

Consent To Encroach 3002 Escalon Drive

Swan Hollow would like to respectfully request a consent to encroach on part of the property at 3002 Escalon Drive. We need to do this to get the house plans to work on the lot. We will pave an area that's approximately 750 square feet. Part of this will be over a drainage easement on the south side of the lot. We highlighted this area on the site plan that accompanies this letter. We understand that if part of the driveway needs to be removed to repair the draining easement that runs through that side of the property, the cost of replacing the concrete will be paid for by the owners of 3002 Escalon Drive instead of The City of Norman.
