

2024 Spring Youth Soccer Leagues

Novi Parks, Recreation and Cultural Services completed another successful soccer season. Programs included Tiny Tikes Soccer, recreational, and select leagues known as the Novi Parks Soccer Club Thunder & Lightning. Age divisions ranged from U4-U19. There were 965 players involved this spring, which represents an 11 percent increase from the spring 2023 season and it is also the most soccer players we have ever had in a single season. Our Boys 2009 Lightning Gold team competed in the MSYSA State Cup and made it all the way to the championship game.

This program incorporated the Department's core value of excellence by providing high-quality uniforms, equipment, and experiences for a very reasonable price. On April 20, Novi Parks hosted Dooley Dog Day and grilled 1,000 free hot dogs in appreciation of all the coaches, players, and parents that make the program such a great success. Dooley Dog Day is sponsored by PRCS Commissioner Jay Dooley.
