Mayor and Council –

Please see an update from PRCS
on the progress of Jessica's
Splash Pad.

- Victor

Hi everyone-

Wanted to update you on progress of the splashpad. This week the concrete was poured for the splashpad surface. Over the next two weeks they will be working on pouring the foundation for the restroom/mechanical building, constructing the bridge, and installing the water features. I've attached a few pictures of the progress.

Parks Commission will be reviewing the rules of the splashpad at their meeting next week. Attached is a mockup of the sign.

Have a great weekend.
