# W Boyd Street Phase 1 – Planned for FY 2024

# W Boyd Street Phase 2 – Planned for FY 2025

# Proposed Alternative to W Boyd Street Sidewalks

for FYE 2024 and FYE 2025

# Summary

- Postpone W. Boyd Street Phase 1 and 2 for further review and design with a possible construction in FYE 2026 or 2027 potentially with Federal funding.
  - Use funding from Phase 1 (\$102,460.50) to fund Mimosa Drive Phase 1 (North side from Stubbeman to just short of N Peters Avenue) in FY 2024.
  - Use funding proposed for Phase 2 of W Boyd Street (\$200,000.00) for Phase 2 of Mimosa Drive, which will complete all of the south side and any remaining areas on the north side of Mimosa Drive in FY 2025.
  - Mimosa Drive is currently No. 1 on our list for large scale sidewalk projects.
