RE: 314 East Hayes Street Rezoning

FILED IN THE OFFICE
OF THE CITY CLERK
ON 07/08/20-LW

Dear Planning Commission Members,

I am writing as the Manager of Nompton LLC who owns 228 East Mosier Street that is within the 350 foot notification radius of the project.

I am writing to express my support for the requested rezoning. The proposed expansion of the Salvation Army facility to provide a new dining facility represents a meaningful investment in our community and will enhance the organization's ability to serve individuals and families in need.

Our community has a long history of supporting those facing hardship, and this expansion continues that tradition by allowing this longstanding nonprofit to serve our neighbors in an even more effective manner. The project complements the growing network of services provided by the Continuum of Care and other organizations working to address homelessness, food insecurity, and related community needs. Together, these investments create a stronger support system for some of our community's most vulnerable residents.

As a nearby property owner and someone who has invested in the surrounding neighborhood, I believe this project is an appropriate and positive use of the property. I also hope this investment serves as a catalyst for continued nonprofit investment in services in and around Core Norman.

I appreciate the Planning Commission's thoughtful consideration of this application and respectfully encourage your approval of the requested rezoning.

Respectfully,

Patrick J. Schrank
