

CITY OF NORMAN

Robin Hills School

August 18, 2026 Executive Session

CITY OF NORMAN

Building an Inclusive Community

School requested striped crosswalk

Crossing Issues

- 50 MPH roadway
- Near top of hill
- Not stop controlled
- Terminates in a drop off area on the north
- Terminates in a driveway on the south
- Due to use would likely become ignored by drivers

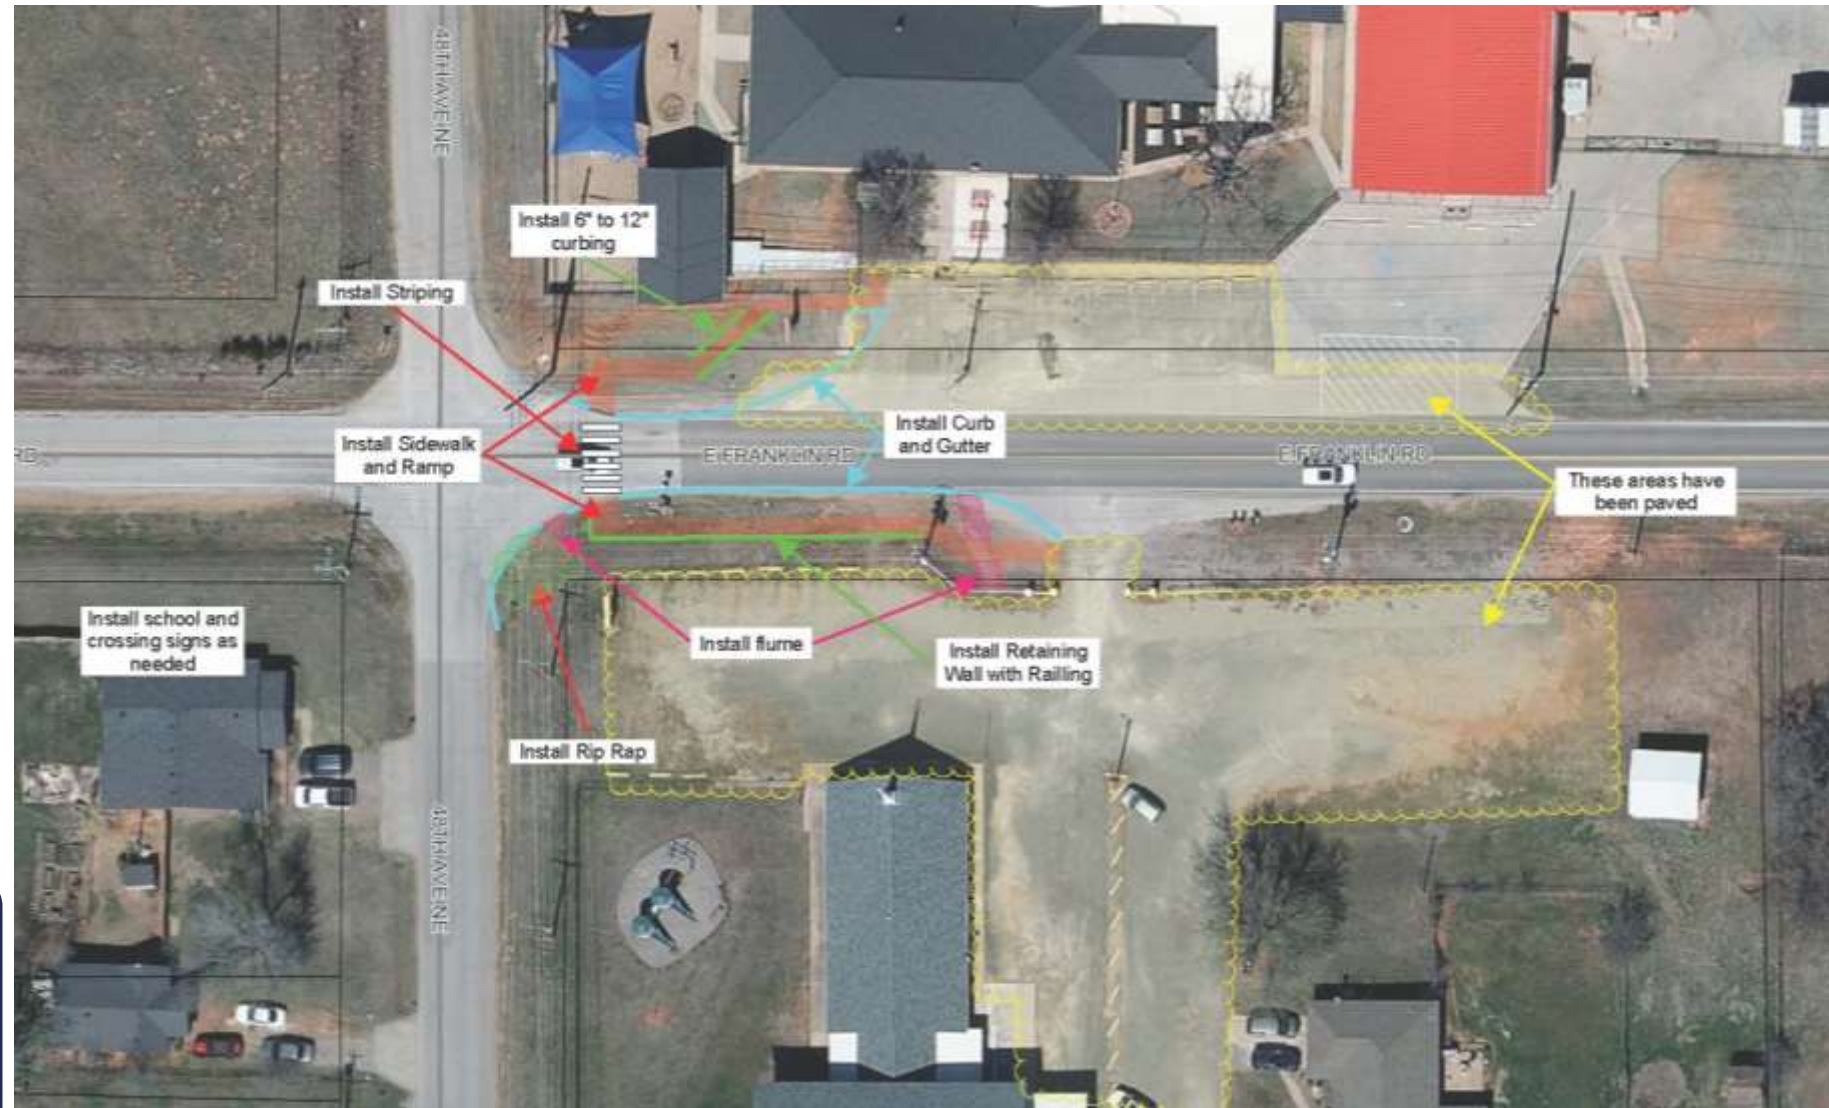

City Staff offered alternative that provided better visual cues and was present during school zone

Solution to add
sidewalks to stop
controlled crossing
for safety

Approximately
\$100,000 to
construct

Project ranks 43 of
52 sidewalk projects
