15. August 27, 2020. The Norman Development Committee approved the preliminary plat for Summit Valley Addition for an additional five (5) years

IMPROVEMENT PROGRAM:

1. Fire Hydrants. Fire hydrants will be installed in accordance with approved plans. Their locations have been approved by the Fire Department.
2. Permanent Markers. Permanent markers will be installed prior to filing of the final plat.
3. Sanitary Sewers. Sanitary sewer mains will be installed in accordance with approved plans and City and State Department of Environmental Quality standards. An existing lift station and off peak holding area will be utilized. The property owners association is responsible for maintenance cost of the lift station until such time it is no longer needed.
4. Sidewalks. Sidewalks will be constructed on each lot prior to occupancy.

IMPROVEMENT (CON'T)

5. Storm Sewers. Storm water and appurtenant drainage structures will be installed in accordance with approved plans and City drainage standards. Runoff will be conveyed to privately-maintained detention facilities located throughout the property. A mandatory property owners association has been established.
6. Streets. Streets will be constructed in accordance with approved plans and City paving standards.
7. Water Main. Water mains will be installed in accordance with approved plans and City and State Department of Environmental Quality standard.
8. WQPZ. This property contains the Water Quality Protection Zone within Common Area "A". However, there are no proposed residential lots within the WQPZ. Covenants will be required for the maintenance and protection of the WQPZ.
9. Flood Plain. There is a small amount of flood plain within Common Area "A"

PUBLIC DEDICATIONS:

1. Easements. All required easements are dedicated to the City on the final plat.
2. Rights-of-Way. Street rights-of-way are dedicated to the City on the final plat.

SUPPLEMENTAL MATERIAL: Copies of a location map, preliminary plat and final plat are attached.

DEVELOPMENT COMMITTEE COMMENTS:

The engineer for the developer has requested the Development Committee review and approve the program of public improvements and the final plat for Summit Valley Addition, Section 3 and submit it to City Council for consideration.

The final plat consists of 19.37 acres and 66 single-family residential lots. With the previous platting of Summit Valley Additions, there are 151 single-family residential lots filed of record. There are approximately 179 R-1, single-family residential lots remaining to be final platted in Summit Valley Addition for a total of 396 single-family lots.

The final plat is consistent with the preliminary plat as approved by the Development Committee.
