  - a. Ms. Stansel motioned to approve. Mr. Miles seconded the motion. The motion passed 6-0. Ms. Hoggatt did not vote as she was absent from the meeting.

### **ACTION ITEMS**

2. Floodplain Permit No. 707 Amendment

Mr. Sturtz stated that the floodplain permit application is a modification for the proposed installation of an oil well in the lot on the northwest corner of the intersection of 60<sup>th</sup> Avenue NW and West Franklin Road to include a second oil well and a new private access road.

Mr. Sturtz stated the applicant is Encore Operating, Inc and the engineer is SMC Consulting Engineers, P.C.

Mr. Murphy provided the staff report detailing the request with respect to the floodplain permit requirements and potential impacts.

Mr. Murphy stated staff recommends permit app #707 be approved with the following conditions:

1. As-built drawings must be provided for the access road, well pads, and compensatory storage.

2. Updated cut/fill calculations must be submitted if modifications to the access road design occur during the ROW review.

Mr. Sturtz asked the committee if they had any questions. There were not any questions from the committee.

Mr. Sturtz asked for any comments from the public. There were not any questions from the public.

Mr. Danner motioned to approve the application. Ms. Stansel seconded the motion.

The permit was approved with a vote of 7-0.

### 3. Floodplain Permit No. 734

Mr. Sturtz stated that the floodplain permit application is for improvements at 428 Laws drive.

Mr. Sturtz stated the applicant is J. Mark Daniels and the engineer is J. Mark Daniels, P.E.

Mr. Murphy provided the staff report detailing the request with respect to the floodplain permit requirements and potential impacts.

Mr. Murphy stated staff recommend permit app #737 be approved with the following conditions:

1. Complete compensatory excavation as shown in submitted documents and provide evidence in the form of as-builts and/or photo evidence.
2. Remove all excavated material from the 100-year floodplain.
3. No additional fill or creek repair is allowed under this permit.
4. Future creek bank stabilization requires a separate permit.

Mr. Sturtz asked the committee if they had any questions.

Ms. Stansel requested clarification of what repairs were being voted on in this permit. The applicant provided additional details. Mr. Sturtz indicated that floodplain for this area was updated by FEMA in 2021. Ms. Stansel expressed concerns with the previous granting of a permit for the hot tub in the floodplain and concerns with the fact that the applicant had installed the improvements knowing they were violating floodplain regulations.

Mr. Sturtz asked for any comments from the public.

Discussion took place with respect to bank erosion on adjacent properties to the applicants between City staff, the applicant and the citizens in attendance, which are all part of the same HOA which owns one of the adjacent properties. The citizens and the applicant expressed concerns with relation to these issues and staff provided some guidance on possible steps to address those concerns. Ultimately, these concerns were identified as a separate issue from the permit application being considered.

Mr. Scanlon motioned to table the application until January 20<sup>th</sup> pending additional information being available with respect to platted easements on the property and the legal right to construct, regardless of the floodplain permit. Ms. Hudson seconded the motion.

The permit was approved to be postponed until January 20<sup>th</sup> with a vote of 7-0.

## **MISCELLANEOUS COMMENTS**

Mr. Sturtz asked if there were any miscellaneous comments. There were none.

## **ADJOURNMENT**

Ms. Stansel motioned to adjourn. Ms. Hoggatt seconded the motion. Mr. Sturtz adjourned the meeting at 4:17 p.m.
