DISCUSSION:

The Westwood Golf Course was designed in 1967 by golf architect Floyd Farley and later redesigned by Tripp Davis in 2003. The 6,200-yard course was recently renovated and features wide, tree-lined fairways and gently contoured greens, twenty traps and several water hazards. The challenging, yet playable course, is perfect for the weekend golfer or the advanced competition. Open year-long, Westwood is well-known throughout the metropolitan area as an excellent municipal golf course that consistently offers exceptional greens. Along with the course itself, the facility contains an onsite driving range (featuring "Lunch and Launch" on weekdays), practice putting and chipping greens, a clubhouse, golf shop, restaurant, and outdoor scoreboard with an adjoining patio. Rates are affordable and tee times and professional lessons are both available daily. Every year the course hosts The Westwood Invitational, a 3-day, 54-hole, stroke play tournament that usually takes place around July 4th. It is one of the state's largest and longest running tournaments.
