Hello Cortney,

I hope all is well.

Wednesday, May 21, 2025, I filed with your office my application to be considered for reappointment to the Parks, Recreation, and Cultural Services Commission. As I stated in my cover email, I am unable to appear before City Council on Monday, June 2, 2025, at 7:00 PM, due to a previously scheduled meeting at my church that evening. However, if any council members desire to contact me via email or by my cell # (248-798-7138) to discuss my qualifications/passion for Parks, Recreation and Cultural Services, feel free to share my contact information.

Thanks and have a great holiday weekend.
