# The Dream

A centrally located facility, open to at-risk teens, where they can build hope for their future, receive the resources they immediately need, and grow into kind and caring adults. Teens can explore careers and higher education, receive mental health and prevention services, spark creativity, engage in healthy lifestyles through fitness and cooking, form positive peer and adult connections, and conduct community service projects.

“We have loved Boys and Girls Club the past few years. I do not have to worry about my child walking and they are professional and helpful. She gets extra help with any work she has and really enjoys going.”

*-BGCN Parent, 2022*
