§ 1. That Section 36-101 ("Definitions") of the Code of the City of Norman shall be amended, and hereafter read, as follows:

36-101 Definitions

The following words, terms and phrases, when used in this chapter, shall have the meanings ascribed to them in this subsection, except where the context clearly indicates a different meaning:

Accessory means a use, building, structure, part of a building, or part of a structure which is clearly subordinate to, and the use of which is incidental to, that of the principal building, structure, or use on the same parcel. If a building otherwise qualified as an accessory building is attached to the principal building by a common wall or roof, such building shall be considered a part of the principal building. Accessory buildings include, but are not limited to, barns, sheds, guest houses without cooking facilities, and private garages. Where Accessory Dwelling Unit ("ADU") is specifically allowed as a listed use in a zoning district, "accessory" shall also include an ADU, as further defined herein. Accessory uses include customary home occupations, the keeping of pets, off-street parking and loading facilities. Live entertainment, when offered in conjunction with an otherwise unrelated legal commercial use, will be considered an accessory use when it constitutes no more than ten percent of the gross monthly revenue of the establishment. Uses accessory to apartment houses include prepackaged food and toiletries stores, subject to the provisions of NCC 36-515.

Home occupation means an accessory use of a dwelling unit, conducted entirely within the dwelling unit, carried on by one or more persons, all of whom reside within the dwelling unit, and where no other persons are employed other than maintenance and domestic help. Home

occupations may only be carried out by persons residing in the dwelling unit. Letting, leasing, renting or similar arrangement with non-residents for part or whole of the dwelling, or any fixture therein, is expressly prohibited with home occupation operations. The use is clearly incidental and secondary to the use of the dwelling for residential purposes and does not change the character thereof. There shall be no sale or display of merchandise nor outside storage of any kind. (See NCC 36-564.)

Parking space means a permanently surfaced area, enclosed or unenclosed, sufficient in size to store one automobile together with a permanently surfaced driveway connecting the parking space with a street or alley and permitting ingress or egress of an automobile.

Personal service salon or establishment means a facility at which personal services are provided including: hair, nail and skin care services; cosmetology and makeup; massage; tanning; tattooing; and piercing.

Planned unit development means a land development project comprehensively planned as an entity utilizing a site development plan which permits flexibility in building siting, mixtures of all types of attached and detached housing, usable open spaces, and the preservation of significant natural features.

§ 4. That Section 36-564 (“Home Occupations”) of the Code of the City of Norman shall be amended, and hereafter read, as follows:

36-564 Home Occupations

The standards for home occupations in this chapter are intended to ensure compatibility with other permitted uses and with the residential character of the neighborhood, plus a clearly

secondary or incidental status in relation to the residential use of the dwelling unit as the criteria for determining whether a proposed accessory use qualifies as a home occupation. (Cross reference NCC 36-101.)

(a) Home occupations are permitted accessory uses in districts with residential uses, where allowed, only if all the following conditions are observed:

- (1) Such occupation shall be conducted solely by resident occupants in their dwelling unit and no employees shall be permitted;
- (2) No more than one room or 25 percent of the gross area of one floor of said dwelling unit, whichever is less, shall be used for such purpose;
- (3) No mechanical equipment is used, or activity is conducted which creates any noise, dust, odor, or electrical disturbance beyond the confines of the lot on which said occupation is conducted;
- (4) There shall be no sale or display of merchandise;
- (5) There shall be no outside storage of any kind related to the home occupation;
- (6) The use may increase vehicular traffic flow and parking by no more than one additional vehicle at a time, except as otherwise specifically provided herein;
- (7) Only one sign may be allowed. The sign shall not exceed one square foot in area, shall be non-illuminated, and shall display only the name of the occupant and/or the name of the home occupation; and
- (8) In the case of a beauty shop, barber shop, or other personal service salon or establishment, no more than two personal vehicles of customers may be parked within reasonably close proximity of the home occupation premises, or on the home occupation premises, at any one time.

(b) The following uses by the nature of the investment or operation have a tendency once started to rapidly increase beyond the limits permitted for home occupations and thereby impair the use and value of a residentially zoned area for residential purposes. Therefore, the uses specified below shall not be permitted as home occupations: auto repair, major or minor; carpentry work; dance instruction; medical or dental offices; painting of vehicles, trailers, or boats; private schools with organized classes; childcare establishment; radio or television repair; upholstery; restaurant; or rest home.

(c) Marijuana establishments shall not be permitted as home occupations.

§ 3. Severability. If any section, subsection, sentence, clause, phrase, or portion of this ordinance is, for any reason, held invalid or unconstitutional by any court of competent

jurisdiction, such portion shall be deemed a separate, distinct, and independent provision, and such holding shall not affect the validity of the remaining portions of this ordinance, except that the effective date provision shall not be severable from the operative provisions of the ordinance.
