- The applicant's management experience in the alcohol/liquor business

The facility (subsection [g][2]), such as:

- compliance with building, zoning, and other code requirements

- effects on surrounding businesses and neighborhood
- proximity of the proposed business facility to other similarly situated licensed liquor facilities

Benefits to the community (subsection [g][3])

- effects upon the economic development of the city
- effects on the health, welfare and safety of the general public
- whether the applicant has demonstrated a public need or convenience for the issuance of the liquor license for the business facility at the location proposed, taking into consideration, among other things:
 1. total number of licenses for similar establishments and/or operations in the city; and
 2. proximity of the establishment to other licensed liquor establishments
- The uniqueness of the facility contrasted with other existing or proposed facilities
- The permanence of the proposed facility in the community.

Section 3-17 of the City Code allows for an agreement on the prohibition on profiteering by Class C liquor license holders. Under the terms of the agreement, the City Council shall not approve the transfer of a Class C liquor license within three (3) years of the date of the original issuance of the license. A draft agreement is included in this packet.

K-Bunsik will continue to operate as a casual Korean street food themed restaurant offering popular Korean dishes, beverages, and a welcoming dining atmosphere. K-Bunsik is located in the Pine Ridge Plaza which offers other dining and retail opportunities. The issuance of a liquor license will allow them to offer a convenient full-service dining option while enhancing the areas social and economic activity.

A public hearing was held on February 11, 2026 for consideration of the Special Land Use request for approval for service of alcoholic beverages at the existing restaurant, K-Bunsik, in accordance with section 4.89 of the Novi Zoning Ordinance. The Community Development Department has reviewed the required application and plans and found the documents to be complete. Jan Zozios, Assessor, Charles Boulard, Community Development Director and Aaron Staup, Construction Engineer, considered the request in accordance with the standards for review specified in Section 4.89 of the Zoning Ordinance and determined to forward a recommendation to City Council for approval of the Special Land Use.

RECOMMENDED ACTION OPTIONS (3):

1. **APPROVAL** of a request from OCK Company Inc (DBA: K-Bunsik) for a special land use request for service of alcoholic beverages **AND APPROVAL** of a new Class C quota license to be located at 24267 Novi Rd, Novi, MI 48375 and Agreement on the Prohibition on Profiteering by Class C Liquor License Holders. The addition of a liquor license will complement the area and provide residents with a dining option which will foster or generate economic development or growth within the City, in a manner consistent with the City's policies. The applicant appears to qualify for a license under the City's ordinance. It also meets the requirements of Section 4.89 of the Zoning Ordinance because
 - I. The establishment will promote the City's economic development goals and objectives, and will be consistent with the City's master plan and zoning ordinance
 - II. Given the character, location , development trends and other aspects of the area in which the proposed use or change in use is requested, it is demonstrated that the use will provide a service, product, or function that is not presently available within the City and that is unique to the City and is in character with the location and will be an asset to the area.
 - III. The use or change in use as constructed and operated by the applicant is compatible with the area in which it will be located, since it is an existing restaurant, and will not have any appreciable negative secondary effects on the area, such as:
 - a. Vehicular and pedestrian traffic, particularly during late night or early morning hours, that might disturb the area residents.
 - b. Noise, odors, or lights that emanate beyond the site's boundaries onto property in the area on which there are residential dwellings.
 - c. Excessive number of persons gathering outside the establishment.
 - d. Peak hours of use that add to congestion or other negative effects in the neighborhood.
 - e. Fighting, brawling, outside urination or other behavior that can accompany intoxication.
2. **APPROVAL** of a request from OCK Company Inc (DBA: K-Bunsik) for a special land use request for service of alcoholic beverages **AND DENIAL OF** a new Class C quota license to be located at 24267 Novi Rd, Novi, MI 48375 and Agreement on the Prohibition on Profiteering by Class C Liquor License Holders. Considering the applicable standards in 13-15(g)(3) of the City's ordinance regarding effects that the issuance of a license would have upon the economic development of the city or the surrounding area, the City found that because a quota license is a tool to promote new development, the issuance of the license would not promote additional economic development in the area because K-Bunsik is already operating within the City and has committed to being in Novi without need of a quota license.

3. **DENIAL** of a request from OCK Company Inc (DBA: K-Bunsik) for a special land use request for service of alcoholic beverages because it does not meet the requirements of Section 4.89 of the Zoning Ordinance **AND DENIAL OF** a new Class C quota license to be located at 24267 Novi Rd, Novi, MI 48375 and Agreement on the Prohibition on Profiteering by Class C Liquor License Holders because a liquor license cannot be granted to this location without Special Land Use approval.
