SUBJECT: Approval of request for Pyrotechnics Display Permit by Brightmoor Christian Church to be operated by James Herr, on Tuesday, April 25 through Friday, April 28, 2023.

SUBMITTING DEPARTMENT: City Clerk

BACKGROUND INFORMATION:

Brightmoor Christian Church (40800 13 Mile Road) would like to enhance upcoming programs by adding a pyrotechnics display once daily on Tuesday, April 25, through Friday, April 28, 2023.

The pyrotechnics show will be launched from the worship center stage. The utilization of fireworks in the building requires fire suppression to be taken offline. The Novi Fire Department has conducted a site inspection, and an additional inspection will occur once the show is complete. Extra Police and Fire Department personnel will be assigned for the duration of the event to ensure that all safety measures and processes are adhered to according to the fireworks permit.

The Michigan Fireworks Safety Act requires the applicant to furnish adequate insurance coverage with the Fireworks Permit Application. The Certificate of Liability Insurance is acceptable and provides an endorsement listing the City of Novi as an Additional Insured.

RECOMMENDED ACTION: Approval of request for Pyrotechnics Display Permit by Brightmoor Christian Church to be operated by James Herr, on Tuesday, April 25 through Friday, April 28, 2023.
