shor-line.com

January 30, 2024

To whom it may concern:

This letter is to provide notification that Midmark is the sole source manufacturer of Shor-Line products in the United States, including the T-Kennel Run System with T-Core Perfect Panels™, wedge system and Sound Dampening Core™.

Midmark is a factory-direct manufacturer and is the sole source in the veterinary education, animal control and animal humane organizations for custom Shor-Line products in the United States.

If you require further information, please let me know. Thank you for inquiring about our animal care solutions.

Designing better care.®

Jose Valdez
Associate Marketing Manager, Animal Health
