

BUDGET

THE CITY OF NORMAN, OKLAHOMA
FISCAL YEAR ENDING JUNE 30, 2023
FINANCIAL PLAN—FISCAL YEAR-END 2024-2027

ON THE COVER: On October 13, 2015 the voters of Norman approved a one-half percent (1/2%), fifteen-year sales tax increase to fund quality of life improvement projects throughout Norman. The NORMAN FORWARD citizen initiative passed with over a 75% approval rate and is funding projects long anticipated in the City's Parks and Recreation Master Plan, Library Master Plan and Transportation Master Plan. Over \$195 million in capital projects are envisioned to be built through the NORMAN FORWARD program.

One of the major NORMAN FORWARD projects (budgeted at a combined \$22.5 million) is the construction of an indoor multi-sport and aquatics center. The facility is designed to provide a venue for basketball, swimming, volleyball, gymnastics, cheerleading and other activities to Norman residents, and for the high school swimming teams at Norman High and Norman North High Schools. After much public input and City Council discussion, it was decided to locate the indoor aquatics and multi-sport center in the University North Park development in northwest Norman. This location will enable sports competitions and tournaments to be hosted at the facility, drawing visitors from throughout the state of Oklahoma and the surrounding region. A unique asset is that visitors to Norman's indoor aquatic and sports venue will be within walking distance of over 600 hotel rooms and dozens of restaurants and commercial businesses.

The University North Park development is a Tax Increment Finance (UNP TIF) District. The siting of the facility within UNP enabled incremental tax revenues, dedicated to the enhancement of the UNP development, to be used toward the purchase of UNP land for and the construction of the indoor sports facility. Almost \$5 million of UNP TIF funding is being used toward the indoor sports facility (approximately \$2 million for land purchase and \$2.7 million for supplemental construction costs).

In June 2020, the family of National Basketball Association all-star and Norman native and resident Trae Young announced a \$4 million contribution toward the construction of the indoor multi-sport and aquatic center. The facility will be called the "Young Family Athletic Center (YFAC)" and will carry endorsements from private sector businesses associated with Trae Young.

The Norman Regional Health System, a public trust with the City of Norman as the sole beneficiary, will co-locate a major health and wellness clinic, "N-Motion", within the YFAC. This clinic, costing an estimated \$6.4 million, will enable athletes and patients to pursue state of the art exercise, rehabilitation and performance enhancement activities on the site of the YFAC.

In August, 2021, the Norman Municipal Authority completed a \$3.8 million financing to supplement construction costs for the YFAC, secured by a ten-year pledge of Norman Hotel/Motel Tax revenues. In total, the YFAC will have a combined budget of over \$41.2 million. Construction of the YFAC began in the fall of 2021, and the facility is expected to open in the summer of 2023.

THE CITY OF NORMAN

OUR MISSION

“WORKING TOGETHER TO DELIVER EXCEPTIONAL SERVICE”

To fulfill our mission, City of Norman employees pledge themselves to these values:

TEAMWORK

We value each other's contribution and encourage teamwork.

CARING

We value service to others in a caring manner. We listen with a willingness to understand the needs of others. We respond in a friendly, helpful way.

ACCOUNTABILITY

We are responsible for our work and actions.

SERVICE

We are committed to providing exceptional service in a courteous, dependable and efficient manner.

RESPECT

We respect our differences and treat each other with understanding and dignity.

FAIRNESS

We seek to understand the needs of others. We strive for equity in the delivery of services and in the treatment of individuals.

PROFESSIONALISM

We value a knowledgeable, capable and effective organization.

RESPONSIVENESS

We value a timely response to both customer and employee.

We believe that these values are the foundation of all our endeavors to make our community a better place now and for future generations.

GOVERNMENT FINANCE OFFICERS ASSOCIATION

*Distinguished
Budget Presentation
Award*

PRESENTED TO

**City of Norman
Oklahoma**

For the Fiscal Year Beginning

July 01, 2021

Christopher P. Morill

Executive Director

The Government Finance Officers Association of the United States and Canada (GFOA) presented a Distinguished Budget Presentation Award to the City of Norman, Oklahoma, for its annual budget for the fiscal year beginning July 1, 2021.

In order to receive this award, a governmental unit must publish a budget document that meets the program criteria as a policy document, as an operations guide, as a financial plan, and as a communications device.

The award is valid for a period of one year only. We believe our current budget continues to conform to program requirements, and we are submitting it to GFOA to determine its eligibility for another award.

City Manager's Letter

The City of NORMAN

201 West Gray, Bldg. • P.O. Box 370
Norman, Oklahoma 73069 • 73070

CITY MANAGER'S OFFICE
Phone: 405-366-5402

April 8, 2022

The Honorable Mayor and City Council Members
Municipal Building
Norman, Oklahoma

Dear Mayor Clark and Council Members:

INTRODUCTION

It is my privilege and responsibility to present to you the proposed budget for the fiscal year July 1, 2022 – June 30, 2023 (FYE 2023). The adoption of an annual budget is required by the City Charter (Article III, Section 4) and by State law (Title 11, Oklahoma Statutes, Section 17-205). An annual budget must be adopted by the City Council at least seven days before the beginning of the new fiscal year, certified by the Cleveland County Excise Board before the start of the fiscal year (July 1) and transmitted to the State Auditor and Inspector within 30 days of the start of the fiscal year. We encourage our citizens to explore their City's budget document, which contains interesting and vital information on all aspects of the City's operation as well as information of general interest on Norman.

The FYE 2023 budget is being prepared during a period of great volatility and uncertainty, locally, regionally, nationally and throughout the world. As we have emerged from the Coronavirus 2019 pandemic, ***there has been a period of unprecedented growth in our local economy; growth trends that cannot be sustained.*** It is believed that much of this growth results from one-time federal "stimulus" programs, which put disposable income into our resident's pockets and into City programs, which have had a "stimulating" effect on the local economy. Federal assistance, particularly through the Coronavirus Aid, Relief and Economic Recovery (CARES) Act of 2020; the American Rescue Plan Act (ARPA) of 2021; and the Infrastructure Improvement and Jobs Act of 2022, has benefitted the City of Norman in the millions of dollars and will continue to benefit as the funds are spent down. We have continued to work to monitor these trends and report them to Council, while remaining cautious in adding ongoing expenses based on these revenue growth trends, which we believe to be short-lived.

The growth in major General Fund revenue sources during FYE 2022 has resulted in fund balances growing to a point to which some one-time expense areas were identified to be addressed through mid-year appropriations. *The concern is with what will happen in the near term future – fiscal year 2022-2023 in particular. Since such growth rates in sales tax revenue have never happened before, it is impossible to predict what will happen in the future. The City will maintain a conservative stance, with the impact being that critical services will be maintained, whether through continued revenue growth or through reducing the fund balances that were built up in FYE 2022.*

The proposed fiscal year 2022-2023 budget maintains basic City services and expands budgeted Police Department personnel in a “Community Outreach” work unit. Several major capital improvement programs, financed by the NORMAN FORWARD Sales Tax and by voter-approved General Obligation Bond projects, primarily for transportation system improvements (i.e., road widening) are ongoing. These capital projects will themselves have an additional “stimulative” effect on our local economy. As our budget consideration processes progress, Council will discuss and direct these and other matters which will have long-lasting impacts on Norman’s City budget and local economy.

The total budget for all City of Norman funds for fiscal year ending 2021 was \$264,413,701 and for FYE 2022, the total proposed budget is \$226,629,655. The primary reason for this budget decrease is the reduction of major GO Bond-funded transportation projects and NORMAN FORWARD projects, which are ongoing, from the proposed fiscal year budget.

STRATEGIC PLANNING

At the start of each fiscal year, which is also the start of new Council Member terms, the Norman City Council conducts a facilitated strategic planning retreat, at which goals and plans for the coming year or years are discussed. Through the Retreat discussions, priority is given to those strategic areas in which the most interest is shown by Council Members. Through Council consensus at this Retreat, the various Council committees are given assignments of areas of concentration within their committee’s purview, which will result in Council action and directions to the City Manager and Management Team over the coming fiscal year, or longer-term if addressing the priority will take longer than a year, or require future voter consideration.

Examples of priority strategic areas directed by Council in fiscal year 2021-2022 were services to persons experiencing homelessness; accountable delivery of policing services; re-examination of the Center City Form-Based Code and the City’s Comprehensive Land Use and Transportation Plans; and plans for the renovation of the Municipal Complex. Much strategic planning efforts were centered on the allocation of federal and state grant revenues received in response to the Coronavirus Pandemic, as discussed below.

NORMAN SALES TAX TRENDS

Council has had ongoing discussions about the health of our City's sales tax-driven revenue base and the challenges that presents. Sales tax is not only the major source of revenue for the City's major operational fund, the General Fund, sales tax is the major (or only) source of revenue related to expanded public safety initiatives approved by our voters in 2008 and 2014; major quality of life improvements ("Norman Forward") approved in 2015; public transportation (approved in 2019) and for earmarked capital programs, originally approved in 1976. ***The City is dependent on sales tax revenue to fund over half of its general purpose (non-utility fee based) operational and capital programs and is becoming more dependent.***

Sales tax is very volatile by nature, and is made more so by recent marketplace trends toward service-based purchases and on-line purchases of retail goods. We continue to support judicial and legislative actions to better enforce existing sales and use tax statutes and ordinances; to broaden the sales tax base; to concentrate the allocation of available sales and use tax revenues on core, general purpose operational and capital services; and to diversify our revenue base. The ability of the City of Norman to continue to provide the level of services that our citizens demand and deserve will depend in large part on the success of these initiatives.

As consumer spending patterns change to more service-based and remote (on-line) purchases, municipalities have had some success in gaining compliance with laws and regulations that enable taxes to be collected on remote purchases in the form of increased "use tax" collections. Use taxes are basically sales taxes applied to purchases of goods from out-of-state vendors for use within the City where the goods are delivered. This trend is reflected in Norman's pattern of slow growth in overall sales tax collections, moderated somewhat by increased use tax revenue:

Sales and Use Tax Revenue (Fiscal Quarters 1 – 3), 10 Year History

The slow growth trend in sales tax was interrupted by record-high growth in fiscal year 2021-2022. Various reasons have been speculated about the causes for this increase, and whether it will be sustainable in the future. The impact of federal stimulus programs (CARES Act, ARPA, etc.), were/are certainly a contributing factor, in several areas:

- Expanded unemployment benefits;
- Direct Stimulus (“Recovery Rebates”) to individuals and families;
- Delayed the repayment of student loans (this is more of a factor in a “college town” like Norman);
- Accelerated Child Tax Credit payments;
- Child Care Assistance directly to individuals and families;
- Rental and Utility Payment Assistance, paid directly to negatively-impacted individuals;
- Expanded services to individuals experiencing homelessness, particularly through the Community Development Block Grant Program.

The fact that many of these programs gave spendable funds directly to residents, which was in turn spent locally, had the intended effect of “stimulating” the national and local economy. The severe downturn in the local economy which was experienced at the onset of the COVID Pandemic, when state and local emergency “shelter in place orders” required many businesses to shut down, recovered quickly when COVID vaccines became available, and continued as reflected in record levels of sales tax being recorded.

Considering that over more than 30 years, Norman’s monthly general purpose sales tax variances tend to be within a band of -3% to +8%, the impacts on the local economy of the COVID-19 pandemic and the related emergencies actions taken to slow the spread of the virus, and then the aggressive fiscal stimulus measures taken in response were dramatically reflected in the month-over month comparisons of Norman’s sales tax receipts during the last two years:

In summary, the last two years have produced unprecedented volatility in Norman's major revenue source. The net impact of these never-before-seen variances in sales tax revenue has been positive, but we cannot know if the trends will continue. The FYE 2022 budget was based on a modest two percent (2%) growth in sales tax revenue, which was easily surpassed. To the extent that expenditures were held at budgeted levels, or below, fund balances were able to be built up in FYE 2022. *The fiscal year 2022-2023 budget will also be based on two percent sales tax growth. Since this projection is based on growth from high revenue levels instead of low revenues, there is greater risk that revenues will fall short of projections in FYE 2023, which would have the effect of reducing these fund balance levels in the coming fiscal year.*

The uncertainty about future sales tax growth trends in this period of unprecedented volatility in the City's major revenue source exacerbates the need to continue to work on initiatives to promote growth and stability in sales tax revenue as we move into the future:

- Support judicial and legislative actions to better enforce existing sales and use tax statutes and ordinances;
- Broaden the sales tax base by supporting state legislation to reduce the number of sales tax exemptions, particularly in targeted service areas;
- Promote the use of existing and proposed future sales and use tax rate measures on core, general purpose operational and capital services, rather than upon earmarked projects which may be better supported by bonds proposed for specific purposes;
- Diversify our revenue base into new areas and sources.

MAJOR GENERAL FUND REVENUE SOURCES, Fiscal Year 2020-2021

Sales and Use Taxes - Overall City general purpose sales tax collections for FYE 2022 are currently 22.05 percent (+22.05%) above FYE 2021 levels, and substantially ahead of budgeted levels (budgeted increase of 2%). In over 35 years of tracking Norman's sales tax growth patterns, there has never been growth rates in this range, and this growth trend is not believed to be sustainable.

In FYE 2023, General Fund and overall City sales tax collections are projected to grow at a rate of 2% from FYE 2022 projected levels. Because of the unprecedented growth in FYE 2022, the risk of sales tax collections declining from FYE 2022 levels is much higher than usual. In the longer term, the combined impact of sales and use tax will be closely monitored.

Use Tax is similar to a sales tax collected on purchases of goods outside of the City for use within the City. Staff will emphasize the monitoring of use tax collections going forward, as out-of-state purchases of goods for use in Norman, such as internet purchases and purchases of construction materials for the local home building industry should be captured in use tax collections. Future-year use tax is projected to grow at four percent (4%) per year.

Enforcement of the requirement for out-of-state vendors to collect sales/use tax for their sales in Oklahoma is still difficult. *The ongoing concern of proper payment of sales and use taxes by out-of-state vendors is a Federal (interstate commerce) issue*, about which the City of Norman will continue to partner with other cities and agencies to gain wider compliance (Federal legislation, such as the Remote Transactions Parity Act or the Marketplace Fairness Act have been proposed, but not enacted).

Franchise Fees – These are payments made by private utility companies (Oklahoma Gas and Electric, Oklahoma Natural Gas, Cox Cable, etc.) to the City of Norman General Fund for their use of the public rights-of-way. Franchise payments are directly tied to utility revenues, which are heavily influenced by seasonal weather patterns (similar to the direct impact of weather on Norman Water Utility revenues). Franchise Fee revenues are projected to be above budget (+10.6%) for FYE 2022, due to “surcharge” revenues collected by electric and natural gas utilities (to recover the franchisee’s costs of providing services during the February, 2021 storms). Collections are projected to increase by three percent overall, from projected final FYE 2022 revenues, in FYE 2023.

Licenses and Permits – These are payments made for obtaining trade, food or liquor licenses to do business in Norman and for obtaining permits to build or alter structures in Norman. Permit volume and revenues are, therefore, an important proxy for the vitality of the local homebuilding industry, which in turn has impact on sales and use tax growth rates, and a direct and significant impact on revenues from the Sewer Excise Tax on New Development (Wastewater Utility revenues are separated from the General Fund). License and permit revenues are projected to be above budget in FYE 2022 (+26.5%), and to grow by one percent (1%) from those projected levels in FYE 2023. Staff will continue to monitor these trends, as the homebuilding industry can act as an indicator of the health of the overall local economy and sales tax base.

Other Taxes – This revenue category primarily reflects the City of Norman’s receipt of state shared Motor Vehicle and Tobacco Taxes. FYE 2022 collections are above budget (+17.2%), due primarily to a rebound in consumer spending and travel patterns.

Fines and Forfeitures – This revenue category is for citation payments for municipal offenses (non-traffic, traffic and /parking fines, etc.). *Fine and forfeiture revenue is substantially below budget for FYE 2022 (-29.6%)*. Revenues are projected to increase by three percent above projected FYE 2022 levels in FYE 2023.

Investment Income – Investment income reflects the return on the investment of General Fund moneys on hand before they are expended. Due to the decline in fund balances available for investment, investment income is not a major source of General Fund revenue, but investment returns are below budgeted levels in FYE 2022. Consolidated Investment Portfolio practices and municipal bond market conditions will continue to be closely monitored due to their impact on all City funds.

GENERAL FUND RESERVE LEVELS

The City of Norman, in keeping with State law and standards of financial prudence, seeks to maintain adequate levels of fund balance to meet emergency expenditure demands, unexpected claims for worker's compensation, medical or torts against the City. Fund balance can only be appropriated for expenditure by an act of the City Council, and the adoption of the budget appropriates projected funds for expenditure in the upcoming fiscal year, less funds that are held in fund balance.

Norman has adopted fund balance policies in keeping with accepted accounting standards. By Ordinance O-1011-58 (adopted June 28, 2011) and as amended by Ordinance O- 1819-10 (adopted September 11, 2018), the City has adopted formal reserve policies for the General Fund which require that an Emergency Reserve allocation of one percent (1%) of budgeted General Fund expenditures be appropriated within the General Fund budget; at least three percent (3%) of budgeted General Fund expenditures be held in General Fund balance (these are considered Operating, or "unrestricted" reserves by accounting standards) and at least an additional four percent (4%) of General Fund expenditures must be held in a segregated Net Revenue Stabilization (or "Rainy Day") Fund.

The Ordinance targets 5% of General Fund expenditures and up to a maximum of 6% of General Fund expenditures to be held in the Net Revenue Stabilization Fund. The Ordinance requires that at least the minimum fund balances be restored to the Rainy Day Fund within three years of any appropriation of fund balance in the Fund. Funds held in Net Revenue Stabilization Fund balance can only be appropriated by the Council if at least one of three circumstances is met:

- The General Fund Operating Reserve falls below one percent of budgeted expenditures;
- A natural or man-made disaster, declared by the President of the United States or the Governor of Oklahoma for the Norman area, has been declared which necessitates emergency expenditures to be made above the 2% Emergency Reserve appropriation;
- A major one-time or capital expenditure has been necessitated, such as for major repairs to City of Norman facilities or equipment damaged in storms or other circumstances.

Net Revenue Stabilization Fund balances are considered to be "Committed" fund balances under accounting standards. The combination of these fund balance reserve requirements results in a minimum of eight percent (8%) of General Fund expenditures to be held in reserve, a target of 9% and a maximum of 10 percent (10%). The City Council has never made any appropriations to spend money from the Rainy Day Fund.

As of the end of FYE 2022, the City projects to meet its Operating Reserve requirements in the General Fund, and the Rainy Day Fund is expected to exceed its (4%) Minimum balance (by \$872,918), and meet its (5%) Target balance (by \$26,121).

Council is required by the Rainy Day Fund Ordinance to review the position of the Fund during the fiscal year, at the close of the prior fiscal year audit, to consider whether to make a “deposit” to the Rainy Day Fund to restore its Minimum level, to bring it to its Target or Maximum level, or to draw down Rainy Day Fund balances. The Council appropriated General Fund balance revenue (\$183,039) to deposit to bring the Rainy Day Fund to its Target level, during FYE 2022.

Because of the inherent volatility in Norman’s primary sources of General Fund revenue (sales and use tax) and our susceptibility to extreme weather conditions (necessitating unexpected emergency expenditures), it is very important for Norman to maintain adequate fund balances. Projected and actual reserve levels will continue to be proactively managed and balanced with the ability to provide adequate levels of service to our citizens.

FISCAL YEAR 2022-2023 OPERATIONAL BUDGET PREPARATION

General Fund Budget Preparation

The fiscal year 2022-2023 General Fund budget was prepared in the midst of a period of unprecedented growth in the Fund’s major source of revenue, sales tax. This level of growth (22.05% above prior-year levels, to date) is both remarkable and unsustainable. In over 45 years of monitoring the growth (or decline) of City’s sales tax, through great economic “booms” and “busts” in the underlying local, state and national economy, there has never been a period of growth such as has been experienced in the last twelve months. The considered opinion of local economic and public sector revenue observers and specialists, is that the growth is based upon the combination of several unique, ephemeral underlying circumstances:

- Federal stimulus programs, such as the Coronavirus, Aid, Recovery and Economic Stimulus Act (particularly direct stimulus payments, and increased unemployment, child care and student loan benefits) and American Recovery Plan Act, which have had the desired effect of putting spendable/disposable income directly into individual consumer’s hands;
- Further federal stimulus funds which were paid directly to Norman businesses and non-profit organizations to help them adapt to and recover from COVID-related revenue losses;
- Emergence from the Coronavirus-induced recession in the local and national economies, as vaccines became available. Effectively, the comparison of sales tax revenue in the months of fiscal year 2021-2022 are to low-revenue months in fiscal year 2020-2021;
- Increased wages and prices, which follow the increased economic activity discussed above (price inflation has a direct and positive impact on sales tax revenue).

We are certain that the rates of growth in sales tax revenue of the past 10-12 months are not sustainable in the long run. It is unknown, however, how long they will last. The fiscal year 2022-2023 sales tax revenue budgets are based on two percent growth (much lower than the recent growth rates) from projected FYE 2022 levels. *To the extent that sales tax revenue growth “reverts to the mean”, which would be a decline from FYE 2022 levels, the impact will be a reduction in the surplus fund balances that have been built in FYE 2022. The Council has taken prudent actions to keep these surplus fund balances available only for one-time expenditures, to protect on the potential downside of reductions in sales tax revenue in FYE 2023.*

The General Fund budget for fiscal year 2022-2023 (FYE 2023) is basically a status quo budget. Services are maintained at the levels of the previous fiscal year, with the exception of an increase in the Police Department budget, with the restoration of 9 Police officer positions to form an expanded Community Outreach and Staff Services Division. As has been reflected throughout the nation, *the City of Norman has had difficulty in filling budgeted Police Officer positions with qualified Police Officer recruits.* Steps are being taken to more actively recruit police officers as has been directed by the City Council. To partially offset the cost of the added police staffing, the Internal Audit function (two personnel), which was added to the budget in FYE 2021 but never implemented due to City Charter restrictions against the positions reporting directly to the City Council, is proposed to be deleted from the budget.

The increase in sales tax revenue in FYE 2022 has also had a positive impact on the General Fund, in the reduction or elimination of the need for “subsidies” (revenue transfers) from the General Fund to support the operations of the dedicated Public Transit Sales Tax (PTST) and Public Safety Sales Tax (PSST) special revenue funds. The assumption of the continuation of this increased sales tax revenue in the General Fund AND earmarked special sales tax revenue funds (though at a lower rate of growth) means that *these lower subsidy levels are projected to continue into the future. It should be noted that if sales tax revenues decline overall in FYE 2023 and beyond, the need for the General Fund to provide revenue support (“subsidies”) to these earmarked sales tax revenue funds will need to resume* in order to continue the services provided in the PTST and PSST Funds.

The FYE 2023 proposed budget also implements several General Fund staffing changes that were made during FYE 2022 at the direction of the City Manager. The Sustainability Coordinator position was moved from the General Fund to the Water Reclamation Fund and combined with the Environmental Services Coordinator position. An Administrative Technician position was added to the Human Resources Department and a Municipal Accountant position was added to the Finance Department. Two personnel were removed from the Transit Services Division as some services were shifted to the Embark contract service provider. A Network Engineer position is also proposed to be added to the Information Technology Department.

The Council is aware and has been reminded by the Public Safety Sales Tax Citizen’s Oversight Committee of the need to add personnel that was promised to the voters with the passage of the permanent PSST Ordinance (O-1314-33). The City’s budget has not allowed for the addition of two Emergency Communications Officers (Dispatchers; with personnel cost of approximately \$135,000 per year) and four School Resource Officer positions (annual personnel cost of

approximately \$650,000, to potentially be shared with the Norman Public School District) that were mandated by this Ordinance. ***The need for the expanded services provided by these positions has not gone away.*** In future budget years, the General Fund budget will need to be positioned to absorb these costs, as Public Safety Sales Tax revenues are not sufficient to fund them.

The City's National Pollutant Discharge Elimination System permit from the U.S. Environmental Protection Agency requires the addition of services in the City's stormwater management programs to improve Norman's downstream water quality and to prevent flooding. To meet these minimum permit standards, the City needs to add an additional staffed Street Sweeper (approximately \$375,000 for equipment and \$75,000 annually for personnel) and a Stormwater Maintenance Crew (approximately \$160,000 for equipment and \$300,000 annually for personnel). In most cities of the size and character of Norman, stormwater management is paid for, fully or partially, from revenues generated from a Stormwater Utility Fee that operates similarly to Norman's Water, Water Reclamation and Sanitation Utilities. The Council has referred the question of providing for a Stormwater Utility fee to pay for these services to the voters (the Norman City Charter requires a vote of the people to implement or raise utility rates) and the voters have turned down the proposal twice. ***The need for the expanded services provided by these positions and equipment has not gone away.*** In future budget years, the General Fund budget will need to be positioned to absorb these costs, or the voters will need to be convinced of the necessity to provide new revenues to protect Norman's downstream water supplies and prevent flooding during storms.

If the growth rate in the City's sales tax sustains itself in the coming fiscal years, the two areas of need discussed here may be high priority areas to add additional staffing and ongoing services with the better financially-positioned General Fund highlighted in the FYE 2023 Budget.

Personnel Cost Assumptions

As a provider of public services, personnel costs are the major driver of expenditures in the General Fund and impact on expenditures in every City operation. A major component of personnel costs is the cost of benefits provided to City of Norman employees. The provision of health care benefits to City employees and their dependents is a major cost related to all City functions. ***Health care cost increases (accounted for in the City's Risk Management Fund) are reflected in an increased "premium" charged to all departmental benefits budgets.***

The FYE 2023 budget is based on the following assumptions for personnel costs:

- Budgeted positions are assumed to be filled for the full fiscal year;
- No salary increases (cost-of-living raises) are assumed; but settlements may be made with the City's various bargaining units that result in unbudgeted, increased salary and benefit costs;
- Employees are assumed to receive a merit step raise, if they qualify;
- An Employer Contribution of \$679 per month (single) and \$1383 per month (family) for health insurance;
- An Employer Retirement contribution of 8.5% of payroll for Norman Employees Defined Contribution Retirement System members;

- An Employer Pension contribution of 13% of payroll for state-mandated Police Pension System members and 14% for Firefighter Pension System employees;
- Mandated Social Security and Medicare contributions for all non-fire employees;
- An assumption of \$800,000 in “Employee Turnover Savings” is built into the budget (approximately 1.6% of Salary and Benefit Category allocations), under the assumption that the net impact on the General Fund of the savings achieved by employees leaving during the course of the year and hiring replacement employees at a lower salary at a later time will outweigh the cost of one-time leave payouts to employees who leave;
- Other allowances and payments, as mandated by union contracts and City policies, are anticipated and included in budgeted benefit costs (approximately 80% of the City workforce is unionized, as illustrated in the Overview Section).

Public Transportation and Parking Fund Budget Preparation

The City of Norman assumed the administration of the public transportation system from the University of Oklahoma in August, 2019. On November 12, 2019, the voters of Norman approved a one-eighth percent (1/8%, or .125) sales tax to fund the City’s public transportation service. This “Public Transit Sales Tax” (“PTST”) was effective on April 1, 2020. The City’s General Fund provides revenue to the public transportation service, through a “subsidy” projected to be \$741,072 in FYE 2022 to the Public Transit Fund (to cover the difference in projected expenditures of the Transit Fund and its internally-generated revenues, such as Federal Transportation Administration funds and PTST revenue). The City has expanded and improved transit services, and implemented administrative changes during FYE 2022. The expansion and improvement in public transit service delivery was highlighted by the completion of a Public Transit Maintenance facility in FYE 2022, funded in large part by the U.S. Federal Transit Administration.

Operational Budget Summary

The Fiscal Year 2022-2023 City Manager’s proposed operating budget is being prepared in a time of tremendous growth in the City’s major revenue source, sales tax. The budget assumes this growth will continue, though at a much slower rate of growth than in FYE 2022. The risk of a downfall in these sales tax revenues is very high, which would have the impact of spending down large portions of these surplus fund balances during the coming fiscal year.

Capital Expenditure Budget Preparation

Major City of Norman capital improvement projects are funded by the dedicated 7/10% (0.7%) Capital Sales Tax (CST); the ½ percent (0.5%) NORMAN FORWARD and 0.5% Public Safety Sales Tax, utility ratepayer fees, General Obligation Bond issuances, and other sources. Capital projects are detailed in the separate Capital Improvement Projects Budget document, and summarized in the Capital Projects Funds Section. The CST also funds equipment replacements and other “capital outlay” items through transfers from the Capital Fund to the General Fund or related special revenue funds.

General Obligation Bond Programs

On April 6, 2021, the voters of Norman approved a continuation of a rolling five-year General Obligation Bond-financed program to maintain the streets of Norman. The 2021-2026 Street Maintenance Bond Program will consist of \$27,000,000 in authorized projects in five major areas:

- Urban Asphalt Street Resurfacing
- Urban Concrete Panel Replacement
- Major Street Reconstruction in Targeted Areas
- Rural Road Surfacing and Resurfacing in Partnership with Cleveland County
- Preventive Maintenance

The 2019 “Vision for Norman” General Obligation Bond program for roadway improvement projects (street widening projects with related sidewalks, bike lanes and storm drainage improvements), authorized for a total of \$72,000,000, is ongoing. The first of the projects authorized in the 2019 G.O. Bond program, the Porter Street and Acres Avenue Intersection reconstruction, is complete. Three other projects are in final design, utility relocation and/or right-of-way acquisition phases: the Jenkins Avenue widening project; the Porter Avenue Streetscape; and the James Garner Avenue (Duffy to Acres) widening projects.

On May 13, 2008, the voters of Norman approved the issuance of \$11,250,000 in General Obligation bonds for the renovation and refurbishment of the Norman Municipal Complex. The first component of this refurbishment and renovation project, the construction of the Norman Development Center, is nearing completion. When complete in the fall of 2022, all of the development-related functions of the City, including payment processes and utility services, will be centralized in one building. These streamlined and expanded facilities will enable customer services to be delivered much more efficiently.

Due to the Oklahoma Constitution’s prohibition against cities using property taxes for operational purposes, voter-approved General Obligation (GO) Bonds are the major way that the City can diversify its revenue base and reduce its reliance on sales tax. The Council will consider future capital financing programs with this revenue diversification as a factor in those considerations. Council has discussed a proposal for a bridge improvement program to be funded with GO Bonds.

Senior Citizen’s Wellness Center

The 2008 General Obligation Bond issue passed by the voters contemplated the relocation of the Norman Senior Citizen’s Center into the renovated former Norman Central Library Building. Based on citizen input, the Council directed that a new stand-alone Senior Center be built. Years of public discussion ensued about the budget for and location of the proposed Senior Center. It was finally decided that the Senior Center would be built on City-owned land within the Norman Regional Hospital System’s “Porter Wellness Village”. Design of the facility with all of features desired by Senior Center stakeholders (the programming for the facility expanded from the existing recreational facility to a wellness center program), expanded the cost to an estimated \$12.5 million.

\$7.6 million re-allocated from NORMAN FORWARD funds which were originally programmed to be used for the purchase of land for the Griffin Park Soccer Complex will be used to fund the new Senior Center, and during fiscal year 2020-2021, the Council appropriated \$4.8 million in CARES Act reimbursement funding to complete the funding of the full Senior Wellness Center facility. Completion of the facility is set for the summer of 2023.

NORMAN FORWARD Sales Tax Capital Projects Fund

On October 13, 2015, the citizens of Norman approved a ½ percent (0.5%), 15-year duration sales tax to pay for quality of life improvements throughout Norman. The approved initiative includes the following major capital projects (original budget allocations listed):

• New Central Branch Library	\$ 39,000,000
• New East Branch Library	\$ 5,000,000
• Neighborhood Park/Trail Projects	\$ 14,500,000
• New Indoor Aquatic Facility	\$ 14,000,000
• Westwood (Outdoor) Pool Facilities	\$ 12,000,000
• Griffin Park Soccer Facility	\$ 11,000,000
• Griffin Park Land Acquisition	\$ 10,000,000
• Reaves Park Baseball/Softball Facility	\$ 10,000,000
• New Community Park Development	\$ 9,500,000
• New Indoor Multi-Sport Facility	\$ 8,500,000
• James Garner Avenue Extension	\$ 6,000,000
• Road Improvements	\$ 2,730,000
• New Youth Football/Adult Softball Complex	\$ 2,500,000
• Canadian River Park Development	\$ 2,000,000
• Westwood Tennis Center Improvements	\$ 1,000,000

The NORMAN FORWARD Ordinance also authorizes funds from the NORMAN FORWARD Sales Tax (NFST) to be used for other projects and services such as public art at NFST facilities; a senior citizen's center; and staff and consultant support in the design, construction and maintenance of the NFST facilities. Because of the intended completion schedule of the major NFST projects, debt financing was anticipated and authorized to move the projects forward ahead of the tax revenues being received. The first of three anticipated Sales Tax Revenue Note issuances was completed by the Norman Municipal Authority in December, 2015, a second Revenue Note was completed in June, 2017, and the final issuance of NFST-backed NMA Notes was completed in December, 2020.

Several of the NORMAN FORWARD facilities have been completed and are being enjoyed by Norman residents and visitors:

- Westwood Family Aquatic Center
- Norman Public Library, East Branch
- Norman Public Library, Central Branch
- Westwood Tennis Center Improvements
- Ruby Grant Community Park
- New Blake Baldwin Skate Park at Andrews Park

Construction of the extension of James Garner Boulevard, from an intersection with Flood Avenue to the completed Acres Street Intersection, will begin in the summer of 2022. Matching federal Transportation Administration funds are programmed for the project, which will improve traffic flow into and out of downtown Norman tremendously, as well as serving the City's Municipal Complex and the NORMAN FORWARD Central Library and Andrews Park facilities. Continuation of improvements and expansion of the Griffin Park Soccer Complex and the Reaves Park Baseball/Softball Complex will also be undertaken in FYE 2022.

The City has purchased land in the University North Park (UNP) development for the siting of the NORMAN FORWARD Indoor Multi-Sport (volleyball, cheerleading, basketball, gymnastics, etc.) and Indoor Aquatic Center. The projects have been combined as the "Young Family Athletic Center ("YFAC"), as a result of the largest donation in Norman's history (\$4,000,000), and the purchase of naming rights for the facility by the Trae Young Family Foundation (NBA All-Star Trae Young of the Atlanta Hawks is a Norman native and resident).

Funding for the land purchase and supplemental construction funding (\$2,700,000) was provided from the University North Park Tax Increment Finance District (UNP TIF) Fund. The Norman Regional Health System has also agreed to locate a major, state-of-the-art "human performance center", to be called "NMotion", within the YFAC. Taken together, the budget for the facility is now over \$43,000,000, now the largest and most impactful Norman Forward-based project:

The future YFAC facility is depicted throughout these budget documents. Locating these major recreational facilities within walking distance of the many hotels, retail establishments and transportation facilities in UNP and adjacent to the OU/Westheimer Airport will make Norman an attractive location for state and regional sports tournaments and other activities, drawing visitors and consumers to the City. As all of these projects progress, the full benefit of the NORMAN FORWARD program will begin to be enjoyed.

CARES Act and ARPA – Funded Capital Projects

The allocation of one-time federal grant proceeds has enabled the City to more adequately address some capital facility needs that had existed for many years. During fiscal year 2021-2022, the City Council appropriated Coronavirus Aid, Relief and Economic Security (CARES) Act reimbursement funds for the completion of the Senior Wellness Center project (discussed in the NORMAN FORWARD Section, above). The original allocation of \$7,600,000 was short of the engineer's estimated cost to complete the project by approximately \$4,800,000. The appropriation of \$4.8 million of General Fund balance will enable the project to be completed at its program scope, and on the pace to be completed in 2023.

During Fiscal Year 2020-2021, the City was awarded \$5.1 million in additional CARES Act grant funding through the Federal Transit Administration to complete the funding of a Public Transit and Emergency Vehicle Maintenance Facility. Since the City took over the administration of Norman's public transportation system from the University of Oklahoma in 2019, the City's public transit fleet had been maintained at facilities owned by OU and needed by OU for the maintenance of their vehicles. The City's Public Transit and Emergency Vehicle Maintenance Facility was completed in February, 2022 and is co-located with the Park Maintenance Facility (discussed in the Norman Forward Section, above).

Transit and Emergency Vehicle Maintenance Facility

Also during FYE 2022, the Council programmed the use of American Recovery Plan Act (ARPA) entitlement funds. A total of \$22.4 million in ARPA funds are to be received by the City in two equal payment tranches. Out of the first payment, received in May, 2021, the Council appropriated \$9,500,000 to complete the construction of the new Emergency Communications and Operations Center (ECOC) at its desired scope. Funds for the project were included in the Public Safety Sales Tax “Critical Capital Needs” program in 2014, with an original allocation of \$6,500,000. As design of the ECOC progressed, the original allocation was found to be significantly short of the needed funds. For years, re-designs were attempted to cut the scope of the project to make it fit in to the available funds, or alternative supplemental revenue sources were attempted. A General Obligation Bond proposal to fully fund the facility failed in August, 2020. As soon as the City’s ARPA entitlement funds were identified, the Council made the full funding of the ECOC the highest priority use of the funds, to better prepare to respond to any future pandemics or other emergencies. Construction of the facility will begin soon and is scheduled to be complete in 2024.

Emergency Communications (Dispatch) and Operations Center

Progress on Other Capital Projects

The fiscal year 2022-2023 budget proposal also includes allocations for many other capital projects and facilities. These projects are detailed in the separate *Capital Improvements Project Budget* document.

UTILITY ENTERPRISE FUNDS

The City of Norman operates three utility enterprises: Sanitation, Water, and Water Reclamation (also known as “Wastewater” or “Sewer”). Enterprise funds are established to account for the operations of the City that endeavor to operate like private businesses, in that their services are provided to a discrete base of customers, as opposed to the citizenry as a whole, and user fees are charged to those customers at a level that seeks to recover the full costs of providing the services. The budgetary status of the Water and Wastewater Utilities are driven in large part by major capital projects.

Norman Water Enterprise Utility

The Norman Water Utility has proposed a rate increase to fund needed replacements of aged iron pipelines (approximately 300 miles of the 600 miles of waterline within Norman’s water system are made of metal and will eventually need to be replaced); to fund replacement of manually-read water meters with remotely-monitored Advanced Meter Infrastructure (“AMI”, or “smart meters”); and to treat water generated by Norman’s 40+ underground water wells with disinfectants at a central site, to comply with drinking water standards imposed by the U.S. Environmental Protection Agency and the Oklahoma Department of Environmental Quality. These needed capital improvements have been programmed by the Norman Water Utility for several years. On April 5, 2022, the voters of Norman rejected the proposed rate increase to pay for the improvements (note: Norman’s City Charter requires a vote of the people to raise utility rates). The Utility will continue its efforts to gain compliance with the disinfection requirements, but will postpone other needed capital projects in order to operate within available ratepayer revenues.

The Water Utility Enterprise is constructing a major solar panel farm, to generate enough power to significantly reduce fossil fuel consumption to power the Water Treatment Plant, in fiscal year 2022-2023.

Norman Water Reclamation (Wastewater) Enterprise Utility

The Norman Water Reclamation Facility (WRF) has received regional awards for the quality of the effluent (output) produced from the plant, and the Utility continues to explore ways to use the high-quality treated effluent, such as for irrigation and eventually augmenting drinking water supplies. The WRF is completing a pilot project for the removal of pharmaceuticals and personal care products that are found in domestic wastewater. Data from the pilot project will be used to compile cost analyses to determine the effectiveness of supplementing raw water supplies in Lake Thunderbird with highly-treated recycled water from the WRF. This supplemental Lake water would then be re-treated at the Water Treatment Plant. If successful, this would be a very robust additional drinking water source, as contemplated in the adopted Norman 2060 Water Supply Plan.

Pilot Tertiary Wastewater Treatment Equipment

The combined Water and Water Reclamation Utility Enterprises are constructing a new Line Maintenance Division headquarters facility on land owned by the City's Utility Authority. Design of the facility is ongoing and construction should be completed in 2024. The Water Reclamation Enterprise is also constructing a major solar panel farm, to generate enough power to significantly reduce fossil fuel consumption to power the WRF, in fiscal year 2022-2023.

Norman Sanitation Enterprise Utility

The Norman Sanitation Utility provides automated municipal solid waste collection and public access transfer station disposal for City customers. The Utility also provides recycling drop-off centers, yard waste collection and composting services, and on-call bulky item pickup services. Curbside recycling collection services, included in basic sanitation customer rates, are provided by an independent contractor (the recycling collection contract will be re-considered in FYE 2023). The Norman Sanitation Utility, reflecting the desires of customers and Norman residents, is firmly committed to recycling and reuse of waste products, to the extent practical.

The Sanitation Utility completed construction of a permanent Household Hazardous Waste Disposal Facility in FYE 2022; the facility is now open for waste disposal by appointment (previously, the Utility conducted semi-annual hazardous waste disposal events).

Household Hazardous Waste Disposal Facility

Norman Storm Water Utility

Since the National Pollutant Discharge Elimination System (NPDES) regulations were pronounced by the U.S. Environmental Protection Agency in the 1990's, the City of Norman has known that its programs in stormwater drainage management, point-source water quality mitigation and other factors would, by law, have to be improved. Since the adoption of the City of Norman's *Stormwater Master Plan* in 2009, the City has had a plan for how to meet these regulations and professional estimates of the operational and capital costs to do so. The City of Norman has not, however, implemented a stormwater utility fee to pay for the improvements, as have most cities confronted by the same mandated costs. Other cities in Oklahoma and across the country have implemented similarly-required storm water program enhancements over the past 20 years, through the adoption of Storm Water Utility (SWU) rates. Norman is the only large city in Oklahoma without a SWU.

The City will continue to budget for its stormwater maintenance and related programs within the General Fund and Capital Fund, but the allocations will be far short of requirements of the federal NPDES permit. Future year budgets will be required to provide more adequate funding for these services. If additional revenue is not generated through a SWU or other funding mechanisms, the City's General Fund will suffer and the City of Norman will struggle to be in compliance with the requirements of its Phase II Storm Water Permit.

CAPITAL BUDGET

Detailed information on individual capital improvement projects is given in the FYE 2023 Capital Improvements Project (CIP) Budget document. Pursuant to voter-approved ordinances, seven-tenths of one percent (0.7%) of sales tax revenue is dedicated for capital improvements, and this is the primary source of revenue for the Capital Fund.

SUMMARY

The fiscal year 2022-2023 budget is highlighted by the increased growth in sales tax revenue, which positively impacts on many of the City's major operations. The budget is also highlighted by the uncertainty of how long this sales tax growth will last. The budget is prepared based on a continuation of this growth, though at a significantly slower rate. The fund balances built up over the last year in the City's General Fund will attempt to be maintained, to respond to the possibility that sales tax revenues may decline in fiscal year 2022-2023 (FYE 2023) from the levels experienced in FYE 2022.

Significant challenges are being experienced by the City's ratepayer-funded Water and Water Reclamation ("wastewater" or sewer) Utilities to meet the capital improvement project needs required to continue to provide services to utility customers at the desired level. The inability to gain voter approval of adequate water and sewer rates continues to impede the operations of the City's utility operations.

Under the direction of the Council, the City will continue to work within limited resources to provide the services which our residents deserve and demand while looking for new or more efficient revenue sources and/or reducing services in targeted areas. It is to the great credit of our policy makers, City employees and our citizens that Norman continues to be able to provide these basic services and capital improvements, given our relatively small means.

CONCLUSION

I would like to express my personal appreciation for the outstanding work done by the professional staff of our Management Team, senior division managers, and our dedicated Finance Department staff who have worked countless hours to prepare this budget and respond to the information and policy direction requests that have come from Council, the Council Finance Committee, and from the public. I am continually impressed first by the diligence and dedication of the Council in studying the many issues before you and in providing direction to confront the many issues faced by the City. I am equally impressed by the dedication of our staff and by the persistence and constant interest displayed by our residents and interested citizens in providing their input to you. It is my privilege to present this budget to our citizens and utility ratepayers and to work to implement it in providing the services they justifiably demand.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Darrel Pyle', with a stylized, flowing script.

Darrel Pyle,
City Manager

Community Profile

History of Norman, Oklahoma

In 1870, the United States Land Office contracted with a professional engineer to survey much of Oklahoma territory. Abner E. Norman, a young surveyor, became chairman and leader of the central survey area in Indian Territory. The surveyor's crew burned the words "NORMAN'S CAMP" into an elm tree near a watering hole to taunt their younger supervisor. When the "SOONERS" (those who headed west before the official Land Run date, April 22, 1889) and the other settlers arrived in the heart of Oklahoma, they kept the name "NORMAN." Today, with an estimated 129,946 residents, Norman is the third largest city in the State of Oklahoma.

Norman was primarily developed around the Santa Fe Railroad. Home to a passenger depot as well as a freight station, Norman became the headquarters for the railway. As business grew, it was necessary to expand the depot three times in the first few years of its existence. The last expansion was announced by J.E. Hurley, General Manager of the Santa Fe Railway, in 1909. The Santa Fe Depot was deeded to the City in 1972 and has had major renovations in the recent past.

The City of Norman has agreed to preserve and maintain the Santa Fe Depot as a historical landmark and use the building in a manner as to benefit the entire community. Performing Arts Studio, Inc. leases the building for rental of meetings, banquets and parties. Daily Amtrak passenger service is provided at the depot as well.

The railroad laid the foundation for Norman to flourish into a prominent city. While other Oklahoma towns were battling to be the capitol, Norman's Mayor, T.R. Waggoner, directed a bill through the Territorial Legislature to become home of the state's first institution of higher learning. In 1890, Norman was chosen as the location for the University of Oklahoma (OU), contingent upon the county passing bonds to construct a building. Town and country residents were also required to donate 40 acres of land for a campus site. The residents of Norman were successful in all their plans to be OU's home and by 1895, the university enrolled 100 students. Today, the Norman campus has an enrollment of approximately 29,705.

Today, OU and the City of Norman are still making history. Norman is recognized as one of the most progressive cities in the state and the Norman Public School system is acknowledged as one of the top school systems in Oklahoma.

Norman's rich history plays an important role in citizen's lives and we continually make our history book more exciting with each passing year.

Norman — The City of Festivals

Widely recognized as the “City of Festivals”, Norman is the host of several annual festivals that are free to the public. Spring and Summer festivals include the Medieval Fair, Earth Day Festival, Norman Music Festival, May Fair, Jazz in June, and Midsummer Night’s Fair in July. Fall and Winter festivals include a Holiday Celebration in December and the Chocolate Festival held in February.

Community Profile

Norman is Oklahoma's third largest city and is home to the University of Oklahoma Sooners. Family oriented activities are abundant in Norman. Places of interest include Lake Thunderbird, great shopping areas including Campus Corner and Downtown Norman, and the Sam Noble Oklahoma Museum of Natural History. The City of Norman also sponsors several events throughout the year including Norman Day, held on the 4th of July and Norman's annual "Best" Easter Egg Hunt.

CITY OF NORMAN

INTER-CITY BENCHMARK COMPARISONS

For purposes of comparative analysis, Norman compares (“benchmarks”) itself to 18 other cities for a variety of criteria. These cities are generally selected based on the following factors.

1. Population within 20 percent (+ / - 20%) of Norman’s
2. Located within a Metropolitan Statistical Area
3. Site of a major university
4. Located in Oklahoma or a bordering state

Inter-City Benchmark Comparison

FYE 20 to FYE 21 - During FYE 20 reclassified a printing services operator 1 from part-time to full time in the Finance Department and added a Transit Fleet Specialist, a Transit Service Technician, a Fleet Service Writer, 2 Mechanic II's, a part-time Transit Support Technician, and a Transit Coordinator in the Public Transportation Fund. Cut a permanent part time custodian position in the Parks and Rec Department and reclassified an ADA Technician position from contracted services to a full time position. Added a Homeless Technician in the Community Development Block Grant Fund. For FYE 21 cut a temporary Deputy Marshall position, a temporary Juvenile Community Services position, and a temporary Marshall position in the Municipal Court Department, and cut a Fire Protection Engineer position in the Fire Department. Cut 5 Master Police Officer positions, 2 Sergeant positions, and 2 Police Officer positions in the Police Department. Added an Internal Auditor and Internal Auditor Technician to the City Manager's Department.

FYE 21 to FYE 22 - During FYE 21 cut a Development Coordinator and added a Diversity and Equity Officer in the City Manager's Department. Added a Service Technician and a Transit & Parking Manager to the Public Transportation Fund. Added an Outreach Case Coordinator and an Outreach Housing Liason to the CDBG Fund. For FYE 22 added a Plumber/Tradesworker to the City Clerk's Department, added a Traffic Signal Locator/Inspector to the Public Works Department, added 3 Maintenance Workers I to the Parks Department, added a Maintenance Worker I and an Administrative Technician III to the Public Transportation Fund, and added a Hazardous Waste Facility Manager, a Sanitation Worker I, and a Sanitation Worker II to the Sanitation fund. Moved a Homeless Technician from the CDBG Fund to the General Fund.

FYE 22 to FYE 23 - During FYE 22 combined the Sustainability Coordinator position in the City Manager's Department with the Environmental Services Coordinator in the Water Reclamation Department and kept the position in the Water Reclamation Department, added a Municipal Accountant I position to the Finance Department, added an Administrative Technician III to the Human Resources Department, cut a permanent part time Victim Advocate position in the Police Department, added a permanent part time Administrative Technician II position in the Fire Department, closed a permanent part time Transit Support Technician position and a Transit Service Technician position in the Public Transportation Fund, added a Capital Projects Engineer position to the Public Works Department in the Capital Fund. For FYE 23, closed Internal Auditor and Internal Auditor Technician positions in the City Manager's Department, added 9 Police Officers to the Police Department, moved the Hazardous Household Waste Coordinator from the Sanitation Department and the Cross Connection Program Coordinator from the Water Department to the Water Reclamation Department, added a Network and Infrastructure Engineer position to the IT Department, added a permanent part time Recreation Leader I to the Parks and Recreation Department, and closed an Outreach Case Coordinator position in the CDBG Fund.

CITY OF NORMAN

Discussion of the Graph

This graph illustrates the staffing level for the City of Norman relative to the population over a ten-year period. In FYE 2023, the City will employ 904 permanent employees, which is eight more positions than budgeted in FYE 2022. Eighty-four positions are related to the Public Safety Sales Tax that was approved by citizens of Norman to increase Police & Fire protection. At 904 personnel, the City is budgeting 75 more positions than in FY 2014, or an increase of 9%. In 2023, the City of Norman's population is projected to be 131,896, an increase of approximately 14.2% from 2014.

Note: The population figures used for the graph are estimates provided by the City of Norman Planning and Finance Departments

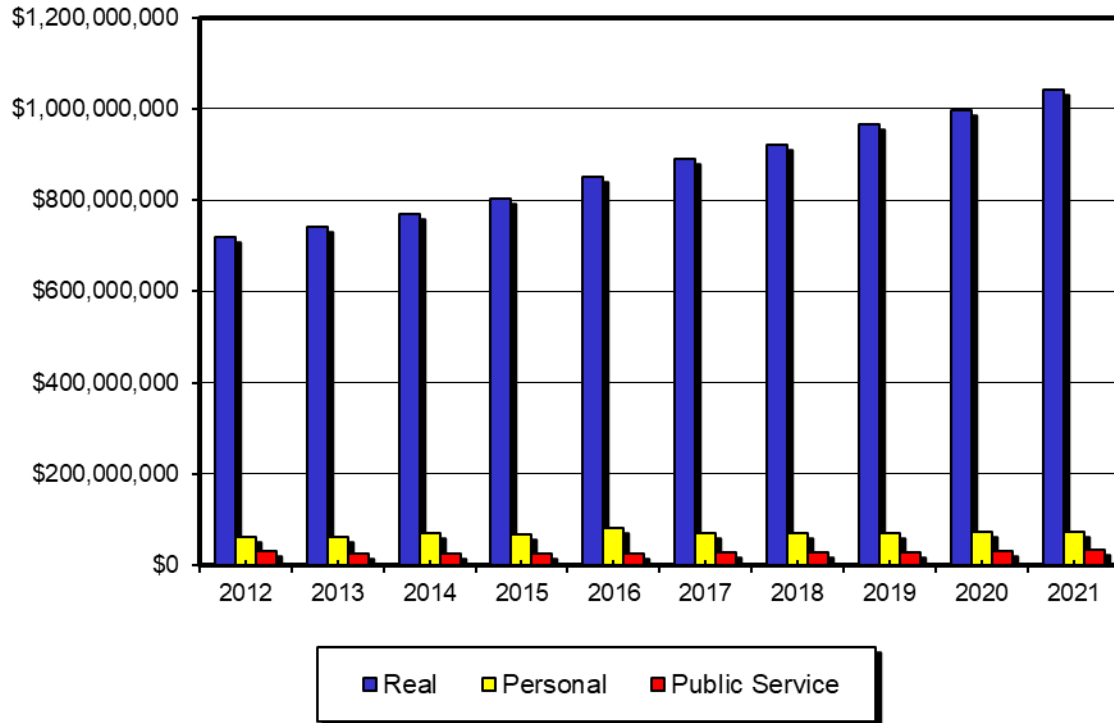

CITY OF NORMAN

Discussion of the Graph

This graph illustrates the distribution of positions by bargaining unit. In FY 2022-2023 the City will employ 904 budgeted full-time and permanent part-time employees. The largest number of personnel (372) are in the American Federation of State, County and Municipal Employees (AFSCME) union. There are a total of 250 Police Department personnel, of which 178 are members of the Fraternal Order of Police (FOP) union and 49 are AFSCME members. There are a total of 164 Fire Department personnel, of which 158 are members of the International Association of Fire Fighters (IAFF) union. Executive employees include the 12 department directors and the City Manager of the City of Norman. There are 196 employees that are non-union members including the executive employees.

ASSESSED PROPERTY VALUATIONS 10 Year Comparison

Discussion of the Graph

Property taxes are utilized by cities in Oklahoma only for repayment of debt and for payment of court judgements against the City. These taxes are assessed on approximately 12% of the estimated actual value of real, personal and public service property. The assessed property valuations reflect the revaluation process as well as the growth factor in the City of Norman. The on-going revaluation process reflects the upswing in real estate values, which began in FYE 1993, and has continued.

* Real Valuations do not include the homestead exemption

CITY OF NORMAN

CITY PORTION OF TOTAL PROPERTY TAX MILL LEVIES

Discussion of the Graph

The City portion of actual property taxes levied in Norman in 2021 were 12.10 mills or \$13,519,840 which is 1% of the assessed property value in Norman. According to the Cleveland County Assessor, the median home value in the City of Norman is an estimated \$163,348.

Annual Property Tax Distribution based on \$163,348 Median Home Value - 2022

Discussion of the Graph

This graph represents new permits for construction of single family residential permit values for the ten-year period. Beginning in 2015, residential construction levels dropped and continued to drop in 2016. In 2017, residential construction began to increase and the average permit value jumped by about \$20,000 per unit from fiscal year 2017 to 2018. Fiscal year 2019 saw a slight decrease in single family construction from 2018. Norman's permit count increased 26% from fiscal year 2019 to 2020, matching nation-wide growth trends for residential building permits that hit a 12-year high according to the U.S. Census Bureau. Permit counts and values continued to increase in fiscal year 2021.

CITY OF NORMAN

Discussion of the Graph

These are the primary tax sources available to the City of Norman. The property tax is used to service bonded debt and court judgments (see graph of Assessed Property Valuations), while the sales, use and franchise taxes are used for General Fund operations and capital (see graphs of General Fund Revenue and Distribution of Sales Tax). Beginning in FYE 09, sales tax includes the Public Safety Sales Tax that was approved by voters on May 13th, 2008. On April 1, 2014, the citizens approved a permanent extension of the Public Safety Sales Tax. On October 13, 2015, the citizens approved a one half of one percent (.5%) sales tax for NORMAN FORWARD quality of life projects. This tax became effective January 1st of 2016. On November 12, 2019, the citizens approved a one eighth of one percent (0.125%) sales tax transfer from Cleveland County to the city for the operation of the city's public transit program, effective April 1, 2020. Sales tax performance is a good indicator of economic trends. Property tax collections indicate an increasing level of bonded indebtedness.

CITY OF NORMAN

Discussion of the Graph

The City of Norman has a 4.125% sales tax rate effective April 1, 2020, which is the primary source of revenue for General Fund operations and capital expenditures. 7/10 of one percent (0.7%) of sales tax revenue is used to finance general governmental capital needs. Sales tax revenues steadily increased from 2012 to 2017, remained relatively flat from 2017 to 2020, and saw significant growth again from 2020 to 2022. On May 13, 2008, Norman citizens approved a 1/2 percent (0.5%), 7-year, public safety sales tax dedicated to additional police and fire personnel and two new fire stations. On April 1, 2014, the citizens approved a permanent extension of that tax. Debt funded with sales tax revenues has remained low over the 10-year period. Beginning in FYE 2014, the portion of sales tax diverted to the General Obligation (G.O.) Combined Purpose Bonds Fund (Fund 64) to pay for 1992 G.O. Bonds is no longer needed. The bond was completely paid off. In October of 2015, citizens approved a 1/2 percent (0.5%) new sales tax called NORMAN FORWARD Sales Tax. The NORMAN FORWARD initiative provides for funding for recreational, athletic, library, park and infrastructural improvements. On November 12, 2019, Norman citizens approved transferring 1/8 of one percent (0.125%) of sales tax from Cleveland County to the city to help fund the transit operation.

FYE 2023 Projected Figures:

Operations	\$ 54,097,700
Public Safety	\$ 12,426,738
Capital	\$ 15,489,060
NORMAN FORWARD	\$ 12,426,738
Transit	\$ 3,106,684
	<hr/>
	\$ 97,546,920

CITY OF NORMAN

FYE 2023 ALL FUNDS PROJECTED TOTAL REVENUES \$251,829,357

Discussion of the Graph

Budgeted revenues for FYE 2023 of \$251,829,357 are derived from several sources. General Sales Tax and User Fees & Charges provide the City the largest share of revenue. Fees & Charges include user fees for Sanitation, Water, Water Reclamation, Westwood Park, licenses and fees for other City services. The City of Norman is very reliant on sales tax collections for its operations. The "Other Taxes" portion includes the small percentage of property tax the City gets.

CITY OF NORMAN

FYE 2023 ALL FUNDS PROJECTED TOTAL EXPENDITURES \$245,281,720

Discussion of the Graph

Budgeted expenditures for FYE 2023 of \$245,281,720 are derived from several uses. The largest non-capital portion is Public Safety at 23%. The City of Norman is known for being a safe community and the citizens place a high importance on public safety.

CITY OF NORMAN

Discussion of the Graph

The primary sources of General Fund revenues are sales and franchise taxes. Total taxes range from 70% of total revenues in FYE 2014 to an estimated 72.6% of total revenues in FYE 2022, and a projected 74.7% in FYE 2023. Beginning in FYE 11, the Public Safety Sales Tax was accounted for in the Public Safety Sales Tax Fund and removed from the General Fund. Beginning in FYE 20, the University North Park sales tax apportionment was accounted for in the General Fund and the Capital Fund in the same proportion as all general sales taxes. The associated increase in General Fund tax revenues is illustrated on the chart above.

CITY OF NORMAN

Discussion of the Graph

As shown by the graph, personnel costs represent the largest share of General Fund expenditures. Personnel costs represented approximately 71.8% of total General Fund expenditures in FYE 2014 and are projected to comprise about 68.4% of General Fund expenditures in FYE 2023. Beginning in FYE 2011, the Public Safety Sales Tax Fund was created and the associated expenses were taken out of the General Fund.

CITY OF NORMAN

FYE 2023 GENERAL FUND REVENUES BY SOURCE \$100,769,620

Discussion of the Graph

Taxes comprise approximately 75% of the General Fund's revenue; sales and use tax represents 64.5% while franchise fees represent 6.9% and other taxes account for 3.3%. Cost allocations represent 4.6% of the General Fund's revenue. These allocations are charges for central services such as management, accounting and data processing provided by the General Fund to other funds such as Enterprise Funds. Transfers include charges to the utility funds (payments in lieu of franchise fees and property taxes), a transfer from the Capital Fund for reimbursement of street maintenance crew labor used for capital projects and financing General Fund capital equipment needs, and a transfer from the Debt Service Fund for judgments and claims against the City. Other revenues include miscellaneous revenues such as animal adoption fees, weed abatement fees, returned check fees, etc.

CITY OF NORMAN

FYE 2023 GENERAL FUND EXPENDITURES BY DEPARTMENT \$90,008,118

Discussion of the Graph

The largest departmental expenditure from the General Fund is the Police Department. The Police Department's expenditures total \$24,814,884 or 28% of total General Fund expenditures. Public Works has the next highest amount of General Fund expenditures, accounting for 23% of total General Fund expenditures. Public Safety (Police and Fire) and Public Works account for 70% of General Fund expenditures.

WATER FUND OPERATIONS 10 YEAR COMPARISON

Discussion of the Graph

The Water Enterprise Fund is accounted for as a separate fund and as such bears its proportionate share of administrative cost allocations and internal service charges. Revenues and expenditures shown in this graph represent operations only. Any excess of operating revenues is used for capital outlay and capital project expenses, as well as to fund debt service. The significant increase in revenue in 2016 is due to a water rate increase that was approved by the citizens on January 13, 2015.

WATER RECLAMATION FUND OPERATIONS 10 Year Comparison

Discussion of the Graph

The Water Reclamation Enterprise Fund is accounted for as a separate fund and as such bears its proportionate share of administrative cost allocations and internal service charges. Revenues and expenditures shown in this graph represent operations only. The excess of operating revenues is used for capital outlay and capital project expenses, as well as to fund debt service. In FYE 2015, the Sewer Line Maintenance operation was transferred from the Sewer Line Maintenance Fund to the Water Reclamation Fund. The last water reclamation rate increase was approved by the citizens on November, 12, 2013.

Discussion of the Graph

The Sanitation Enterprise Fund is accounted for as a separate fund and as such bears its proportionate share of administrative cost allocations and internal service charges. Revenues and expenditures shown in this graph represent operations only. The excess of operating revenues are used for capital outlay and capital project expenses as well as to repay outstanding debt. The last service rate increase was approved by voters on March 1, 2011.

Financial Policies

FINANCIAL POLICIES

Several financial policies have been used in the development of the Fiscal Year Ending (FYE 23) Budget and five-year forecast. The applications of the policies vary given the type of Fund. The “Budget Highlights” section identifies the specific application of each policy, if it applies to that particular fund. The financial policies that have been applied to various funds are documented below.

Balanced Budget

The City shall annually adopt a balanced budget in accordance with the Oklahoma Municipal Act (Title 11 Oklahoma Statutes 2006). As such, expenditures may not legally exceed appropriations at the Fund level for each legally adopted annual operating budget (i.e., a fund balance cannot be negative).

Five Year Forecast

Five-year forecasts of resources and the utilization of those resources have been prepared for all Funds of the City for the purpose of projecting existing conditions into the future to determine future financial viability, to identify financial strengths and weaknesses and to provide a base for remedial or supportive financial policy actions. The City legally adopts a budget for a one-year period; five-year forecasts are prepared for financial planning purposes. Based on these actions and other factors, actual financial performance in future years will vary from that projected here.

Reasonable Cost of Service

For purposes of projecting existing costs into the future it has been assumed that existing costs are reasonable given existing service levels.

Reserve Policies

Operating Reserve

In fiscal year 2011, Council directed staff to prepare a formal policy in Ordinance form codifying the City’s reserve policies and complying with Governmental Accounting Standards Board Statement # 54. Direction was given to establish a separate “Rainy Day Fund” which could not be used except in unusual circumstances. The Ordinance (effective July 28, 2011) establishes a Net Revenue Stabilization or “Rainy Day” Fund, which would have minimum fund balance of three percent (3%) of annual budgeted General Fund expenses, a target fund balance of four and a half percent (4.5%) of General Fund expenses and a maximum fund balance of six percent (6%) of annual General fund expenses. The Ordinance also requires a minimum General Fund Operating Reserve fund balance of three percent (3%) of General Fund expenses and would require that the two percent (2%) Emergency Reserve allocation be included in future year budgets. Under the Ordinance, Net Revenue Stabilization Fund balance could only be appropriated for expenditure by the City Council if at least one of three circumstances is met:

- 1.) The General Fund Operating Reserve fund balance is projected to fall below one percent (1%) of budgeted expenditures.

- 2.) A natural or man-made disaster has occurred; AND the City of Norman has spent or obligated to spend the two percent Emergency Reserve account in the General Fund
- 3.) A major one-time or capital expenditure has been necessitated, such as for major repairs to or replacement of City of Norman facilities.

Ordinance O-1819-10, approved by the Council in fiscal year 2019, reduced the budgeted Emergency Reserve allocation requirement from 2% to 1% in each future budget year. Once the 3% Operating Reserve and the 1% Emergency Reserve have been met, this Ordinance also increases the “Rainy Day Fund” minimum balance to 4% and maximum balance to 7% of annual budgeted General Fund expenses. The new targeted balance set by this Ordinance is 5% of annual budgeted General Fund expenses.

Capital Reserve

A portion of fund balance equal to the average of the forecasted capital expenditures during the five-year forecasted period has been reserved in each fiscal year budget to provide assurance that resources are available to provide for the normal replacement of depreciable assets.

Debt Reserve

A portion of fund balance equal to the average annual debt service requirement has been reserved to provide assurance that resources are available to meet each fiscal year’s debt service payment. This policy may be superseded by requirements of bond covenants or the absence of outstanding debt.

Investment Policy

Policy:

It is the policy of the City of Norman to invest all public funds in a manner which will provide the maximum security of principal, while meeting the daily cash flow demands of the City, conforming to all state and local statutes governing the investment of public funds, and providing the highest practical investment return within these guidelines.

Diversification:

The City of Norman will diversify its investments by institution. With the exception of U.S. Treasury and agency securities and authorized pools, no more than 50% of the entity's total investment portfolio will be placed through a single financial institution.

Maximum Maturities:

To the extent possible, the City of Norman will attempt to match its investments with anticipated cash flow requirements. Unless matched to a specific cash flow, the City of Norman will not directly invest in securities maturing more than ten years from the date of purchase.

Internal Control:

The City Finance Director shall establish an annual process of independent review by an external auditor. The review will provide internal control by assuring compliance with policies and procedures.

Performance Standards:

The investment portfolio will be designed to obtain a market average rate of return during budgetary and economic cycles, taking into account the City of Norman's investment risk constraints and cash flow needs.

Reporting:

The City Finance Director shall provide the City Council with a monthly investment activity report within fifteen days of the closing of financial transactions for the month for which the report is made. The report shall include a listing of the investment transactions made and the amounts therefor; interest earned on each investment within the month; current investment and maturity schedules; and overall performance compared to previous years and market benchmarks.

Debt Policy

The Debt Policy for the City of Norman is established to help ensure that all debt is issued both prudently and cost effectively. The Constitution of the State of Oklahoma, Article X, Sections 26-28 allow the indebtedness of a city for the purpose of financing the purchase, construction, or improvement of any public utility or combination of public utilities which shall be owned exclusively by such city.

The City of Norman, with differing levels of approval (majority voter approval for some, 60% voter approval for some, Council approval for some), may legally issue debt using any of the debt instruments below:

- Unlimited Tax General Obligation Bonds
- Limited Tax General Obligation Bonds
- Revenue Bonds
- Certificates of Participation (COPs)
- Special Assessment District Bonds
- Tax Increment Finance District Bonds
- Revenue Anticipation Notes
- Bond Anticipation Notes
- Tax Anticipation Notes
- Short Term Debt
- Local Option Capital Asset Lending (LOCAL) Program Debt

The City of Norman's 2021 legal debt limit is approximately \$111,737, based on Section 26 of the Oklahoma Constitution. It states that bonds issued for road and/or bridge improvements cannot exceed ten percent (10%) of the net assessed valuation (gross valuation minus homestead) of

the City. This limit can be raised by a vote of the people. There is no real legal debt limit; the practical limit is based on what the voters would consider an appropriate level of property tax-backed debt.

The City maintained an "Aa2" rating from Moody's for those general obligation debt issues that are rated by the service. The Norman Utility Authority maintained an "Aa3" rating from Moody's for those debt issues that they rate.

Levelized Rates

Utility rates should be set at a level to meet the average net income requirement over a five-year period without the need for interim adjustments and to meet all reserve requirements at the end of the five-year period.

Utility Transfer to General Fund

The amount of transfer from the Water and Water Reclamation Funds in support of the General Fund is based on a policy that provides continuity in all three funds. A transfer equal to 5% of the operating revenue in each utility would return to the General Fund an amount consistent with what public utilities provide in franchise fees and property taxes. This transfer was increased in FYE 11 from 2%.

Municipal Budget Act

The City of Norman adopted the "Municipal Budget Act," a provision of State Statute, by Resolution R-7980-28 dated January 22, 1980. A copy of the Municipal Budget Act is found in this section of the document.

CITY OF NORMAN

BUDGET CALENDAR Fiscal Year Ending 2023

September	16 Finance Committee meeting to discuss budget process for FYE 2023
November	15 Fleet Ranking Committee reviews vehicle replacements 16 Council Work Session on Capital Budget to identify Council priorities 26 I.T. critical computer replacement list due

July	1 Beginning of Fiscal Year Ending 2023

Note: The above dates are preliminary and may change.

THE BUDGET AND ACCOUNTING PROCESS

The City of Norman, Oklahoma, is a municipal corporation incorporated under a Municipal Charter pursuant to Article XVIII, of the Constitution and laws of the State of Oklahoma. The City operates under a Council-Manager form of government and provides such services as are authorized by its Charter to advance the welfare, health, morals, comfort, safety and convenience of the City and its inhabitants.

The City's major activities or functions include police and fire protection, parks and libraries, public health and social services, planning and zoning and general administrative services. In addition, the City owns and operates four major enterprise activities - the Water, Water Reclamation and Sanitation utility system, and the Westwood Park complex. This budget includes the fund and account groups required to account for those activities, organizations and functions that are related to the City and controlled by or dependent upon the City's governing body, the City Council.

THE BUDGET PROCESS

The City prepares its annual operating budget on a basis (Budget basis) which differs from Generally Accepted Accounting Principles (GAAP basis). The major difference between GAAP and Budget basis is that encumbrances are recorded as reservations of fund balance on a GAAP basis as opposed to the equivalent of expenditures (Budget basis) in all governmental funds.

The City of Norman uses modified zero-based budgeting to develop the annual operating budget. This approach requires City Departments to present a basic budget and supplements to the basic budget, which represents program additions or enhancements. The City Council adheres to the following procedures in establishing the budget:

1. Under the City Charter, the City Manager is responsible for preparing and recommending an operating budget for City Council consideration. The City Manager, working with staff in all Departments, reviews and evaluates all basic budgets and supplemental requests to determine whether they fulfill City Council goals and objectives, improve management effectiveness, or increase productivity. The proposed budget, which the City Manager submits to the City Council, includes recommendations of the program of services, which the City should provide, and which can be financed by the City's projected revenue for the budget year. The Manager must submit a balanced budget for the next fiscal year not later than 30 days prior to the end of the current fiscal year.
2. The City Council considers the Manager's recommended budget in a series of work sessions and in public hearings at which citizen comment is invited. Citizens are encouraged to participate in the budget process. A copy of the proposed budget and the adopted budget are filed in the City Clerk's office and the Norman Public Library. Additional or supplemental information is available upon request.
3. The budget for the next fiscal year is legally enacted by the City Council through passage of an ordinance not later than seven days before the beginning of the new budget year.
4. Expenditures may not legally exceed appropriations at the Fund level for each legally adopted annual operating budget. The City Manager, without Council approval, may transfer

CITY OF NORMAN

appropriation balances from one expenditure account to another within a Fund/Department of the City. The City Council, however, must approve any transfer of unencumbered appropriation balance or portions thereof from one Fund to another.

5. Annual budgets are legally adopted for all governmental funds. Budgets for the Debt Service Funds are adopted on a basis consistent with Generally Accepted Accounting Principles. The expendable trust fund includes non-budgeted financial activities, which are not subject to an appropriated budget and the appropriation process nor to any legally authorized non-appropriated budget review and approval process.
6. At the close of each fiscal year, any unencumbered appropriation balance lapses or reverts to the undesignated fund balance.

THE ACCOUNTING PROCESS

The accounting and reporting policies of the City conform to Generally Accepted Accounting Principles (“GAAP”) applicable to state and local governments. Generally Accepted Accounting Principles for local governments include those principles prescribed by the Governmental Accounting Standards Board (“GASB”), which includes all statements and interpretations of the National Council on Governmental Accounting unless modified by the GASB, and those principles prescribed by the American Institute of Certified Public Accountants in the publication entitled Audits of State and Local Governmental Units. The following is a summary of the more significant policies and practices used by the City.

BASIS OF PRESENTATION

The accounts of the City are organized and operated on the basis of funds or account groups, each of which is considered to be a separate fiscal and accounting entity. The operations of each fund are accounted for with a self-balancing set of accounts that comprise its assets, liabilities, fund balances or retained earnings, revenues and expenditures or expenses. The various funds are grouped by category and type. The City maintains the following fund classifications and account groups:

CITY OF NORMAN FUNDS

All of the funds of the City can be divided into three categories: governmental funds, proprietary funds and fiduciary funds.

GOVERNMENTAL FUNDS

Governmental funds are used to account for the relatively liquid portion of the City’s assets that are not accounted for through proprietary or fiduciary funds, the short-term obligations pertaining thereto and the net balance of these financial resources available for subsequent appropriation and expenditure.

General Fund - The General Fund is the general operating fund of the City. This fund is used to account for all financial resources except those required to be accounted for in another fund.

Special Revenue Funds - Special Revenue Funds are used to account for the proceeds of specific revenue sources (other than special assessments, expendable trusts or major capital projects) that are legally restricted to expenditures for specific purposes.

CITY OF NORMAN

Debt Service Funds - Debt Service Funds are used to account for the accumulation of resources for, and the payment of general long-term debt principal, interest and related costs.

Capital Project Fund - The Capital Projects Fund is used to account for financial resources to be used for the acquisition or construction of major capital facilities (other than those financed by proprietary funds and trust funds). They are presented in a separate document.

PROPRIETARY FUNDS

Proprietary Funds are those used to account for the City's ongoing organizations and activities which are similar to those found in the private sector. The measurement focus is upon capital maintenance and upon determination of net income, financial position and changes in financial position.

Enterprise Funds - Enterprise Funds are used to account for operations (a) that are financed and operated in a manner similar to private business enterprises wherein the intent of the governing body is that the costs (expenses including depreciation) of providing goods or services to the general public on a continuing basis are financed or recovered primarily through user charges or (b) where the governing body has decided that periodic determination of revenues earned, expenses incurred or net income is appropriate for capital maintenance, public policy, management control, accountability or other purposes.

Internal Service Funds – Internal Service Funds are used to allocate certain costs (e.g. Risk Management/Insurance) to other funds within the government.

FIDUCIARY FUNDS

Fiduciary Funds are used to account for assets held by the City in a trustee capacity or as an agent for other governmental units and/or other funds. Trust and Agency Funds include expendable trust and payroll agency funds. (Not presented in this document).

BASIS OF ACCOUNTING

Basis of accounting refers to the time at which revenues and expenditures or expenses are recognized in the accounts and reported. Governmental funds, expendable trust funds, and agency funds are accounted for using the modified accrual basis of accounting. Under the modified accrual basis of accounting, revenues are recognized when they become measurable and available as net current assets. Available means collectible within the current period or expected to be collected within 60 days after year end and be used to pay liabilities of the current period. Expenditures are generally recognized under the modified accrual basis of accounting when the related fund liability is incurred. Exceptions to this general rule include unmatured principal and interest on general long-term obligations which are recognized when due. This exception is in conformity with Generally Accepted Accounting Principles.

Property tax revenues and sales tax receipts are considered measurable and available when collected and recognized as revenue at that time. Licenses and permits, fines and forfeits, and miscellaneous revenues are recorded as revenues when received in cash because they are generally not measurable until actually received. Investment earnings are recorded on the accrual basis in all funds.

Intergovernmental revenues are recorded on a basis applicable to the legal and contractual requirements of the various individual grant programs.

All proprietary funds are accounted for using the accrual basis of accounting. Under the accrual basis of accounting, revenues are recognized in the accounting period in which they are earned and become measurable. Expenses are recorded in the accounting period incurred, if measurable.

Encumbrances represent commitments related to unperformed contracts for goods or services. Encumbrance accounting, under which purchase orders, contracts and other commitments for the expenditure of funds are recorded in order to reserve that portion of the applicable appropriation, is utilized in the governmental funds. Encumbrances outstanding at year-end are reported as reservations of fund balances and do not constitute expenditures or liabilities since the commitments will be honored during the subsequent year. For budgetary purposes, encumbrances outstanding at year end and the related appropriation are carried forward to the new fiscal year. Encumbrances constitute the equivalent of expenditures for budgetary purposes.

MUNICIPAL BUDGET ACT
(Title 11 Oklahoma Statutes 2006)

SECTION 17-201. MUNICIPAL BUDGET ACT.

This act may be cited as the “Municipal Budget Act.”

SECTION 17-202. PURPOSE OF ACT.

The purpose of this act is to provide an alternate budget procedure for municipal governments, which will:

1. Establish standard and sound fiscal procedures for the adoption and administration of budgets;
2. Make available to the public and investors sufficient information as to the financial conditions, requirements and expectations of the municipal government; and
3. Assist municipal governments to improve and implement generally accepted standards of finance management.

SECTION 17-203. APPLICATION OF ACT

This act shall apply to any incorporated city or town which, by resolution of the governing body, opts to come under and comply with all its provisions and requirements. Once a municipality has selected the Municipal Budget Act to govern its budget procedures, the provisions of this act shall take precedence over any other state laws applicable to municipal budgets, except as may be provided otherwise in this act, and supersede any conflicting laws. Any action of a municipal governing body to implement, rescind or repeal the application of the Municipal Budget Act shall be effective as of the beginning or end of a budget year pursuant to this act.

SECTION 17-204. DEFINITIONS

As used in this act:

1. “Account” means an entity for recording specific revenues or expenditures, or for grouping related or similar classes of revenues and expenditures and recording them within a fund or department;
2. “Appropriated fund balance” means any fund balance appropriated for a fund for the budget year;
3. “Appropriation” means an authorization to expend or encumber income and revenue provided for a purpose;
4. “Budget” means a plan of financial operations for a fiscal year, including an estimate of proposed expenditures for given purposes and the proposed means for financing them;
5. “Budget summary” means a tabular listing of revenues by source and expenditures by purpose for the budget year;

CITY OF NORMAN

6. “Budget year” means the fiscal year for which a budget is prepared or being prepared;
7. “Chief executive officer” means the mayor of an aldermanic city or a strong-mayor-council city, the mayor of a town, or the city manager or chief administrative officer as it may be defined by applicable law, charter or ordinance;
8. “Current year” means the year in which the budget is prepared and adopted, or the fiscal year immediately preceding the budget year;
9. “Deficit” means the excess of a fund’s current liabilities and encumbrances over its current financial assets as reflected by its books of account;
10. “Department” means a functional unit within a fund which carries on a specific activity, such as a fire department or a police department within a general fund;
11. “Estimated revenue” means the amount of revenues estimated to be received during the budget year;
12. “Fiscal year” means the annual period for reporting fiscal operations which begins and ends on dates as the Legislature provides or as provided by law;
13. “Fund” means an independent fiscal and accounting entity with a self-balancing set of accounts to record cash and other financial resources, together with all liabilities, which are segregated for the purpose of carrying on specific activities or attaining certain objectives;
14. “Fund balance” means the excess of a fund’s current financial assets over its current liabilities and encumbrances, as reflected by its books of account;
15. “Governing body” means the city council of a city, the board of trustees of a town, or the legislative body of a municipality as it may be defined by applicable law or charter provision;
16. “Immediate prior fiscal year” means the year preceding the current year;
17. “Income and revenue provided” means the amount estimated or actual income and revenue appropriated by the governing body of the municipality;
18. “Levy” means to impose ad valorem taxes or the total amount of ad valorem taxes for a purpose or entity;
19. “Operating reserve” means that portion of the fund balance of the municipality which has not been appropriated in a budget year for another purpose;
20. “Municipality” means any incorporated city or town; and
21. “Purpose” means the specific budget item for a contract or claim.

SECTION 17-205. ANNUAL BUDGET - PREPARATION AND SUBMISSION - ASSISTANCE OF OFFICERS, EMPLOYEES AND DEPARTMENTS

At least thirty (30) days prior to the beginning of each fiscal year, a budget for the municipality shall be prepared by the chief executive officer and submitted to the governing body. The chief executive officer may require any other officer or employee who is charged with the management or control of any department or office of the municipality to furnish estimates for the fiscal year covering estimated revenues and expenditures of the department or office on or before a date set by the chief executive officer.

SECTION 17-206. REQUIREMENTS AND CONTENTS OF BUDGET

- A. The municipal budget shall present a complete financial plan for the municipality and shall present information necessary and proper to disclose the financial position and condition of the municipality and the revenues and expenditures thereof.
- B. Unless the budget is prepared in accordance with the subsection E of this section, the budget shall contain the following contents:
 - 1. The budget shall contain a budget summary;
 - 2. It shall also be accompanied by a budget message, which shall explain the budget and describe its important features;
 - 3. The budget format shall be as provided by the governing body in consultation with the chief executive officer; and
 - 4. It shall contain at least the following in tabular form for each fund, itemized by department and account within each fund:
 - a. actual reserves and expenditures for the immediate prior fiscal year,
 - b. revenues and expenditures for the current fiscal year as shown by the budget for the current year as adopted or amended, and
 - c. estimates of revenues and expenditures for the budget year.
- C. The estimate of revenues for any budget year shall include probable income by source which the municipality is legally empowered to collect or receive at the time the budget is adopted. The estimate shall be based on a review and analysis of past and anticipated revenues of the municipality. Any portion of the budget of revenues to be derived from ad valorem property taxation shall not exceed the amount of tax which is available for appropriation, as finally determined by the county excise board, or which can or must be raised as required by law. The budget of expenditures for each fund shall not exceed the estimated revenues for each fund. No more than ten percent (10%) of the total budget for any fund may be budgeted for miscellaneous purposes. Included in the budget of revenues or expenditures for any fund may be amounts transferred from or to another fund. Any such interfund transfer must be shown as a disbursement from the one fund and as a receipt to the other fund.

- D. Encumbrances for funds whose sole purpose is to account for grants and capital projects and/or any unexpended appropriation balances may be considered nonfiscal and excluded from the budget by the governing body, but shall be re-appropriated to the same funds, accounts and for the same purposes for the successive fiscal year, unless the grant, project or purpose is designated or declared closed or completed by the governing body.
- E. As an alternative to the budget format and content described in subsections B, C, and D of this section, the municipality may prepare its budget in a program or purpose format for the municipality as a whole without regard to fund accounting. Such budget shall be subject to all other requirements of the Municipal Budget Act, except those requirements specifically related to fund accounting.

SECTION 17-207. MONIES RECEIVED AND EXPENDED MUST BE ACCOUNTED FOR BY FUND OR ACCOUNT

Any monies received or expended by a municipality must be accounted for by fund and account, regardless of the format of the budget. Each municipality shall adopt an appropriation for the general fund and for all other funds established by the governing body pursuant to the provisions of Section 17-212 of this title, or as an alternative, for each purpose as established by the governing body. The municipal governing body shall determine the needs of the municipality for sinking fund purposes, pursuant to the provisions of Section 431 of Title 62 of the Oklahoma Statutes, Section 3017 of Title 68 of the Oklahoma Statutes, and Section 28 of Article 10 of the Oklahoma Constitution, and include these requirements in the debt service budget for the budget year.

SECTION 17-208. PUBLIC HEARING ON PROPOSED BUDGET - NOTICE - COPIES OF PROPOSED BUDGET

The municipal governing body shall hold a public hearing on the proposed budget no later than fifteen (15) days prior to the beginning of the budget year. Notice of the date, time and place of the hearing, together with the proposed budget summary, shall be published in a newspaper of general circulation in the municipality not less than five (5) days before the date of the hearing. The municipal clerk shall make available a sufficient number of copies of the proposed budget as the governing body shall determine and have them available for review or for distribution or sale at the office of the municipal clerk. Whenever the total operating budget, not including debt service, does not exceed Twelve Thousand Dollars (\$12,000.00) per year, the proposed budget summary and notice may be posted at the governing body's principal headquarters in lieu of publication in a newspaper. At the public hearing on the budget any person may present to the governing body comments, recommendations or information on any part of the proposed budget.

SECTION 17-209. ADOPTION OF BUDGET - FILING - EFFECTIVE PERIOD - USE OF APPROPRIATED FUNDS - LEVYING TAX

- A. After the hearing and at least seven (7) days prior to the beginning of the budget year, the governing body shall adopt the budget by resolution, or as any charter may require. The governing body may add or increase items or delete or decrease the items in the budget. In all cases the appropriations shall not exceed the income and revenue provided by the governing body from estimated revenues and appropriated fund balance.

- B. The adopted budget shall be transmitted to the State Auditor and Inspector within thirty (30) days after the beginning of the fiscal year of the municipality and one copy shall be kept on file in the office of the municipal clerk. A copy of the municipality's sinking fund requirements shall be filed with the excise board of the county or counties in which the municipality is located.
- C. The adopted budget shall be in effect on and after the first day of the fiscal year to which it applies. The budget as adopted and filed with the State Auditor and Inspector shall constitute an appropriation for each purpose as defined by the governing body, and the appropriation thus made shall not be used for any other purpose except as provided by law.
- D. At the time required by law, the county excise board shall levy the taxes necessary for the municipality's sinking fund for the budget year pursuant to Section 431 of Title 62 of the Oklahoma Statutes.

SECTION 17-210. PROTESTS - FAILURE TO PROTEST - EXAMINATION OF FILED BUDGET

Within fifteen (15) days after the filing of any municipal budget with the State Auditor and Inspector, any taxpayer may file protests against any levy of ad valorem taxes for creating sinking funds in the manner provided by this section and Sections 24104 through 24111 of Title 68 of the Oklahoma Statutes. The fifteen-day protest period begins upon the date the budget is received in the Office of the State Auditor and Inspector. After receipt of a taxpayer protest, the State Auditor and Inspector shall transmit by certified mail one copy of each protest to the municipal clerk, and one copy of each protest to the county treasurer and the excise board of each county in which the municipality is located. The taxpayer shall specify the grounds upon which the protest is based. Any protest filed by any taxpayer shall inure to the benefit of all taxpayers. Provided, the provisions of this section shall not delay any budget expenditures of a municipality if the amount of revenue from the ad valorem tax levy which is deposited in the municipal general fund is less than five percent (5%) of the total revenue accruing to the municipal general fund during the prior year. If no protest is filed by any taxpayer within the fifteen-day period, the budget and any appropriations thereof shall be deemed legal and final until amended by the governing body or the county excise board as authorized by law. Taxpayers shall have the right at all reasonable times to examine the budget on file with the municipal clerk or the State Auditor and Inspector for the purpose of filing protests in accordance with this section and Sections 24104 through 24111 of Title 68.

SECTION 17-211. EXPENDITURE OR ENCUMBRANCE OF FUNDS - BALANCES TO BE CARRIED FORWARD - UNLAWFUL ACTS AND LIABILITY THEREFORE

- A. No expenditure may be incurred or made by any officer or employee, which exceeds the fund balance for any fund. Any fund balance remaining in a fund at the end of the fiscal year shall be carried forward to the credit of the fund for the next fiscal year. No expenditure may be authorized or made by any officer or employee, which exceeds the appropriation of any fund.
- B. It shall be unlawful for any officer or employee of the municipality in any budget year:

1. To create or authorize creation of a deficit in any fund; or
 2. To authorize, make or incur expenditures in excess of ninety percent (90%) of the appropriation for any fund or the budget as adopted or amended until revenues received, including the prior fiscal year's fund balance carried forward, totals an amount equal to at least ninety percent (90%) of the appropriation for the fund. Expenditures may then be made and authorized so long as any expenditure does not exceed any fund balance.
- C. Any obligation that is contracted or authorized by any officer or employee in violation of this act shall become the obligation of the officer or employee himself and shall not be valid or enforceable against the municipality. Any officer or employee who violates this act shall forfeit his office or position and shall be subject to such civil and criminal punishments as are provided by law. Any obligation, authorization for expenditure or expenditure made in violation of this act shall be illegal and void.

SECTION 17-212. FUNDS - ESTABLISHMENT - KINDS

A municipality shall establish funds consistent with legal and operating requirements. Each municipality shall maintain according to its own needs some or all of the following funds or ledgers in its system of accounts:

1. A general fund, to account for all monies received and disbursed for general municipal government purposes, including all assets, liabilities, reserves, fund balances, revenues and expenditures which are not accounted for in any other fund or special ledger account. All monies received by the municipality under the motor fuel tax or under the motor vehicle license and registration tax and earmarked for the street and alley fund may be deposited in the general fund and accounted for as a "street and alley account" within the general fund. Expenditures from this account shall be made as earmarked and provided by law. All references to the street and alley fund or to the special fund earmarked for state-shared gasoline and motor vehicle taxes may mean the street and alley account provided in this section;
2. Special revenue funds, as required, to account for the proceeds of specific revenue sources that are restricted by law to expenditures for specified purposes;
3. Debt service fund, which shall include the municipal sinking fund, established to account for the retirement of general obligation bonds or other long term debt and payment of interest thereon and judgments as provided by law. Any monies pledged to service general obligation bonds or other long-term debt must be deposited in the debt service fund;
4. Capital project funds, to account for financial resources segregated for acquisition, construction or other improvement related to capital facilities other than those accounted for in enterprise funds and non-expendable trust funds;
5. Enterprise funds, to account for each utility or enterprise or other service, other than those operated as a department of the general fund, where the costs are financed primarily through user charges or where there is a periodic need to determine revenues earned, expenses incurred or net income for a service or program.

6. Trust agency funds, to account for assets held by the municipality as trustee or agent for individuals, private organizations or other governmental units or purposes, such as a retirement fund or a cemetery perpetual care fund;
7. Special assessment funds, to account for the financing of public improvements or services deemed to benefit properties against which special assessments are levied; a separate fund for each special improvement district established by the governing body shall be established, each of which shall be known as a special assessment fund;
8. Internal service funds, to account for the financing of goods or services provided by one department or agency of the municipality to another department or agency, or to another government, on a cost reimbursement basis;
9. A ledger or group of accounts in which to record the details relating to the general fixed assets of the municipality;
10. A ledger or group of accounts in which to record the details relating to the general bonds or other long term debt of the municipality; or
11. Such other funds or ledgers as may be established by the governing body.

SECTION 17-213. FUNDS - CLASSIFICATION OF REVENUES AND EXPENDITURES

Each fund shall be made up of accounts for classifying revenues and expenditures. Revenues shall be classified separately by source. Expenditures shall be departmentalized within each fund and shall be classified into at least the following accounts:

1. Personal services, which may include expenses for salaries, wages, per diem or other compensation, fees, allowances or reimbursement for travel expenses, and related employee benefits, paid to any officer or employee for services rendered or for employment. Employee benefits may include employer contributions to a retirement system, insurance, sick leave, terminal pay or similar benefits;
2. Materials and supplies, which may include articles and commodities which are consumed or materially altered when used, such as office supplies, operating supplies and repair and maintenance supplies, and all items of expense to any person, firm or corporation rendering service in connection with repair, sale or trade of such articles or commodities;
3. Other services and charges, which may include all current expenses other than those listed in paragraphs 1, 2, 4, 5 or 6 in this section, such as services or charges for communications, transportation, advertising, printing or binding, insurance, public utility services, repairs and maintenance, rentals, miscellaneous items and all items of expenses to any person, firm or corporation rendering such services;
4. Capital outlays, which may include outlays which result in acquisition of or additions to fixed assets which are purchased by the municipality, including machinery and equipment, furniture, land, buildings, improvements other than buildings, and all construction, reconstruction, appurtenances or improvements to real property accomplished according to the conditions of contract;

5. Debt service, which may include outlays in the form of debt principal payments, periodic interest payments, or related service charges for benefits received in part in prior fiscal periods as well as in current and future fiscal periods; and
6. Fund transfers, which may include permanent transfers of resources from one fund to another.

SECTION 17-214. FUNDS - OPERATING RESERVE

A municipality may create an operating reserve for the purpose of providing a fund or reserve out of which to meet emergency expenditures.

SECTION 17-215. TRANSFER OF UNEXPENDED OR UNENCUMBERED APPROPRIATION - LIMITATIONS ON ENCUMBRANCES OR EXPENDITURES

- A. The chief executive officer, or designee, as authorized by the governing body, may transfer any unexpended and unencumbered appropriation or any portion thereof from one purpose to another; except that no appropriation for debt service or other appropriation required by law or ordinance may be reduced below the minimums required.
- B. Any fund balance in an unrestricted fund of the municipality may be transferred to another fund of the municipality as authorized by the governing body. Other interfund transfers may be made only as adopted or amended according to Section 17-206 or 17-216 of this title.
- C. Whenever the necessity for maintaining any fund of a municipality has ceased to exist and a balance remains in the fund, the governing body may authorize the transfer of the balance to the general fund or any other designated fund, unless otherwise provided by law.
- D. No encumbrance or expenditure may be authorized or made by any officer or employee, which exceeds the available appropriation for each purpose as defined by the governing body.

SECTION 17-216. SUPPLEMENTAL APPROPRIATIONS TO FUNDS - AMENDMENT OF BUDGET

- A. The governing body may amend the budget to make supplemental appropriations to any purpose up to the amount of additional income and revenues, which are available and provided for current expenditures due to:
 1. Revenues received or to be received from sources not anticipated in the budget for that year;
 2. Revenues received or to be received from anticipated sources but in excess of the budget estimates therefore; or
 3. Unexpended and unencumbered fund balances on hand at the end of the preceding fiscal year, which had not been anticipated or appropriated in the budget. Any appropriation authorizing the creating of indebtedness shall be governed by the applicable provisions of Section 26 of Article 10 of the Oklahoma Constitution.

- B. If at any time during the budget year it appears probable that revenues available will be insufficient to meet the amount appropriated, or that due to unforeseen emergencies there is temporarily insufficient money to meet the requirements of appropriation, the governing body shall take action as it deems necessary. For that purpose, it may amend the budget to reduce one or more appropriations or it may amend the budget to transfer money from one purpose to another purpose, but no appropriation for debt service may be reduced and no appropriation may be reduced by more than the amount of the unencumbered and unexpended balance thereof. No transfer shall be made from the debt service fund to any other fund except as may be permitted by the terms of the bond issue or applicable law.
- C. A budget amendment as provided in this section authorizing supplemental appropriations or a decrease in the total appropriation of funds shall be adopted at a meeting of the governing body and filed with the municipal clerk and the State Auditor and Inspector.

SECTION 3002 – AUDITS (Title 68 Oklahoma Statutes 2001)

- A. (Pertains to counties and school districts)
- B. Each municipality that does not prepare an annual audit pursuant to Section 17-105 of Title 11 of the Oklahoma Statutes shall make a financial statement as required by this section. Such municipality shall adopt a budget, which shall contain estimates of expenditures and revenues, including probable income by source, for the budget year; provided, that all municipalities may use estimated fund balances if final certified fund balances are not available. The budget shall be in a format similar to the estimate of needs or, at the municipality's discretion, to Sections 17-207 and 17-212 through 17-214 of Title 11 of the Oklahoma Statutes. This section shall not apply to any municipality that has opted to prepare a budget pursuant to the Municipal Budget Act.
- C. Each budget and each financial statement and estimate of needs for each county, city, incorporated town, or school district, as prepared in accordance with this section, shall be published in one issue in some legally qualified newspaper published in such political subdivision. If there be no such newspaper published in such political subdivision, such statement and estimate shall be so published in some legally qualified newspaper of general circulation therein; and such publication shall be made, in each instance, by the board or authority making the estimate.
- D. The financial statements and estimates of all counties shall be filed with the county excise board on or before August 17 of each year; and the financial statements and budgets of all incorporated towns shall be filed with the county excise board on or before August 22 of each year; and the financial statements and budgets of all cities shall be filed with the county excise board on or before August 27 of each year; and the financial statements and estimates of all school districts shall be filed with the county excise board on or before September 1 of each year. Said financial statements and estimates shall have attached thereto an affidavit showing the publication thereof as required herein, or they may be filed and the said affidavit attached thereto at any time within five (5) days after the filing thereof.

NORMAN IMPLEMENTATION OF MUNICIPAL BUDGET STATUTES

The City of Norman and its related Trusts and Authorities have been in full compliance with Generally Accepted Accounting Principles and the Oklahoma Municipal Budget Act since 1988. Some of the defined terms in Section 17-204 and 17-213 of the Municipal Budget Act are further explained as follows:

“Municipality” is The City of Norman and **“Governing Body”** is the City Council;

“Budget Year” and **“Fiscal Year”** is July 1 through June 30;

“Chief Executive Officer” is the City Manager;

“Personal Services” category expenditures are **“Salaries and Benefit”** category expenditures. These expenditures are generally for payments directly to full and part-time employees of the City, including contributions to retirement and pensions, social security, health insurance, uniform allowances and related expenses.

“Materials and Supplies” category expenditures are generally for consumable goods that are used (or “materially altered” when used) by City employees to provide services to the public and/or our customers (e.g., purchases of pencils, oil filters, chlorine).

“Other Services and Charges” category expenditures are **“Services and Maintenance”** category expenses, generally for services provided to the City of Norman by outside vendors (e.g., hiring Xerox to fix a City copier; hiring a Spanish interpreter, etc.).

“Internal Service” category expenditures are similar to **“Services and Maintenance”** category expenditures, except that the “vendor” that is providing the services to the City of Norman is another City department. Internal Service “vendors” of the City include the Fleet Management Division (providing centralized fueling and vehicle repair), the Facilities Management Division (providing centralized building repair, custodial and maintenance), the Office Services Division (providing centralized printing and mailing services) and the Risk Management Division (providing worker’s compensation, health insurance and property casualty services).

Financial Summaries

**GENERAL FUND
BUDGET
HIGHLIGHTS**

Background

The General Fund is used to account for resources that are utilized for general government activities such as:

- Park and Public Lands Maintenance
- Street Maintenance
- Neighborhood Revitalization and Code Compliance
- Public Safety and Emergency Response
- Traffic Control
- Public Transportation
- Stormwater Drainage and Flood Control

These services are distinct in that they promote the overall public good, are provided to everyone in the community equally, and cannot be denied to anyone.

The major sources of revenue are sales tax, franchise fees, and cost allocation charges. Sales tax revenues allocated to the General Fund are equal to 77% of a three percent tax (3%). Franchise fees are generated by a fee on the gross receipts within Norman of public utilities as follows:

A T & T Cable	5%
A T & T Telephone	2%
Oklahoma Gas & Electric	3%
Oklahoma Natural Gas	3%
Cox Communications Cable	5%
Cox Communications Telephone	2%
Oklahoma Electric Cooperative	5%

The City's Water and Water Reclamation Utility Enterprises also make a five percent (5%) payment in-lieu of franchise fees to the General Fund.

Revenues derived from cost allocation charges are the result of the distribution of the cost of centrally-provided support services benefiting departments of the City such as:

- Management (Council and Manager)
- Accounting/Purchasing/Payroll/Risk Management
- Human Resources
- Information Systems
- Legal
- Investment/Debt Administration

CITY OF NORMAN

A five-year financial forecast is found in this section. The purpose of a five-year forecast is to project existing conditions into the future, given certain assumptions, in order to determine future financial viability, to identify financial strengths and weaknesses, and to provide a base for remedial or supportive financial policy.

FYE 23 Budget

The Fiscal Year Ending June 30, 2023 (FYE 23) budget is a legally balanced budget in that total resources available for appropriations are greater than total expenditures.

Estimated Beginning Fund Balance	\$ 15,120,647
Current Revenues & Interfund Transfers	<u>100,769,620</u>
Total Available Resources	115,890,267
Current Expenditures & Interfund Transfers	<u>(89,208,118)</u>
Estimated Ending Fund Balance	\$26,682,149

In the City's Comprehensive Annual Financial Report, (page 88) for Fiscal Year ending June 30, 2021, reconciliation is given between budget fund balance and the General Fund balance reported on the City Balance Sheet. This reconciliation is summarized as follows:

Fund balances – budgetary basis, June 30, 2021	\$ 1,397,595
Encumbrances outstanding	<u>2,893,498</u>
Fund summary cash balance	4,291,093
Current year accruals	10,394,973
“Rainy Day” Fund Balance	<u>4,027,066</u>
Total fund balances – fund balance sheet, June 30, 2021	\$ 18,713,132

Estimated sales tax revenues are normally based on a 20-year, multivariate regression model. Due to variability in recent collection trends, FYE 23 sales tax is being projected at a 2% increase over estimated FYE 22 collections. Use tax is projected at a 4% increase from FYE 22 estimated figures. Franchise fees are projected at a 3% increase from FYE 22 estimated figures. Licenses and permit fees are projected at a 1% increase from FYE 22 estimated figures. Fines and forfeitures are estimated at a 3% increase over FYE 22 estimated collections and service fees and charges are estimated at a 1% increase from FYE 22 estimated figures.

FYE 23 expenditures are projected based on a line-item analysis within each department. Salaries and benefits are budgeted with no cost of living increases to employee salaries, but do include merit increases.

A 2% increase in salaries and benefits, a 10% increase in supplies and materials and a -9% decrease in services and maintenance costs from FYE 22 estimated figures are proposed for FYE 23. The salary and benefit increase is attributable to merit increases. Internal service costs were increased by 13% from the FYE 22 estimated figures.

CITY OF NORMAN

For the FYE 23 General Fund Budget, the following position changes were made:

Department

City Manager's Department

Police Department

Information Technology Department

Parks and Recreation Department

Change

Closed Internal Auditor & Internal Auditor Tech. positions

Added 9 Police Officers

Added a Network and Infrastructure Engineer

Added PPT Recreation Leader I

All line items have been reviewed on multiple occasions by department staff, Finance Department staff and the City Manager.

Five Year Outlook

- Sales tax revenues are projected at an increase of 2% from FYE 22 Estimate to FYE 23. Projections for FYE 24 through FYE 27 are also projected on an average annual growth rate of 2%.
- State use tax, are projected to increase at an average rate of 4% and franchise taxes, and other taxes are projected to increase at an average of 3% from FYE 23 through FYE 27, while other major revenues are projected to increase at various rates.
- Transfers from the Water and Water Reclamation Utilities will be based on a rate equal to 5% of the gross operating revenues in each utility. This represents a policy to replicate the franchise fee payments from private utilities for franchise fees for the use of public rights-of-way. In addition, transfers from the Capital Improvement Fund are made for financing General Fund capital equipment needs.
- FYE 23 net expenditures represent an approximate 2% increase over FYE 22 Budget. Total expenditures are projected to increase an average of 4% for future years.
- Other expenditure categories are generally based upon the current year level with a 1% increase per year after FYE 23, except Internal Services, which is projected at a 2% increase after FYE 23. Salaries and Benefits are projected at a 2% increase from FYE 22 to FYE 23 and a 5% annual increase after FYE 23.

Summary

The FYE 23 General Fund Budget is a balanced budget that has maintained major service levels with current revenues estimated to exceed current expenditures by \$11,561,502. Estimated year-end reserves of \$26,682,149 exceed the 3% required operating reserve level.

**NET REVENUE STABILIZATION FUND
BUDGET
HIGHLIGHTS**

Background

In fiscal year 2011, Council directed staff to prepare a formal policy in Ordinance form codifying the City's reserve policies and complying with Governmental Accounting Standards Board Statement # 54. Direction was given to establish a separate "Rainy Day Fund" which could not be used except in unusual circumstances. The Ordinance (O-1011-58 effective July 28, 2011) established a Net Revenue Stabilization, or "Rainy Day Fund", which would have minimum fund balance of three percent (3%) of annual budgeted General Fund expenses, a target fund balance of four and a half percent (4.5%) of General Fund expenses and a maximum fund balance of six percent (6%) of annual General fund expenses. The Ordinance also requires a minimum General Fund Operating Reserve fund balance of three percent (3%) of General Fund expenses and requires that a two percent (2%) Emergency Reserve allocation be included in annual budgets. Taken together, these codified reserve requirements equal the 8% reserves required by policy in other City funds.

Under the Ordinance, Net Revenue Stabilization Fund balance could only be appropriated for expenditure by the City Council if at least one of three circumstances is met:

- 1.) The General Fund Operating Reserve fund balance is projected to fall below one percent (1%) of budgeted expenditures; or
- 2.) A natural or man-made disaster has occurred, resulting in a federal or stated disaster declaration in Norman and the City of Norman has spent or obligated to spend the two percent Emergency Reserve account in the General Fund;
- 3.) A major one-time or capital expenditure has been necessitated, such as for major repairs to or replacement of City of Norman facilities.

Ordinance O-1819-10, approved by the Council in fiscal year 2019, reduced the budgeted Emergency Reserve allocation requirement from 2% to 1% in each future budget year. Once the 3% Operating Reserve and the 1% Emergency Reserve have been met, this Ordinance also increases the "Rainy Day Fund" minimum balance to 4% and maximum balance to 7% of annual budgeted General Fund expenses. The new targeted balance set by this Ordinance is 5% of annual budgeted General Fund expenses.

FYE 23 Budget

The FYE 23 Budget is projected to have a fund balance that is \$78,394 more than the Rainy Day Fund's targeted (5%) level.

**PUBLIC SAFETY SALES TAX FUND
BUDGET
HIGHLIGHTS**

Background

On May 13, 2008, the citizens of Norman passed a 7-year, one-half percent (1/2%) Public Safety Sales Tax (PSST) in order to increase the number of police officers and firefighters, and to construct two new fire stations. Ordinance O-0708-32 authorized the City to assess the new sales tax beginning October 1, 2008 and terminating on September 30, 2015.

On April 1, 2014, the citizens approved the permanent extension of the PSST. Over 10-15 years, this extension will enable the City to implement a School Resource Officer program, jointly funded by public school districts in Norman, to improve school safety and improve police-school relationships. The 2014 PSST Ordinance ("PSST II") also directs funding for several critical public safety needs (in priority order):

1. Replacement of City Emergency Communication Systems - \$15,000,000*
2. Emergency Operations Center/Dispatch Facility - \$6,500,000*
3. Fire Apparatus replacement - \$6,800,000*
4. Reconstruct/relocate Fire Station #5 - \$3,500,000*

*Estimated

In FYE 15, bond proceeds of \$22,825,000 were authorized by the Norman Municipal Authority (NMA) Trustees and Council to finance the Emergency Communications (radio) System, Emergency Operations Center (EOC), and a platform fire truck.

The PSST II Ordinance contemplated the expanded public safety operations funded by the tax to be accounted for in the City's General Fund (3/8%) and Capital Fund (1/8%) after the Critical Public Safety Capital Needsd were completed.

FYE 23 Budget

Estimated FYE 23 PSST revenues of \$14,941,893 are being projected at a 2% increase over estimated FYE 22 collections. No major changes to the projects or programs budgeted in FYE 2022 are proposed, but the General Fund and Capital Fund will absorb any projected deficit of operational and capital costs.

**COMMUNITY DEVELOPMENT FUND
BUDGET
HIGHLIGHTS**

Background

The Community Development Fund is a Special Revenue Fund established to account for the resources allocated to Community Development Block Grant (CDBG), the HOME Partnership Program, and other funds from the U.S. Department of Housing & Urban Development (HUD).

The Community Development Block Grant Program was established by Congress in the Community Development Act of 1974 to consolidate a number of Federal assistance programs into one “block grant” for the utilization of individual communities in solving community development problems. Funds are allocated annually on a formula basis to the City of Norman by the Department of Housing and Urban Development, the funding agency. As an entitlement city, Norman receives a funding allocation each year without having to compete against other cities. Once allocated, the funds remain available to the City until approved activities are completed. In 1995, Norman became an entitlement city for the HOME Program as well, and therefore does not have to compete against other cities for funding.

The projects funded by the CDBG Program must meet the criteria of activities, which either primarily benefit low-to-moderate income persons, or prevent or eliminate slums or blight. The four major categories of eligible activities are: (1) neighborhood upgrading, conservation, and renewal; (2) housing assistance; (3) social and economic development for moderate and low income groups; and (4) activities in support of the other categories, including administration and planning. HOME projects are all housing with all beneficiaries in the low-to-moderate income range, as defined by federal regulations.

A total of \$52,986,432 in CDBG-HOME Program Funds (CDBG - \$40,186,585 and HOME - \$12,799,847) has been allocated to the City of Norman since fiscal year 1975-1975 (FYE 76), through FYE 23. The FYE 23 budget includes entitlements grants of \$940,869 (CDBG), and \$431,097 (HOME). In addition, \$2,780,164 of CDBG CV CARES Act funds and \$1,506,908 of HOME ARPA funds have been previously allocated to meet the needs of low and moderate income citizens of Norman.

FYE 23 Budget

Expenditures are accounted for based upon program and grant year. Any remaining funds are expected to be expended in FYE 23. Total FYE 2023 revenues are projected at \$1,435,054 and total expenditures are projected at \$1,435,054.

**SPECIAL GRANTS FUND
BUDGET
HIGHLIGHTS**

Background

The Special Grants Fund (a special revenue fund) is used to account for the proceeds of governmental grants or specific revenue sources (other than grants applicable to enterprise fund activities, or major capital projects) that are legally restricted to expenditure for specified purposes. There is one approved grant (at the time of budgeting) in FYE 23 for which the City qualifies.

DUI Enforcement	\$62,834
-----------------	----------

DUI Enforcement

This program provides for additional officers on selected weekends, holidays, and other special events for enforcement against drinking drivers. The program is completely funded by fines paid by arrested and convicted drunk drivers. A fee from each offending person is collected by the District Court and one-half of the court cost is remitted to the City. The funds are used to pay overtime for enforcement and court time of the officers. FYE 23 expenditures are anticipated to be \$62,834.

Other Grants

During the course of the fiscal year, the City will continue to pursue appropriate grant opportunities. While it is anticipated that some additional grant funds will become available, and any applicable grants would be accounted for in the Special Grants Fund, the uncertain nature and amounts of the grants do not allow for them to be budgeted.

**ROOM TAX FUND
BUDGET
HIGHLIGHTS**

Background

The Room Tax Fund is a Special Revenue Fund established to account for a tax on the gross revenues of hotel and motel establishments. According to Ordinance Number O-7980-58, which was passed in May 1980, the revenues are to be set aside and “used exclusively for the purpose of encouraging, promoting and fostering the convention and tourism development of the City of Norman. Uses in parks development and in promotion of arts and humanities are thus contemplated.” On April 2, 2013, citizens approved a 1% increase to the room tax rate from 4% to a total of 5%.

A formula was devised for the distribution of the revenue as follows:

Administration Fee (City of Norman):	4%
Parks Development (City of Norman):	25% of Balance
Arts & Humanities (Norman Arts Council):	25% of Balance
Convention & Tourism (Norman Convention & Visitors Bureau):	50% of Balance

The City has authorized agreements between the Norman Arts Council, the Norman Convention and Visitors Bureau, and the City of Norman for the purpose of administering the proceeds of the distribution formula. Among the programs funded by the Room Tax are convention promotion activities, which have attracted major new hotels to the City; improvements to Norman’s six community parks; public artwork; and annual festivals including: Jazz in June, Chocolate Festival, Medieval Fair, and the Norman Music Festival (live alternative rock, Latin, hip-hop, spoken word and other genre). Norman, the “City of Festivals”, is widely recognized for its cultural activities, which are underwritten by the Room Tax.

Special Revenue Fund Financial Policies

Special Revenue Funds account for revenues that have been specifically identified and segregated to be used for special and specific purposes. An operating reserve of 8% of the annual operating cost is targeted for the Room Tax Fund, segregated for each of the three purposes of the Room Tax Funds (Convention and Tourism; Park Development; and Arts and Humanities).

FYE 23 Budget

Revenues from the 5% tax are projected to be \$1,716,250, a 2% increase from estimated collections for FYE 22. In FYE 15, Council directed the administrative cost increase from 3% to 5%. This amount was reduced to 4% in FYE 18 due to budgetary constraints.

CITY OF NORMAN

Expenditures in FYE 23 are based upon a pro rata share of the estimated revenue, as summarized below:

	<u>FYE 2023</u>
	Revenue
	1,716,250
Administrative Fee - 4%	\$ 68,750
Arts & Humanities - 25%	412,500
Parks Development - 25%	44,000
Convention & Tourism - 50%	<u>825,000</u>
	\$1,350,250

In FYE 22, bond proceeds of \$3,882,000 were authorized by the Norman Municipal Authority (NMA) Trustees and Council to finance part of the Young Family Athletic Center (YFAC).

One capital project to improve the Westwood Tennis Center is scheduled in FYE 23.

Five Year Outlook

Over the next five years, projected operating revenue of \$9,124,304 will be available through this program to support convention, tourism, arts and humanities and parks development in the City of Norman.

**SEIZURES AND RESTITUTION FUND
BUDGET
HIGHLIGHTS**

Background

The Seizures and Restitution Fund is a Special Revenue Fund used to account for the revenue available through property seizures resulting from criminal investigations.

There are three basic sources of revenue available, two of which are controlled by the Cleveland County District Attorney and one controlled by the U.S. Federal Government.

Property that is seized by local enforcement officers is ultimately disposed of by court rulings. The property, including cash, is remanded to the District Attorney if the case does not involve federal laws. The District Attorney disposes of the non-cash property through an auction and deposits the proceeds into a revolving account. Periodically, distributions are made from the revolving account to municipalities.

The Courts also require restitution by defendants to law enforcement agencies for costs associated with an investigation. The restitution is made directly to the City and placed into this Fund.

The Courts remand property and cash seized through Federal cases to the Federal Government. If local law enforcement officers were involved in the case, they may make application to the Federal Government to recover property to offset the cost of their investigation.

State and Federal statutes provide that monies derived from these sources will be used to support drug enforcement activities and other criminal investigations.

FYE 23 Budget

There are no expenditures budgeted for FYE 23.

Available revenues (\$1,036,389) from fund balance are projected to be drawn-down for capital needs to be used in enforcement activities.

**CLEET FUND
BUDGET
HIGHLIGHTS**

Background

The Council on Law Enforcement Education and Training (CLEET) Fund is a Special Revenue Fund established to account for revenue derived by provision of State law, to be utilized for law enforcement education and training (Title 20 § 1313.2-1313.4).

State law provides that any person convicted of an offense punishable by a fine of \$10 or more, or by incarceration, excluding parking and standing violations, or any person forfeiting bond when charged with such an offense, shall be ordered by the court to pay \$10, as a separate penalty assessment.

As an “academy city”, the City of Norman has the authority to retain \$2 of the \$10 penalty assessment collected for police, court and prosecution training. All remaining funds collected are forwarded to CLEET. The City is authorized to keep a 2% administrative fee on the amount collected, which is deducted from the \$2 portion retained by the City.

State law also requires that municipalities collect a Fingerprinting Fee in the amount of \$10, which is to be collected and reported to the Oklahoma State Bureau of Investigation (OSBI). The moneys collected from the fingerprinting fee pays for the Automated Fingerprint Identification System (AFIS) managed by the OSBI. An administrative fee of \$.08 on each \$10 assessment is retained by the City.

State law also provides for the collection of the Forensic Science Improvement Assessment in the amount of \$10, which is to be collected at the same time and in the same manner as set forth in paragraph two above. Moneys from this fee are for the OSBI and will be used to upgrade laboratory facilities, equipment and personnel. Municipal courts are authorized to retain 5% of the amount collected as an administrative fee.

In addition, state law provides for a fee assessment of \$5 on marijuana and paraphernalia convictions to be collected and reported to the Bureau of Narcotics (BON) Drug Education Revolving Fund. These fees are to be collected at the same time and in the same manner as set forth in paragraph two above. Moneys from these fees are to be used for purposes relating to drug education and information in the State of Oklahoma. No administrative fee is provided.

In summary, a total of \$30 is collected on each traffic and non-traffic conviction or forfeiture (except possession of marijuana/paraphernalia which are \$35), and deposited into a special revenue account created for that purpose. The assessments are in addition to and not in substitution for other fines and penalties provided by law. The money retained by the City, is divided between administrative fees, police training, and court/prosecution training. The City is authorized to retain all interest accrued prior to the due date for deposits. The remainder of money collected is forwarded monthly by the Court Clerk to CLEET, OSBI, and the BON.

CITY OF NORMAN

FYE 23 Budget

FYE 23 projected revenues are \$32,000 with projected expenditures at \$30,505, which uses \$0 of reserves. This leaves a projected ending fund balance of \$2,422.

**PUBLIC TRANSPORTATION FUND
BUDGET
HIGHLIGHTS**

Background

The Public Transportation and Parking Fund is a Special Revenue Fund established to account for revenue to fund operations, maintenance, and other expenses associated with the City of Norman's public transportation system. Revenue is derived from grants from the Federal Transit Administration (FTA) and the Oklahoma Department of Transportation; the Public Transit Sales Tax; advertising; and a contribution from the Norman Regional Health System.

On July 30, 2019, City Council passed Resolution R-1920-20 that established the Public Transportation and Parking Fund. The creation of the fund was performed during a transition period of the City public transit operations and assets from the University of Oklahoma to the City of Norman.

FYE 23 Budget

Projected revenues for FYE 23 include \$3,106,684 in sales tax, \$2,234,890 in grant revenue from the Federal Transit Administration, and a \$122,488 subsidy from the General Fund. FYE 23 expenditures are budgeted at \$6,114,802, including \$4,045,950 for Services and Maintenance, which includes contract fees paid to EMBARK for the operation of the bus system.

**ART IN PUBLIC PLACES FUND
BUDGET
HIGHLIGHTS**

Background

The Art in Public Places Fund is a Special Revenue Fund established to account for revenue derived from citizen donations as a means to fund the acquisition of works of art by the City of Norman and to provide for the maintenance and repair of the works of art in the collection.

On August 28, 2007, City Council passed Ordinance O-0708-5 that established the Public Arts Board and the Art in Public Places Fund. The ordinance also set up the mechanism by which City of Norman utility service customers can opt to donate money to the Art in Public Places Fund by including an additional amount of money in their payment.

The Public Arts Board reports to the Norman Arts Council, who will be charged with expending monies in the Art in Public Places Fund.

FYE 23 Budget

FYE 23 projected revenues are \$16,000. The Artist Designed Bicycle Racks project, to encourage the use of bicycles for transportation in the downtown area, is a recent project supported by donations to the Art in Public Places Fund (see pictures below). The fund has collected \$134,355 in contributions since the beginning of FYE 08.

**WESTWOOD PARK FUND
BUDGET
HIGHLIGHTS**

Background

The Westwood Park Fund is a Special Revenue Fund established to account for the resources used to operate an 18-hole municipal golf course, 18-court municipal tennis center and municipal aquatic center.

The Norman Municipal Authority (NMA) was created in 1965 for the purpose of issuing revenue bonds for the construction of the 18-hole municipal golf course and swimming pool. The original bonds were retired as of July 1, 1993. A bond issue of \$2,315,000 was issued in May 2002 to fund renovations to the golf course approved by Council NMA in the Westwood Master Plan. Revenue from the Park Capital Improvement portion of the Room Tax was pledged to secure the bonded debt, and these revenues are transferred to the Westwood Fund to pay annual debt service.

A five-year financial forecast is found in this section. The purpose of a five-year forecast is to project existing conditions into the future, given certain assumptions, in order to determine future financial viability, to identify financial strengths and weaknesses, and to provide a base for remedial or supportive financial policy.

FYE 23 Budget

Statement of Revenues and Expenditures

Revenues for Westwood Golf Course are estimated based on actual current experience in green fees and projected aquatic and tennis center revenue.

Projections for the swimming pool are based upon line-item analysis. All line items have been reviewed on multiple occasions by department staff, Finance Department staff and the City Manager.

Reserve Policy

Special Revenue Funds have no reserve requirements due to their dependence on General Fund support.

Five Year Outlook

Fees and charges, and service levels will continue to be monitored for adequacy and competitiveness to make needed capital improvements and meet all reserve requirements. Fee levels for use of Westwood Pool and Tennis have been re-set to reflect the expanded operations in the newly-constructed facilities.

Summary

Significant effort will continue to be made to address the financial viability of this fund, to adequately structure rates to recover cost of service, and to explore other options for funding the ongoing concerns of the Fund.

WATER FUND BUDGET HIGHLIGHTS

Background

The Water Fund is an enterprise fund established to account for the resources utilized to treat and supply water to the customers of the City of Norman. Water is supplied from Lake Thunderbird that is owned by the Central Oklahoma Master Conservancy District (COMCD) and by water wells that are owned by the City. The cities of Del City, Midwest City and Norman created the COMCD for the purpose of creating a water supply. The City annually pays a reclamation charge to the District as the City's share of debt retirement for construction of the lake. The City also pays a pro rata share of the cost to operate the District. There are approximately 635 miles of water mains in the City. The City operates a treatment plant whose capacity for treated water is 17 million gallons per day / peak day and as of March 2022, serves an average of 41,000 customers.

FYE 23 Budget

Statement of Revenues and Expenditures

The Norman Water Utility has a highly progressive residential rate structure, designed to encourage conservation of water resources. Current (as of April, 2022) monthly residential water rates are as follows:

\$6.00 Base Fee
\$3.35 per thousand for 0 – 5,000 gallons
\$4.10 per thousand gallons for 5,001 to 15,000 gallons
\$5.20 per thousand gallons for 15,001 to 20,000 gallons
\$6.80 per thousand gallons in excess of 20,001 gallons

Residential and commercial water rate increases were last approved by voters on January 13, 2015. Revenue projections are based on historic collection patterns and a simple regression model using average rainfall as a predictor variable. Because of the extremely progressive nature of the Norman “inverted” water rate structure, Water Utility revenues are highly dependent on weather patterns, and can therefore fluctuate significantly.

The Water Utility has undertaken an aggressive capital improvement program to enhance the City's water supply and treatment systems, including expansion projects to the City's groundwater well supplies and improvements to waterlines to provide additional water supply (by constructing pipe connections to “blend” water from wells with water quality exceeding standards with water from wells that fall slightly short of standards).

This aggressive water capital project program will be financed through the Statewide Revolving Loan Fund of the Oklahoma Water Resources Board.

This water capital improvement program is the first of several steps to meet Norman's future water supply needs, suggested by the adopted Strategic Water Supply Plan. Future steps will include reuse of wastewater through advanced treatment methods to be employed by the Norman Water Reclamation Utility, to supplement water supplied by Lake Thunderbird.

CITY OF NORMAN

Additional water is supplied to Norman through a contract with the Oklahoma City Water Utilities Trust (OCWUT). Under this contract, available treated water is transported to Norman along a waterline located in northern Norman to supplement the water supplied by Norman's ground water and surface water facilities.

FYE 2023 expenditure projections are based on line-item analyses within the Water Division. Salary and benefit category expenditures are based on authorized staffing levels. The service and maintenance expenditure category includes increases in operating charges from the COMCD. All line items have been reviewed on multiple occasions by Department staff, Finance Department staff and by the City Manager.

Levelized Rate Policy

Utility rates should be set at a level to meet the average net income requirements over a five-year period without the need for interim adjustments, and to meet all reserve requirements at the end of the five-year period.

Reserve Policy

Enterprise funds by policy, reserve portions of fund balance as follows:

- Operating Reserve equal to 8% of the annual operating cost
- Capital Reserve equal to the annual average of the next 5 year capital expenditure plan

FYE 23 ending fund balance is projected to be \$1,444,078 with a reserve deficit of -\$19,304,224, due primarily to the aggressive capital campaign.

Transfer Policy

The amount of transfer from the Water Fund in support of the General Fund is based on a policy that provides for continuity in both funds. A transfer equal to 5% of Water Fund operating revenues returns to the General Fund an amount consistent with what non-governmental utilities provide in franchise fees.

Five Year Outlook

There are various factors, such as weather, population growth, average individual growth in usage, and changes in the mix of residential and commercial revenues that affect total water utility revenues from year to year. Therefore, a conservative approach was taken in projecting revenues due to the uncertainty of the net effect of these factors. The voters of Norman were asked to consider increased rate structures to fund the near-term and strategic needs of the Water Utility Enterprise on April 5, 2022, but the vote failed.

Summary

The Norman Utilities Authority and City Council have directed a policy through which Norman's water will be treated to levels which meet not only current environmental standards but which provide for future treatment requirements and customer water quality demands.

**WATER RECLAMATION FUND
BUDGET
HIGHLIGHTS**

Background

The Water Reclamation Fund (formerly known as “sewer” or “wastewater”) is an enterprise fund established to account for the resources utilized to provide wastewater collection, conveyance and treatment to the customers of the City of Norman.

On November 3, 2001, the Norman Utilities Authority (NUA) adopted an updated Wastewater Master Plan, which directed a system-wide average treatment capacity expansion from 12 million gallons per day (MG/D) to 21.5 MG/D, by the year 2040. A \$60 million project to expand the Water Reclamation Facility to 17 MG/D capacity, with significant improvements to treatment standards and odor control, was completed in 2017.

In 2001, the voters of Norman approved three revenue sources to partially pay for the improvements recommended by the Wastewater Master Plan:

- A temporary, 5-year, ½ percent sales tax dedicated to sewer system improvements;
- A \$5 per month sewer maintenance rate, dedicated to neighborhood sewer line repairs;
- An excise tax on new development.

Currently, there are approximately 518.5 miles of sewer lines included in the total system. The Water Reclamation Utility is undertaking an aggressive program to rehabilitate existing neighborhood sewer lines and mains, and to construct new sewer mains in north and east Norman. Additional sewer system capital projects are reported in the Sewer Maintenance Fund and Sewer Excise Tax Fund.

A five-year financial forecast is found in this section. The purpose of a five-year forecast is to project existing conditions into the future, given certain assumptions, in order to determine future financial viability, to identify financial strengths and weaknesses and to provide a base for remedial or supportive financial policy action.

FYE 23 Budget

Statement of Revenues and Expenditures

FYE 23 sewer user fee revenues have been estimated based on actual year-to-date receipts in FYE 22. On November 12, 2013 the citizens of Norman voted and approved a basic sewer rate increase for the first time since November 1, 1996 (pursuant to the Norman City Charter, utility rate increases require voter approval). Water reclamation rates, effective since November 12, 2013 are as follows:

Single Family/ Duplex \$5.00 Base Fee + \$2.70 per 1,000 gallons of treated water

CITY OF NORMAN

FYE 23 expenditure projections are based upon line-item analysis within the Utility. Salaries and benefits are based on current authorized staffing levels. All line items have been reviewed on multiple occasions by department staff, Finance Department staff and the City Manager.

Levelized Rate Policy

Utility rates are set at a level to meet the average net income requirements over a five-year period without the need for interim adjustments and to meet all reserve requirements at the end of the five-year period.

Reserve Policy

Enterprise funds have reserve policies to reserve portions of fund balance as follows:

- Operating Reserve equal to 8% of the annual operating cost
- Capital Reserve equal to the annual average of the next 5 year capital expenditure plan

The FYE 23 ending fund balance is projected to be \$1,112,792. This fund balance is used for meeting the Fund's reserve requirements.

Transfer Policy

The amount of transfer from the Water Reclamation Fund in support of the General Fund is based on a policy that provides for continuity in both funds. A transfer equal to 5% of the Water Reclamation Fund's operating revenues returns to the General Fund an amount consistent with what non-governmental utilities provide in franchise fees.

Five Year Outlook

Over the next five years operating revenues are projected to increase. FYE 23 projected revenues are 2% higher than FYE 22 budget revenues.

Summary

A major expansion of the Water Reclamation Facility (WRF) was complete in FYE 17. The expansion will allow for treatment capacity to increase and to improve the quality of the reclaimed water from the plant. The below pictures shows the completed expansion project for the Water Reclamation Facility.

Water reclaimed by the Norman Water Reclamation Facility

**SEWER MAINTENANCE FUND
BUDGET
HIGHLIGHTS**

Background

The Sewer Maintenance Fund is an enterprise fund established October 1, 2001, to account for revenues from the \$5 per month Sewer System Maintenance Rate (SMR). It is used to account for all expenditures related to major maintenance of the water reclamation system (capital improvement projects accomplished through contracts with private construction vendors), primarily for rehabilitation of neighborhood sewer lateral lines.

The SMR is intended to provide a higher level of maintenance, keeping the sewer system in good repair over the long term.

Beginning in FYE 15, Norman Sewer Line Maintenance Division personnel and related budget allocations, along with capital improvements charge revenue, was transferred to the Water Reclamation Fund.

During FYE 2015 Budget considerations, the Council Finance Committee discussed transferring the sewer line maintenance operations out of the Sewer Line Maintenance Fund into the Water Reclamation Fund in order to better track the collection and distribution of the \$5 per month Sewer Maintenance Rate. This will more accurately reflect the capital work that is being done with the Sewer Maintenance Rate and will eliminate a transfer of funds between the two funds for the work done by Sewer Line Maintenance Division personnel during the year. Over time, this change in accounting will better reflect the declining amounts of sewer rehabilitation projects that can be paid for by the flat \$5 rate due to inflation of material and labor costs. The maintenance program for neighborhood sewer collector lines (“laterals”) will continue in FYE 23 and beyond, generally, the oldest lines in the system are scheduled for replacement first (“worst things first”).

FYE 23 Budget

Statement of Revenues and Expenditures

Revenues have been estimated based on actual year to date receipts in FYE 22 extrapolated for a full year.

FYE 23 expenditure projections are based upon line-item analysis. Salaries and benefits are based on current authorized staffing levels. FYE 23 total budgeted expenditures are \$2,565,384.

All line items have been reviewed on multiple occasions by department staff, Finance Department staff and the City Manager.

Reserve Policy

Enterprise funds by policy, reserve portion of Fund Balance as follows:

- Operating Reserve equal to 8% of the annual operating cost
- Capital Reserve equal to the annual average of the next 5-year capital expenditure plan.

**NEW DEVELOPMENT EXCISE TAX FUND
BUDGET
HIGHLIGHTS**

Background

The New Development Excise Tax Fund is an enterprise fund established October 1, 2001, as a result of Ordinance 0001-58, adopted by City Council on June 12, 2001, and approved by voters on August 14, 2001. The fund was established to account for revenues and capital project expenditures from excise tax levied and collected on new development (including developments of tax-exempt property owners) to be served by the City's water reclamation system. The tax imposed is collected at the time a building permit is issued for all construction and based upon the square footage as set forth in the permit as follows:

- New Residential Construction - \$850 for homes up to 1,200 square feet and \$2 per square foot for each square foot in excess of 1,200 square feet.
- Non-Residential Construction - \$115 per employee plus \$4 per gallon per day of additional flow, if estimated flow is greater than 30 gallons per day per employee.
- Residential expansions which include the installation of plumbing fixtures – \$1 per square foot for each additional square foot added to the current structure.

As agreed to between the permit applicant and the City Engineer and Utilities Department, water records for existing facilities will be used to estimate future wastewater flow for non-residential construction and projected employees will be agreed to in advance of the permit issuance.

The funds collected from the Excise Tax shall be used exclusively for wastewater expansion, improvements, and to pay debt service on obligations issued to finance future improvements and expansion of the wastewater system. Since its inception in 2001, the Wastewater Excise Tax has generated over \$23,000,000 for system expansion and improvement.

FYE 23 Budget

Statement of Revenues and Expenditures

Revenues have been estimated on historic building permit records applied to excise tax regulations (i.e., projections are based on revenues that would accrue if past building patterns in an "average" year are continued), and are projected at \$1,470,000 for FYE 23.

Five Year Outlook

Excise tax revenues are projected to be the same in years FYE 23 through FYE 27.

**SANITATION FUND
BUDGET
HIGHLIGHTS**

Background

The Sanitation Fund is an enterprise fund used to account for the operations associated with solid waste collection and disposal in the City of Norman. Residential collection services are provided weekly, with separate services for yard waste and household garbage. Commercial service is provided on an as-needed basis, and composting and recycling services are also available.

Sanitation rates, approved by the voters in 2011, are as follows:

Residential Customers	\$14.00/unit/month + \$3/month for curbside recycling			
	Container	Base		Rate
	<u>Size</u>	<u>Rate</u>	<u>After</u>	<u>cu. yd.</u>
Commercial Customers	2 cu. yds.	52.12	8 cu. yds.	7.04
	3 cu. yds.	66.34	12 cu. yds.	5.95
	4 cu. yds.	78.17	16 cu. yds.	5.15
	6 cu. yds.	97.12	24 cu. yds.	4.48
	8 cu. yds.	113.71	32 cu. yds.	4.07

FYE 23 Budget

Statement of Revenues and Expenditures

Revenues have been estimated at a growth rate of 1.8% per year with a projected increase of \$1.00/per month for users who desire additional rollout carts.

FYE 23 expenditure projections are based upon line-item analysis within the Utility. Salaries and benefits are based on current authorized staffing levels. All line items have been reviewed on multiple occasions by Utilities Department staff, Finance Department staff and the City Manager.

Reserve Policy

Enterprise funds have reserve policies to reserve portions of fund balance as follows:

- Operating Reserve equal to 8% of the annual operating cost
- Capital Reserve equal to the annual average of the next 5 year capital expenditure plan

The FYE 23 ending fund balance is projected to be \$6,383,547, which meets the operations and Capital Reserve requirements discussed above.

Levelized Rate Policy

Utility rates should be set at a level to meet the average net income requirements over a five year period without the need for interim adjustments and to meet all reserve requirements at the end of the five-year period.

Five Year Outlook

All reserve requirements will be met and a surplus of funds will be held in reserves.

Summary

The Sanitation Utility will continue to deliver its level of customer service under the approved rate structure. The Utility will give a high priority to catching up on its backlogged fleet replacement schedules over time.

**RISK MANAGEMENT FUND
BUDGET
HIGHLIGHTS**

Background

The Risk Management Fund is an Internal Service Fund established to account for the resources utilized to provide for the self-insurance of Worker's Compensation and Unemployment Insurance and to pay "stop loss" premiums on insurance for high-dollar employee health and property casualty claims.

Health insurance claims are accounted for in this fund. The City self-insures for these benefits and utilizes a third party administrator to administer the benefits. Consultants are also utilized to set premiums and structure plan benefits. FYE 23 health claim costs are projected to be \$11,105,284.

Workers' Compensation benefits are paid to employees who are injured on the job. The Legal Department administers this program in conjunction with the Finance Department and Human Resources Department. Claims are submitted to the Finance Department for review and, if approved, are paid directly by the City. The projected cost in FYE 23 is \$2,143,500.

Unemployment claims are filed with the State and when approved, are then submitted to the City for their response. The FYE 23 estimated cost of unemployment claims is approximately \$22,200.

Judgments and claims against the City are accounted for in the Risk Management Fund. Judgments are placed on ad valorem tax rolls and revenues are transferred from the Debt Service Fund to cover claims expenditures.

Through Internal Service charges, City departmental budgets are charged "premiums" for each budgeted employee. These charges to City department budgets are accounted for as revenue in the Risk Management Fund for health insurance, workers' compensation, and unemployment benefits.

A five-year financial forecast is found in this section. The purpose of a five-year forecast is to project existing conditions into the future, given certain assumptions, in order to determine future financial viability, to identify financial strengths and weaknesses and to provide a base for remedial or supportive financial policy.

Reserve Policy

Operating Reserves are based on a three-month claim history excluding judgments and claims as they are repaid from ad valorem tax revenues. Reserve levels for health insurance and workers' compensation meet and exceed this targeted level.

FYE 23 Budget

After many years of having inadequate revenues to meet expenses or required reserve levels, the workers' compensation and health insurance reserves are now adequate. Much of the credit for this financial improvement goes to the City's Health Insurance Committee and its consultant, and much credit goes to changes in Oklahoma Workers' Statutes.

Five Year Outlook

The financial position of this Fund is dependent upon the participating funds.

Changes to employees' current health plan are needed to reduce the rate of growth in claim costs. Close scrutiny of the plan's operations and benefits will ensure minimal increases necessary to maintain existing coverage levels.

CAPITAL IMPROVEMENTS FUND BUDGET HIGHLIGHTS

Background

The City of Norman Capital Improvements Budget document is produced as a separate document, which contains detailed descriptions of all current and proposed projects for the Fiscal Years Ending (FYE) 2023-2027. The document is divided into sections: an overview of policies and how the Capital Improvement Plan is based on Norman 2025, the City's Land Use and Transportation Plan; and summary information by project name, budget year, and funding source. Also, detailed project sheets describing the project, budget schedule, and progress by budget year.

The Capital Improvements Fund is established to account for capital projects funded by sales tax receipts or general obligation bond issues. Those projects relating to enterprise funds and funded with fees and charges are accounted for in the respective enterprise funds. All capital projects and their funding are approved by City Council. All capital projects, regardless of the source of funding, are identified and tracked in the Capital Improvements Plan, FYE 2023-2027 document.

Seventy percent (70%) of one percent (0.7%) of sales tax is set aside for capital improvements. Those projects approved for construction with this funding are accounted for in the Capital Improvements Fund. By Council policy, funds are allocated to priority capital categories as follows:

General Maintenance of Existing Facilities:	5%
Fleet Replacement Supplement:	7%
Capital Outlay:	27%
Street Maintenance:	25%
Capital Projects:	Balance or 36%

The Capital Fund also includes funding for the following positions that provide support to capital projects: 2 CIP Engineers, 1 Traffic Engineer, 2 Capital Project Managers, a Staff Engineer, 25% of an Engineering Assistant, 50% of the Storm Water Program Manager, 70% of a Park Planner I, 60% of a Park Planner II, 80% of a Construction Inspector, 50% of a Construction Inspector, 80% of a Utility Coordinator, and 15% of a Parks Manager.

Capital Projects generally cost more than \$10,000, are relatively fixed or permanent in nature and have an expected life of more than five years. Such projects consist of the construction of a new, expanded or improved tangible asset, which is physically fixed. Major projects normally require more than one fiscal year to complete. Contracted services for design, land acquisition, utility relocations and construction may be required. Examples include land purchase, new buildings, building additions, street improvements, utility line improvements, parks and playgrounds, and major drainage channel improvements.

Capital Outlay on the other hand, is an expenditure directed towards maintaining or purchasing new or replacing tangible assets which themselves have expected life spans of one to five years. Expenses are generally one-time and occur within a single budget year. Examples include the

purchase of vehicles and equipment.

On April 6, 2021, the voters of Norman re-authorized a general obligation bond issue for street resurfacing and improvements city wide. This was the 4th renewal of the five-year G.O. Bond program by the voters, based on maintaining the same average property tax levy to repay the bonds. A total of approximately \$27,000,000 in projects will be paid for by these bonds over five years, in the following types:

- 46% - Concrete street panel replacement and improvement
- 20% - Asphalt street resurfacing and improvement
- 15% - Major road reconstruction projects
- 12% - Rural road paving and improvement
- 7% - Preventative Maintenance

FYE 23 Budget

The FYE 23 Budget shows total projected resources available of \$75,662,604, including beginning fund balance of \$57,920,712 and total expenditures projected at \$22,238,923 with an ending fund balance of \$53,423,681. Sales tax is projected at a 2% increase from FYE 22 estimated revenue, and an average 2% growth rate in years FYE 24 through FYE 27. Expenditures are based on estimated project costs.

Capital projects funded in FYE 2023 will impact the General Fund operating budget. Various transportation projects are included in the FYE 2023 capital projects. Some of these projects will be streets built at a much higher standard, reducing maintenance expenses and congestion, as well as increasing safety. Other impacts include additional traffic control and parks facilities that will cumulatively add to the City's maintenance burden in future years. Additional public safety personnel and facilities will also burden future capital budgets.

Each project in the Capital Improvements Plan, FYE 2023-2027 document is evaluated for operating budget impact. A "positive" impact is defined as it will either generate some revenue to offset expenses or will reduce operating costs, "negligible" is defined as operating expenses will increase no more than about \$10,000 per year, "slight" is defined as operating expenses will increase between about \$10,001 and \$50,000 per year, "moderate" is operating expenses will increase between about \$50,001 and \$100,000 per year, and "high" is operating expenses will increase more than \$100,001 per year.

CITY OF NORMAN

Below is a list of Capital Projects and their associated operating impact.

FYE 2023 projects			
Project Title	Project Category	Operating Impact	
36th NW Tecumseh to Indian Hills	Roadway Widening	Negligible	Ongoing maintenance
48th NW Phase 1 - Robinson to Rock Creek	Widening and Reconstruction	Negligible	\$5,000 per year for electricity and preventive maintenance
ADA Compliance and Repair	2018 Transition Plan	Positive	Reduce maintenance costs
Alley Repair	General Maintenance	Positive	Reduce maintenance costs
Asphalt Pavement Maintenance	Street Maintenance	Negligible	Ongoing maintenance
Asphalt Paver Patch	Street Maintenance	Negligible	Ongoing maintenance
Bridge Maintenance	Street Maintenance	Negligible	Reduce maintenance costs
City Sidewalk Reconstruction	General Maintenance	Positive	Reduce maintenance costs
Community/Neighborhood Improvements	Infrastructure Improvements	Negligible	Reduce maintenance costs
Concrete Pavement Maintenance	Street Maintenance	Negligible	Ongoing maintenance
Concrete Valley Gutter	Street Maintenance	Positive	Reduce maintenance costs
Crack Seal	Street Maintenance	Positive	Reduce maintenance costs
Downtown Sidewalks & Curbs	General Maintenance	Positive	Improve access and public safety
Drainage Misc. Annual Projects	General Maintenance	Positive	Decrease in overall City effort and maintenance expense
Facility Maintenance HVAC Improvements	Parks & Recreation	Slight	Ongoing maintenance / unforeseen repairs
Flood Ave. Multimodal Path	Other Special Traffic Improvement	Negligible	\$5,000 per year for preventative maintenance
Force Account Drainage	Stormwater Drainage	Negligible	Ongoing maintenance
Imhoff Creek Stabilization	Stormwater Drainage	Positive	Improve and reduce maintenance activity
Lake Thunderbird Watershed TMDL Compliance	Stormwater Drainage	Slight	Drinking water quality will improve
Park Site Amenities and Beautification	Misc. Maintenance	Negligible	Ongoing maintenance
Rural Asphalt	Bond Projects	Negligible	Reduce maintenance costs
Rural Roads System Improvements	Street Maintenance/ Bond Projects	Negligible	Reduce maintenance costs
Sidewalk Horizontal Saw Cut Program	General Maintenance	Positive	Will improve pedestrian access and reduce public risk
Sidewalk Program for Schools & Arterials	General Maintenance	Positive	Will improve pedestrian access and reduce public risk
Sidewalk & Trails	General Maintenance	Positive	Will improve pedestrian access and reduce public risk
Street Striping	Street Maintenance	Negligible	Ongoing maintenance
Tecumseh, Flood, and Robinson Wayfinding	Signage	Negligible	\$3,000 per year for sign maintenance
Traffic Management Center	Traffic Facility	Negligible	\$5,000 per year for electricity
Traffic Calming	Traffic Control Improvement	Negligible	\$3,000 per year for sign and pavement marking maintenance
Urban Asphalt	Bond Projects	Negligible	Reduce maintenance costs
Urban Concrete	Bond Projects	Negligible	Reduce maintenance costs

Summary

Norman is a vibrant, growing city. This growth puts tremendous demands on capital improvement resources for street construction, park development, storm drainage and capital equipment. Alternative financing methods are being evaluated in order to maximize the accomplishment of needed projects.

**NORMAN FORWARD SALES TAX CAPITAL FUND
BUDGET
HIGHLIGHTS**

Background

NORMAN FORWARD is a citizen-initiative to renovate, expand, construct and fund Quality of Life projects, such as multiple recreational facilities, libraries, parks, athletic venues, public art, trails, swim complexes and other quality of life projects throughout Norman.

On October 13, 2015, the voters of Norman voted on and approved a one half of one percent (1/2%) 15-year temporary sales tax increase to fund Norman Forward Quality of Life Projects. The tax was effective January 1, 2016.

A \$43,160,000 revenue note was approved through the Norman Municipal Authority in December 2015 for the financing of these projects, and a second financing, for \$30,950,000 was completed in June, 2017.

Some of the projects include:

- New Central and Eastside Branch Libraries
- James Garner Avenue Extension
- New Indoor Aquatic Facility*
- Westwood (Outdoor) Pool Reconstruction
- Westwood Tennis Center Renovation
- Reaves Park Baseball Complex Renovation
- Griffin Park Land Purchase
- Griffin Park Soccer Complex Reconstruction
- New Football and Softball Complex
- New Indoor Multi-Sport Facility*
- Neighborhood Park/Trail Development
- Community Park Development
- Canadian River Trails Park Development
- Road and Infrastructure Improvements
- Senior Citizens Center
- Young Family Athletic Center

Other authorized NORMAN FORWARD expenditures could include public art, maintenance and support personnel.

*Combined with Young Family Athletic Center

FYE 23 Budget

In FYE 23, \$16,892,891 in revenue is projected. Expenditures of \$16,672,765 are projected with the majority going towards the Young Family Athletic Center, the new Senior Citizens Center, and the Griffin Park remodel. Design and site preparation work on many other Norman Forward projects will also be undertaken in FYE 2023.

**PARK LAND AND DEVELOPMENT FUND
BUDGET
HIGHLIGHTS**

Background

The Park Land and Development Fund is a Special Revenue Fund established for the purpose of accounting for Park Land fees as identified in Ordinance Number O-7576-21 dated January 1976. The Ordinance was amended in September 1994 and provides in Section 19-702, "All persons, firms or corporations subdividing land under provisions of the Code of the City of Norman for residential purposes within the boundaries of said City shall, prior to the recording of their respective final plats, and subject to the other provisions hereinafter following: (1) dedicate land to be used solely and exclusively for public park and recreation purposes or, (2) make an equivalent monetary contribution based upon a value of the land required to be dedicated, in lieu of the actual transfer of land or, (3) dedicate land to a mandatory Property Owner Association (P.O.A.) for private recreation purposes."

An additional park development fee approved in September 1994 is being accounted for in the Park Land and Development Fund. This fee is used 50% for development for community parks and 50% for neighborhood parks.

On March 1, 2011, voters approved a Charter Amendment to allow the use of park land fees in the nearest community and/or neighborhood park in the absence of suitable park land sites in the subdivision that generated the fees.

Community parks include Andrews, Reaves, Griffin, Sutton, Saxon, Ruby Grant, and Legacy Park. There are an additional 57 neighborhood parks.

FYE 23 Budget

There are revenues of \$95,000 estimated in FYE 23, which include fees of \$85,000.

There is a fund balance of \$535,378 projected at the end of FYE 23 that may be utilized for the purposes discussed in the Park Land Ordinance.

Two park Capital Projects are scheduled in FYE 23.

**UNIVERSITY NORTH PARK TAX INCREMENT DISTRICT FUND
BUDGET
HIGHLIGHTS**

Background

The University North Park Tax Increment Finance District (UNP TIF) Fund is a Capital Fund established to account for the incremental revenue from sales and property taxes generated from Tax Increment District Two, City of Norman and public improvement project costs within the district.

On May 23, 2006, the City Council adopted Ordinance O-0506-66, establishing the University North Park Tax Increment Finance District (City of Norman TIF #2). TIF #2 is located on a 580-acre tract of land along I-35 in north central Norman. Plans for the TIF include the construction of public infrastructure including road and traffic improvements; a conference center, a new community park (“Legacy Park”) and extension of the City’s Legacy Trail; construction of an overpass of Interstate 35 at Rock Creek Road; and economic development incentives designed to attract quality jobs and higher-end retail establishments to the UNP Development. The majority of the infrastructure and park projects have been completed.

FYE 23 Budget

The Council approved the formation of the University North Park Business Improvement District (UNP BID) on July 8, 2014 (Resolution 1415-11). The BID collects assessments from property owners in the UNP development, which are matched by City TIF funds, together totaling \$200,000 per year. These allocations are for the purpose of providing for the maintenance of Legacy Park, including park trails and greenways throughout the UNP development. BID proceeds may also be used for landscape and lighting plans, and for the design and/or construction of a decorative entryway into the UNP development. The first entryway sign project was completed in FYE 2018. The FYE 2023 budget includes \$200,000 from BID assessments and \$150,882 in City TIF funds for these maintenance expenses.

Beginning in Fiscal Year 2020, sales taxes earned in the UNP TIF District will no longer be apportioned to the UNP TIF fund. No property tax revenues are projected to be apportioned to the UNP TIF Fund in FYE 2023. Council passed an Ordinance and other actions (Ordinance O-1920-24; accompanied by Contract K-1920-82 and Resolution 1920-63) to amend the UNP TIF Project Plan to enact the end of this sales tax apportionment and deposit the full sales tax collections into the General Fund and Capital Fund.

**CENTER CITY TIF FUND
BUDGET
HIGHLIGHTS**

Background

The CCFBC was adopted by the City Council on May 23, 2017 to codify the goals and objectives of the Center City Vision. The City Council adopted the Norman Center City Project Plan and Tax Increment Finance District No. 3 on December 19, 2017 (O-1718-27), for the purpose of stimulating the development contemplated by the Center City Form-based Code (CCFBC), and promoting smart development practices in the Center City area. The CCFBC consists of infill and new development with residential, multi-family residential, urban mixed-use, and improved streets, streetscapes, public improvements, connectivity, and pedestrian accessibility in the Center City area.

The project plan authorizes \$44,000,000 in project costs for public infrastructure, and an additional \$3,400,000 in project costs for contingencies and implementation/administration costs. The project plan authorizes 90 percent of the incremental tax revenue generated from increases in property taxes resulting from new private investment in the Increment District to be used to pay authorized project costs.

FYE 23 Budget

The FYE 23 Budget shows a beginning fund balance of \$744,148 and projected property tax revenues of \$312,000. No expenditures are projected for FYE 23.

GENERAL DEBT SERVICE FUND BUDGET HIGHLIGHTS

Background

Debt financing allows improvements to be made as the need arises rather than delaying the project until sufficient revenue is accumulated. By using debt financing, the cost of capital improvements can be more equitably distributed to the users of the facility over its expected useful life.

The goal of the City of Norman's debt policy is to maintain the ability to provide essential City services in a cost-effective manner. This goal is balanced with maintaining the ability to borrow at the lowest possible rates. For a project to be soundly financed through the issuance of long-term debt, the City uses the following guidelines:

- Revenue sources that will be used to pay off the debt are conservatively projected
- The financing of the improvement will not exceed its useful life
- The benefits of the improvement must out-weigh its cost, including the interest cost of financing
- Through the application of these policies, the Council rigorously tests the demand for debt financing

Debt financing supports necessary capital projects. These capital projects are integrated into the City's capital improvement plan, which also includes significant pay-as-you-go projects. All capital projects are linked to the services that the City provides to its residents, enterprise customers and visitors.

Outstanding Debt

The following table summarizes the City's outstanding debt as of the year ended June 30, 2021, including debt to be paid by City-operated enterprises.

General Government Debt	Final Maturity	Outstanding Balance	Interest Rate
Combined Purpose Bonds of 2012D	Dec. 1, 2032	12,665,000	2.5% - 3%

CITY OF NORMAN

General Government debt is retired with revenues from annual property tax levies unless specific revenue from other sources is dedicated, to the extent available, for debt service. The City's ability to repay this debt is judged on the basis of a combination of factors, including legal debt margin, economic characteristics, governmental organizations, and financial performance. The City's debt capacity is established by Section 26 and 27, Article X of the Oklahoma Constitution. Section 26 limits bonds issued for road or bridge improvements to ten percent (10%) of the net assessed valuation (gross valuation minus homestead) of the City. Section 27 authorizes cities and towns to issue bonds for utilities, broadly defined as anything other than roads and bridges, used by the public. Although the amount of bonds issued under this provision is not specifically limited, debt exceeding 30% of the net assessed valuation would generally affect marketability of the bonds.

Legal Debt Margin - June 30, 2021 (in thousands)

Assessed Valuation:		
Net Assessed Value		\$1,117,342
Section 26 limitation:		
10% of net assessed value	\$ 111,734	
Section 27 limitation:		
30% of net assessed value		\$335,203
Debt applicable to limitation:		
Total general bonded debt	\$ 81,875	
Less amount available for payment	<u>(4,879)</u>	
Total debt applicable to limitation	<u>\$ 76,996</u>	
Legal debt margin		\$258,207

FYE 23 Budget

The Norman Utilities Authority Water and Wastewater Division's revenues service the two revenue issues, while the Norman Municipal Authority revenues service the ERP and Public Safety revenue issues. Norman Forward Sales Tax Notes issued by the Norman Municipal Authority are serviced by Norman Forward Sales Tax Revenues.

In April, 2021, a G.O. Bond referendum was approved for continuation of the previous 2016 street maintenance program with additional street locations and the addition of a preventative maintenance program.

**RETIREMENT SYSTEMS
BUDGET
HIGHLIGHTS**

The City of Norman contributes to three separate retirement systems on behalf of City employees.

- Norman Employees Retirement System;
- Oklahoma Firefighters Pension and Retirement System;
- Oklahoma Police Pension and Retirement System.

Each of these retirement systems is administered by entities other than the City of Norman and as a result the City does not exercise budgetary control. Therefore, they are not included in the FYE 23 Budget as separate funds of the City. It should be noted that the costs of contributions to the systems appear as a part of salaries and benefit category of expenditure in every operating fund of the City.

Employee Retirement System

The Employee Retirement System (the “Plan”) of the City of Norman is a single-employer public retirement system, which was established on November 1, 1967, by a City ordinance and amended on January 29, 1985 and July 1, 1991. The Plan was a defined benefit pension plan to which the City and employees contributed. The July 1, 1991, amendment converted that portion of the Plan which relates to non-retired participants to a money purchase defined contribution plan under section 414 (h) of the Internal Revenue Code (the “New Plan”). For active employees as of July 1, 1991, an amount equal to the greater of the participants’ vested benefits under the Plan or their account balance in the Plan was transferred to a participant account in the New Plan.

A Board of Trustees, composed of six members, meeting at least quarterly, manages the New Plan. Members by position include the City Manager or a designee, Finance Director, and Human Resources Director. The City Council elects one additional member, and the American Federation of State, County, and Municipal Employees (AFSCME) union membership elects the final two members. All active employees who participate in the New Plan contribute 6.5 percent of their base pay and the City contributes 8.5 percent of member’s payroll to the New Plan.

The Plan will remain in existence to pay benefits to those retired employees receiving benefits at July 1, 1991. As of April 1, 2022, the Plan included 6 retirees and other beneficiaries.

Oklahoma Firefighters Pension and Retirement System

The Oklahoma Firefighters Pension and Retirement System (OFPRS) cover uniformed members of the City's Fire Department, which is a cost sharing multiple-employer public employee retirement system. All full-time firefighters, who are hired before age 45, are eligible to participate in the system. The pension plan provides pension benefits as well as death and disability benefits.

Members of the firefighter's retirement system are required to pay 8% of their base pay to the pension plan. By State Statute, the City contributes 14% of member's payroll to the OFPRS.

Oklahoma Police Pension and Retirement System

The Oklahoma Police Pension and Retirement System (OPPRS) cover uniformed members of the City's Police Department, which is a cost sharing multiple-employer, public-employee retirement system. Police officers employed in participating municipalities are required to participate in the system, provided they meet certain requirements. Police officers are required to pass physical and medical examinations and must be not less than 21 or more than 35 years of age when accepted for initial membership. Members of the police retirement system are required to pay 8% of their base pay to the pension plan. By State Statute, the City contributes 13% of member's payroll to the OPPRS.

General Fund

GENERAL OPERATING FUND

The General Fund is the general operating fund of the City. This Fund is used to account for all financial resources except those required to be accounted for in another fund.

FUND SUMMARY

TOTAL GENERAL FUND (10)

MISSION:

The General Fund is the general operating fund of the City. This Fund is used to account for all financial resources except those required to be accounted for in another fund.

DESCRIPTION:

The General Fund accounts for all current financial resources not required by law or administrative action to be accounted for in another fund.

OFFICE OF THE CITY CLERK

6 EMPLOYEES

DEPARTMENT SUMMARY

TOTAL CITY CLERK

MISSION:

To serve the citizens and employees of Norman effectively and efficiently providing informed and courteous written, verbal, and electronic communication in response to requests for records, licenses, information or assistance.

DESCRIPTION:

- Official custodian of all records belonging to the City
 - maintains books properly indexed and open to the public for inspection
 - maintains separate books for ordinances, resolutions, and actions of the Council
- City Clerk serves as clerk to the Council
 - attends all Council meetings
 - maintains a record of the proceedings
 - signs and attests all ordinances, resolutions, and other acts of the Council
- Processes applications and monitors the City Boards, Commissions, and Committees
- Issues City licenses
- Prepares City Council agendas and minutes
- Operates the City's Action Center
- Provides clerical administrative support for the City Council
- Administers Municipal campaign contribution and expenditure reports to ensure their compliance with City and State law
- Programs special announcements and meeting notices on the City's cable access channel
- Programs various City meetings for rebroadcast on the City's cable access channels

DIVISION SERVICE EFFORTS AND ACCOMPLISHMENTS

CITY CLERK

GOALS:

To enhance customer service by:

- Providing error free City Council agendas and minutes in a timely manner
- Increase the number of documents provided electronically
- Program City meetings for rebroadcast, special announcements, and meeting notices on the cable access channels
- Responding to citizens requests through the Action Center

OBJECTIVES:

- Maintain records of the City so they are easily accessible to internal and external customers.
- Maintain records of licenses and permits so businesses are inspected and properly licensed.
- Coordinate and process requests for special events and festivals within the City.
- Prepare City Council minutes and agendas to keep Council and the public informed of the City's business.
- Provide clerical support to the City Council and assist them in resolving citizen complaints.
- Provide efficient and effective assistance to citizens by telephone, written communication, and personal contact.
- Provide responses to citizens through the Action Center with cooperation from all City departments.

DIVISION SUMMARY

10120195 MUNICIPAL ELECTIONS

MISSION:

Pursuant to Article II, Sections 5 and 6, of the Charter of the City of Norman, funds are budgeted to pay for City Council elections and any special elections that are anticipated. By resolution adopted each year, the City Council shall designate a date in the following year, which is approved under then-current state law, for the holding of Norman's municipal elections and Municipal runoff elections. If allowed by then-current state law, the date for municipal elections shall be in February and the Municipal runoff elections shall be in April.

DESCRIPTION:

The City Clerk's office maintains the Municipal Election funds, which pay for City Council elections and any special elections; makes certain that all required notification is given to the Election Board in a timely manner; and makes certain that all legal notices are served in a timely manner.

DEPARTMENT SUMMARY

TOTAL CITY COUNCIL

MISSION:

The mission of the City Council of Norman is to promote a community of excellence with effective, efficient, and responsive services which promote the health, safety, and general well-being of the citizens. The City Council encourages group and individual initiatives that create social and physical environments of high quality.

DESCRIPTION:

The City Council is the legislative and governing body of City government. All legislative powers, except the initiative and referendum, are vested in the City Council. The City Council consists of a Mayor elected at large and eight Council members elected from and by the registered voters of the respective wards of the City. The Mayor shall preside at all meetings of the Council and shall perform in addition to his/her legislative duties such ceremonial duties as are necessary in the conduct of the City's business.

DIVISION SERVICE EFFORTS AND ACCOMPLISHMENTS

CITY MANAGER

GOALS:

- Provide professional leadership for the City
 - Execute policies and procedures
 - Develop and recommend alternative solutions to community problems for consideration by the Mayor and City Council
 - Develop new programs and measures to meet emerging and future needs of the City
 - Manage City's operating and capital improvements budgets
 - Promote confidence in city government through citizen involvement and excellent customer service
-

PERFORMANCE MEASUREMENTS-RESULTS REPORT:

- Coordinate NORMAN FORWARD (NF) Quality of Life projects and improvements to community facilities and parks.
- Development of a new stand-alone Senior Center.
- Construction of the new Emergency Communication Center and construction of the new City-wide emergency radio communication system.
- Continue to work with intergovernmental stakeholders at the local and state level to prepare proposed rules, options and regulations for water re-use.
- Implementation of the street projects in east Norman funded by the \$17 million CDBG Disaster Recovery Grant.
- Administration of the 2021-2025 General Obligation Street Bond Package, upon voter approval.
- Continue discussions and implementation of Council goals and priorities, to include, but not limited to, homelessness, ambulance insurance, visitability ordinance, charter amendments, evaluations of all city fees, of-street parking requirements, green building, short-term rentals, e-scooters, carports in residential areas and restructuring boards, commissions and committees.
- Development of renewable/sustainable energy projects working towards Ready For 100.

DIVISION SUMMARY

10110006 ADA

MISSION:

The mission of the City of Norman Americans with Disabilities Act (ADA) Program is to enforce the ADA Civil Rights law, as it pertains to Title I and II, and ensure people with disabilities have the same opportunities in all programs, activities, and services as everyone else.

DESCRIPTION:

The ADA Program, ran under the City of Norman Diversity & Equity Office, is made up of the ADA Coordinator and one fulltime ADA Technician. City Council appointed an ADA Citizen Advisory Committee and City Leadership took the initiative to create an ADA Staff Liason Committee, made up of representatives from all City of Norman Departments. *Note: Prior August 2021, ADA functions were ran under Public Works.

DIVISION SERVICE EFFORTS AND ACCOMPLISHMENTS

COMMUNITY & BUSINESS RELATIONS

GOALS:

- Increase retail sales tax revenue and attract new retailers to Norman, without compromising existing retail.
- Collaborate with community partners to work towards building economic resiliency following the COVID-19 pandemic.
- Recognize and capitalize on existing consumer opportunities and identify retail gaps.
- Retention and strengthening of existing businesses.
- Promote retail as an important amenity in the broader context of quality of life and place-making, specifically for mixed use and historic districts.

OBJECTIVES:

- Assist on additional projects as assigned such as E-scooters, Special Events, Norman Forward, etc.
- Continue recruitment of targeted retailers based on updated retail leakage reports and community needs.
- Represent Norman at industry events, specifically the International Council of Shopping Centers (ICSC), both regionally and nationally.
- Develop programs aimed at assisting small business in Norman.
- Provide requested data to potential leads in a timely fashion (48 hours or less).
- Maintain and publish up-to-date information on Norman's retail market, including inventory and classification of retail space, land use inventory, new commercial developments, databases and maps of existing businesses, demographics, etc.

FINANCE DEPARTMENT

35 EMPLOYEES

DEPARTMENT SUMMARY

TOTAL FINANCE DEPARTMENT

MISSION:

The mission of the Department of Finance is to plan, receive, monitor, safeguard, invest, account for and expend the financial resources of the City of Norman in the highest legal, ethical and professional standard practical, and to respond to the service needs of our customers in a timely, courteous and accurate manner.

DESCRIPTION:

The Department of Finance (DOF) is the central manager of the City's assets and is responsible for controlling and recording the organization's financial activity. Specifically, the DOF reviews and monitors financial activity against the City's financial plan (budget); initiates and records all investment activity; and prepares financial statements and schedules for audit and public information. The Department also provides purchasing, payroll, printing and mail processing services to user departments; and provides utility services connections, disconnections, billing, collections, and meter reading services to customers in the City of Norman.

DIVISION SUMMARY

10330320 ACCOUNTING

MISSION:

The mission of the Accounting Division is to provide, monitor and operate an accounting system which records all the financial transactions of the City on an accurate and timely basis for reporting and dissemination in appropriate format to user departments, management, oversight agencies, and citizens.

DESCRIPTION:

The Accounting Division maintains and operates the financial and budgetary accounting system, which captures and records all financial transactions of the City. In addition to the general ledger system, the Division maintains, processes, monitors and reconciles various sub-systems which capture detailed transactions in the areas of payroll administration and reporting, procurement of goods and services, accounts payable, accounts receivable, Risk Management, and fixed assets. The Division is responsible for special, monthly, and annual financial reporting in various formats, including the Comprehensive Annual Financial Report.

DIVISION SERVICE EFFORTS AND ACCOMPLISHMENTS

ACCOUNTING

GOALS:

- To provide accurate financial information in an appropriate and timely manner to all users.
- To capture and record all financial transactions of the City in accordance with generally accepted accounting principles.
- To implement and observe all applicable Government Accounting Standards Board (GASB) pronouncements.
- To observe and meet all schedules and deadlines for financial reporting, tax deposits, payroll, purchasing, Risk Management, and accounts payable.

OBJECTIVES:

- Produce a Comprehensive Annual Financial Report each year, which conforms to the highest standards of financial reporting.
- Financial statements to be prepared in accordance with all GASB requirements.
- Ensure monthly departmental revenue and expenditure activity and reports are produced within 10 working days after the end of each month.
- Ensure receipt and verification of all personnel changes and time data to produce accurate biweekly payroll.
- Ensure distribution and deposit of all payroll withholdings.
- Monitor all requests for bids and requests for proposals to ensure compliance with statutory and policy requirements.
- Process all receiving and invoice documents when received to meet weekly accounts payable schedule.
- Maintain an organized and up-to-date filing system for all required documentation.
- Maintain project accounting system, which includes all capital projects of the City.
- 100% of fixed assets will be tagged and tracked using the fixed asset tracking system. An annual inventory will be performed to verify the status of the fixed assets and infrastructure activity will be tracked accordingly.

DIVISION SERVICE EFFORTS AND ACCOMPLISHMENTS

BUDGET

GOALS:

- Produce a balanced operating budget as required by City Charter, Article III, Section 4 (I) and Article II, Section 17-205 of the Oklahoma Municipal Budget Act.
- Help decision-makers make informed choices about the use of services and capital assets by assisting in research efforts and analysis.
- Stay informed, up-to-date and educated on various technical and policy issues affecting government finance in order to provide professional support and training to others on finance, budget and accounting issues.
- Provide departments with clearly defined financial policies and procedures as they relate to finance and budget transactions to ensure compliance with City Manager, City ordinances and other regulatory governmental agency requirements.
- Monitor operational activities, and proactively strive to improve processes.

OBJECTIVES:

- Ensure the annual operating budget is timely, accurate, and meets the criteria set forth in the Government Finance Officers Association (GFOA) Distinguished Budget Presentation Award Program.
- Assist City departments, Council members and citizens in research efforts and developing approaches to achieve goals by providing accurate information to requestors in a timely manner or directing them to the appropriate resource.
- Increase awareness/knowledge related to various finance and budget issues through workshops and correspondence.
- Monitor daily financial activities for appropriateness/compliance and provide monthly reports to ensure that expenditures are within budgetary guidelines.

DIVISION SUMMARY

10330125 TREASURY

MISSION:

The primary mission of the Treasury Division is to act as the City's receipting and disbursing agent of public financial assets in order to maximize the utilization and safekeeping of City funds while maintaining a customer oriented and professional attitude.

DESCRIPTION:

Processing and records all City revenues, which include utility deposits and payments, either manually or by importing files from the bank to our new system Advanced Utilities. Processes and generates accounts receivables billing and maintains accounts receivable records for invoice billing and receiving revenues generated by all departments throughout the City. Making bank deposits daily. Maintaining the City's operating fund for all the departments by reimbursement of petty cash tickets, trip requests, writing checks and reconciling the credit statements and activities. Responsibilities include processing and balancing Site Development, Inspection deposits, Oil and Gas Cash Bonds, Bulk Water deposits, and all the liability funds. Processing and reconciling for bank debits and credits. Maintains and processes all returned checks. Processes utility and other types of credit card payments including the Interactive Voice Response (IVR) utility payments made by customers on the phone, and Paymentus (online utility payments made by customers), and maintains all credit card records for Municipal Court, Parks and Recreation, Westwood Golf, Planning/Development Service & the Transfer Station.

DIVISION SUMMARY

10330122 UTILITY SERVICES

MISSION:

The mission of the Utility Services division is to provide accurate and efficient billing services for the City of Norman utility customers; to be a customer advocate within City guidelines by providing modern, adaptable, quality focused customer support, responsive to the customer and their needs. The customer service area strives to educate customers regarding operating procedures, and to research and provide accurate and prompt information to requests made by citizens and intra-city departments.

DESCRIPTION:

The Utility Division consists of Utility Billing, Customer Service, and Meter Reading/Field Service sections. The Division opens, closes, connects and disconnects utility accounts, notifies customers of delinquencies, reads meters, verifies and investigates unusual water consumption, provides customer service for all City utility accounts, produces accurate and timely billings of all utilities offered by the City, and researches and responds to various citizen and agency requests for utility related information.

DIVISION SERVICE EFFORTS AND ACCOMPLISHMENTS

PREVENTION

GOALS:

- Get all inspections and investigations in New World.
- To request and receive Dell lap top computers so that the Fire Inspectors can enter data for the Police side of New World as well as the Fire side of New World.
- Provide for the public's safety by creating awareness of fire as a personal, family, business and community concern and by securing the cooperation of individuals and property owners in fire-safe practices for the safety of themselves and others.
- Maintain Fire Inspector and Fire Protection Engineer skills to current state law and national standards.
- Provide for a fire-safe community through the development of fire safety codes and ordinances, and inspection and enforcement by discovering and correcting deficiencies that pose a threat to life and property from fire.
- Provide for the public safety through engineering and plan review to ensure compliance with the fire protection and life safety provisions of the fire prevention code.
- Determine the nature and scope of the local fire problem by identifying areas that may require corrective educational efforts, inspection emphasis, and legislation or criminal prosecution.

OBJECTIVES:

- Conduct 100% of all educational programs requested by the public. Host the annual Fire Prevention Week, Arson Awareness Week, Norman Regional Hospital Kids are Special Program, participate in Safety Town and other activities related to public education.
- Maintain Fire Inspector and Fire Protection Engineer skills through certifications to current state law and national standards by attending CLEET courses, seminars and the National Fire Academy. Have qualified Fire Inspectors complete the state CLEET requirement. Send rookie Fire Inspectors to Inspection and Investigation schools for certification.
- Inspect 100% of all new construction and existing "Target Hazard" properties subject to the Fire Prevention Code annually.
- Inspect 100% of all existing small unit properties subject to the Fire Prevention Code biannually.
- Examine 100% of all plans submitted for deficiencies of built-in safeguards designed to prevent fire from starting, protect the occupants and limit the spread of the fire, should it occur.
- Determine the cause for 90% of all fires that occur. Maintain a 60% clearance rate and 95% conviction rate for fires determined to be arson.

DIVISION SERVICE EFFORTS AND ACCOMPLISHMENTS

SUPPRESSION

GOALS:

- Provide an effective response to emergency medical calls, fires, explosions, hazardous materials releases, rescue from hazardous conditions, and other emergencies to reduce the threats of harm or loss to the public.
- Provide an effective force of personnel and equipment in a constant state of readiness to assure the availability of a response at all times.

OBJECTIVES:

- Maintain per capita fire loss at less than the national average.
- Maintain typical staffing levels per unit at or above the national average.
- Expand our technical rescue capabilities.

DIVISION SERVICE EFFORTS AND ACCOMPLISHMENTS

HUMAN RESOURCES

GOALS:

- Provide and interpret policies, procedures, programs and collective bargaining agreements that uphold the welfare, safety, and rights of employees and management.
- Facilitate productive management/employee workplace partnerships, conflict resolution and negotiation.
- Utilize recruitment and selection methods that contribute to our highly qualified workforce.
- Administer a quality benefit program and employee classification and compensation system that is cost effective and assists in attracting and retaining employees.
- Educate employees to be more knowledgeable about their benefits and to deal effectively with health care providers.
- Provide appropriate evaluation criteria for assessing and improving job performance.
- Support City organizational goals by managing training and development systems to bring about changes in people and processes that improve employee performance and so contribute to the City's business results.
- Contribute as a strategic partner in new technology implementation and E-Government services.
- Contribute to a high level of employee engagement that supports individual, group, and organizational performance.

OBJECTIVES:

- Reduce non-conformances related to human resource policies, practices and procedures and employment law through management/supervisory training and counseling.
- Reduce grievances through union and management consultation.
- Recruit, hire and promote highly qualified individuals for entry level and key positions.
- Conduct active benefits and wellness programs.
- Improve job performance utilizing an evaluation system that provides for year-round action planning and coaching opportunities.
- Conduct training programs on employment law, City policy, leadership and supervisory topics.
- Provide Computer Training Lab services for software training, development, testing, and project support.
- Expand interactive Human Resources Website to meet needs of internal and external customers.
- Provide employee special events and programs that enhance employee engagement and community involvement.

DIVISION SUMMARY

10131232 SAFETY

MISSION:

It is the primary mission of the Safety Division to coach and train all City employees to provide municipal services in a manner that minimizes worksite hazards, prevent injuries to people and damage to property and equipment. It is also the mission of this division to ensure that the citizens are protected from potential hazards that may be caused by the City employees engaged in service operations.

DESCRIPTION:

The Safety Division provides City employees with the oversight, coaching and training to assure that safe operations will be the first priority in all City activities. All practical steps shall be taken to maintain a safe and healthy workplace, reasonably complying with all applicable regulations. These assurances are managed through regular worksite inspection, hazard assessment, activity hazard analysis, training needs assessment – gap analysis, and providing the appropriate training / coaching / guidance to the employees.

INFORMATION TECHNOLOGY DEPARTMENT

DEPARTMENT SUMMARY

TOTAL INFORMATION TECHNOLOGY (10123121)

MISSION:

The mission of the Information Technology (IT) Department is to provide the highest quality technology-based services, in the most cost-effective manner, with optimal delivery, to the citizens, elected officials, and staff members of the City of Norman ensuring the maximization of the citizens' financial investments and the proper utilization, security, performance and availability of those technology-based services.

DESCRIPTION:

The Information Technology Department provides information systems management services to all departments in the City of Norman. This support includes approximately 1,900 personal computers, laptops, and network infrastructure devices. These devices are required for server connectivity to a 5-building main campus and 28 remote sites. The local area and wide area networks (LAN/WAN) provides workstations connectivity to each wireless and wired workstation used by employees in the City of Norman. Services provided by the IT Department include email storage and support, internet access support, desktop support, document administration, departmental systems application support and implementation, enterprise application support in the form of IBM iSeries, quality control for implementation, network servers and virtualization administration and support, web page design, security, telecommunications including VOIP and wireless phones, server and PC configuration management, data storage management, project management, and infrastructure design and support.

DEPARTMENT SERVICE EFFORTS AND ACCOMPLISHMENTS

INFORMATION TECHNOLOGY

GOALS:

Information systems and infrastructure are utilized in every department within the City of Norman and therefore the services rendered by the City of Norman staff to the citizens of Norman are directly impacted by Information Technology. Our goal is to provide effective information technology solutions and support in the form of helpdesk operations, applications support, network and server support, network security, network infrastructure design/support, and process improvement/development to all departments of the City of Norman in order to:

- Ensure the security, integrity, and proper utilization of the City's information and communication systems hardware, software, and data resources.
 - Protect the citizens', elected officials', and staff members' investment in the City's information and communication systems resources.
 - Ensure that the City's information and communication systems resources are available to City staff members and the public.
 - Ensure that the City's employees have complete support and training for any and all IT systems utilized.
 - Strive for standardization of systems and processes when and where applicable.
 - Work with other municipalities to create a broader range of technology solutions that are more robust and secure.
-

OBJECTIVES:

- Sustain and monitor filters for email tracking, web filtering appliance, and infrastructure protection to reduce system intrusion and to help create a solid sustainment strategy. This includes the implementation of a new enhanced SIEM (Security Information and Event Manager) appliance to be monitored by IT Department System Administrators and their supervisor. This will enhance security while minimizing data loss and maximizing data protection.
 - Continue to educate and partner with end users via the IT Support Center for quick response to breaks, problems, and technical assistance requests. Utilize the SLA (Service Level Agreement) to help organize IT trouble tickets and communicate fix times with the end users. This keeps the flow of work between the IT staff and City employees organized and well communicated.
 - Enhance the disaster recovery strategy by expanding backup services to additional critical data points. Partner with the EOC (Emergency Operations Center) team to build a world class data center with a focus on redundancy, uptime, and seamless failover to keep critical Public Safety technology operational in the instance of power loss and/or a major disaster.
 - Continue momentum generated over the previous years to improve data center wiring, electric wiring, fire suppression, and cooling systems in the various data centers. This will protect the public's investment in the critical technologies that keep the City's services operational.
 - Engage various City departments and divisions in the continuing effort to secure the City's physical locations with camera systems, building access management, and monitoring systems. This team effort by City staff will create a more secure environment to protect the valuable physical assets and people that the City has invested in.
 - Enhance the City's Enterprise Resource Planning (ERP) system which is the software responsible for data and management related to budgeting, accounts payable, accounts receivable, assets, inventory, purchasing, payroll, personnel, permits, code enforcement, land/parcel management, courts, and utility billing. Improve the business process by implementing a modern ERP solution. Plan, manage, and commit to learning the new software and teach the new business process to all ERP system users. Reduce waste by automating currently manual processes and digitizing forms, documents and records.
-

PERFORMANCE MEASUREMENTS - RESULTS REPORT:

	FYE 20 ACTUAL	FYE 21 ACTUAL	FYE 22 PLAN	FYE 22 ESTIMATE	FYE 23 PROJECTED

Percent of servers virtualized	97%	99%	99%	99%	99%
Data growth in Terabytes*	410	950	450	1.3 PB	1.4 PB

Notes to Results Report:

*1Terabyte is equivalent to 1,024 Gigabytes and 1 Gigabyte is equivalent to a 65,000 page MS Word document. PD Body Cam will increase growth significantly.

LEGAL DEPARTMENT

8 EMPLOYEES

DEPARTMENT SUMMARY

TOTAL LEGAL DEPARTMENT

MISSION:

It is the mission of the Legal Department of the City of Norman to provide effective, efficient, professional, informed, progressive and preventive legal advice and services to the City Council, City Manager, City staff, Boards and Commissions; thereby, protecting the rights and interests of the citizens of the City of Norman and the City as a municipal corporation.

DESCRIPTION:

The Legal Department provides legal services through prosecution of cases initiated by the City, defends actions brought against the City, and provides legal opinions and legal advice on pertinent issues. The Legal Department provides legal research for the City Council, City Manager, City staff, Boards and Commissions. Department representatives attend all City Council meetings and attend Study Sessions and Board and Commission meetings, as requested. A Department Representative serves as Police Legal Advisor and attends Police staff meetings. The Department provides legal representation for Municipal Court prosecutions and appeals. The Department also provides leadership in community juvenile crime offender programs and in the operation of the Dispute Mediation Program.

DIVISION SERVICE EFFORTS AND ACCOMPLISHMENTS

MUNICIPAL COURT

GOALS:

Access to Justice

- Provide access to the judicial system through court proceedings, operations and facilities.

Expedition and Timeliness

- Perform court functions within a proper, suitable and reasonable time.

Equality, Fairness and Integrity

- Afford equality, fairness and integrity to all who have business before the court.

Independence and Accountability

- Affirm and maintain distinction as a separate branch of government and account publicly for the court's performance.

Public Trust and Confidence

- Provide educational training for court and legal personnel, emphasizing professional development.

OBJECTIVES:

Access to Justice

- Conduct court proceedings and other public business openly.
- Provide services to persons with special needs.
- Ensure customer service integrity.

Expedition and Timeliness

- Provide timely case processing while keeping current with incoming caseload.
- Maintain a high disposition rate.
- Recover costs for incarceration.

Equality, Fairness and Integrity

- Provide due process and equal protection of the law to all defendants.
- Provide indigent services to qualifying defendants.
- Ensure enforcement of court orders.
- Ensure accuracy and preservation of court records.

Independence and Accountability

- Clarify, promote, and institutionalize effective working relationships with other components of the justice system.
- Provide public education.

Public Trust and Confidence

- Enhance positive image of the court by maintaining a high level of professionalism in working relationships with other branches of city government, citizens, and other entities.
- Provide public education.
- Promote professional development for continuing education for Oklahoma Municipal Court Clerk's Association (OMCCA) certified personnel.

Attendance and participation in courses to meet continuing education requirements (4 hours required annually x 4 employees)*	2	2	2	2	2

Notes to Results Report:

*Due to the ongoing COVID-19 Pandemic, court numbers are historically low due to fewer tickets being issued and the cancellation of numerous court sessions.

DIVISION SUMMARY

10121135 JUVENILE PROGRAMS

MISSION:

It is the mission of the Juvenile Division of the Municipal Court is to promote education, prevention and accountability for juvenile offenders rather than only punishment thereby preventing juvenile offenders from becoming more deeply involved in the juvenile justice system thus saving taxpayers money and preventing more citizens from becoming victims of crime.

DESCRIPTION:

The Juvenile Division of the Municipal Court provides juvenile offenders a meaningful opportunity to give back to their community through community service, making them more accountable for their actions by promoting education and prevention programs. In cooperation with various City agencies, education and prevention programs have been developed to support intervention efforts aimed at deterring at-risk youth from possible re-offending. The Juvenile Division provides staff supervision and additional support to assist in guiding youthful offenders into becoming productive citizens.

DIVISION SERVICE EFFORTS AND ACCOMPLISHMENTS

FACILITY MAINTENANCE ADMINISTRATION

GOALS:

- Implement a facility maintenance software program for work orders, preventative maintenance, capital improvements, and utility tracking costs.
 - Create a comprehensive assessment of the present condition of City facilities for immediate and future repair and replacement of equipment and maintenance.
 - Reduce repeat calls for the same repair work by instituting a program that emphasizes long term solution verses temporary repairs.
 - Incorporate sustainable energy and equipment practices.
 - Plan and schedule staff for optimal operation of repair and maintenance of City facilities.
 - Provide enough resources to the division to accomplish the mission.
-

OBJECTIVES:

- Plan and accomplish work, anticipate problems, become proactive instead of reactive.
-

PERFORMANCE MEASUREMENTS - RESULTS REPORT:

DIVISION SUMMARY

10770421 RECREATION ADMINISTRATION

MISSION:

The Recreation Administration Division is committed to providing quality recreational services through programs for both passive and active users of all ages. This is accomplished through teamwork, respect and communication.

DESCRIPTION:

The Recreation Administration Division operates six facilities aimed at target groups of citizens. These centers include: one Senior Citizens Center, two recreational centers attached to middle schools (Whittier and Irving), one agency based community center (Little Axe), one garden, dance and exercise center (Reaves) and one multi-purpose center (12th Avenue). These centers not only provide recreational opportunities through their programming, but also offer rental space for meetings, parties and special events.

DIVISION SERVICE EFFORTS AND ACCOMPLISHMENTS

RECREATION ADMINISTRATION

GOALS:

- To meet the needs of the citizens of Norman by offering quality programs and facilities and special events.

OBJECTIVES:

- To inform the community of the myriad of recreational opportunities offered through the Parks and Recreation Department through brochures, newspaper advertisements and banners.
- To involve as many citizens as possible in both active and passive recreational activities that are offered through our recreation centers.
- To implement new programs according to citizen requests and new industry trends.

PERFORMANCE MEASUREMENTS - RESULTS REPORT:

	FYE 20 ACTUAL	FYE 21 ACTUAL	FYE 22 PLAN	FYE 23 ESTIMATE	FYE 23 PROJECTED
PERFORMANCE INDICATORS:					
Attendance at six recreation centers for both fee and non-fee activities	120,000*	31,164*	40,000	40,000	100,000
Tennis lessons, open court and tournament participants	22,000*	32,273	35,000	35,000	40,000

PLANNING & COMMUNITY DEVELOPMENT

38 POSITIONS

* Two CDBG positions are funded in part from the General Fund and in part from the Community Development Fund. ** One position is funded entirely by the General Fund. *** Four positions are funded entirely from the Community Development Fund.

DEPARTMENT SUMMARY

TOTAL PLANNING & DEVELOPMENT

MISSION:

The mission of the Department of Planning & Community Development is to develop, implement, and monitor a comprehensive urban planning process, emphasizing continuing interdepartmental cooperation and assistance in the preparation of plans and programs, to protect the health, safety, and welfare of the citizens of Norman through enforcement of City Codes.

DESCRIPTION:

The Department of Planning & Community Development provides support to the City Council, Planning Commission, Board of Adjustment, Historic District Commission, Greenbelt Commission, and Board of Appeals. The Department is responsible for developing and updating Chapter 22 – the Zoning Ordinance – and updating the Comprehensive Land Use Plan and other plans for the City. The Department reviews building permit applications, rezoning requests and subdivision of property while ensuring timely hearing of requests, which are reviewed by various Boards and the City Council. The Department is also responsible for enforcing various codes and ordinances related to the health, safety and welfare of citizens; updating all ordinances, which comprise the regulatory framework against which development proposals are evaluated. In addition, the Department is responsible for the administration of ordinances that affect the health, safety and welfare of citizens, and administration of federal grants related to housing and urban development.

DIVISION SERVICE EFFORTS AND ACCOMPLISHMENTS

ADMINISTRATION

GOALS:

- Identify present and future community needs, establish priorities, and formulate long-term and short-term planning goals for consideration by City Council.
- Provide leadership ensuring the successful operation of each division of the Planning and Community Development Department in the execution of their goals and objectives. Develop and implement new processes and strategies for improved customer service.
- Coordinate and implement departmental planning: budget formulation and administration; personnel administration; and effective distribution and assignment of resources for all Department staff members to provide a healthy and productive work environment.
- Provide staff support to numerous Boards and Commissions which provide oversight for quality development in the City.
- Update Zoning Code changes for distribution internally and on the website for the public.

OBJECTIVES:

- Provide leadership and guidance to each division of the Planning and Community Development Department.
- Administer resource allocations for each division.
- Provide direction for the department as a whole.

PERFORMANCE MEASUREMENTS – RESULTS REPORT:

DIVISION SUMMARY

10440152 CODE COMPLIANCE

MISSION:

To provide a higher quality of life in Norman by protecting and ensuring the continued health, safety and welfare of the citizens of Norman and to achieve compliance with City Codes through prevention by educating residents and property owners, and then encouraging them to voluntarily comply when there is a violation and notification or enforcement action becomes necessary.

DESCRIPTION:

The Code Compliance Division is responsible for the enforcement of codes in Chapters 5, 10, 13, 15, 18 and 22 of the City of Norman Code of Ordinances, which include nuisance codes, signs, zoning and property maintenance, all of which directly affect the health, safety and welfare of the citizens of Norman. Code Compliance is responsible for review and processing of all sign permits. The Division also conducts annual inspections in order to ensure the health and safety of hotels and motels, rooming and boarding houses, fraternities and sororities, mobile home parks, salvage yards, towing storage yards and short-term rentals.

DIVISION SERVICE EFFORTS AND ACCOMPLISHMENTS

CODE COMPLIANCE

GOALS:

- To educate the citizens of Norman about the health, safety, zoning, and environment to achieve voluntary compliance through awareness.
- To create a partnership with citizens to promote compliance as a part of good citizenship.
- To perform annual inspections to ensure the health and safety of hotels/motels, rooming and boarding houses, fraternities and sororities, mobile home parks, salvage yards, towing storage yards, and operating oil and gas wells.
- To respond to violation complaints in a timely manner to determine the merit of complaints and pursue correction.
- To achieve correction of violations through notification and voluntary compliance; issuance of citations; abatement by city contractors; or through court action to preserve public health & safety.
- To increase the quality of life in Norman neighborhoods.

OBJECTIVES:

- To enforce City ordinances pertaining to health, safety, property maintenance, zoning, signs, and oil and gas operations.
- Disseminate information about City Codes through articles in the local news media, presentations, and on the City website.
- Maintain uniform response rates and track responses on complaints.

PERFORMANCE MEASUREMENTS - RESULTS REPORT:

DIVISION SUMMARY

10440153 CURRENT PLANNING

MISSION:

Planning Services provides professional support, guidance, and assistance to the citizens of Norman, as well as all applicants, who are involved with some aspect of planning, zoning, or development, in order to ensure that all proposed development is consistent with the policies and ordinances of the City of Norman.

DESCRIPTION:

The Planning Services Division provides guidance and support to all residents of Norman and applicants planning to develop in the community. The Division provides staff support to the City Council, with primary staff responsibility to the Planning Commission, Board of Adjustment, Greenbelt Commission, Historic District Commission, and multiple Ad Hoc Committees. General and specific guidance is provided to those individuals and corporations interested in zoning and development throughout the community, as well as a detailed review of all commercial, industrial, multi-family building and sign permits for consistency with policies and adopted ordinances.

DIVISION SERVICE EFFORTS AND ACCOMPLISHMENTS

CURRENT PLANNING

GOALS:

- Ensure that each complete application is processed in an expeditious manner.
- Provide a timely and professional review of development-related requests.
- Provide all required support to the Boards and Commissions which the department staffs.
- Periodically examine and revise the ordinances that regulate development within the community.

OBJECTIVES:

- Assist the public in filing applications to the City Council, Planning Commission, Greenbelt Commission, Pre-Development and Board of Adjustment by providing clear direction and necessary assistance.
- Assist the Department in review of all required permits and licensing needed for applicants. Performs site inspections for building permits, rezoning and land use plan amendments.
- Expedite items from the Planning Commission to the City Council when possible, while ensuring that such items are correct, complete and express the concerns of the Planning Commission. Prepare detailed, accurate minutes of all public meetings.

PERFORMANCE MEASUREMENTS – RESULTS REPORT:

Notes to Results Report: All measurements are calculated on a calendar year basis.

DIVISION SUMMARY

10440151 DEVELOPMENT SERVICES

MISSION:

The mission of the Development Services Division of the Planning Department is to provide professional support to the community involved with building or altering the built environment, to protect health, safety, and public welfare enforcing the currently adopted building, state, and local codes consistent with policies and ordinances adopted by the Norman City Council.

DESCRIPTION:

The Development Services Division provides services that impact building construction activities in the community, including providing guidelines and regulations to individuals and businesses interested in all aspects of construction, while maintaining the highest standard of professionalism and customer service. The Division is responsible for plan review, fee collection, permitting, and appropriate field inspections to conclude construction activities with a Certificate of Occupancy (CO), or Certificate of Completion (CC) for lawful occupancy. Managing these efforts includes multiple City Departments; including the Planning Department, Public Works Department, Parks and Recreation, Utilities Department and the Fire Department.

Construction permit applications range from industrial, commercial and multi-family projects, include but not limited to: new construction, new shell, new interior finish, addition/alteration, new multi-family, multi-family additions/alterations, temporary construction, construction trailer, swimming pool and paving permits. Construction permit applications for One and Two Family dwelling and related residential include, but are not limited to: single-family, two-family/duplex, townhomes, all addition/alterations, manufactured homes, storage buildings, storm shelters, carports, and swimming pools.

DIVISION SERVICE EFFORTS AND ACCOMPLISHMENTS

DEVELOPMENT SERVICES

GOALS:

- Improve the timeliness of the permit review process by continuously updating the permit application process and adopting specific performance targets.
- Enhance inspection services; utilize all available technologies to minimize delays when inspection are required.
- Improve employee training, certification and knowledge base to allow for greater skill sets so we have redundant skills for various tasks.
- Ensure work is built in the conformance with the Building Codes.
- Help educate the public and stake holders about the permit process, building science, and the building codes to promote quality plans and buildings.
- Continue improving customer service in permitting and inspection services.

OBJECTIVES:

- Provide the highest level of professionalism and customer service to those seeking permitting and inspection services.
- Utilize national standards to establish appropriate review time frames for each type of permit and inspection results.
- Continuously refine building permit application processes so that they are easily understood by the public, while still requiring all necessary information to properly process each permit type.
- Continue to improve the effectiveness and consistency of plan reviewers and building inspection staff.
- Continue to maintain the professional standard of the staff with appropriate certifications and licenses.
- Continue to refine the non-residential plan review process for all agencies (Building, Planning, Public Works, Fire) reviewing permit applications.
- Continue to modernize the permit and inspection process to help seasoned and new builders through the permit and inspection processes.
- Continue to coordinate with Building Departments in the Oklahoma City Metro Area to strive for consistency between each department for common inspection and plan review items.
- Continue to ensure safe, accessible, efficient and quality buildings are built to benefit the current and future building occupants.
- Remain current and involved with State Code Adoptions through the Oklahoma Uniform Building Code Commission (OUBCC).

DIVISION SUMMARY

10440150 GEOGRAPHIC INFORMATION SERVICES

MISSION:

Maintain accurate and complete information relating to the City's infrastructure and legally mandated management zones and make that information available to support planning activities, public safety, the reporting required to comply with regulation, and the evaluation of the impact of changes in the built and regulatory environment.

DESCRIPTION:

The division provides maps, analyses, and services in a support capacity for the public, the business community, other governmental agencies, City Council, City Boards and Commissions, and all departments within the City. A partial list of specific functions and activities include:

- Design, implementation, and maintenance of the Geographic Information System, especially as it relates to the various components of the City's infrastructure.
- Map and research resource for City Council, Planning Commission, the public, other City departments, and other divisions within the department.
- Providing online access to City maps and data for public consumption

DIVISION SERVICE EFFORTS AND ACCOMPLISHMENTS

GEOGRAPHIC INFORMATION SERVICES

GOALS:

- To maintain accurate and complete records of the land aspects of the City of Norman including physical improvements, legal entities, and administrative districts to support decision making and policy implementation.
- To respond swiftly and courteously to requests for information and provide quality service.
- To promote integration among databases that have a geographic component to improve the City's reporting and planning capacity.
- To improve access to GIS data from other offices throughout the City to expedite the retrieval of information and maximize its use.

OBJECTIVES:

- Reduce the time it takes to integrate ordinances, final plats, and as-builts into the database.
- Work with field personnel to improve the accuracy and completeness of GIS databases using GPS data collection.
- Produce all appropriate informational maps and reports as interactive web mapping applications.
- Provide support to facilitate the integration of databases, to reduce duplication of effort and promote efficiency.
- Provide GIS configuration and asset maintenance support to City software applications including: New World Public Safety, CityView, Tyler EAM, and Advanced CIS Infinity.
- Improve access opportunities to digital GIS resources by providing data online and improving internal enterprise data infrastructure.

DIVISION SUMMARY

10440184 GREENBELT COMMISSION

MISSION:

The mission of the Greenbelt Commission is to promote and protect the public health, safety and general welfare by creating a mechanism for providing a Greenbelt System, which will include preserved open spaces, protected natural areas and greenways/trails in a system of land parcels that together will work to help maintain and preserve the beauty and livability of the City.

DESCRIPTION:

Created by ordinance on May 11, 2004, the Greenbelt Commission is charged with advising the City Council on policies pertaining to the promotion, acquisition, maintenance and improvement of the open spaces, greenways and trail-way systems in the City of Norman. The Commission comments on Greenbelt Enhancement Statements submittal with development plats and Norman Rural Certificates of Survey (NRCOS).

DIVISION SUMMARY

10440380 HISTORIC DISTRICT COMMISSION

MISSION:

The mission of the Historic District Commission is to safeguard the heritage of the City by preserving and regulating historic districts, which reflect elements of the City's cultural, social, political, and architectural history. And to promote the use of the historic districts for the culture, prosperity, education, and welfare of the people of the City and visitors to the City.

DESCRIPTION:

The Historic District Commission makes recommendations to the Planning Commission regarding the designation of historic districts within the City. The Historic District Commission reviews and approves or denies all applications for certificates of appropriateness concerning proposed exterior changes to structures located within the historic districts and develops guidelines to be used in such evaluations. The Commission also makes recommendations regarding the utilization of grants and budgetary appropriations that may be available to promote the preservation of historical, architectural, and archeological resources.

10440181 PLANNING COMMISSION

MISSION:

The mission of the Planning Commission is to review land development applications, generally prepare plans for the systematic development and improvement of the City as a place of residence and business, and to make recommendations to the City Council.

DESCRIPTION:

The Planning Commission holds public hearings on all proposed amendments to the City's long range plan (Norman 2025). It also makes recommendations to the City Council on all proposed rezoning applications and development proposals involving platting and subdivision of land. It reviews and recommends changes to the City's ordinances involving planning, zoning, building, and subdivision regulations, as well as specific items referred to the Commission by the City Council.

DIVISION SERVICE EFFORTS AND ACCOMPLISHMENTS

ADMINISTRATION

GOALS:

- Reduce our community's social harms and improve the overall quality of life for our community's residents, visitors, and businesses.
- Develop and expand community partnerships to cultivate solutions to community concerns, including crime and fear of crime, while improving relationships.
- Recruit and retain a highly skilled and motivated work force while ensuring opportunities for employee success, growth, and resilience.
- Ensure effective and efficient pathways and processes for effective communication between the department, our employees, partner organizations, and the public.
- Improve all employees overall emotional and physical wellness and safety so that they are equipped to care for themselves, their loved ones, each other, and our community.

OBJECTIVES:

- Renew and ensure a department wide approach to Community Policing and relationship building with the community.
- Expand employee mental health evaluation and assistance.
- Reduction of employee OJI's.
- Improve the security and safety of the main department building and parking lots.
- Increase community transparency and engagement through publication of meaningful substantive department data and statistics.
- Continue to expand CIT and/or other advanced mental health training of all staff.

DIVISION SUMMARY

10660270 ANIMAL WELFARE

MISSION:

The mission of Norman Animal Welfare is to encourage responsible pet ownership by promoting and protecting the health, safety, and welfare of the residents and pets of Norman through education, enforcement, and community partnership.

DESCRIPTION:

Norman Animal Welfare is comprised of two sections: Animal Welfare Response and Animal Welfare Facility. Animal Welfare Officers respond to citizen complaints, apprehend dangerous animals, confiscate and render aid to animals in need of care, pick up stray or deceased animals, handle loose livestock or nuisance wildlife, conduct animal cruelty investigations, and provide education to the public.

Animal Welfare Facility staff provides customer service to citizens in person, over the phone, or through electronic communication, intake animals at the facility, provide medical evaluation and treatment, conduct behavior evaluations, provide care to animals housed at the facility, maintain and clean the facility, provide education to the public, and work towards positive animal outcomes through transfer, foster, and adoption.

DIVISION SUMMARY

10660321 CRIMINAL INVESTIGATIONS

MISSION:

It is the mission of the Norman Police Department Criminal Investigations Division to provide appropriate assistance to victims of crimes, conduct thorough investigations into reported criminal offenses, seek facts, and when appropriate, submit charges and assist in the successful prosecution of offenders.

DESCRIPTION:

The Criminal Investigations Division is comprised of two sections. The Investigative Section primarily investigates crimes related to persons and property related offences, including Part I crimes, crimes against children, domestic abuse, burglaries, stolen vehicles, fraud, and many other criminal offenses. The Forensic Services and Property Section supports the department through property storage, evidence processing, and video analysis operations.

DIVISION SERVICE EFFORTS AND ACCOMPLISHMENTS

CRIMINAL INVESTIGATIONS

GOALS:

- Reduce our community's social harms and improve the overall quality of life for our community's residents, visitors, and businesses.
- Develop and expand community partnerships to cultivate solutions to community concerns, including crime and fear of crime, while improving relationships.
- Recruit and retain a highly skilled and motivated work force while ensuring opportunities for employee success, growth, and resilience.
- Ensure effective and efficient pathways and processes for effective communication between the department, our employees, partner organizations, and the public.
- Improve all employees overall emotional and physical wellness and safety so that they are equipped to care for themselves, their loved ones, each other, and our community.

OBJECTIVES:

1. Implementation of a Multi-Jurisdiction Critical Incident Team- Investigative group used to investigate critical incidents within Cleveland County. 2. Complete internal and external training specific to the division operations and mission. 3. Enhance partnerships and cross training with other agencies. 4. Ensure effective information and deconfliction are taking place between bureaus.

DIVISION SUMMARY

10660139 EMERGENCY COMMUNICATIONS

MISSION:

The mission of the Emergency Communications Division is to maintain and enhance the quality of life in Norman by handling 911 and other calls for service; dispatch appropriate emergency services in a prompt, courteous and professional manner; thereby protecting lives, and property while providing accurate information to our responses.

DESCRIPTION:

The Emergency Communications Division provides 24/7 services to internal and external customers. External customers include the public, other non-public safety agencies and other public safety agencies. Internal customers include the Norman Police Department, Norman Fire Department, EMSTAT EMS and Norman Animal Welfare. The Emergency Communications Division is responsible for the maintenance and operations of the City CAD software and radio systems, used across many city departments and partnering jurisdictions.

DIVISION SUMMARY

10660322 PATROL

MISSION:

The mission of the Patrol Division is to provide immediate response and stability to emergency situations, investigate criminal activities, develop community partnerships, and proactively identify and resolve public safety concerns of our community.

DESCRIPTION:

The Patrol Division is comprised of three Patrol Sections, Traffic and Parking Services, and the Community Outreach Section. The division provides around the clock response to emergency calls for assistance, provides directed proactive patrols, detain and arrest suspects who have warrants or have violated laws, provide initial investigations of criminal matters, investigate traffic collisions, and enforce traffic laws. The division uses a community policing approach to develop community partnerships intended to build community trust, improve accountability, and identify and resolve concerns of the community. The division provides extensive community outreach and crime prevention programs and partners with other community agencies in a unified effort to address homelessness and mental health concerns in our community.

PUBLIC WORKS DEPARTMENT

128 EMPLOYEES

DEPARTMENT SUMMARY

TOTAL PUBLIC WORKS

MISSION:

The mission of the Public Works Department is to provide exceptional transportation, stormwater/flood control and subdivision development services to the citizens of Norman.

DESCRIPTION:

The Public Works Department is organized into seven functional divisions: Administration, Engineering, Fleet Management, Streets, Stormwater, Traffic Control, and Transit & Parking. The Department provides transportation, stormwater/flood control and subdivision development services through the development review, construction, reconstruction, operation and maintenance of public infrastructure. It provides support to every City department through specification development, acquisition assistance, and maintenance of the City fleet. The department also manages the City's public transportation (bus transit) services.

DIVISION SERVICE EFFORTS AND ACCOMPLISHMENTS

ADMINISTRATION

GOALS:

- Evaluate and identify present and future community needs, establish priorities, formulate long and short range public works plans. Research, develop and implement new strategies for innovative and improved service.
 - Ensure all work is performed in conformance with appropriate standards and specifications and maintain an awareness of federal and state regulations as they apply to various areas within the Public Works Department.
 - Establish goodwill and resolve/respond to various issues by attending meetings, and through correspondence with various County, State and Federal regulatory agencies, civic and business associations, representatives of the press, City officials, citizens, and other City departments.
 - Improve the appearance of the community through implementation of specific projects and programs.
 - Implement American Public Works Association (APWA) Accreditation Program with an eye toward “continuous improvement”.
-

OBJECTIVES:

- Coordinate major highway improvement projects with the Oklahoma Department of Transportation including Interstate 35, State Highway 9, West Main Street Bridge Project, 24th Avenue East Bond Project, 36th Avenue NW Bond Project, and Legacy Trail.
 - Continue the process of compliance with EPA and ODEQ Phase II Stormwater regulations by fulfilling the requirements of the NPDES permit and educate the community on the new regulations including the Lake Thunderbird TMDL.
 - Reduce traffic congestion/delay by monitoring and upgrading current Traffic Signal Timing Program, capital projects and other pro-active traffic system improvements.
 - Retain the City beautification program started as a litter control program including a right-of-way mowing and edging program through contract services and enhanced street sweeping operations.
 - Enhance City’s stormwater management and flood control programs through the successful implementation of the Stormwater Master Plan and enforcement of the City’s Floodplain Ordinance.
 - Assist the community in its desire to improve appearance and appeal of the University of Oklahoma including the implementation of a citywide Wayfinding Program.
 - Implement the City’s first (2014) Comprehensive Transportation Plan “Moving Forward”.
 - Implement 2012 G.O. Bond Program including eight (8) major Transportation/Stormwater projects.
 - Implement the City’s adopted Alternative Fuel Program including enhancement of the City’s Compressed Natural Gas (CNG) Fueling Facility and Vehicle Conversion Program.
 - Implement the City’s 2013 Fleet Management Plan to address efficiency and budget issues.
 - Implement the City's 2021-2026 Street Maintenance Bond Program valued at \$27 million
 - Serve as the City’s liaison to the Association of Central Oklahoma Governments (ACOG) for all transportation issues including acquisition of up to \$10 million in federal grants per year for local projects in Norman.
 - Serve as a key member of the City’s Response and Recovery Team for all weather disasters in Norman, particularly in the repair of damaged public infrastructure and the removal of debris.
 - Maintain over 800 miles of public streets in Norman.
 - Coordinate the land development, platting and building permit applications for hundreds of new residential, commercial and industrial properties each year.
 - Maintain the City’s fleet of over 900 vehicle and equipment items to the satisfaction of our customers who are made up on other City department personnel.
 - Manage the City's Public Parking Program.
 - Manage the City's Public Transportation (bus) System, EMBARK Norman.
 - Implement 2019 Transportation Bond Program including nineteen (19) projects.
-

DIVISION SUMMARY

10550210 ENGINEERING

MISSION:

The mission of the Engineering Division is to provide prompt, courteous, skillful, and conscientious service to the citizens of Norman concerning transportation and development services.

DESCRIPTION:

The Engineering Division provides technical and management support for development, infrastructure and construction. Proposed public and private improvements, including platting and infrastructure design, within the City are administered and technically reviewed by Engineering staff. Roadway Capital Projects are administered within the division including design, acquiring right of way, utility relocation and construction of the improvements. The division is also responsible for construction inspection services for new infrastructure constructed as a part of new developments or capital projects.

DIVISION SERVICE EFFORTS AND ACCOMPLISHMENTS

ENGINEERING

GOALS:

- Respond to requests for information in a prompt, courteous manner.
- Manage projects efficiently and professionally.
- Provide other City Departments / Divisions with prompt, quality service.

OBJECTIVES:

- Respond to citizen complaints and regulatory agencies in a courteous, professional and timely manner.
- Perform more in-house designs of capital improvements, instead of using consulting engineers.
- Build and inspect construction projects in strict accordance with the plans and specifications.
- Complete construction projects on time and within budget.
- Investigate issues in the public Right-of-Way promptly.
- Provide technical advice to other City Departments / Divisions.

DIVISION SUMMARY

10550170 FLEET ADMINISTRATION

MISSION:

The mission of the Public Works Fleet Management Division is to provide safe, economical, state-of-the-art, environmentally friendly transportation and service to allow departments to fulfill their official duties and to enhance citizen mobility, accessibility, and transportation choices that are safe, economical, and reliable. The Public Works Fleet Administration Division also ensures the City's Public Compressed Natural Gas (CNG) Fueling Facility remains open to the public 24 hours a day. Fleet Administration uses a computer program, FASTER Asset Solutions, to ensure accurate mechanic productivity, repair types, work orders, parts issued, inventory, fuel, and equipment replacement needs are posted. In addition, FuelMaster is a fuel management system used by the Fleet Division to track usage of compressed natural gas (CNG), unleaded and diesel. FuelMaster allows the Fleet Division to report accurate bi-weekly usage of CNG from the public and private sector to the Internal Revenue Division for tax purposes.

DESCRIPTION:

There are 26 employees within the Fleet Administration and Repair Divisions. The Fleet Division provides the administrative, logistical and mechanical support to all City departments who operate City owned equipment/vehicles. In addition, the Fleet Division provides the administrative, logistical, and mechanical support to the public who utilize the City's Public Compressed Natural Gas (CNG) Fueling Facility, as well as, the Public Transit services. Fleet staff is responsible for establishing citywide budget figures based on a five year average usage for the coming fiscal year with regards to the internal fuel, parts, and sublet accounts. Fleet Administrative staff establishes capital funds by awarding bids and/or using state contracts relating to the acquisition of new equipment/vehicles. The Equipment Support Supervisor and 1 Light Equipment Technician are responsible for the daily maintenance and the periodic repair, including ordering all parts and supplies for both repairs and preventative maintenance of the City of Norman's CNG Fueling Facility.

DIVISION SERVICE EFFORTS AND ACCOMPLISHMENTS

FLEET ADMINISTRATION

GOALS:

- Provide support services to all City divisions and the public.
- Provide support services to all Norman citizens.
- Provide timely Preventive Maintenance.
- Web access to status of vehicle repair.
- Right-size the organization for long term sustainability.
- Fuel management and regulatory compliance.
- Pilot/demo/evaluate new vehicle and equipment technologies.
- Create a department culture that fosters and promotes teamwork.
- Strive to present a more professional appearance and attitude.

OBJECTIVES:

- To increase the awareness of the City's personnel in the need to support the Preventative Maintenance Service Program for vehicles/equipment to ensure safety standards are continually met, liabilities are reduced, and an overall reduction in maintenance costs can be achieved.
- Purchase vehicles and equipment following the guidelines of the City's Alternative Fuel Program.
- Work with City divisions to obtain equipment and vehicles that will be utilized to their maximum potential and remove obsolete, under-utilized equipment and vehicles from inventory.

Notes to Results Report:

Preventive Maintenance Program: This program is designed with the intent to “prevent” major repairs before they happen. Vehicles/equipment are scheduled on a routine basis, specifically every 4,000 miles (250 hours for those with meters) or every 6 months, whichever comes first. With the cleaner burning fuel on our CNG vehicles, they are scheduled on a routine basis, specifically every 7,500 miles (500 hours for those with meters) or once a year, whichever comes first. Public Transportation fixed route and paratransit vehicles are scheduled on a routine basis, specifically every 5,000 miles. With the cleaner burning fuel on our CNG vehicles, they are scheduled on a routine basis of once a year.

Capital Equipment/Vehicle outlay: The Fleet Division uses the Oklahoma State Contract, where applicable, as one of its main tools in purchasing cars, police vehicles, pickup trucks and large chassis, which helps keep the initial investment lower.

Vehicle Replacement Analysis: Available through the FASTER program used by the Fleet Division, this report identifies units that are in need of replacement before maintenance costs exceed the value of a replacement. FASTER automatically calculates equipment replacement needs based on age, usage, and maintenance dollars spent using a fifteen (15) point system. Items ranked twelve (12) points and above are evaluated for replacement.

Support of City Policies: The Fleet Division supports and aids in drafting policies that prohibit unskilled and untrained employees from performing repairs and/or modifications to City vehicles and equipment.

DIVISION SUMMARY

10550175 FLEET CNG STATION

MISSION:

The Compressed Natural Gas (CNG) Station is a fueling facility for the City's fleet and the public. Fleet tracks CNG usage of the public and City's fleet while maintaining the fueling facility with repairs and maintenance ensuring it is open to the public 24 hours a day.

DESCRIPTION:

FuelMaster is a system used by Fleet to track usage of compressed natural gas (CNG), unleaded and diesel. FuelMaster allows Fleet to report bi-weekly usage of CNG from the public and private sector to the Internal Revenue Service and the Oklahoma Tax Commission and payment of motor fuel taxes collected.

10550171 FLEET AUTOMOTIVE/LIGHT EQUIPMENT REPAIR

MISSION:

The mission of the Fleet Light Repair Shop is to support the City Departments and agencies in the delivery of municipal services by ensuring that City vehicles and other automotive-related equipment are available, dependable, and safe to operate in a timely manner.

DESCRIPTION:

The Fleet Light Repair Shop is comprised of 1 shop Supervisor and 7 Technicians: 1 Mechanic II, 3 Mechanic I's, 2 Auto Service Technicians, and 1 Tire Technician. These 8 Fleet employees are responsible for 583 of the 905 pieces of equipment and automotive units in the City's fleet. The Fleet Automotive/Light Equipment Shop has maintained the Automotive Service of Excellence (ASE) Blue Seal Program since October 2008. This is achieved by having 75% or more technicians ASE certified in each area of service provided. The Shop Supervisor is responsible for prioritizing equipment repairs to ensure all departments have a safe and ample amount of equipment available at all times. The Supervisor oversees the day-to-day operations, provides for the health, welfare, and safety of the division employees as it relates to personnel, equipment, shop, and environmental safety.

DIVISION SERVICE EFFORTS AND ACCOMPLISHMENTS

FLEET AUTOMOTIVE/LIGHT EQUIPMENT REPAIR

GOALS:

- Provide safe and reliable repairs to all Divisions that the Fleet Light Equipment Repair Services represents.
- Maintain the ASE Blue Seal of Excellence Program and keep the Fleet facility ASE certified.
- Provide outsourcing for repairs not provided in-house for vehicles and equipment.
- Deliver the highest level of customer service.
- Complete 80% of repairs in 24 hours and 90% of repairs in 48 hours.
- Provide 85% on demand for non-consumables; 90% of parts requirements will be available within 4 business hours; 98% on demand of repair parts designated as preventative maintenance requirements.
- Uphold a higher standard relationship with all customers.
- Productivity goal of 72% or above.
- Provide technician training that covers the latest technological advances for the City's equipment.
- 95% overall equipment availability at any given time.

OBJECTIVES:

- Deliver the highest level of customer service.
- Conduct all Department business in an ethical and timely manner.
- Always take a proactive rather than reactive approach to identify problems or issues and initiate corrective action immediately.
- Increase the awareness of the City's personnel in the need to support the Preventive Maintenance Service program for vehicles and equipment so that safety standards are continually met, liabilities are reduced, and an overall reduction in repair costs can be achieved.
- Benchmark repairs with industry standards.
- Keep come-back repairs to a minimum (<5%).

DIVISION SUMMARY

10550172 FLEET TRUCK/HEAVY EQUIPMENT REPAIR

MISSION:

The mission of the Fleet Heavy Repair Shop is to service and maintain the City's fleet of heavy equipment and class 5 through class 8 trucks and trailers. Fleet services and repairs these units in the shop as well as in the field when necessary.

DESCRIPTION:

The fleet heavy repair shop is tasked with maintenance, repair, and procurement of the City of Norman's heavy equipment and class 5 through class 8 trucks and trailers. This division consists of one Public Works Supervisor, one Field Service Mechanic II, three Mechanic II's, and two Service Technicians. These nine employees are responsible for all heavy trucks and pieces of equipment. This includes all of the refuse trucks and all large equipment used to repoar and maintain the streets, stormwater, solid waste operations, and line maintenance divisions in the City of Norman, as well as all other departments in the City.

DIVISION SUMMARY

10550222 STORMWATER MAINTENANCE

MISSION:

The Stormwater Division is responsible for the protection of the health, safety, and welfare of the people of Norman through the regulation and maintenance of the City's municipal separate storm sewer system (MS4) and the administration of the floodplain permitting process. The Stormwater division controls the direct or indirect introduction of pollutants by any source or user into the MS4 through the permitting process and emergency spill response process to ensure compliance with state stormwater regulations, including the Phase II MS4 general permit and the Lake Thunderbird Total Maximum Daily Load (TMDL). Maintenance and improvement of the City's MS4 addresses continued efficient day to day operation as well as emergency repairs to help ensure flood waters move safely throughout the city. The Stormwater division is additionally responsible for administering the City's floodplain permitting process. Floodplain permitting efforts help ensure the welfare and protection from floodwaters of lives and property within the City as well as the protection of the City's natural water resources.

DESCRIPTION:

- Respond to citizen requests, drainage concerns, and the City of Norman Action Center notifications within a twenty-four hour period.
- Administer the floodplain and earth change permitting processes.
- Ensure proper management of compliance with the Phase II MS4 program and Lake Thunderbird TMDL Compliance and Monitoring Plans.
- Control the direct or indirect introduction of pollutants into the MS4 by stormwater discharges from any source or user.
- Control the introduction into the MS4 of any spills or dumped or disposed material other than stormwater.
- Prohibit illicit connections and illegal discharges to the MS4.
- Inspect and monitor the MS4 to ensure compliance with applicable stormwater requirements.
- Inspect and enforce stormwater requirements at construction sites.
- Provide for the management and maintenance of the MS4 for flood control purposes.
- Perform erosion control and debris removal within publicly owned drainage ways.
- Maintain approximately 102 miles of storm sewers.
- Maintain bridges and culverts.
- Conduct street sweeping on major arterial and collector streets.
- Provide emergency disaster response related to flooding, winter storms, severe storms, and non-hazardous material chemical spills.
- Coordinate rural drainage improvement projects with Cleveland County.

STORMWATER MAINTENANCE

GOALS:

To manage and perform construction, maintenance, and inspections of the City of Norman's Municipal Separate Storm Sewer System (MS4), bridges, culverts, drainage channels, detention ponds, and surface waters for potential stormwater problems related to drainage and water quality. To manage stormwater pollution issues and flood damage control and respond to emergency situations. To aid in the Norman City Council Strategic Plan, vision, and goals, for a functional, attractive, and clean and green Norman.

OBJECTIVES:

- Investigate drainage problems promptly.
- Manage and provide response to citizen's maintenance requests and the City of Norman Action Center notifications within a twenty-four hour response time.
- Permit earth disturbing activities greater than or equal to 1 acre.
- Permit floodplain activities as appropriate.
- Provide efficient storm sewer system maintenance.
- Maintain clean streets and limit the amount of pollutants that enter the storm sewer system by sweeping curb and gutter streets.
- Ensure compliance with state stormwater regulations, including the Phase II MS4 general permit and the Lake Thunderbird TMDL.

DIVISION SUMMARY

10550221 STREETS DIVISION

MISSION:

The Street Division is responsible for the management, maintenance and construction improvements of streets, alleys, bridges, culverts and their associated systems. Related activities include snow removal, ice control, and repairs to maintain roadway conditions within approved pavement management criteria. The Street Maintenance Division exists to provide safe, well-drained, durable streets, effective pavement management and responsive emergency services to all citizens of Norman and their visitors.

DESCRIPTION:

- Provide for the management, maintenance and construction of street, alleys, and drainage systems.
- Respond to citizen requests.
- Maintenance of Portland cement concrete, asphalt pavement, and aggregate surfaced rural roads and alleys.
- Provides maintenance and reconstruction/repair of the City's streets and roadways including roadbed drainage, bridges and culverts.
- Provides emergency disaster response related to flood, winter storms, severe storms, and other non-storm related emergency responses.
- Coordinates rural roadway improvement projects with Cleveland County.
- Mowing Rural and Urban right-of-ways.
- Apply vegetative chemical control to urban and rural right-of-ways.
- Provides snow removal and ice control for all Urban Streets and coordinates with Cleveland County and ODOT for snow and ice control for rural roads and state highways respectively.

DIVISION SERVICE EFFORTS AND ACCOMPLISHMENTS

TRAFFIC CONTROL

GOALS:

- Provide a transportation system that allows the safe, orderly and predictable movement of all traffic, motorized and non-motorized.
- Provide and maintain the control, guidance and warning devices necessary for the efficient movement of people and goods.
- Respond to citizen requests in a courteous, timely and efficient manner.
- Provide prompt assistance to other City Departments and Divisions.
- Ensure employee safety.

OBJECTIVES:

- Investigate traffic problems reported by the public in a timely manner.
- Complete traffic studies in a timely manner.
- Review plans in a timely manner.
- Maintain high quality pavement markings on roadways with more than 1,000 vehicles per day on average. Stripe high traffic volume roadways (with more than 10,000 vehicles per day) utilizing thermoplastic which is re-stripped every 4 to 6 years depending on wear. All other roadways with more than 1,000 vehicles per day are striped annually utilizing waterborne paint.
- Perform appropriate Capital Project Management.
- Serve as ACOG MPO TC Member including development of periodic TIP submissions and addressing various calls for projects to Regional Plan Updates.
- Respond to damaged traffic control signs in a timely manner.
- Respond to traffic signal malfunctions in a timely manner.
- Perform preventive maintenance on all traffic signal and parking meter equipment.
- Provide a safe working environment for all employees.
- Maintain traffic signal timing plans for coordination of urban arterials on closed loop systems.
- Respond to neighborhood requests for traffic calming projects.

PERFORMANCE MEASUREMENTS - RESULTS REPORT:

	FYE 20 ACTUAL	FYE 21 ACTUAL	FYE 22 PLAN	FYE 23 ESTIMATE	FYE 23 PROJECTED
PERFORMANCE INDICATORS:					
Provide initial response to citizen inquiries within 2 days	100%	100%	100%	100%	100%
Provide information requested by citizens within 7 days	100%	100%	95%	100%	95%
Complete traffic engineering studies within 45 days	100%	100%	99%	100%	99%
Review subdivision plats, construction traffic control plans, traffic impact statements, and other transportation improvement plans within 7 days	100%	100%	95%	100%	95%
Worker-hours per gallon of traffic paint used	0.8	0.8	0.8	0.8	0.8

PERFORMANCE INDICATORS:					
Response to reports of high priority sign damage (stop or yield signs) within one hour, other lower priority signs within one day, and street name signs within two weeks	99% high priority - 90% other signs	100	99% high priority - 90% other signs	99% high priority - 90% other signs	99% high priority - 90% other signs
Percent of work hours lost due to on-the-job injuries	0.01%	<0.01%	<0.01%	<0.01%	<0.01%
Response to reports on traffic signal malfunctions within one hour	100%	99%	100%	100%	100%
Develop updated traffic signal timing plan for each closed loop system every 4 years	90%	90%	100%	90%	100%
Collect and evaluate traffic data for traffic calming project requests submitted between January and April, and between August and November, within 60 days of notice	90%	90%	100%	90%	100%
Conduct neighborhood meetings for eligible traffic calming projects between June and November and no more than 7 months from receipt of the neighborhood request	90%	90%	100%	90%	100%
Development of periodic ACOG TIP submissions and addressing various call for projects to Regional Plan Updates	100%	100%	100%	100%	100%
Keep capital projects on schedule and within budget	95%	95%	95%	95%	95%

NON-DEPARTMENTAL

The “Non-Departmental” divisions are City Boards, Commissions, and several City funded agencies and programs. All of these are funded in the General Fund. They are designated as “Non-Departmental” because they have City-wide impact and because no City personnel are budgeted in these divisions.

DIVISION SUMMARY

10770281 FIREHOUSE ART CENTER

MISSION:

The mission of the Firehouse Art Center is to serve as a vehicle for the visual arts to the citizens of Norman.

DESCRIPTION:

The Firehouse Art Center is a building owned and maintained by the City of Norman for the purpose of promoting and providing an opportunity for the visual arts to the citizens of Norman. The Firehouse Art Center, Inc. manages the day-to-day operations of the Firehouse. The City of Norman is currently providing funding for the utilities and a contribution to help allow continued operation of the center.

TOTAL COMMUNITY DEVELOPMENT FUND - CDBG (21)

MISSION:

The mission of the CDBG program is to promote the development of viable urban communities by providing decent housing, a suitable living environment, and expanded economic opportunities, principally for persons of low and moderate incomes. CDBG eligible activities are initiated and developed at the local level based upon the Community's needs, priorities, and benefits. The mission of the HOME Investment Partnership Program (HOME) provides formula grants to fund a wide range of activities including building, buying, and/or rehabilitation of affordable housing for rent or ownership or providing direct rental assistance to low-income people.

DESCRIPTION:

The Community Development Fund is a special revenue fund established to account for resources from a variety of federal programs funded by the Department of Housing & Urban Development. The fund activities include preparation and submission of grants, implementation and management of projects, monitoring of activities, and record keeping and reporting. Fund divisions reflect multi-year funding as well as different grant programs.

DEPARTMENT SERVICE EFFORTS AND ACCOMPLISHMENTS

COMMUNITY DEVELOPMENT FUND

GOALS:

- To provide resources to low-to-moderate income residents of targeted areas to revitalize the infrastructure of their residential areas according to an approved Consolidated Plan, with emphasis on leveraging other resources to accomplish as many improvements as possible.
 - To assist social service providers who serve low-to-moderate income persons in the City in finding resources.
 - To provide resources for a variety of housing programs to rehabilitate existing housing, including accessibility modifications and emergency repairs; and, to assist in the development of affordable rental housing.
 - To provide resources to address the continuum of care for homeless persons by serving as the Collaborative Applicant for the Cleveland County Continuum of Care (OK-504).
 - To continue support of an anti-poverty program to improve the general quality of life in the community.
 - To acquire new resources for the City from available grant funds on a competitive basis through collaborative efforts with other agencies to address unmet needs.
-

OBJECTIVES:

- Facilitate the design and construction of infrastructure projects that primarily benefit low and moderate income areas of the City.
 - Provide technical assistance to social service providers.
 - Continue existing housing rehabilitation programs and review and potentially implement additional programs to address more households.
 - Continue to facilitate the Continuum of Care Steering Committee as the lead entity for Cleveland County (OK-504); assist providers of homeless services in an effort to expand the continuum of care from prevention to permanent housing.
 - Partner with and/or provide technical assistance to other appropriate local agencies to acquire new resources to address the needs of low-to-moderate income persons.
 - Apply for additional resources, which are available on a competitive basis, to address the needs of low-to-moderate income persons.
-

FUND SUMMARY

TOTAL PUBLIC SAFETY SALES TAX FUND (15)

MISSION:

On May 13, 2008, the citizens of Norman passed a 7-year, one-half percent (1/2%) Public Safety Sales Tax (PSST) in order to increase the number of police officers and firefighters, and to construct two new fire stations. Ordinance O-0708-32 authorized the City to assess the new sales tax beginning October 1, 2008, and terminating on September 30, 2015. On April 1, 2014, the citizens passed a permanent one-half percent (1/2%) PSST in order to maintain the personnel added and to fund public safety equipment and projects.

DESCRIPTION:

The Public Safety Sales Tax Fund accounts for the revenues and expenditures related to the Public Safety Sales Tax. Both Police and Fire Departments have divisions in this Fund to account for the expenditures incurred related to the tax.

DIVISION SERVICE EFFORTS AND ACCOMPLISHMENTS

CRIMINAL INVESTIGATIONS – PUBLIC SAFETY SALES TAX

GOALS:

- Identify needs and implement processes for successful leadership transitions, employee development, and resource needs for organizational growth, resilience, and accountability.
- Establish, facilitate, and participate in focused activities and community efforts intended to promote and strengthen community partnerships, build trust between citizens and officers, and increase shared mutual respect. And to Establish long term programs and resources for improvement of all employees overall emotional and physical wellness and safety so that they are equipped to care for themselves, their loved ones, each other, and our community.
- Work in partnership with local, state, and regional partners to identify concerns and develop creative solutions to our community's growing number of homeless, substance dependent, and mental health consumers.
- Expand knowledge, understanding, collection, and use of statistical data to allow for effective allocation of resources, reduce social harms, and improve quality of life for our community, its residents and its visitors.

OBJECTIVES:

- Define and implement victim advocacy program
- Complete staffing evaluation and planning for future growth of the investigative division
- Ensure completion of investigative follow-up and citizen feedback processes on all reasonable cases with related tracking of such activities
- Develop monthly relevant public safety tip focused on community safety and education for public distribution through PIO

DIVISION SERVICE EFFORTS AND ACCOMPLISHMENTS

EMERGENCY COMMUNICATIONS - PUBLIC SAFETY SALES TAX

GOALS:

- Reduce our community's social harms and improve the overall quality of life for our community's residents, visitors, and businesses.
- Develop and expand community partnerships to cultivate solutions to community concerns, including crime and fear of crime, while improving relationships.
- Recruit and retain a highly skilled and motivated work force while ensuring opportunities for employee success, growth, and resilience.
- Ensure effective and efficient pathways and processes for effective communication between the department, our employees, partner organizations, and the public.
- Improve all employees overall emotional and physical wellness and safety so that they are equipped to care for themselves, their loved ones, each other, and our community.

OBJECTIVES:

- Develop a plan to provide interoperability solutions to allow for communication with neighboring agencies.
- Implement text to 911 along with region.
- Recruit and retain quality Communications Officers, turnover rate <10%
- Limit time to dispatch to < 60 seconds on 90% of all Fire/EMS and priority police calls
- Limit 911 answer time to < 10 seconds
- In conjunction with ACOG, implement regional Next Generation 911 (NG911) system.
- Limit administrative call queue time average to < 10 seconds
- Train all Dispatchers in CIT awareness.

DIVISION SUMMARY

15661322 PATROL

MISSION:

The mission of the Patrol Division is to provide immediate response and stability to emergency situations, investigate criminal activities, develop community partnerships, and proactively identify and resolve public safety concerns of our community.

DESCRIPTION:

The Patrol Division is comprised of three Patrol Sections, Traffic and Parking Services, and the Community Outreach Section. The division provides around the clock response to emergency calls for assistance, provides directed proactive patrols, detain and arrest suspects who have warrants or have violated laws, provide initial investigations of criminal matters, investigate traffic collisions, and enforce traffic laws. The division uses a community policing approach to develop community partnerships intended to build community trust, improve accountability, and identify and resolve concerns of the community. The division provides extensive community outreach and crime prevention programs and partners with other community agencies in a unified effort to address homelessness and mental health concerns in our community.

DIVISION SERVICE EFFORTS AND ACCOMPLISHMENTS

PATROL – PUBLIC SAFETY SALES TAX

GOALS:

- Establish, facilitate, or participate in focused activities and community efforts intended to promote and strengthen community partnerships, build trust between citizens and officers, and increase shared mutual respect.
- Establish long term programs and resources for improvement of all employees overall emotional and physical wellenss and safety so that they are equipped to care for themselves, their loved ones, each other, and our community.
- Expand knowledge, understanding, collection, and use of statistical data to allow for effective allocation of resources, reduce social harms, and improve quality of life for our community, its residents and its visitors.
- Work in partnership with local, state, and regional partners to identify concerns and develop creative solutions to our community's growing number of homeless, substance dependant, and mental health consumers.
- Identify needs and implement processes for successful leadership transitions, internal preparedness, employee development, and resource needs for continued growth, resilience, and accountability.

OBJECTIVES:

- Provide ongoing information sharing and public education opportunities.
- Develop and implement an effective operational plan for addressing crime, traffic and social harm concerns.
- Provide public and internal outreach to ensure local mental health and homeless resources are known and available to those needing them.
- Participate in development of COCMHC multi-agency team to respond to mental health community members in need of services/evaluation.
- Evaluate current and future staffing and deployment needs.
- Review and update department ICS/NIMS program to ensure successful response to large scale critical incident.
- Development of functional out of class program that produces competent and capable out of class field level supervisors. (L&P).

DEPARTMENT SUMMARY

TOTAL PUBLIC WORKS – PUBLIC SAFETY SALES TAX FUND (15)

MISSION:

The mission of the Public Works Department is to provide exceptional transportation, stormwater/flood control and subdivision development services to the citizens of Norman.

DESCRIPTION:

The Public Works Department is organized into six functional divisions: Administration, Engineering, Fleet Management, Streets, Stormwater, and Traffic Control. The Department provides transportation, stormwater/flood control and subdivision development services through the development review, construction, reconstruction, operation and maintenance of public infrastructure. It provides support to every City department through specification development, acquisition assistance, and maintenance of the City fleet.

DIVISION SUMMARY

15550172 FLEET EVT

MISSION:

The mission of the Fleet Emergency Vehicle Technician (EVT) Division is to service and maintain the City's Public Safety fleets for the Police and Fire Departments, and support them during natural disaster events, fire events, and remote training where vehicle support may be required.

DESCRIPTION:

The Public Safety Fleet Division, known as the Emergency Vehicle Technician (EVT) Division, is tasked with the maintenance, repair, and procurement of the City's Public Safety fleet for the Police and Fire Departments. This Division consists of 1 Supervisor, 1 EVT Specialist, and 1 EVT Mechanic II. These 3 employees are responsible for 70 units for the Fire Department and 3 units for the Police Department. These include all pumper/tanker and ladder units for the Fire Department, as well as the SWAT and Mobile Emergency Command Center for the Police Department. Our Specialist and Mechanic maintain master status in the Heavy Truck Automotive Service Excellence (ASE) as well as master certification in the Emergency Vehicle Technician (EVT) program. The EVT division supplies support for the Police and Fire Departments during natural disaster events as well as training events such as the Police Department's Law Enforcement Driver Training (LEDT) courses.

DIVISION SERVICE EFFORTS AND ACCOMPLISHMENTS

FLEET - EVT

GOALS:

- Provide safe and reliable repairs for the Public Safety Fleet.
- Maintain the ASE Blue Seal of Excellence Program and keep the Fleet facility ASE certified.
- Allocate funds and provide specifications for the replacement of our Heavy Fire and Police Fleet units.
- Provide outsourcing for repairs not provided in-house for vehicles and equipment.
- Deliver the highest level of customer service.
- Complete 80% of repairs in 24 hours and 90% of repairs in 48 hours.
- Provide 85% on demand for parts non-consumables; 90% of parts requirements will be available within 4 business hours; 98% on demand of repair parts designated as preventative maintenance requirements.
- Uphold a higher standard relationship with all customers.
- Productivity goal of 72% or above.
- 95% overall equipment availability at any given time.

OBJECTIVES:

- Deliver the highest level of customer service as well as availability of our Public Safety Fleet units.
- Conduct all department business in an ethical and timely manner.
- Always take a proactive rather than reactive approach to identify problems or issues and initiate corrective action immediately.
- Increase the awareness of the City's personnel in the need to support the Preventive Maintenance Service program for vehicles and equipment so that safety standards are continually met, liabilities are reduced, and an overall reduction in repair costs can be achieved.
- Benchmark repairs with industry standards.
- Keep come-back repairs to a minimum (<5%).

DIVISION SUMMARY

27550276 FLEET REPAIR TRANSIT

MISSION:

The mission of the Public Works Fleet Public Transit Division is to provide safe, cost effective and sanitary public transportation to include para-transit routes for those who cannot access a fixed route bus stop to travel in and around the City of Norman.

DESCRIPTION:

The Public Works Fleet Public Transit Division is comprised of 1 Shop Supervisor, 1 Transit Specialist, 1 Transit Service Technician, and 2 Transit Mechanic II's. These 5 employees are responsible for the daily availability, preventative maintenance and repair of the City's 28 transit buses and associated equipment as well as 3 transit support vehicles. 14 of these units are powered by clean burning CNG engines. It is the goal of the Public Transit Division to have the daily pre-requested units available for operations by our contractor before 05:15 every weekday morning.

DIVISION SERVICE EFFORTS AND ACCOMPLISHMENTS

FLEET REPAIR TRANSIT – PUBLIC TRANSPORTATION

GOALS:

- Provide safe and reliable repairs for the Public Transit Fleet.
- Maintain the ASE Blue Seal of Excellence Program and keep the Fleet facility ASE certified.
- Allocate funds and provide specifications for the replacement the Transit Fleet.
- Provide outsourcing for repairs not provided in-house for vehicles and equipment.
- Deliver the highest level of customer service.
- Complete 80% of repairs in 24 hours and 90% of repairs in 48 hours.
- Provide 85% on demand for parts non-consumables; 90% of parts requirements will be available within 4 business hours; 98% on demand of repair parts designated as preventative maintenance requirements.
- Uphold a higher standard relationship with all customers.
- Productivity goal of 72% or above.
- 95% overall equipment availability at any given time.

OBJECTIVES:

- Deliver the highest level of customer service.
- Conduct all Department business in an ethical and timely manner.
- Always take a proactive rather than reactive approach to identify problems or issues and initiate corrective action immediately.
- Increase the awareness of the City's personnel in the need to support the Preventive Maintenance Service program for vehicles and equipment so that safety standards are continually met, liabilities are reduced, and an overall reduction in repair costs can be achieved.
- Benchmark repairs with industry standards.
- Keep come-back repairs to a minimum (<5%).

DIVISION SUMMARY

27550277 TRANSIT AND PARKING ADMINISTRATION

MISSION:

The mission of the Transit and Parking Administration Division is to provide safe, reliable, and efficient public transportation services to the citizens and visitors of the City of Norman.

DESCRIPTION:

The Transit and Parking Division consists of 3 full time City staff that provide the following services:

- Oversight of a third party contractor for transit operations (30+ employees) to ensure compliance with local, state, and federal requirements
- Research, apply, and manage grants related to public transportation
- Research, review, coordinate, and implement public transit service changes as necessary
- Ensure the City of Norman remains in compliance with various federal requirements
- Investigate and take appropriate action in response to complaints/inquiries from the public and initiate improvements to eliminate issues as necessary

DIVISION SERVICE EFFORTS AND ACCOMPLISHMENTS

TRANSIT AND PARKING ADMINISTRATION - PUBLIC TRANSPORTATION

GOALS:

- Provide a safe, reliable, and efficient public transit service to citizens and visitors in order to increase access to and from destinations in Norman.
- Provide accessible and convenient public parking services to citizens and visitors in order to meet community needs and goals.
- Provide exceptional customer service to citizens and visitors of Norman in order to provide a more positive experience when using public transit and parking services.

OBJECTIVES:

- To plan for and make improvements outlined in the updated transit long range plan, to improve overall satisfaction in public transit service, to improve reliability of transit by increasing on-time performance, and to continue to provide safe public transit service and attract both old and new passengers as COVID-19 capacity restrictions are discontinued as appropriate.
- To plan for and make improvements outlined in the parking strategic plan, to improve user-friendliness of parking technologies, and to enhance the parking experience in Norman in an effort to support the community's strategic goals.

FUND SUMMARY

TOTAL WESTWOOD PARK FUND (29)

MISSION:

Westwood Park is committed to providing accessible, attractive, enjoyable and safe park facilities and recreational activities for the citizens of Norman.

DESCRIPTION:

Westwood Park Fund is responsible for the management of the park system, recreational facilities and programs and the Westwood Park Complex.

Beginning in FYE 2010, the Westwood Park Fund was classified as a Special Revenue Fund instead of an Enterprise Fund due to a change in City course of action regarding Westwood Golf and Pool operations.

DIVISION SERVICE EFFORTS AND ACCOMPLISHMENTS

WESTWOOD GOLF COURSE

GOALS:

- To grow the game of golf and create future interest in Westwood as an amenity that can be utilized for individual or family recreation, social activity and as a conduit to conduct business for Norman citizens and citizens from across the state.
- To continue to improve the course and provide an excellent golf facility with outstanding customer service and satisfaction.
- To increase revenue by increasing regular rounds of golf played, memberships, association activity and tournament play.
- To create junior, women's and couples play.

OBJECTIVES:

- Continue to improve membership programs and promote the men's, women's and junior associations to increase customer loyalty and frequency of play by implementing current trend indicators in the golf industry (pricing, programs and procedures) that influence our geographic location.
- Keep membership, association members and all players informed by emailing notices and having greater website ability becoming more proactive to the informational needs of the golfing community.
- Promote the game of golf through our professional teaching staff that has knowledge of golfing technique, principals and equipment to provide the individual golfer's game.
- Support junior clinics and the Junior Golf Academy.
- Continue the First Tee junior golf program.
- Continue to promote couples and family play and tournaments.

DIVISION SUMMARY

29970231 WESTWOOD GOLF MAINTENANCE

MISSION:

To provide a quality championship golfing facility which will be an asset to the Norman community, as well as an attraction for out of town visitors.

DESCRIPTION:

The Westwood Maintenance Division is responsible for maintaining the grounds and equipment at Westwood Park. The facility is a 137-acre complex, which includes an 18-hole championship golf course, 12 lighted tennis courts, a park with playground and pavilion, a 250-space parking lot and a swim complex. The golf course has approximately 65 acres of intensely maintained turf. There are five full time staff members and approximately 6,000 man-hours of temporary labor during the growing season.

DIVISION SERVICE EFFORTS AND ACCOMPLISHMENTS

WESTWOOD GOLF MAINTENANCE

GOALS:

- To maintain a high level of customer satisfaction with the golf course operations.
- To maintain a golf cart fleet that is comfortable, easy to operate, safe and trouble free for the customer.
- To maintain putting greens and other turf areas that are consistent, have a good pace and allow for healthy vigorous turf.
- To provide a safe working environment for Westwood staff.
- To collect customer satisfaction data by customer surveys.

OBJECTIVES:

- Provide a program for customer comments.
- Produce vigorous turf using good cultural practices, as well as an integrated pest management system.
- Conduct regular safety meetings and training sessions.
- Initiate renovation projects.
- Monitor and improve quality of turf on the golf course.
- Achieve 95% customer satisfaction level.

Enterprise Funds

ENTERPRISE FUNDS

The Enterprise Funds account for operations that are financed and operated in a manner similar to private business enterprises - where the intent of the City is that the costs (expenses, including depreciation) of providing goods or services to the general public on a continuing basis be financed or recovered primarily through user charges, or where the City Council has decided that periodic determination of revenues earned, expenses incurred, and/or net income is appropriate for capital maintenance, public policy, management control, accountability or other purposes.

UTILITIES DEPARTMENT

DEPARTMENT SUMMARY

TOTAL UTILITIES DEPARTMENT

MISSION:

Providing environmentally sound, efficient utility service to our customers in a professional, safe manner at sustainable rates.

DESCRIPTION:

To manage, account for and administer the water system, water reclamation system, and sanitation services for the City of Norman. The department spans five separate Funds: the Water Fund, the Water Reclamation Fund, the Sewer Maintenance Fund, the New Development Excise Fund, and the Sanitation Fund.

DEPARTMENT SERVICE EFFORTS AND ACCOMPLISHMENTS

UTILITIES DEPARTMENT

GOALS:

- Protect the environment and provide a cleaner, greener Norman for our customers.
 - Improve services and minimize costs for our water, water reclamation and sanitation customers through long-term planning, proper maintenance of our systems, proper contract and compliance management, by increasing employee knowledge through training and implementing new technologies where practical and cost effective.
 - Increase knowledge of the general public regarding the capabilities of our utility systems and our need to maintain compliance with existing and proposed regulatory requirements.
 - Provide a safe workplace for our staff, our contractors, and the general public by minimizing safety related accidents and associated costs.
-

OBJECTIVES:

- Protect the Environment:
 1. Provide safe reliable potable water that meets and exceeds all State and Federal regulations at a reasonable cost for our customers.
 2. Implement best available, cost efficient, treatment technologies to minimize pollutant discharges in our effluent.
 3. Eliminate sewer overflows during rainfall and construction.
 4. Provide safe and environmentally approved collection and disposal of municipal solid waste for all Norman residents.
 5. Implement construction related Best Management Practices to protect stormwaters.
 - Improve Utility Services and Minimize Costs:
 1. Consider adopted land use plan during planning phase for future projects.
 2. Expand Water Reclamation Facility (WRF) capacity in advance of development in order to maintain the quality of effluent discharged and avoid any WRF bypass of wastewater.
 3. Utilize and maintain water and water reclamation models to determine proper sizing of water distribution and wastewater collection systems to keep pace with development.
 4. Explore alternative funding opportunities (grant funding) to minimize user fees for our customers.
 5. Repair or replace deteriorated sanitary sewer lines and perform before and after flow monitoring to document reduction of infiltration and inflow into the collection system.
 6. Maintain compliance with existing and proposed rules and regulations, and grant conditions where applicable.
 7. Provide timely review of development plans and specifications, and coordinate collection of payback fees and excise tax fees with the Planning Department.
 8. Review City of Norman water, water reclamation and solid waste regulations and, if required, coordinate annual updates with the Public Works Department.
 - Increase Knowledge of the General Public:
 1. Inform the public regarding the need for utility improvements prior to and during implementation.
 2. Educate our customers regarding available technologies and the advantages of implementation.
 3. Expand the discussion of treated effluent reuse for irrigation, process water and educate the public regarding the advantages of indirect reuse as a water supply.
 4. Inform the public regarding changes to regulations and the impact on the cost of our services.
 5. Increase knowledge of employees so they can advance into higher positions.
 - Provide a safe workplace:
 1. Minimize Capital Improvement Projects (CIP) construction related accidents or injuries.
 2. Maximize OSHA compliance by CIP contractors and City staff.
 3. Ensure submission of and compliance with Traffic Control Plans.
 4. Reduce citizen complaints during construction.
-

DIVISION SERVICE EFFORTS AND ACCOMPLISHMENTS

SANITATION / COMPOST OPERATIONS

GOALS:

- Recycle yard waste into compost that meets or exceeds commercial quality standards within 120 days of receipt.
- Provide full access to clients that desire to obtain compost or dispose of yard waste at the compost facility.
- Protect the environment by ongoing efforts to promote the compost program.
- Provide for the safety of the employees and public.
- Sell loading services for 14,000 cubic yards of mulch, at \$2.00 per yard.

OBJECTIVES:

- Encourage citizens to recycle yard waste and divert yard waste from the landfill.
- Provide a safe working environment for all employees by providing proper safety equipment and training.
- Improve the quality of the compost by reducing dust, odor, and the speed of maturing process.
- Score 100% on all ODEQ inspections.

PERFORMANCE MEASUREMENTS - RESULTS REPORT:

DIVISION SUMMARY

33950171 SANITATION / FLEET REPAIR

MISSION:

To provide quality sanitation services to the citizens and businesses in the City of Norman in a dependable manner.

DESCRIPTION:

In previous years the interfund transfer from the Sanitation Fund to the General Fund was made for the Salary and Benefits of a Fleet Auto Parts Assistant assigned to repair sanitation vehicles. Beginning in FYE 12, this cost is directly charged to this Sanitation Division. In FYE 14 the Fleet Auto Parts Assistant was reclassified to an Administrative Technician position. The salary and benefits of a Mechanic II are charged to this division beginning in FYE 15 as a replacement.

DIVISION SUMMARY

33955166 SANITATION / RECYCLING OPERATION

MISSION:

The mission of the City of Norman Recycling Department is to provide a cost effective, informative way for our residents to recycle. This will be accomplished through coordinated administrative, operational and educational projects in waste reduction, reuse, recycling and disposal.

DESCRIPTION:

The Recycling Department of the Sanitation Division collects recyclables from local businesses and recycles centers placed throughout the city. The Recycling Department oversees a private contractor that collects our resident's recyclables at the curb. The Recycling Department holds said contractor to the same standard of services our residents have come to expect from our Sanitation Division.

- To maintain a recycling program that is convenient to the citizens of Norman
- To operate a recycling program that is cost effective
- To promote reuse of recycled materials
- To ensure employee safety

OBJECTIVES:

- Manage the program where proceeds from recyclable materials are at the highest prices available to the City of Norman.
- Encourage citizens to recycle and divert recyclable waste out of the landfill.
- Provide a safe working environment for all employees by providing proper safety equipment and training.

DIVISION SUMMARY

33955161 SANITATION / RESIDENTIAL COLLECTION

MISSION:

To provide an efficient, cost effective, and sustainable, integrated solid waste management program. To provide garbage collection, processing, and disposal services for residential customers by friendly, knowledgeable people.

DESCRIPTION:

The Sanitation Division provides once a week curbside collection of residential garbage inside the City and once a week curbside collection of residential garbage in the rural areas of the City of Norman. The Sanitation Division also collects household junk curbside inside the city and rural areas of the City of Norman. The Sanitation Division collects household junk twice a month for a fee. The Sanitation Division collects household junk twice per year, at no charge to the residents, during spring and fall cleanups.

DIVISION SERVICE EFFORTS AND ACCOMPLISHMENTS

SANITATION / RESIDENTIAL COLLECTION

GOALS:

- Provide a safe, effective and efficient automated collection system for residential solid waste.
- Divide the increasing customer base into manageable routes to provide timely customer service.
- Maintain and improve the appearance of the City.

OBJECTIVES:

- Improve the high level of customer service we are providing.
- Provide employee and customer education.
- Provide spring and fall clean-up events.
- Provide vehicle accident and personal injury prevention training.
- Continue monitoring the customer base to provide effective and efficient Residential Solid Waste collection.

PERFORMANCE MEASUREMENTS - RESULTS REPORT:

DIVISION SUMMARY

33930122 SANITATION / UTILITY SERVICES

MISSION:

To provide quality sanitation services to the citizens and businesses in the City of Norman in a dependable manner.

DESCRIPTION:

In previous years an interfund transfer from the Sanitation Fund to the General Fund was made for the salary and benefits of a Meter Reader, Meter Service Rep., and a Customer Service Rep. I in the Utility Services Division of the Finance Department. One-third of the total cost is charged here beginning in FYE 19. The other two-thirds are split between the Water and Water Reclamation Funds.

DIVISION SUMMARY

33955163 SANITATION / WASTE DISPOSAL

MISSION:

The mission of the City of Norman Transfer Station is to provide a convenient, clean and environmentally sound facility for our commercial trucks, as well as all residential homeowners, and commercial customers. This will be accomplished through coordinated administrative, operational, and educational projects in waste reduction, reuse, and recycling.

DESCRIPTION:

The City of Norman Transfer Station receives solid waste including household garbage, yard waste, construction debris, and tires. The City of Norman Transfer Station loads garbage into transfer trailers, and transports it to the Oklahoma City landfill. Yard waste is processed at the compost facility. Tires are collected and transported by a licensed tire processing and recycling facility. There is a recycling drop center hub located at the facility.

DIVISION SERVICE EFFORTS AND ACCOMPLISHMENTS

SANITATION / WASTE DISPOSAL

GOALS:

- Transfer all solid waste from the City of Norman Transfer Station within 48 hours and provide citizens a direct disposal opportunity.
- Provide an environmentally safe place to dispose of household waste at a reasonable rate.

OBJECTIVES:

- Utilize six transport trucks and trailers at all times during working conditions.
- Reduce blowing litter from transport trucks in route to the landfill.
- Maintain a clean site, free of loose litter.
- Provide full access to clients that desire to dispose of waste at the transfer station.
- Provide a safe working environment for all employees by providing proper safety equipment and training.

PERFORMANCE MEASUREMENTS - RESULTS REPORT:

	FYE 20 ACTUAL	FYE 21 ACTUAL	FYE 22 PLAN	FYE 22 ESTIMATE	FYE 23 PROJECTED
PERFORMANCE INDICATORS:					
Tons of municipal solid waste transported to landfill	104,224	108,954	110,000	120,000	125,000
Disposal Cost	\$2,165,167	\$2,212,852	\$2,270,000	\$2,640,000	\$2,750,000

DIVISION SUMMARY

033 – SANITATION / CAPITAL PROJECTS

MISSION:

Our goal is to invest in ifrastrucutre that will provide low cost solid waste management for the next 30+ years.

DESCRIPTION:

The Sanitation Division is keeping long term mentality that insures low cost solid waste management for the rate payers in Norman for many years to come. Most of the investment will be in permanent structures that will be built with the City.

FUND SUMMARY

TOTAL WATER RECLAMATION FUND (32)

MISSION:

The mission of the Water Reclamation Division is to transport and treat all wastewater, received into the City's sewer system, to a sufficient quality that no negative environmental impact will occur to the South Canadian River and agricultural application site.

DESCRIPTION:

The Water Reclamation Division's responsibility is to transport and treat all wastewater discharged into the City of Norman's sewer system, to a sufficient quality before discharging it into the South Canadian River. In FYE 02, the Water Reclamation Fund reorganized into 5 separate cost centers. On October 1, 2002, a new Sewer Maintenance Fund was created to account for the revenues and operations of the previous Sewer Line Maintenance cost center. In FYE 15, the sewer line maintenance operations were transferred from the Sewer Maintenance Fund.

DIVISION SERVICE EFFORTS AND ACCOMPLISHMENTS

WATER RECLAMATION / ADMINISTRATION

GOALS:

- Maintain permitted water quality requirements.
- Reduce operational and maintenance cost.
- Provide safe working conditions for all plant staff.
- Cross-train the majority of the staff members in operations, maintenance, centrifuge operations and laboratory analysis.

OBJECTIVES:

- Improve energy conservation through enhanced operator and maintenance input.
- Continue providing safety training for all staff members.
- Provide training for operators and maintenance staff for license upgrades.
- Facilitate cross-training by giving employees time to cross-train in other departments.

PERFORMANCE MEASUREMENTS - RESULTS REPORT:

DIVISION SUMMARY

32955145 WATER RECLAMATION / BIO-SOLIDS

MISSION:

To transport environmental safe bio-solids for beneficial usage on regulated farmlands and assist administration, maintenance, and operations in the performance of their duties.

DESCRIPTION:

Bio-solids sub-division operates all solids handling and dewatering equipment. They also transport our bio-solids to either our land application sites or landfill. They are responsible for the operations of heavy equipment including front-end loaders, field tractors, forklifts, mowers, semi-tractor trailers and other equipment at the facility. This sub-division consist of 3 heavy equipment operators.

DIVISON SUMMARY

32950510 WATER RECLAMATION / ENGINEERING

MISSION:

To provide an environmentally safe, efficient and cost-effective wastewater treatment to the community for discharge to the South Canadian River.

DESCRIPTION:

In previous years, an interfund transfer from the Water Reclamation Fund to the General Fund was made for 25% of the salary and benefits of a Development Engineer in the Public Works Department. Beginning in FYE 12, this cost is directly charged to this Water Reclamation division.

DIVISION SUMMARY

32955343 WATER RECLAMATION / ENVIRONMENTAL SERVICES

MISSION:

- To help protect human health, the environment, and the publicly owned treatment works.
- To help ensure City compliance with its Oklahoma Pollutant Discharge Elimination System (OPDES) and other regulatory permits.
- To advise and assist the City of Norman to develop sustainable measures, practices, buildings, and fleets that are environmentally, economically, and socially responsible.
- To assist citizens, businesses and the City government in preventing pollution.
- To enable smart choices for our community and its residents by promoting, through education, outreach and awareness efforts, energy, fuel, and water conservation; investment in renewable energy; reduction of waste; and protection and restoration of the community's resources.
- To provide a safe and reliable place for residents to reuse, recycle and/or dispose of household hazardous materials.
- Act as the Utilities Department representative on environmental issues.

DESCRIPTION:

The Environmental Services Division provides support to various City Departments and Divisions by monitoring and controlling pollutants from businesses that could cause harm to employees, residents, environment and City property and by helping them maintain compliance with environmental permits and requirements, as well as providing support and advice in the adoption of environmental and conservatorial activities, plans and programs. This support is accomplished through programs such as the Industrial Pretreatment Program, the Fats, Oil, and Grease program, the Backflow Prevention program, the Household Hazardous Waste Facility, and other programs. This Division is the liaison with the Environmental Control Advisory Board which is a board responsible for education. This Division works with Departments and Divisions to plan and implement environmental and sustainability measures to protect and restore the community's environment. In addition, this division is responsible for planning the Earth Day Festival and Earth Month activities, as well as other participatory, educational, outreach and awareness events.

DIVISION SERVICE EFFORTS AND ACCOMPLISHMENTS

WATER RECLAMATION / ENVIRONMENTAL SERVICES

GOALS:

- To be in full compliance with Federal and State Pretreatment Regulations
- To provide the tools and training to have an educated staff with accurate, reliable information
- To provide a safe work environment
- To help protect the infrastructure of the Utilities Department.
- To aid in protecting residents and the environment from pollution
- To educate businesses and the community on environmental issues, pollution prevention and waste reduction
- To provide technical support to the Utilities Department and all departments
- To recover costs for excessive strength waste and laboratory analysis and strive to reduce costs for other programs

OBJECTIVES:

- To be the city liaison and provide assistance to the Environmental Control Advisory Board with public education and providing guidance to Council.
- Maintain Green Norman website.
- Continue coordination of the Earth Day Festival and Earth Month activities.
- Provide a safe and reliable place for residents to reuse, recycle, or dispose of their household hazardous waste.
- Clearly communicate requirements for the Fats, Oil, and Grease (FOG) program, the Dental Amalgam Program and the Industrial Pretreatment Program to new and existing businesses.
- Provide technical advice, as related to Industrial Pretreatment, to other division/departments.
- Develop new programs and measures to meet emerging and future needs of division.

DIVISON SUMMARY

32955244 WATER RECLAMATION / LABORATORY

MISSION:

To collect and analyze water quality and bio-solids, and meet quality analysis/quality control (QA/QC) standards. To interpret lab analysis in order to provide operations staff and management accurate/reliable data in determining process control changes.

DESCRIPTION:

Laboratory staff consists of two lab technicians and one lab manager. Their responsibility is to analyze all wastewater samples which include influent, effluent, activated sludge, bio-solids and other samples. They also ship samples for other analyses including metals, bio-monitoring and other parameters as deemed necessary.

DIVISION SUMMARY

32955246 WATER RECLAMATION / OPERATIONS & MAINTENANCE

MISSION:

Operations: To monitor the treatment process and interpolate lab data to make proper adjustments and to facilitate environmentally safe effluent. To maintain necessary monitoring records as required by management and regulatory agencies.

Maintenance: To maintain all treatment processes through preventative maintenance tasks, scheduled and unscheduled maintenance, repairing, calibrating, and monitoring of all equipment, and maintain maintenance records of that equipment.

DESCRIPTION:

Operations staff consists of 4 shift operators. Their main focus is to assure the treatment processes are performing as designed. Maintenance staff consist of a crew chief, a plant mechanic, a maintenance worker II, a maintenance worker I, and 2 maintenance operators. Maintenance staff maintain the treatment equipment to design standards as well as other duties.

DIVISION SUMMARY

32955252 WATER RECLAMATION / SEWER LINE MAINTENANCE

MISSION:

To safely transport wastewater from the community and commerce to the water reclamation facility. The wastewater collection system is maintained to minimize service disruptions, household backups, and overflows into the environment. Public health and safety are the primary focus of this Division along with employee safety and development.

DESCRIPTION:

Sewer Line Maintenance personnel maintain approximately 500.8 miles of gravity mains, 13 miles of force mains, 4.7 miles of service laterals, 12,191 manholes, and 13 sewage lift stations. Personnel are on duty from 8:00 a.m. to 5:00 pm Monday-Friday, and on call 24 hours a day to ensure quick response to main breaks, sewer main stoppages, overflows and lift station malfunctions.

DIVISION SERVICE EFFORTS AND ACCOMPLISHMENTS

WATER RECLAMATION / SEWER LINE MAINTENANCE

GOALS:

- Hydroclean 75% of 12" and under collection mains annually.
- Respond to and resolve collection system obstructions within 45 minutes during business hours.
- Respond to and resolve collection system obstructions within 2 hours during emergency call back.

OBJECTIVES:

- Minimize sewer backups
- Quick response to citizen and commerce requests for service
- Reduce on-the-job injuries
- Treat a minimum of 100,000 linear feet of sewer main for roots
- Clean a minimum of 1,500,000 feet of sewer main
- CCTV a minimum of 350,000 feet of sewer main
- Maintain a comprehensive lift station program
- Reduce number of unpermitted sanitary sewer overflows
- Acoustically survey 150,000 feet of sewer main.
- Respond to 95% of utility locate requests within 48 hours

FUND SUMMARY

TOTAL SEWER MAINTENANCE FUND (321)

MISSION:

The Sewer Line Maintenance Division is responsible for safely transporting wastewater from the community and commerce to the water reclamation facility. The wastewater collection system is maintained in such condition as to minimize service disruption, household backup or overflows into the environment. Public health and safety are the primary focus of this Division along with employee safety and development.

DESCRIPTION:

In FYE 15, the Sewer Line Maintenance Division was transferred to the Water Reclamation Fund.

DIVISION SUMMARY

32155253 UTILITIES INSPECTION

MISSION:

Provide quality control for the City of Norman's Water and Water Reclamation Capital Improvements Program while considering the best interest of the City of Norman, its citizens and the contractors performing the work.

DESCRIPTION:

Responsible for inspecting all stages of construction to identify problems and to ensure compliance with federal and state laws, City specifications, codes and regulations. Prepare necessary reports and maintain a daily log of construction activities. Advise and confer with citizens, contractors, engineers and City personnel concerning requirements, standards and/or changes that may be necessary for compliance with construction codes, specifications and regulations.

DIVISION SERVICE EFFORTS AND ACCOMPLISHMENTS

SEWER MAINTENANCE FUND / UTILITIES INSPECTION

GOALS:

- To ensure all work is performed and completed in accordance with City of Norman standards and specifications.
 - To provide the City of Norman with an efficient and effective water and wastewater distribution system.
 - Improve method of informing citizens of pending construction.
-

OBJECTIVES:

- Maintain accurate log of daily activity and construction progress. Daily reports for each project.
 - Maintain capital project photo library and as-built plans.
 - Attend seminars and educational classes to improve knowledge of water and wastewater operation.
 - Update and modify City of Norman standards details as necessary.
 - Test newly installed water/wastewater utilities.
 - Assist other departments as needed.
-

PERFORMANCE MEASUREMENTS - RESULTS REPORT:

	FYE 20 ACTUAL	FYE 21 ACTUAL	FYE 22 PLAN	FYE 23 ESTIMATE	FYE 23 PROJECTED
PERFORMANCE INDICATORS:					
Inspect all active projects once a day – 90% of the time	99%	99%	90%	97%	95%
Respond to public requests for information within 4 working hours – 90% of the time	100%	100%	90%	95%	90%

DIVISION SUMMARY

321- SEWER MAINTENANCE FUND / CAPITAL PROJECTS

MISSION:

To account for capital projects funded by the Sewer Line Maintenance Fund.

DESCRIPTION:

See Capital Improvements Five-Year Plan FYE 23 – FYE 27 for a detailed analysis of Sewer Line Maintenance Fund capital operations.

DIVISION SUMMARY

31955233 WATER / UTILITIES MODELING

MISSION:

To maintain accurate and complete GIS information relating to the City's water and wastewater assets and to make that information available to support utility planning operations; to facilitate the operation of water and wastewater models to assist in determining the impact of rehabilitation and new development on the city's utility infrastructure.

DESCRIPTION:

The division provides geographic data, analyses, and services to support the Department of utilities. The division serves as technical support to City applications that consume utility data, and assists in the integration of resources requiring a geographic component. The division also supports the reporting of utility asset information as required for regulatory compliance.

DIVISION SERVICE EFFORTS AND ACCOMPLISHMENTS

WATER / UTILITIES MODELING

GOALS:

- To maintain accurate and complete records of City's utility infrastructure to support planning and operations.
- To respond swiftly and courteously to requests for information and provide quality service.
- To promote integration among databases having a geographic component to improve the city's reporting and planning capacity.
- To improve access to GIS data for various utility divisions and maximize use.

OBJECTIVES:

- Produce appropriate informational maps and reports as interactive web mapping applications.
- Maintain water and wastewater datasets as current information.
- Reduce the time it takes to integrate utility improvements into the GIS database.
- Provide GIS configuration and asset maintenance support to the City software applications including; Tyler EAM, Advanced CIS Infinity, and CityView.
- Work with field personnel to improve the accuracy and completeness of GIS databases using GPS data collection.
- Facilitate operation of water wastewater modeling programs.
- Provide support to facilitate the integration of databases, to reduce duplication of effort, and promote efficiency.

PERFORMANCE MEASUREMENTS – RESULTS REPORT:

	FYE 20 ACTUAL	FYE 21 ACTUAL	FYE 22 PLAN	FYE 23 ESTIMATE	FYE 23 PROJECTED
PERFORMANCE INDICATORS:					
Complete all custom requests for data within 1 week or by specified deadline	n/a	n/a	99%	99%	99%
Complete map requests within 2 days or by specified deadline	100%	100%	99%	99%	99%
Update five water or sewer utility as-builts or incorporate 100 GPS points into the GIS database per month, depending on source availability	100%	100%	90%	100%	90%
Provide data and support to facilitate water and wastewater modeling efforts by specified deadline	100%	100%	99%	99%	99%

DIVISION SUMMARY

31955350 WATER / LINE MAINTENANCE ADMINISTRATION

MISSION:

The mission of the Line Maintenance division is to manage the daily operation and maintenance of the water distribution and wastewater collection systems in such a manner that reliable, effective and efficient service is provided to the citizenry of Norman.

DESCRIPTION:

Utility Line Maintenance Administration manages two sections, Water Line Maintenance and Sewer Line Maintenance, along with capital projects relating to the construction/rehabilitation of the water and collection systems. The administrative staff oversees all expenditures related to the division and follows, local, state and federal reporting procedures. All division employees including the administrative technicians are licensed by the Oklahoma Department of Environmental Quality (ODEQ). Administrative staff administers the required ODEQ training for staff members to ensure that necessary skills are obtained to safeguard public health and safety.

WATER / LINE MAINTENANCE ADMINISTRATION

GOALS:

- Manage the water and sewer maintenance sections in such a manner as to provide optimum services to the citizens of Norman.
- Arrange for annual training of all Division personnel to ensure compliance with State of Oklahoma licensing procedures and statutes.
- Adhere to state and federal guidelines for data collection and reporting.
- Prepare voluntary CMOM (Capacity, Management, Operation and Maintenance) report for the sewer system of the City of Norman for the Utilities Director.
- Process all Division-received invoices same day of receipt.
- Complete capital projects within the fiscal year.
- Manage the history of maintenance, repairs, and customer service requests utilizing the Munis asset management program.
- Continue to place a great emphasis on the proper management of its water and sewer system.

OBJECTIVES:

- Provide adequate training for all personnel.
- Provide efficient and effective assistance to citizens in resolving requests.
- Submit regulatory compliance data to state and federal agencies with rule-specific guidelines.
- Process all invoices when received to meet payment authorization schedule.
- Maintain an organized project meeting schedule to review the status of all Line Maintenance Division capital projects.
- Process all daily work report data utilizing work order system through the Munis program.
- Reduce lost time due to injuries through monthly safety training meetings.

PERFORMANCE MEASUREMENTS - RESULTS REPORT:

DIVISION SUMMARY

31955251 WATER / LINE MAINTENANCE

MISSION:

The mission of the Water Section of the Line Maintenance Division is to transport clean drinking water from point sources within the distribution system to public and private users. The water distribution system is to be maintained in such a manner that the drinking water is safe and that adequate fire suppression supply and storage is available at all times. Public health and safety are the primary focus of this section along with employee safety and development.

DESCRIPTION:

The Water Line Maintenance Division is responsible for maintaining approximately 634.2 miles of water lines, 6,604 fire hydrants, and 13,035 line valves, along with five water storage towers. New water meter services, as well as maintenance on over 40,854 existing water meters, are provided by Section staff. Personnel are on duty from 8am to 5pm, Monday - Friday, with all personnel subject to emergency callback 24/7 to ensure public health and safety.

DIVISION SERVICE EFFORTS AND ACCOMPLISHMENTS

WATER / LINE MAINTENANCE

GOALS:

- Maintain an infrastructure capable of transporting an adequate supply of potable water for the purpose of consumption, irrigation and fire suppression.
- Maintain a level of service for new meter installations so as not to create unnecessary delays in construction or disruption in customer service.
- Locate underground water lines as part of the Oklahoma One-Call System, Inc. to protect the City's infrastructure.
- Maintain residential Automatic Meter Reading (AMR) water meter installation.
- Maintain a comprehensive valve and fire hydrant maintenance program.
- Provide a stable and safe working environment.

OBJECTIVES:

- Minimize disruptions in customer service, by effectively maintaining the water distribution system, water towers, and fire hydrants.
- Respond to customer service requests within 30 minutes during business hours.
- Install new meters and services in an efficient manner. (National benchmark is 15.6 hours per set; City of Norman is less than 12 hours).
- Respond to 95% of Oklahoma One-Call System, Inc. locate calls for contractors and citizens of Norman within 48 hours.
- Install AMR/AMI water meters.
- Reduce on-the-job injuries through safety and education.
- Replace 4,500 linear feet of ductile iron and cast iron pipe annually.

PERFORMANCE MEASUREMENTS - RESULTS REPORT:

	FYE 20 ACTUAL	FYE 21 ACTUAL	PLAN	FYE 22 ESTIMATE	FYE 23 PROJECTED
PERFORMANCE INDICATORS:					
Average repair time: water off to water on (in hours)	2.4	1.66	2.2	2	2.2

Notes to Results Report:

AMR – Automated Meter Reading

OJI – On-the-job Injury

DIVISION SUMMARY

31955331 WATER / TREATMENT PLANT ADMINISTRATION

MISSION:

The overall mission of the Water Treatment Division is to efficiently provide safe high quality potable water to the City of Norman. The function of the Administration Division of the Water Production Group is to provide administration and over-sight of the other three water production divisions: Water Treatment Plant, Water Wells and Water Laboratory.

DESCRIPTION:

The Administration Division facilitates the work of the other water production divisions by coordinating work efforts, filing required reports, ordering materials and parts, ensuring safety of the workplace and providing training.

WATER / TREATMENT PLANT ADMINISTRATION

GOALS:

- To ensure employee safety and work to maintain an effective training program.
- Develop a public education program that includes: web based social media and public outreach at community events.
- Minimize the cost of water while maintaining quality.
- Develop interaction with staff on ideas to improve water treatment.

OBJECTIVES:

- Retain higher skilled workers and cross train workers.
- Improve the energy efficiency of the facility.
- Protect water levels and water quality in the ground water system.
- Minimize the cost of water produced by the division.

DIVISION SUMMARY

31955136 WATER / LABORATORY

MISSION:

- Efficiently provide and maintain a laboratory where Water Treatment Plant (WTP) staff can promptly and accurately analyze water samples for various chemical and bacterial constituents.
- Effectively communicate with WTP staff in an effort to meet all DEQ and EPA regulated constituents and reporting requirements.
- Support other divisions.
- Educate the community about water safety and quality.
- Address citizen complaints and concerns regarding water quality of private water wells and City of Norman water system.

DESCRIPTION:

- Monitor water quality testing and accept responsibility for this data on Monthly Operations Report to the Oklahoma Department of Environmental Quality (ODEQ).
- Maintain the State Certification for the Bacteriological Laboratory.
- Collect and arrange for the analysis of tap, well, and distribution system samples for bacterial and chemical contamination.
- Communicate with DEQ to coordinate sampling and data reporting.
- Analyze samples from other public water systems and the public for bacterial contamination.
- Assist the public with drinking water complaints and private well contamination questions.

DIVISION SERVICE EFFORTS AND ACCOMPLISHMENTS

WATER / LABORATORY

GOALS:

- Maintain certification from the DEQ for bacterial testing.
- Minimize the number of bacterial samples rejected due to lab error.
- Ensure the WTP and Well field meet all DEQ and EPA regulations for water quality, testing, monitoring and reporting.
- Respond to customer complaints and inquiries in a professional and timely manner.
- Maintain records of the Water Treatment testing for use by ODEQ, citizens, staff, and consultants for a minimum of 10 years.
- Maintain an organized schedule for completing all necessary sample collections and ensure staff understands all standard operating procedures to collect and carry out any analyses.

OBJECTIVES:

- Microbiology Laboratory will pass all performance tests and DEQ inspections.
- Collect all required samples, submit for analysis, and review data for accuracy.
- Submit all data to regulatory agencies within the allowed timeframe.
- Fully document all complaints, inquiries in writing and respond to each situation appropriately.
- Staff will read and understand all completed standard operating procedures, and create new procedures when they arise, as well as complete an annual Laboratory Assessment.

DIVISION SERVICE EFFORTS AND ACCOMPLISHMENTS

WATER / TREATMENT PLANT

GOALS:

- Operate the water plant to meet demand, maintain water quality, and monitor cost.
- Maintain the water plant in good operating condition.

OBJECTIVES:

- Maintain tap turbidity below 0.10 NTU.**
- Continue use of maintenance database to capture the maintenance activities of the plant staff.

PERFORMANCE MEASUREMENTS – RESULTS REPORT:

	FYE 20 ACTUAL	FYE 21 ACTUAL	FYE 22 PLAN	FYE 23 ESTIMATE	FYE 23 PROJECTED
PERFORMANCE INDICATORS:					
Percentage of time tap turbidity was less than 0.1 NTU (quality)	90.6%	87.70%	95%	91.6%	100%
Percent of bacteriologically “Safe” compliance water samples	99.91%	99.81%	99.50%	99.92%	100%
Number of complaints on water quality or pressure	36	37	50	35	40
Water production, million gallons per day					
Average day	13.4	13.9	13.2	13.7	13.7
Maximum day	22.2	26	22	21.2	22
Percentage of Lake Thunderbird Allocation used during the Water Year (Oct-Sept)	91%	90%	100%	100%	100%
Number of months more than 30.4 million gallons of water was purchased from Oklahoma City	2	4	0	1	0

Notes to Results Report:

The maximum day production FYE 21 was due to a line break. Lost an estimated 17 million gallons over a 4 day period.

**NTU, or Nephelometer Turbidity Units, is a measure of water clarity. Regulations require being less than 0.3 NTU for 95% of the time. Our standards are higher, being below 0.1 NTU for 95% of the time.

DIVISION SUMMARY

31930122 WATER / UTILITY SERVICES

MISSION:

To provide accurate and efficient billing services for the City of Norman utility customers; to be a customer advocate within City guidelines by providing modern, adaptable, quality focused customer support, responsive to the customers and their needs. The customer service area strives to educate customers regarding operating procedures, and to research and provide accurate and prompt information to requests made by citizens and intra-city departments.

DESCRIPTION:

In previous years an interfund transfer from the Water Fund to the General Fund was made for the salary and benefits of a Meter Reader, Meter Service Rep., and a Customer Service Rep. I in the Utility Services Division of the Finance Department. One-third of the total cost is charged here beginning in FYE 19. The other two-thirds are split between the Water and Water Reclamation Funds.

DIVISION SUMMARY

43122351 JUDGMENTS AND CLAIMS

MISSION:

Account for and monitor all expenditures related to judgments and claims.

DESCRIPTION:

Established to record all expenditures throughout the fiscal year relating to judgments and claims. A judgment is defined as an amount to be paid or collected by a government as the result of a court decision. Judgments are placed on ad valorem (property) rolls and revenues are transferred from Debt Service Fund to cover claims and expenditures.

Claims are defined in the Governmental Tort Claims Act and are paid administratively or by City Council approval.

DIVISION SUMMARY

43330102 WORKERS' COMPENSATION

MISSION:

To account for and monitor all workers' compensation related expenditures.

DESCRIPTION:

An account established to record all workers' compensation related expenditures throughout the fiscal year. The expenditures consist of payments on all on-the-job-injuries (OJI) medical treatments, subsequent workers' compensation temporary total disability (TTD) payments and workers' compensation court judgments related to an employee's original OJI injury. Claims are submitted to the Legal Department for review, and if approved, are paid directly by the City.

Capital Projects Funds

CAPITAL PROJECTS FUNDS

The Capital Projects Fund is established to account for capital projects funded with sales tax revenue. All capital projects, regardless of the source of funding, are identified and tracked in the Capital Improvements Plan document.

FUND SUMMARY

TOTAL CAPITAL PROJECTS FUND (50)

MISSION:

The mission of the Capital Projects Fund is to provide capital needs of the General Fund, supported services in accordance with City goals, policies and strategies as defined in COMPLAN and Five Year Capital Plan. Revenues are derived from the 70% of the second cent sales tax and part of the Room Tax that is dedicated to parks.

DESCRIPTION:

The Capital Improvements Fund is established to account for capital projects funded with sales tax money. Seventy percent (70%) of one cent (\$.01) sales tax is set aside for capital improvements and allocated as follows: 7% contingency, 27% capital outlay (primarily used for vehicle replacements, and other general departmental capital equipment needs), 25% street projects, 5% maintenance of facilities, and 36% other General Fund supporting capital projects. See the Capital Improvements Five-Year Plan FYE 22 - FYE 26 for a detailed analysis of Capital Project Fund.

FUND SUMMARY

TOTAL NORMAN FORWARD SALES TAX FUND (51)

MISSION:

Norman Forward is designed to improve the quality of life in Norman through renovating, expanding, constructing, and funding projects including multiple recreational facilities, libraries, parks, athletic venues, public art, trails, and swim complexes. Norman Forward also includes traffic improvements and an extension of the existing James Garner Avenue. A citizen-initiated proposal, Norman Forward will enhance the Norman community for generations to come.

DESCRIPTION:

To efficiently receive and monitor the use of revenues received through a 15-year earmarked sales tax dedicated to 12 projects spanning the entire city at an estimated cost of \$148 million, with other program expenses at an estimated cost of \$55.4 million. Sales tax collections began on January 1, 2016 and will continue for 15 years.

Outstanding Debt

OUTSTANDING DEBT

This section includes all outstanding debt related to the General Fund and the Enterprise Funds.

The General Debt Service Fund is established to account for the receipt of monies collected for the payment of general obligation debt and the receipt of monies for the reimbursement of claims and judgments that the City has been ordered to pay.

Schedules for debt service payments made by Enterprise Funds are also included.

FUND SUMMARY

TOTAL GENERAL DEBT SERVICE FUNDS (60)

MISSION:

The Debt Service Fund accounts for the accumulation of financial resources for the payment of interest and principal on the general long-term debt of the City, other than debt service payments made by enterprise funds.

DESCRIPTION:

Account for and monitor tax levies and other financial resources for the payment of interest and principal on the general long-term debt of the City of Norman.

Pension Funds

PENSION FUNDS

The City of Norman contributes to three separate retirement systems on behalf of City employees.

- Employee Retirement System
- Oklahoma Firefighters Pension and Retirement System
- Oklahoma Police Pension and Retirement System

Each of these retirement systems is administered by entities other than the City of Norman and as a result the City does not exercise budgetary control. Therefore, they are not included in the budget as separate funds of the City. It should be noted that the cost of contributions to the system by the City is a part of the City's budget and shows up as a part of salaries and benefits.

Appendix

GLOSSARY OF TERMS and ACRONYMS

ACTIVITY - A specified and distinguishable line of work performed by a Division.

ACCRUAL BASIS – The accrual basis of accounting recognizes revenues in the period earned and expenses in the period incurred rather than when cash is received or paid.

AD VALOREM TAX – An ad valorem property tax is a tax imposed on the basis of the “value of the article or thing taxed.” An ad valorem tax is usually imposed at recurring intervals on the same piece of property.

ADA – American Disabilities Act

AFIS – Automated Fingerprint Identification System

APPROPRIATION - A legal authorization made by the City Council which permits City officials to incur obligations for a specific purpose. Each appropriation is made at the Fund and Department level, which is the highest level of budget control.

ASSESSED VALUATION - A value set upon real estate or other property by a government as a basis for levying taxes.

ASSETS - Resources owned or held by the City which has monetary value.

BALANCED BUDGET - The City shall annually adopt a balanced budget in accordance with the Oklahoma Municipal Budget Act (Title 11 Oklahoma Statutes 2006). As such, expenditures may not legally exceed appropriations at the Fund level for each legally adopted annual operating budget (i.e., a fund balance cannot be negative).

BASIN – An area defined by the network of sewer line segments that are tributary to and terminate at a designated and control point.

BIOLOGICAL OXYGEN DEMAND (BOD) – A standard measure of wastewater strength that quantifies the oxygen consumed in a stated period of time, usually 5 days and at 20°C.

BIOLOGICAL PROCESS – The process by which the metabolic activities of bacteria and other microorganisms break down complex organic materials to simple, more stable substances.

BIOSOLIDS – Solid organic matter recovered from municipal wastewater treatment that can be beneficially used, especially as a fertilizer. Bio-solids are solids that have been stabilized within the treatment process, whereas sludge has not.

BOND - A written promise to pay a sum of money on a specific date at a specified interest rate. The interest payments and the repayments of the principal are detailed in a bond ordinance. The most common type of bonds is general obligation (GO) and revenue (Water/Sewer) bonds. These are most frequently used for construction of large capital projects, such as buildings and streets.

BUDGET - A plan of financial operation embodying an estimate of proposed means of financing them. The term usually indicates a financial plan for a single fiscal year. The term “budget” is used in two senses in practice. Sometimes it designates the financial plan presented to the City Council for adoption and sometimes it designates the plan finally approved by the body. It is usually necessary to specify whether the budget under consideration is preliminary and tentative or whether it has been approved by the appropriating body.

BUDGET YEAR – July 1 through June 30

BUDGETARY CONTROL - The control or management of the organization in accordance with an approved budget for the purpose of keeping expenditures within the limitations of available appropriations and available resources.

CAFR – Comprehensive Annual Financial Report

CAPITAL IMPROVEMENT CHARGE (CIC) – A charge placed upon all consumers and users of sewer or water service furnished by the City. The current CIC is \$1.00 per month for a residential customer. City Code Section 21-107 (a)(1) requires the CIC amount to equal 60 percent of the actual monthly sewer charge for commercial and industrial customers. The CIC was implemented on March 24, 1970, as part of Ordinance 2156.

CAPITAL OUTLAY - is an expenditure directed towards maintaining or purchasing new or replacing tangible assets which themselves have expected life spans of one to five years. Expenses are generally one-time and occur within a single budget year. Examples include the purchase of vehicles and equipment.

CAPITAL PROJECT FUNDS – generally cost more than \$10,000, are relatively fixed or permanent in nature and have an expected life of more than five years. Such projects consist of the construction of a new, expanded or improved tangible asset, which is physically fixed. Major projects normally require more than one fiscal year to complete. Contracted services for design, land acquisition, utility relocations and construction may be required. Examples include land purchase, new buildings, building additions, street improvements, utility line improvements, parks and playgrounds, and major drainage channel improvements.

CBOD – Carbonaceous Biochemical Oxygen Demand

CDBG – Community Development Block Grant Program

CFR – Code of Federal Regulations

CHIEF EXECUTIVE OFFICER – City Manager

CLEET – Council on Law Enforcement Education and Training

CNG – Compressed Natural Gas Vehicles

COLLECTION SYSTEM – In wastewater, a system of conduits, generally underground pipes, that receives and conveys sanitary wastewater and/or stormwater. In water supply, a system of conduits or canals used to capture a water supply and convey it to a common point.

COMCD – Central Oklahoma Master Conservancy District

CONNECTION FEE – Previously known as the tap fee, was first developed in 1970. A charge for sewer or water connection based upon the size of the service line leading into and to be utilized for the furnishing of water or sewer to any user or structure. Monies received from the connection charge are evenly divided between the City of Norman’s Water and Wastewater Funds. Collected fees are used to fund activities performed in both the water and sewer utility systems.

CORE AREA – Boundaries are officially Berry Road on the west, Robinson on the north, 12th Avenue on the east, and Constitution / Imhoff extended on the south.

COST ALLOCATION - Distribution of costs of centrally provided support services such as management, accounting, purchasing, payroll, information services, and legal.

DEBT SERVICE - The City’s obligation to pay the principal and interest of general obligation and revenue bonds according to a predetermined payment schedule.

DEFICIT - The excess of the liabilities of a fund over its assets, or the excess of expenditures over revenues during an accounting period.

DEPARTMENT - A section of the total organization which is comprised of Divisions and is under the oversight of a Director who reports to the City Manager.

DEPRECIATION – The decrease in value of physical assets due to use and passage of time.

DEQ – Department of Environmental Quality

DIVISION - A sub-section of a Department which carries out a specific line of work assigned to the Department.

DMR – Discharge Monitoring Report

DO – Dissolved oxygen

DOF – Department of Finance

DUI – Driving Under the Influence

DTMF – Dual-tone-multi-frequency or “touch-tone”

E911 – Emergency 911 Telephone Fund

ECAB – Environmental Control Advisory Board

EEOC – Equal Employment Opportunity Commission

EFFLUENT – Partially or completely treated water or wastewater flowing out of a basin or treatment plant.

EID (Environmental Information Document)– The document which provides the basic information about a project and its environmental effects.

EMD – Emergency Medical Dispatch

EMS – Emergency Medical Services

EMT-B – Emergency Medical Technician-Basic

EMT-P – Emergency Medical Technician-Paramedic

ENCUMBRANCE - A commitment related to unperformed contracts or goods or services. Encumbrances represent the estimated amount of expenditures ultimately to result if unperformed contracts in process are completed.

ENTERPRISE FUND - A fund established to account for operations that are financed and operated in a manner similar to private business enterprises, where the intent of the governing body is that the costs of providing goods or services to the general public on a continuing basis be financed or recovered primarily through user charges.

EPA – Environmental Protection Agency

EXCISE TAX – An excise tax is any tax, which is not an ad valorem tax and is generally imposed on the performance of an act, engaging in an occupation, or enjoying a privilege.

EXPENDITURES (EXPENSES) - Decrease in net total assets. Expenses represent the total cost of operations during a period regardless of the timing of related expenditures.

FACE VALUE (PAR, PRINCIPAL) – The full amount of an investment security, usually appearing on the face of the instrument.

FIDUCIARY FUNDS (TRUST & AGENCY FUNDS) – An accounting fund type recommended by the Oklahoma Municipal Budget Act to account for assets held by the municipality as trustee or agent for individuals, private organizations or other governmental units or purposes.

FISCAL YEAR - The time period designated by the City signifying the beginning and ending period for recording financial transactions. The City of Norman has a fiscal year of July 1 through June 30.

FIXED ASSETS - Long-lived tangible assets obtained or controlled as a result of past transactions, events, or circumstances. Fixed assets include buildings, equipment, and improvements other than building and land.

FT – Full-time (employee)

FUND - A fiscal and accounting entity with a self-balancing set of accounts recording cash and other financial resources, together with all related liabilities and residual equities or balances, and changes therein, which are segregated for the purpose of carrying on specific activities or attaining certain objectives in accordance with special regulations, restrictions, or limitations.

FUND BALANCE - Fund balance is the excess of assets over liabilities.

FUND BALANCE - RESERVED FOR DEBT SERVICE - A portion of fund balance that is legally restricted to the payment of long term debt principal and interest maturing in future years.

FY – Fiscal Year

FYE – Fiscal Year Ending

GAAP – Generally Accepted Accounting Principles

GASB – Government Accounting Standards Board

GENERAL FUND – An accounting fund type recommended by the Oklahoma Municipal Budget Act to account for all monies received and disbursed for general governmental purposes.

GENERAL OBLIGATION BONDS (GO) - Legal debt instruments, which finance a variety of public projects such as streets, buildings, and improvements. These bonds are backed by the full faith and credit of the issuing government and are financed through property tax revenues.

GF – General Fund

GFOA – Government Finance Officers Association

GIS – Graphical Interface System

GO – General Obligation (bond)

GOVERNING BODY- City Council

GOVERNMENTAL FUNDS-Governmental funds are used to account for the relatively liquid portion of the City's assets that are not accounted for through proprietary or fiduciary funds, the short-term obligations pertaining thereto and the net balance of these financial resources available for subsequent appropriation and expenditure.

HEADWORKS – The initial structure and devices located at the receiving end of a water or wastewater treatment plant.

HHW – Hazardous Household Waste Program

HOME – Home Investment Partnerships Program

HUD – Housing and Urban Development

HVAC – Heating Vent Air Conditioning

I / I – An abbreviation for Infiltration and Inflow into the Sanitary Sewer System.

IMPACT FEES – Fees collected from developers and set aside to help fund infrastructure adjustments within the community. Monies to be used as the development further impacts the municipality.

INFILTRATION – Groundwater that enters into the sanitary sewer through defects in the pipes and manholes such as cracks, separated joints, deteriorated manhole components, building foundation drains, and defective service laterals.

INFLOW – Surface stormwater that enters into the sanitary sewer through direct sources such as vented manhole covers, downspouts, area drains, and uncapped cleanouts.

INTERCEPTOR – Sanitary sewer interceptors are those lines that convey sewage from neighborhood to neighborhood in route to the wastewater treatment plant. Pipe diameters are generally larger than lines placed within residential developments.

INTERGOVERNMENTAL REVENUE - Grants, entitlements and cost reimbursements from another federal, state or local government.

ISO – International Organization for Standardization standards

INTERNAL SERVICE – Category expenditure for services and maintenance provided by a vendor that is another department within the City.

INTERNAL SERVICE FUND - A fund used to account for the financing of goods or services provided by one department or agency to other departments of a government, on a cost-reimbursement basis.

ISSUER – A political subdivision (city, county, state, authority, etc.) that borrows money through the sale of bonds or notes. The City of Norman is an issuer of General Obligation Bonds and the Norman Utilities Authority and Norman Municipal Authority are issuers of Revenue Bonds.

LAND APPLICATION – The disposal of wastewater or municipal solids onto land under controlled conditions.

LEVY - (Verb) To impose taxes, special assessments or service charges for the support of government activities. (Noun) The total amount of taxes, special assessments or service charges imposed by a government.

LIABILITIES - Debt or other legal obligations arising out of transactions in the past, which must be liquidated, renewed, or refunded at some future date. This term does not include encumbrances.

LIFT STATION – A pumping facility that conveys wastewater flow, from an area that would not naturally drain to the wastewater treatment plant, into the gravity sewer system for delivery and treatment.

LINE ITEM BUDGET - A budget prepared along divisional line items that focus on what is to be bought.

MATERIALS AND SUPPLIES – Category expenditures generally for consumable goods that are used by City employees.

MATURITY – The date when the principal amount of an investment security becomes due and payable.

MSW – Municipal Solid Waste

MUNICIPALITY – City of Norman

NAHC – Norman Arts & Humanities Council

NATIONAL POLLUTANT DISCHARGE ELIMINATION SYSTEM (NPDES) – Program in the U.S. to issue, monitor, and enforce pretreatment requirements and discharge permits under the Clean Water Act.

NEDC – Norman Economic Development Coalition

NEW DEVELOPMENT EXCISE TAX – Sewer excise tax levied and collected on new development (including developments of tax – exempt property owners) to be served by the City’s water reclamation system. The tax imposed is collected at the time a building permit is issued for all construction and based upon the square footage as set forth in the permit. The New Development Excise Tax and Fund was established Oct. 1, 2001 as a result of Ordinance 0001-58, adopted by Council in June, 2001, and approved by voters in August, 2001. These funds shall be used exclusively for wastewater expansion, improvements, and to pay debt service on obligations issued to finance future improvements and expansion of the wastewater system.

NFPA – National Fire Protection Agency

NIMS – National Incident Management System

NFSTF – Norman Forward Sales Tax Fund

NMA – Norman Municipal Authority – Established in April 1965 includes financing and operating the Westwood Park recreational facilities and sanitation services for the City.

NPDES – National Pollutant Discharge Elimination System

NTU – Nephelometer Units

NUA – Norman Utilities Authority – Established in February 1970 includes financing and operating the utility systems for the City (water and wastewater).

NYSCA – Norman Youth Sports Coaches Association

OBJECT - Expenditure classification according to the types of items purchased or services obtained.

ODEQ – Oklahoma Department of Environmental Quality

OFPRS – Oklahoma Firefighters Pension & Retirement System

OJI – On-the-Job Injury

OMCCA – Oklahoma Municipal Court Clerks Association

OPERATING BUDGET - Plans of current expenditures and the PROPOSED means of financing them. The annual operating budget is the primary means by which most of the financing acquisition, spending, and service delivery activities of the City are controlled. The use of annual operating budgets is required by State Law.

OPDES – Oklahoma Pollutant Discharge Elimination System

OPPRS – Oklahoma Police Pension & Retirement System

OSHA – Occupational Safety Hazard Association

OTHER SERVICES AND CHARGES – Services provided to the City of Norman by outside vendors.

OVERFLOW – A condition in which the wastewater flow rate in a sewer system exceeds the capacity of the sewer to the extent that raw wastewater is discharged directly to storm and drainage systems.

PAYBACK ORDINANCE – Ordinance (O-9697-30) allows the City Council to appropriate funds to pay costs of extending wastewater and water lines from an existing location to, alongside or beyond the boundaries of a developer's new construction.

PC – Personal Computer

PER CAPITA DEBT - The amount of a government's debt divided by its population.

PERSONAL SERVICES - Cost related to compensating employees, including salaries, wages, insurance, payroll taxes, and retirement contributions.

PPT – Permanent Part-time (employee)

PRIVATE SECTOR – Those facilities which are owned and maintained by property owners other than the municipality.

PROPERTY TAX - Taxes levied on all real and personal property according to the property's valuation and the tax rate, in compliance with State Property Tax Code.

PSRP – Process to Significantly Reduce Pathogens

PT – Part-time (employee)

PSST – Public Safety Sales Tax

PUBLIC SECTOR – Those facilities which are operated and maintained by the municipality.

QC – Quality Control

REAL PROPERTY - Property classified by the State Property Tax Board including residential, single, and multi-family, vacant lots, acreage, farm and ranch improvements, commercial and industrial, and oil, gas, and other mineral reserves.

REFUNDING – A system by which a bond issue is redeemed by a new bond issue under conditions generally more favorable to the issuer (lower interest rate; fewer restrictions, etc.).

REPLACEMENT COSTS - The cost as of a certain date of a property which can render similar service (but which need not be of the same structural form) as the property to be replaced.

RESERVE, CAPITAL - A portion of fund balance equal to the average of the forecasted capital expenditures during the five-year forecasted period has been reserved in each fiscal year budget to provide assurance that resources are available to provide for the normal replacement of depreciable assets.

RESERVE, DEBT - A portion of fund balance equal to the average annual debt service requirement that has been reserved to provide assurance that resources are available to meet each fiscal year's debt service payment.

RESERVE, (DEFICIT) - The amount by which fund balance does not meet all reserve requirements.

RESERVE, LEGAL - A portion of fund balance that is not appropriate for expenditures or is legally segregated for a specific future use.

RESERVE, OPERATING - A portion of fund balance that has been reserved in each fiscal year budget to protect service delivery from unexpected revenue loss or expenditure requirement.

RESERVE, SURPLUS - A portion of fund balance that is not reserved for any specified purpose, and may be appropriated for one-time expenditures as needed.

REVENUE - Increases net total assets from other than expense refunds, capital contributions, and residual equity transfers. Funds received as income.

REVENUE BONDS - Legal debt instruments which finance public projects for such services as water or sewer. Revenues from the public project are pledged to pay principal and interest of the bonds.

RFP – Request for Proposal

ROI – Return on Investment

ROW - Right-of-Way

SALARIES AND BENEFITS – Payments direct to full and part-time City of Norman employees for services performed, including contributions to retirement and pensions, social security, health insurance uniform allowances and related expenses.

SALES TAX – A tax levied by the City on retail sales of tangible personal property and some services.

SERVICES AND MAINTENANCE – Services provided to the City of Norman by outside vendors.

SIU – Significant Industrial User

SLUDGE – Accumulated and concentrated solids generated within the wastewater treatment process that have not undergone a stabilization process.

SOP – Standard Operating Procedures

SPECIAL ASSESSMENT FUNDS – An accounting fund type recommended by the Oklahoma Municipal Budget Act to account for the financing of public improvements or services deemed to benefit properties in a specified area, against which special assessments are levied.

SPECIAL REVENUE FUNDS – An accounting fund type recommended by the Oklahoma Municipal Budget Act to account for the proceeds of specific revenue sources and related expenditures separate and apart from other funds, but for which the specified revenues may be insufficient to meet the related expenditures.

STATEWIDE REVOLVING FUND (SRF) LOANS – Under the SRF program, municipalities can obtain up to 40 percent in matching funds for approved projects, when 60 percent of the construction costs can be obtained by the municipality on the open municipal bond market or from available funds of the municipality.

SUBSIDY – A gift or grant of public monies to a private individual or corporation or to another governmental jurisdiction, or a gift or grant of monies from one sub-entity to another within a governmental jurisdiction.

TAX INCREMENT FINANCE (TIF) DISTRICT – The use of incremental sales and property tax in a designated district to be used in accordance with approved plans to finance projects in the district such as facilities, infrastructure, parks, sidewalks and other public improvements.

TAXES - Compulsory charges levied by a government for the purpose of financing services performed for the common benefit.

TIP – Transportation Improvement Plan

TMA – Traffic Management Area

TMDL (Total Maximum Daily Load) – The amount of pollutants, from natural and man-made sources, which can be discharged to a specific body of water without causing harm to the water's quality or aquatic life. Any pollutant loading above the TMDL results in violation of applicable water quality standards.

TSS – Total suspended solids

TTD – Trial Total Disability (payments)

USE TAX – A tax levied by the City of Norman on out-of-state purchases of tangible personal property that is stored, used or otherwise consumed within the State of Oklahoma by the purchaser.

WTP – Water Treatment Plant

WWTP – Wastewater Treatment Plant

WASTEWATER TREATMENT PLANT INVESTMENT FEE (WWTPIF) – A source of revenue to offset the cost of improvements made to the Norman Wastewater Treatment Plant in 2000. The WWTPIF was an impact fee that was authorized by Ordinance 9697-2 on July 23, 1996. The WWTPIF was a one-time charge paid at the time new homes or businesses are permitted for connection to the sewerage system. The WWTPIF expired December 2004, when sufficient funds were generated to pay the portion of the costs of the improvements attributable to new development (\$6,192,039).

ZERO-BASED BUDGETING – The process of preparing an operating plan or budget that starts with no authorized funds. Each activity to be funded must be justified every time a new budget is prepared.
