Re: Social and Voluntary Service Committee

The Social and Voluntary Services Commission (SVSC) was founded in 1973 as an advisory body to the Norman City Council regarding the evaluation of social services. The SVSC Commission consists of nine members each serving a three year term. The current members are: Marc Bonge', Sandra Duncan, Jennifer Newell, Scott Meier, Trudy Sickles, Christy Shepherd, Ann Way, and myself. There is one position that is currently vacant awaiting appointment by the Mayor. I currently serve as the chair and Scott Meier the Vice-Chair.

Within the Fiscal Year 2021-2022 City of Norman budget, funding for social service agencies was \$250,000, an increase from \$175,000 in 2020. To distribute these funds, a formal application process was held in which qualified interested agencies were required to submit an application. The application required information regarding the overall mission of the agency, specific project for which funding was being requested, financial information including budget summary and projected budget, copy of most recent audit, their 990 return for the prior year, and a copy of IRS tax exempt status letter. The application also required a list of the current board members and staff members of the agency.

In June of 2023, the Social and Voluntary Services Commission met to review the applications submitted by 28 Norman service agencies. The submitted applications totaled \$253,000 in requests for funding. Maximum award for the 2023/2024 application cycle was \$10,000. During the review of each application, Commissioners discussed any questions or clarifications that were needed from the applicant. Staff obtained this information from the agencies and forwarded the responses to the Commissioners.

After the initial meeting of the commission and prior to the funding meeting, each Commission member evaluated each of the applications independently and determined an appropriate funding level within the allowable total of \$225,000. These results were provided to staff and compiled into a spreadsheet. At the funding meeting the Commission reviewed the compilation of budgets and discussed the criteria that the Commission members applied to each funding proposal. The Commission evaluated multiple subjects including but not limited to: possibilities of duplications of efforts, past performance of the agency and potential for other funding sources.

Agency project funding is administered on a reimbursement basis. Payments are made as invoices with appropriate documentation of project execution and receipts are received. Each of the funded agencies are visited a minimum of once during the fiscal year by Commission members. Commission Members have the option of in person or virtual visits. During visits we inquire about future trends, any special challenges for the organizations and how partnerships with others doing work in this field can be established. The visits are not only to check for contract compliance in expending the awarded funds, but also allow commissioners to assess possible needs in our community.

The pandemic had a profound effect on the Norman Non-Profit community. The rise in the cost of goods and services, due to the inflation costs of the last 18 months, have continued to increase programmatic needs. As individuals and established funders have experienced the contraction of the economy, less funding has been made available than in previous years. While understandable, this creates a scarcity of normal operating funds. As agencies can only spend funds on the projects and programs specifically funded this creates a Catch 22 effect. Agencies can have hundreds of thousands of programmatic dollars to spend but struggle to pay rent, utility and administrative costs that enable them to keep the doors open. The SVSC is a funder that allows for, has made known that general operational funding requests are welcome.

The Social and Voluntary Services Commission respectfully requests the consideration of a minimum of \$225,000 of funding to be included within the City of Norman FYE25 Budget. If possible, the consideration of an increase to \$250,000 will be a necessary safety-net for the amazing agencies that make up the social safety net for our community.
