- **Henry Ford Health and Ascension Merger is now complete**

The news was released on October 1st. This newly combined organization will be renamed Henry Ford Health and will be led by our President and CEO, Bob Riney. Henry Ford Health will now employ over 50,000 team members at over 550 sites of care, including 13 acute care hospitals, three behavioral health facilities, and several outpatient medical facilities across southeast Michigan. Consistent with the commitment to maintaining the Catholic identity of the former Ascension Michigan hospitals and healthcare facilities included in the joint venture, sites that are currently Catholic will continue to provide faith-based care, and **the Providence**, St. John and Genesys **hospital names will be maintained**, in conjunction with Henry Ford Health. All existing Henry Ford Health facilities will continue to operate as they have – offering the same services patients have come to expect.

- **RCOC Public Info Meeting for 2025-26 Novi Road Work**

A public information meeting will take place on October 23rd at Hillside Middle School from 4:30 – 7 p.m. Residents around that area will receive an invitation to participate/ Attend this open house. The project will be completed over two construction seasons, 25 and 26:

Phase 1 will take place in the fall of 2025 and will involve the reconstruction of the curve between 8 Mile Road and Allen Drive. This section of Novi Road will be closed for this phase of work. The detour route will be 8 Mile Road to Meadowbrook Road to 9 Mile Road and vice versa

Phase 2 will take place in the spring and summer of 2026. It will include reconstruction of the road as well as widening of the road and installation of storm sewers. During this phase, Novi Road will remain open to northbound traffic, but will be closed to southbound traffic between 8 Mile and 9 Mile. The detour route for southbound traffic will be 9 Mile Road to Meadowbrook Road to 8 Mile Road.

- **Asahi Kasei America**

From Crain's Detroit: Plastics manufacturer Asahi Kasei America Inc. plans to close its New York City office and consolidate its headquarters to its Novi location.

The company, which supplies automotive, health care, and other industries, will move all headquarters administrative operations to its 14,400-square-foot office off Grand River Avenue effective Nov. 1, according to a Wednesday news release.

We have a retention visit schedule with them next week. Look forward to hearing about this news first hand.

- **Pickleball**

~~**New Courts:** Constructed and are up and running at Meadowbrook Commons. Additional pickleball courts are nearly complete in Wildlife Woods Park. Target date for completion is October 2024.~~

~~**Bristol Corners:** The association told neighbors in the March newsletter that the tennis courts would be resurfaced. After work began, a worker told a neighbor they were installing pickleball courts. Residents as close to 7 homes away can hear the pickleball noise clearly. Also, there is considerably more traffic and yelling with two pickle courts vs. the one tennis court that was replaced. Code Compliance has committed to measuring decibel levels to see if players are exceeding allowable levels; however, use of the court does not fall under the purview of the City. Pickleball, tennis, soccer, tennis, even if individuals bring a portable basketball hoop and play a game of pickup, as long as the physical space of the court isn't changed (size), we do not get involved.~~

Residents are still very much upset by this change facilitated by the HOA. Code Compliance is following up on concerns

- **Property Maintenance Program**

The City of Novi's Neighborhood Property Maintenance Program, launched in 2018, aims to maintain and increase housing values by applying the International Property Maintenance Code to property exteriors. The program works with homeowners through initial communication and inspections, addressing issues individually and connecting residents with resources when needed without issuing civil infractions. A background of the efforts thus far can [be found here](#)

- **Camden Court (Nov and 13 Mile Road)**

Thirty-eight (38) No Parking Signs are being re-installed at the request of the HOA. It goes back to the construction of the subdivision back in 2005 and really centers around the width of the streets; in order to get a fire truck in and around the neighborhood, the parking needs to be regulated; there really is not enough room with the narrow streets. Specifically, the City code states that fire apparatus access roads must have a minimum unobstructed width of 20 feet, and the streets in Camden Court do not provide that unless parking is prohibited in spots. Some residents are very upset about the signs going back up. We've engage the City Attorney's office for assistance and guidance.
