584,654 square feet, or 151.1629 acres, more or less.
