- **August 5th Northville Schools Special Election**

Northville Public Schools' Board of Education has approved an Authorizing Resolution to hold a special election on Tuesday, August 5, 2025. Northville Schools have 3 precincts in Novi that will have their proposal on their ballot: precincts 16, 24, and 25 (approx. 7,000 voters).

Their Ballot Proposal will allow the school district to continue to levy the building and site sinking fund millage that expires with the 2025 tax levy. More specifically, it proposes the renewal of the currently authorized millage rate of .9357 mill for a period of ten years (2026 – 2035) to continue to provide for a sinking fund for the construction or repair of school buildings; for school security improvements; for the acquisition or upgrading of instructional technology; etc.

- **Beehives at Bosco**

A small group of city staff was very excited to participate in the introduction honeybees to their two new hives in the undeveloped "back 30" section of Bosco Fields Park today. This pilot program, supported by the Beautification Commission, was the brainchild of Fire Cpt. Theisen who will also be the dedicated beekeeper for the hives. We hope to see the bees thrive over the coming year and, should the hives prove viable, will consider related public programming.

City Council can expect a more robust memo on this program in the near future.

They were given a 90 day (07/03/2025) deadline.

Staff spoke with a representative from Luna on 5/6/25, and they are on schedule for the deadline.

- **Tall Grass Control**

As spring has “sprung,” we often get questions about enforcement on properties that do not keep their lawns at an appropriate height. [This memo was included](#) in the 2024 packet as a reference. Unfortunately, staff have had a rather tough time identifying a contractor for this work. All attempts to solicit bidders to date have come up empty. If you know of a landscape company looking for additional work, please pass along the business name.
