OF THE CITY CLERK
ON 03/09/26-LW

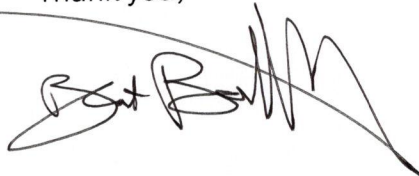

Hello City Clerk,

I live at 3217 Riverwalk Drive with my wife (Sheryl Tatum), and I STRONGLY OPPOSE both (1) the request to rezone approximately 55.70 acres of property located south of W. Main Street, west of Ed Noble Parkway, north of W. Lindsey Street, and east of 36th Avenue SW; and I strongly oppose (2) the request to vacate a portion of the existing right-of-way of Norman Center Court.

I find most troubling no information offered about what the developers want to do now with the new property that backs up DIRECTLY to my home.

It is one thing to propose many large apartment buildings in the land separated from existing neighborhoods by the street. But, removing a portion of that street to bring new, likely high-density development to immediately next to my home is NOT ACCEPTABLE to me and my neighbors in any way.

Thank you,
