

City of Norman  
ATTN: Ken Danner  
201 W. Gray

I am applying for consent to encroach upon a 7.5ft utility easement in the backyard of the property at 4509 Farm Hill Rd, 73072.

The material placed on the easement will be a concrete slab, will occupy the entire 7.5 feet North/South, and will not require a footing dug to a depth that would interfere with the existing utilities.

The length of the encroachment will be approximately 30 feet East/West. See attached site plan for details.

I have contacted the utility providers, directly and discussed with them.  
The contacts I emailed and spoke with on the phone include:

1. Simon Lathrop (AT&T), [sl4915@att.com](mailto:sl4915@att.com), 405-338-5406
2. Destiney Suchite (Cox), [destiney.suchite@cox.com](mailto:destiney.suchite@cox.com), 405-508-9425, phone call, email and SMS stating they would approve. Destiney visited the property and checked.
3. OEC – phone conversation ~3/25/25, can't remember his name but he said they would approve.

Sincerely,  
Lee Stauss
