### **AGENDA ITEMS**

2. INTRODUCTION OF NEW COMMISSIONERS, DR. BINBIN WENG AND AISHA ALI

New Commissioners, Dr. Binbin Weng and Aisha Ali, briefly introduced themselves to meeting attendees.

### 3. DISCUSSION REGARDING NORMAN PARKS & RECREATION CHILD CARE SERVICES

Veronica Tracy, Recreation Manager, gave a slideshow presentation describing the efforts of her department to provide affordable child care services to anyone that needs it. Program partners include Sodexo who provides meals and NPS who provides transportation from schools to the afterschool program locations. Ms. Tracy said the goal is to combat adverse childhood experiences by providing a safe place for children after school. Most recently they've been able to lower the cost of the program to allow more participation to help families that don't generally qualify for daycare assistance but find full costs to be prohibitive.

While the three main locations for care include the recreation center at 12th Avenue NE, Irving Middle School, and Whittier Middle School, they are actively looking for additional locations. Their current locations are always full and they maintain a waiting list for those looking to attend when openings are available. The location must be large enough, in good condition and low cost to rent.

### 4. DISCUSSION AND CHAIR UPDATE REGARDING PUBLIC EDUCATIONAL EVENT ON HOMELESSNESS

Chair Owen said today marked the first day the city shelter was closed. Mr. Purinton said the City was actively looking to contract with local agencies to provide a day and/or night shelter. An RFP for this opens soon and copies were sent out to as many entities as possible in order to garner a large response. Mr. Purinton will give an update at the next HRC meeting.

## MISCELLANEOUS DISCUSSION

Chair Owen would like to do something like a symbolic gesture to acknowledge the recent Supreme Court decision to reverse the Roe v. Wade ruling. She asked commissioners to submit their ideas to her so she can review them with Mr. Purinton in time to place the item on the agenda for the next meeting.

## ADJOURNMENT

The meeting was adjourned at 6:41 p.m.
