Introduction:

The Rose Rock School in Norman seeks to rezone it from Planned Unit Development (PUD) to Simple Planned Unit Development (SPUD)

Rose Rock School Mission:

“The Rose Rock School offers an education that respects the developmental stages and unique qualities of each child. Our curriculum fosters acute cognitive skills, keen emotional awareness, and meaningful worldly activity. Our long-term goal is to help lead children toward conscious adulthood, in which they respect diversity, interact harmoniously with all people, nurture and protect the natural world, and give joyfully to the communities in which they live.”

“Rose Rock offers innovative education in a nurturing environment. Our Kindergarten is held in a comforting home-like atmosphere that provides many natural opportunities for learning. We offer a mixed-age setting, where the children socialize in a close-knit community, cooperating with and caring for each other. The children interact daily with the natural world. They care for our garden, relate with animal life, and play outside in all seasons. Each meal is homemade with fresh, whole, organic food and served family-style around a beautiful, simply set table. The older children help with all aspects of meal preparation and clean-up. Each day is infused with the joyful work of a happy home, and the crafts and tasks change as we progress through the seasons.”
