Storm Water Detention System Inspection
Novi SP No.: JSP22-0053
SDA Job No.: NV24-204

Dear Ms. Alesmail:

This letter serves to officially notify you that we have reviewed the status of the storm water detention systems including the storm sewer piping, detention system, and outlet control structures for the above-mentioned project. As a result of this review, we have determined the storm water detention system to be in general conformance with the approved construction plans and recommend a full release of this financial guarantee.

If you have any questions, please do not hesitate to contact us at our office.

Sincerely,

SPALDING DeDECKER

Re: *Primrose Daycare and Swim School JSP22-53*
Storm Drainage Facility Maintenance Easement Agreement

Dear Mr. Croy:

We have received and reviewed and enclosed please find the Storm Drainage Facility Maintenance Easement Agreement for storm water drainage facilities serving the Primrose Daycare and Swim School development. The Storm Drainage Facility Maintenance Easement Agreement is in the City's standard format and is acceptable as provided. It applies to both parcels and provides each parcel with storm water cross access over the other parcel. The City's Consulting Engineer has reviewed and approved the attached exhibits. The Agreement appears to be in order and may be placed on an upcoming City Council Agenda for approval. Once approved and executed by the City, the Agreement should be recorded with Oakland County Records by the City Clerk's Office.

Please feel free to contact me with any questions or concerns in regard to this matter.

Very truly yours,

ROSATI SCHULTZ JOPPICH
& AMTSBUECHLER PC

**STORM DRAINAGE FACILITY
EASEMENT AND MAINTENANCE AGREEMENT**

THIS STORM DRAINAGE FACILITY EASEMENT AND MAINTENANCE AGREEMENT is made this _____ day of _____, 2025, by and among EIG14T PRI MI NOVI LLC, a Michigan limited liability company, whose address is 1695 Twelve Mile Road, Suite 100, Berkley, MI 48072 (hereinafter the ("PRI Owner")), EIG14T SS MI NOVI LLC, a Michigan limited liability company, whose address is 1695 Twelve Mile Road, Suite 100, Berkley, MI 48072 (hereinafter the "SS Owner") (PRI Owner and SS Owner are sometimes referred to herein, collectively, as "Owners"), and the CITY OF NOVI, its successors, assigns, or transferees, whose address is 45175 Ten Mile Road, Novi, MI 48375 (hereinafter the "City").

R E C I T A T I O N S:

- A. PRI Owner is the owner and developer of a certain parcel of land situated in Section 27 of the City of Novi, Oakland County, Michigan, described on the attached and incorporated **Exhibit A-1** (the "PRI Property"). PRI Owner has received final site plan approval for construction of an early education and childcare development on the Property.
- B. SS Owner is the owner and developer of a certain parcel of land situated in Section 27 of the City of Novi, Oakland County, Michigan, located immediately adjacent to the PRI Property, and described on the attached and incorporated **Exhibit A-2** (the "SS Property"). SS Owner intends to seek site plan approval for construction of a swim school development on the Property.
- C. The early education and childcare development and the swim school development shall contain certain storm drainage, detention and/or retention facilities, including but not limited to, a detention/sedimentation basin, the use of which shall be shared by the Owners for the collection, conveyance, storage, treatment and/or discharge of storm water from the PRI Property and the SS Property in accordance with all approved plans, and all applicable ordinances, laws and regulations.

NOW THEREFORE, PRI Owner hereby grants to the SS Owner and the SS Owner hereby grants to the PRI Owner, for the benefit of the PRI Property and the SS Property, respectively, a reciprocal, nonexclusive, perpetual storm drainage facilities easement over and across those areas of the PRI Property and the SS Property where approved storm drainage facilities have been or will be installed, along with the right to drain stormwater across the surface of the PRI Property and the SS Property and into such facilities (the "Storm Drainage Easement"). PRI Owner Land and SS Owner hereby establish that the Storm Drainage Easement shall be binding on all heirs, successors, and assigns to the areas of the PRI Property and the SS Property on which the Storm Drainage Easement is located.

PRI Owner and SS Owner hereby covenant and agree that they shall, at their own expense, perpetually preserve, maintain, and repair all storm drainage, detention and retention facilities, including all wetlands which are part of the system, to insure that the same continue to function as intended. The Owners shall establish a regular and systematic program of maintenance (the "Schedule of Maintenance") for such facilities and areas to insure that the physical condition and intended function of such areas and facilities shall be preserved and maintained. The Schedule of Maintenance and the annual estimated costs for maintenance and repairs for the first three (3) years are described in the attached **Exhibit B**. The PRI Owner shall be responsible for the performance of all required maintenance and repairs and shall have the right to be reimbursed by the SS Owner for fifty percent (50%) of the actual cost of performing such maintenance and repairs. The SS Owner shall reimburse the PRI for the SS Owner's fifty percent (50%) share within thirty (30) days after receipt of a written statement itemizing the total cost of such maintenance and repairs.

In the event that the Owners shall at any time fail to carry out the responsibilities specified within this agreement, and/or in the event of a failure to preserve and/or maintain the storm water drainage, detention and retention facilities in reasonable order and condition, the City may serve written notice upon the Owners setting forth the deficiencies in maintenance and/or preservation along with a demand that the deficiencies be cured within a stated reasonable time period, and the date, time and place for a hearing before the City for the purpose of allowing Owners an opportunity to be heard as to why the City should not proceed with the correction of the deficiency or obligation which has not been undertaken or properly fulfilled. At any such hearing, the time for curing and the hearing itself may be extended and/or continued to a date certain. If, following such hearing, the person conducting the hearing shall determine that the obligation has not been fulfilled or failure corrected within the time specified in the notice, as determined by the City in its reasonable discretion, the City shall thereupon have the power and authority, but not the obligation, to enter upon the Property, or cause its agents or contractors to enter the PRI Property and the SS Property through the Ingress/Egress Easement Area as described and depicted in **Exhibit C** and perform such obligation or take such corrective measures as reasonably found by the City to be appropriate or necessary with respect to the detention/sedimentation basin within the Detention/Sedimentation Basin Easement Area described and depicted in **Exhibit D**, for the purposes described above. The cost and expense of making and financing such actions by the City, including notices by the City and reasonable legal fees incurred by the City, plus an administrative fee in an amount equivalent to twenty-five (25%) percent of the total of all such costs and expenses incurred, shall be paid by Owners, who each shall be responsible for fifty percent (50%) thereof, within thirty (30) days of a billing to the Owners. All unpaid amounts may be placed on the delinquent tax roll of the City as to

the PRI and/or the SS Property, and shall accrue interest and penalties, and shall be collected as, and deemed delinquent real property taxes, according to the laws made and provided for the collection of delinquent real property taxes. In the discretion of the City, such costs and expenses may be collected by suit initiated against the Owners, and, in such event, the Owners shall pay all court costs and reasonable attorney fees incurred by the City in connection with such suit.

The Owners, their agents, representatives, successors, and assigns shall defend, indemnify, and hold harmless the City and the City's, elected officials, agents and employees, from any and all costs, claims, suits, actions, losses, damages, or demands, including court costs and attorneys' fees, relating in any way to or arising out of the design, construction, use, inspection, maintenance, repair, or operation (or omissions in such regard) of the storm drainage system which is the subject of this Agreement.

The parties hereto make this Agreement on behalf of themselves, their heirs, successors, assigns and transferees, and hereby warrant that they have the authority and capacity to execute this Agreement and bind the property as described in the terms and conditions of this agreement.

Invalidation of any of these covenants or conditions by Judgment or Court Order shall in no way affect the validity of any other provision which shall remain in full force and effect.

This agreement shall run with the land and be binding upon all owners, their agents, heirs, successors, assigns and transferees.

This instrument is exempt from transfer taxes under MCL 207.505(a) and 207.526(a).

IN WITNESS WHEREOF, Owners have executed this Agreement as of the day and year first above set forth.
