RE: Novi Ice Arena HVAC Replacement
Recommendation of Award

Dear Mr. Jeffrey Muck:

Sealed bids for the Ice Arena HVAC Replacement Project were received and publicly read aloud on Monday, August 26, 2024 at the Finance Department, at 2:00 pm. Proposals were received by the City from three (3) bidders. We have reviewed and checked the bids, and attached the Bid Tabulation for your information. The lowest three bidders are as follows:

Contractor	TOTAL BID
Long Mechanical	\$600,000
Serv-Ice	\$820,000
Technical Hot Cold	\$1,060,550

The project scope consists of replacement of the dehumidification unit, locker room make up air unit and a pair of duct furnaces serving the ice rinks.

Based on the current bidding environment and nationwide inflation, we are satisfied with the bid results. We reached out to other bidders that did show interest in completion of the project. The bid spread can be explained by Long Mechanical self performing approximately 80% of the work while others are subcontracting and including a markup.

Long Mechanical is the apparent lowest responsible bidder for this project. Long Mechanical has satisfactorily completed similar scale projects for southeast Michigan facilities. Long mechanical provided a voluntary alternate in the amount of \$11,300 for the replacement of the entire roof of the mechanical area roof. Therefore, we recommend award of this contract and accepting the voluntary alternate to Long Mechanical in the amount of **\$611,300** for the project.

If you have any questions, please do not hesitate to call me at (989) 928-5911

Sincerely,
OHM Advisors

Sean,

We enjoyed the meeting also.

Please note that our base bid is not affected by the three attached addendums you sent.

Also to note is that we are a Certified WBE.

We discussed adverse weather and liquidated damages. Will there be something within our contract that will address this item.

Please let us know if you need anything else.
