Dstaudt	12 Mile Widening - Funding model	Move forward as proposed	5	
Bsmith	12 Mile Widening - Funding model	To obtain federal funding	5	
Jfischer	12 Mile Widening - Funding model	Still need to review full memo for complete understanding as this is a newer concept brought before council; also need further discussion on whether we just do 12 mile or we do some of the other projects listed	4	
Ethomas	12 Mile Widening - Funding model		5	5
Lcasey	12 Mile Widening - Funding model		5	5
Pgurumurthy	12 Mile Widening - Funding model	Continue to move forward	5	
Mhientz		I am interested in moving forward and balancing costs and needs with other road improvements including residential	4

Lcasey	Beck Road Widening	This is a must-decide soon given current road condition	5	
Bsmith	Beck Road Widening	Due to time frame, most work except pavement repair is farther out in the future.	4	
Jfischer	Beck Road Widening	I think we need to align staff's time and efforts with likelihood of getting the funding. A lot of discussion now about something that won't happen unless federal dollars flow in.	2	
Ethomas	Beck Road Widening		3	3
Pgurumurthy	Beck Road Widening	Need to digest more information to help determine the value	3	
Dstaudt	Beck Road Widening	Needs funding and a better plan	3	

Mhientz	Beck Road Widening	We want to stay focused on this and make sure we balance public needs and wants as much as possible as well as cost	4

Lcasey	Facilities to support OAS and Recreation	Need to get input from OAN committee survey. Need more conversation about model for ongoing operational costs - what will we need to charge residents for use (assuming this has a “rec center” component.)	4
Pgurumurthy	Facilities to support OAS and Recreation	Support the needs in terms of a multigenerational facility for not only older adults but all ages but according to the needs based on the proposal from the Older adults need committee	4
Jfischer	Facilities to support OAS and Recreation	Want to ensure we meet the needs of rec and OAS — but ensure its the right model (do we own or do we use private locations) — also might be longer term as we consider land of police station (assuming it moves)	3
Dstaudt	Facilities to support OAS and Recreation	Need to better understand scope better.	3
Bsmith	Facilities to support OAS and Recreation	Complete scope first	3
Mhientz	Facilities to support OAS and Recreation	If this is a recreation center for all residents. If this is for only older adults then this would be a 2.	5

Jfischer	ITC Reconfiguration	See this in phases and part of the CIP renewal	4
Dstaudt	ITC Reconfiguration	Need to wait to see full scope of project	3
Ethomas	ITC Reconfiguration		4 4

Lcasey	ITC Reconfiguration	Need to understand options with new land purchase	3	
Bsmith	ITC Reconfiguration	After decision on adjacent land purchase. Is there a time limit on Jaguars money?	5	
Pgurumurthy	ITC Reconfiguration	Need more information on this and want to see if we can do this in a phased approach without major impact	3	
Mhientz	ITC Reconfiguration	This has been in development for years and it would be great to improve this facility	5	
ITC Reconfiguration			3.86	
Bsmith	New Public Safety Facility		5	5
Lcasey	New Public Safety Facility	Assuming when we say “facility”, we mean “facilities”	5	
Dstaudt	New Public Safety Facility	Need to get the full plan to understand cost	5	
Bsmith	New Public Safety Facility	its needed, police station and FS 1 & 3 especially. Need costs		
Jfischer	New Public Safety Facility	Starting to think this is going to be a long term project to achieve all of what we are laying out — start thinking about	5	
Ethomas	New Public Safety Facility	However I need more information on how the project moves forward and why specific decisions are being made.	5	
Pgurumurthy	New Public Safety Facility	Much needed support	5	
Mhientz	New Public Safety Facility	I am interested in getting a tour of the facilities to better understand the needs	3
