**THE COSTS OF THE IMPROVEMENTS AND SERVICES PROVIDED PURSUANT TO THE CREATION OF THE PROPOSED BUSINESS IMPROVEMENT DISTRICT SHALL BE ASSESSED AGAINST THE PROPERTY LOCATED WITHIN THE BOUNDARIES OF INCREMENT DISTRICT NO. 3, CITY OF NORMAN, WHICH PROPERTY SHALL RECEIVE THE BENEFIT OF SUCH IMPROVEMENTS AND SERVICES.**

---

The undersigned respectfully petitions the City of Norman ("City") to create a business improvement district ("BID") pursuant to the Oklahoma Improvement District Act, Title 11, Oklahoma Statutes, Section 39-101, *et seq.* ("Act") for the area referred to as Downtown Norman.

1. The undersigned sets forth this Petition, pursuant to the Act, specifically Section 39-103.1, which provides for the creation and establishment of a BID for the purposes of providing for the long-term improvements, maintenance, marketing, and management of the Downtown Norman BID District (the "District").

2. The District shall be the area designated in the Downtown Norman Business Improvement District in the City of Norman, Oklahoma (the "Plan"), which is intended to benefit by services and improvements to property owners within the District boundaries being subject to payment of special assessments for the costs of the services and improvements. The District is in Downtown Norman, Oklahoma. The District is divided into three designated service area levels for which services and improvements will be provided. The District consists of properties located along Main Street from Park Avenue on the west to Porter Avenue on the east (the "Main Area"). The District also includes properties located along Gray Street from the parcels with an address of 429 on the north and 432 on the south sides of West Gray as the western boundary to the parcels with an address of 415 on the north and 418 on the south sides of West Gray as the eastern boundary ("Gray Area"). The District also includes properties located along James Garner Avenue, from Tonhawa Street on the north to Symmes Street on the west side of James Garner, and the alley between Eufaula Street and Symmes Street on the east side of James Garner as the southern

boundary (the “James Garner Area”). Finally, the District will include cross streets located within the District, to include the north and south streets of Porter, University, Webster, Santa Fe, Peters, and Crawford; and the east to west streets of Tonhawa, Comanche, Eufaula, and Main Street between Porter Avenue and Ponca Avenue (the “Cross Streets Area”). Certain properties located within the District may be exempted from assessment as discussed in the Plan. The Main Area, Gray Area, James Garner Area, and Cross Streets Area are collectively referred to as the District, the Areas, and / or the Boundaries. A map of the entire District is attached as Exhibit “1.”

3. The Downtown Norman BID Association, Inc. (the “Association”) shall be organized for the purpose of executing the responsibilities and duties set forth in the Plan. The Board of Directors (the “Board”) may be composed of:

- (i) Owners, or representatives of owners, of real property located in the District;
- (ii) Representatives of not-for-profit organizations operating within the District;
- (iii) Representatives of tenants located within the District;
- (iv) Persons with specialized professional experience, such as attorneys, accountants, architects; and
- (v) Public representatives as recommended by the City and County.

4. The Association intends to provide a program of services and improvement for the betterment of the property owners in the District for the assessments paid to the Association (the “Program”). The services to be provided (the “Services”) shall include the services budgeted for and required for the management, maintenance, and marketing of the District. The purpose of the Services will be for the enjoyment, protection, and general welfare of the public, the promotion, and enhancement of the District, and to meet the needs identified by members of the District. The Services shall be performed under the direction of the Association. The level of Services will vary by District Area based on the annual budget adopted by the Board of Directors of the Association. The Improvements proposed in the BID will be in the public space within the District. These Improvements may include amenities to identify, enhance and beautify the District, including but not limited to: (a) sidewalk plantings, tree, shrubs and flowers in tubs, at grade or above ground level; (b) sidewalk signage, logos, banners, medallions and/or plaques identifying the District; and (c) street, sidewalk, public art, and other public space amenities to improve tourism, appearance, and pedestrian circulation and safety.

5. The assessment to provide the Services and Improvements shall benefit all properties within the District (the “Benefited Properties”). The specific Services or Improvements to be provided may vary by the defined areas within the District. The Benefited Properties are identified by the District Map, and are listed in the attached Exhibit “2.” The assessment formula shall include a taxable value component, an acreage component, and a linear frontage footage component (collectively, the “Assessment Formula”).

5.1(a). **Taxable Value.** All Benefitted Properties within the District shall be assessed based on the taxable value of the property as determined by the Cleveland County Assessor. The taxable value assessment rate shall be eight percent of one percent of taxable value for each individual property’s taxable value as determined each year. For example, if the taxable value of a property is \$100,000, then this value would be multiplied by .0008 to determine the amount of the assessment (e.g., \$120 for each \$100,00 in taxable value).

5.1(b). **Assessments, Acreage Basis.** All Benefitted Properties within the District shall be assessed based on the acreage of the property as determined by the Cleveland County Assessor. The acreage assessment shall be \$1,100 for every acre of land and on a pro rata basis for any partial acre.

5.1(c). **Linear Front Footage.** A linear front footage (“LFF”) assessment shall apply to Benefitted Properties in the Main Area, Gray Area, James Garner Area, and Porter Area. The linear front footage assessment shall consist of three areas.

**LFF Area # 1** – The Main Area shall include those properties with frontage along Main Street. The rate to be assessed for frontage along Main Street shall be \$7.50 per linear foot.

**LFF Area # 2** – The Gray Area and James Garner Area shall each respectively be in area # 2 once the anticipated two-way roadway conversion of the Gray Street, intersection and roadway improvements on James Garner, and related streetscape improvements are substantially completed by the City. Once these public improvements are determined by the City to be substantially complete, the Gray Area properties or the James Garner Area properties will be assessed at a rate of \$5.00 per linear foot along either Gray Street or James Garner Avenue. Until the improvements are completed, the Gray Area and James Garner Area properties will be assessed as area #3.

**LFF Area # 3** – The Cross Street Area shall include those properties with frontage along Porter, Crawford, Peters, Santa Fe, Webster, University, Tonhawa, Comanche, and Eufaula. The rate to be assessed for frontage along any of these cross streets shall be \$2.50 per linear foot per street. The Gray Area and James Garner Area properties will be assessed at the LFF Area # 3 rate until the public roadway improvements are substantially completed.

5.1(d). **Residential Property Assessment.** Properties zoned single family residential or devoted in whole to single family residential uses shall be exempted from any assessment in the District. Any mixed use and / or multi-family residential properties shall be assessed based on the area within the BID that the property is located.

5.1(e). **Government Property.** All government owned property devoted entirely to public use shall be subject to assessment as set forth herein. LFF Assessments for each parcel owned by a government entity will be imposed as set forth in Section 5.1(c) herein. Taxable value for government parcels will be determined utilizing the average taxable value in the District per acre multiplied by the acreage of each government owned parcel. The taxable value assessment rate shall be the same as set forth in Section 5.1(a) herein. The acreage basis assessment shall be as provided for in Section 5.1(b) herein. Government owned properties devoted in whole or in part to commercial or for-profit uses shall be assessed based on the District area in which the property is located. Taxable value for government owned parcels being used for commercial purposes shall be the greater of the average taxable value in the District per acre multiplied by the acreage of each government owned parcel; or the taxable value of the personal property located on the government owned parcel being used for commercial purposes.

5.1(f). **Not-for-profit Property; Utilities.** A not-for-profit shall be defined as an entity recognized as a 501(c)(3) by the Internal Revenue Service, a church, religious organization, or as otherwise determined by the Cleveland County Assessor. Not-for-profit owned property or a utility owned property devoted primarily to not-for-profit use or utility use shall be exempt from District assessment. They may, however, choose to make voluntary annual contributions to the BID's Budget. Not-for-profit owned properties devoted in whole or in large part to commercial or for-profit uses shall be assessed based on the District area in which the property is located. Taxable value for not-for-profit owned parcels being used for commercial purposes shall be the greater of the average taxable value in the District per acre multiplied by the acreage of the not-for-profit owned parcel(s); or the taxable value of the personal property located on the not-for-profit owned parcel(s) being used for commercial purposes.

6. The Association will establish an annual budget for Services, to include the Maintenance Program, Marketing Program, and Management Program, and any Improvements for the District. The Association's annual expenditures will not exceed the budgeted amount plus any reserve (or carry-over) funds. Each year the Association will establish an annual budget and annual expenditures for Services and Improvements for the Benefited Properties within the District.

6.1. **First Year Budget.** It is estimated that the Association's first year budget of proposed expenditures for Services and Improvements for the Benefited Properties in the BID District will be as follows:

6.1(a). **For Services:**

i. Maintenance Program:	\$100,000
ii. Marketing Program:	\$ 40,000
iii. Management Program:	\$ 62,600

6.1(b). **For Improvements:** \$ 25,000

6.1(c). **City Administration Fee:** \$ 5,690

**TOTAL FIRST YEAR BUDGET \$233,290**

6.2. **Subsequent Budgets; Assessments for Budget Needs.** The Association shall establish a proposed budget of expenditures for each year. To raise the funds necessary on an annual basis for the Budget, the Association may proportionally increase or decrease the Taxable Value portion of the Assessment Formula, the Acreage portion of the Assessment Formula, and the Linear Front Footage portion of the Assessment Formula, with each portion bearing approximately thirty-three percent (33%) of the burden or benefit to fund the budgetary needs of the Association in any specific year; provided however, that no single component will exceed forty percent (40%) of the Assessment Formula, and no single component will account for less than thirty percent (30%) of the Assessment Formula.

7. The proposed commencement date of the BID is January 1, 2023, with a term of ten (10) years thereafter.

THE UNDERSIGNED CERTIFIES, at the time of signing of this Petition, that the undersigned has received and reviewed a copy of the Plan, that the undersigned is the owner of the property within the jurisdictional boundaries of the City and owner of property located within the boundaries of the proposed BID, and as such satisfies the requirements of the Act to petition the City to create a Business Improvement District as set forth herein. The undersigned further represents to have the authority to sign as the owner, or on behalf of the owner of the identified parcel(s).
