Re: Protest of appeal by NextEra Energy Transmission Southwest, LLC
from a decision of the Floodplain Permit Committee denying Application No. 675

Dear Ms. Hoggatt,

I live at 5404 N. Porter Ave., Norman, OK 73071. My husband and I have owned this residence since 1987. Our property, although not in the flood plain, has a condemnation filed against it by NextEra Energy Transmission Southwest, LLC so that they can construct a 120 foot tall high voltage electric transmission line across the back yard of our home. Therefore, we request that the denial of Application 675 stand.

We hereby protest the appeal of NextEra Energy Transmission Southwest, LLC and ask that their request for variance be denied by the Board of Adjustment.

Sincerely,

Michael D. and Gale Earles
