

CITY OF NORMAN, OK STAFF REPORT

MEETING DATE: September 12, 2023

REQUESTER: Katherine Coffin

PRESENTER: David Riesland, Transportation Engineer

ITEM TITLE: CONSIDERATION OF ADOPTION, REJECTION, AMENDMENT, AND/OR POSTPONEMENT OF RESOLUTION R-2324-55: A RESOLUTION OF THE COUNCIL OF THE CITY OF NORMAN, OKLAHOMA REQUESTING \$6,401,840.80 IN STBG-UZA FUNDING FOR THE WIDENING OF TECUMSEH ROAD FROM 12TH AVENUE NE TO 24TH AVENUE NE IN NORMAN.

BACKGROUND:

The 2022 –Infrastructure Investment and Jobs Act (IIJA Act) federal transportation funding bill allocates approximately \$40 Million in Federal funds per year for the implementation of eligible transportation improvements in the Oklahoma City Metropolitan Area.

Every year, the Association of Central Oklahoma Governments (ACOG) coordinates a regional evaluation process that identifies transportation improvements eligible for federal funding. Individual projects are rated and compared to one another using a pre-established criterion. The process ends with the formulation of the region's Transportation Improvement Program and the decision to use federal funds to pay for a significant portion of the cost of the higher priority projects.

DISCUSSION:

On or before October 31, 2023, staff will submit Norman's twenty highest-ranked, qualifying projects for consideration in the formulation of ACOG's 2026-2027 Transportation Improvement Program update. To be eligible, each submitted project must have a programming resolution submitted for the project. The Resolution that is submitted must match the most recent cost estimate and, if approved, will be resubmitted to ACOG at that time.

RECOMMENDATION:

Staff recommends approval of Resolution R-2324-55 (Widening of Tecumseh Road from 12th Avenue NE to 24th Avenue NE; a location map is attached) requesting \$6,401,840.80 in Federal Surface Transportation Block Grant/Urbanized Area (STBG/UZA) funds for eighty percent (80%) of the construction cost.
