I. INTRODUCTION

Subtext Acquisitions, LLC (the “**Applicant**”) intends to rezone and plat the property that is more particularly described on **Exhibit A** (the “**Property**”) to a Planned Unit Development (“**PUD**”) in order to develop a multifamily residential community. The Applicant also seeks to amend the property’s NORMAN 2025 Designation in order to facilitate this development. The Property contains approximately 9.66 acres and a preliminary conceptual site plan of the proposed development has been attached hereto as **Exhibit B**.

II. PROPERTY DESCRIPTION/GENERAL SITE CONDITIONS

A. Location

The Property is generally located North of E. Constitution Street and West of Classen Blvd., as is more particularly shown on the attached exhibits.

B. Existing Land Use and Zoning

The Property is made up of three (3) tracts. The tracts are currently zoned C-2, General Commercial and A-2, Rural Agricultural District and have NORMAN 2025 designations of Commercial and Floodplain. The Property contains an existing structure on the northernmost tract, the existing OU Motel on the middle tract, and the southernmost tract was cleared of structures many years ago.

C. Elevation and Topography

The Property gradually slopes from the North down to the southern portion of the Property that contains floodplain.

D. Drainage

The Applicant proposes stormwater and drainage management systems that will meet or exceed the City’s applicable ordinances and regulations. A drainage report has been provided by the Applicant to City Staff as part of the Preliminary Plat application.

E. Utility Services

All necessary utilities for this project (including water, sewer, gas, telecommunications, and electric) are currently located within the necessary proximity to serve the Property, or they will be extended by the Applicant, as necessary.

F. Fire Protection Services

Fire Protection services will be provided by the City of Norman Fire Department and by the Applicant as such are required by applicable City codes, ordinances, and/or regulations.

G. Traffic Circulation and Access

Access to the Property shall be permitted in the manner depicted on the attached Site Development Plan. The Applicant's proposal will reduce the numerous existing curb cuts on the Property down to two (2) curb cuts that will serve as the access points to the Property.

III. DEVELOPMENT PLAN AND DESIGN CONCEPT

The Property shall be developed in compliance with the Site Development Plan, attached hereto as **Exhibit B**, subject to final design development and the changes allowed by Section 22.420(7) of the City of Norman's PUD Ordinance, as may be amended from time to time. The Exhibits attached hereto, and as submitted on behalf of the Applicant, are incorporated herein by reference and further depict the development criteria for the Property.

A. Uses Permitted:

The Property will be developed as a five (5) story multifamily residential complex. The current site plan is designed to accommodate 350 units, with a maximum of 650 beds. The Property will be developed with a combination of unit types ranging from one-bedroom units to six-bedroom units. The Property will also feature a leasing office, outdoor courtyard, and various amenities. A complete list of the allowable uses for the Property is attached as **Exhibit C**.

B. Development Criteria:

1. Building Height

The Property shall be allowed to reach a maximum height of five (5) stories excluding any subgrade elements as well as any necessary roof top mechanical units, equipment, screening, or parapet walls.

2. Area Regulations

Any building shall be setback a minimum of two hundred (200) feet from the cell tower located near the North property line.

The Front Yard setback shall be a minimum of five (5) feet.
All other building setbacks shall be a minimum of five (5) feet as shown on the Site Development Plan.

3. Exterior Materials

The exterior of the building may be constructed of brick, stone, synthetic stone, high impact quality stucco or EIFS, masonry, metal accents, and any combination thereof.

4. Sanitation

Trash dumpster will be located as depicted on the Site Plan or in locations as may be approved by City sanitation services.

5. Signage

The Property may feature two entrance ground and/or monument signs generally in the areas shown on the Site Development Plan. The entrance ground and/or monument signs identifying the building may be a maximum of 85 square feet per side.

In addition to the entrance signage, the Property may feature major exterior wall signage consisting of one identification sign on all four sides of the Building, a canopy sign advertising the leasing office, and an identification blade sign (collectively, the “**Major Exterior Signs**”). Preliminary designs and sizes of the Major Exterior Signs are attached as **Exhibit E**. The maximum size for each Major Exterior Sign may increase by no more than 10% in final design and development.

The Property shall also be allowed to contain various other secondary, directional, and wayfinding signage throughout the site (the “**Minor Signs**”). The Minor Signs may change as the development reaches completion. The enumerated Minor Signs shall not be used for advertisement purposes. A list of the Minor Signs is attached as **Exhibit F**. All signage discussed herein may be backlit or otherwise illuminated with LED or similar lighting. All other signs not specifically enumerated as Major Exterior Signs or Minor Signs within this PUD shall comply with the medium density residential sign standards of the City of Norman Sign Code as amended from time to time, including, but not limited to, grand opening and temporary signage as allowed pursuant to Section 18-504(b)(10) of the City of Norman’s Sign Code, as amended from time to time.

An existing off-premise advertising billboard sign is located in the southern portion of the Property. A portion of the support pole may be located in the Flood Plain. This billboard shall be allowed to remain in its current location. The billboard may be upgraded to a digital/electronic message center. The billboard may be repaired, updated, or replaced from time to time as long as the billboard remains in a substantially similar footprint on the Property. The maximum height and size of the billboard shall comply with the sign

standards of the City of Norman Sign Code applicable to off-premise signs in C-2 districts and as thereafter amended.

6. Traffic access and circulation

Access to the Property shall be permitted in the manner depicted on the attached Site Development Plan.

7. Open Space

Open space shall be utilized on the Property in the locations and manners depicted on the Site Development Plan. Amenities such as, by way of example and not as a requirement or limitation, dog parks, sport courts, fitness stations, benches, frisbee golf, walking trails, and similar recreational amenities. Total impervious coverage of the Property shall not exceed 65%.

8. Parking

Parking for the Property may be developed in general compliance with the parking layout shown on the Site Development Plan, with a maximum of 535 spaces, subject to final design development changes that may be allowed by the City of Norman's PUD Ordinance. The Property may, but is not obligated to, feature multiple EV charging stations. Sidewalks will be installed along the Property's frontage of Classen Blvd., which runs from the Property's North property line down to the southern driveway on the Property.

9. Exterior Lighting

All exterior lighting shall comply with the applicable provisions of the City of Norman's Commercial Outdoor Lighting Standards, as the same may be amended from time to time.

10. Landscaping and Fencing

There is a five (5') foot landscaped buffer along the front of the building as shown on the Open Space Exhibit. Landscaping shall be provided and maintained on the Property in locations generally depicted on the Open Space Exhibit.

The parking areas shall have at least five (5) square feet of interior landscaping for each parking space excluding those spaces abutting a perimeter property line and excluding all parking spaces which are directly served by an aisle. Landscaping and islands shall be reasonably dispersed throughout the interior of the parking lot. No parking space shall be located more than eighty-five (85) feet from a portion of landscaped open space. A

minimum of twenty (20) trees of two-inch caliper or greater will be planted and maintained on the Property. Additional landscaping will be utilized on site, such as, by way of example, flowerbeds, bushes, or shrubbery, in locations and types to be finalized during final site development. Fencing shall run along the back edge of the Property blocking access to the railroad track, which runs parallel to the Property. The fencing shall consist of six (6) foot wood fencing converting into four (4) foot chain-link within the floodplain areas on the Property.
