SUBMITTING DEPARTMENT: Department of Public Works, Field Operations Division

EXPENDITURE REQUIRED	\$ 250,000.00 Estimated
AMOUNT BUDGETED	\$ 100,000.00 Major Roads \$ 150,000.00 Local Roads \$ 250,000.00 Total
APPROPRIATION REQUIRED	\$0
LINE ITEM NUMBER	202-449.20-866.010 Major Roads 203-449.30-866.010 Local Roads

BACKGROUND INFORMATION:

This road maintenance program consists of joint sealing concrete roads and the overband crack sealing of asphalt roads with a liquid emulsion to limit water infiltration and prevent premature failures. This type of maintenance facilitates an overall improvement in quality of the City's roadways.

On March 23, following a public bid solicitation period, staff received and opened three bids. The lowest qualified bidder is Scodeller Construction, Inc. Staff recommends Scodeller's bid as being in the best interest of the City, as it is responsive, (i.e. Scodeller has complied with all requirements of the bidding instructions).

The roadways receiving joint and crack sealing treatments are determined through bi-annual inspection data as well as using the PASER system maintenance criteria.

RECOMMENDED ACTION: Approval to award a unit price contract to Scodeller Construction, Inc., the lowest qualified bidder, for the Joint and Crack Seal Program in the estimated annual amount of \$250,000. The contract term is one year with two one-year renewal options.
