

CEDAR LANE

A PART OF WHICH IS A PLANNED UNIT DEVELOPMENT)
A PART OF SECTION 16, T-8-N, R-2-W, I.M.
CITY OF NORMAN, CLEVELAND COUNTY, OKLAHOMA

FOOTNOTES

[illegible]

A dense, abstract black and white pattern resembling a microscopic view of a material or a complex texture. The pattern consists of numerous small, irregular, dark, elongated shapes (possibly fibers or grains) packed closely together, creating a complex, woven appearance. The overall effect is one of high contrast and intricate detail, typical of a scanning electron micrograph or a high-magnification photograph of a material's surface.

On 12/24/78, the following information was received from the Bureau of the Federal Bureau of Investigation (FBI) regarding the above captioned matter:

The FBI is currently conducting an investigation of the activities of the Black Liberation Army (BLA) and its various chapters. The BLA is a group of individuals who are active in the United States and are engaged in a campaign of violence against the government. The BLA is currently active in the following areas:

- 1. The BLA is active in the area of recruitment. The BLA is currently recruiting individuals who are interested in joining the organization.
- 2. The BLA is active in the area of training. The BLA is currently training individuals who are interested in joining the organization.
- 3. The BLA is active in the area of operations. The BLA is currently conducting operations in the United States and is engaged in a campaign of violence against the government.

The FBI is currently conducting an investigation of the activities of the BLA and its various chapters. The FBI is currently conducting an investigation of the activities of the BLA and its various chapters.
