Why would you like to continue to serve?

1. Investigating and booking two event presentations for the 2024-2025 year.
2. Serving as Commission treasurer.

BOARDS AND COMMISSIONS APPLICATION FOR REAPPOINTMENT

If reappointed, what do you hope to accomplish in your next term?

I hope to continue to be on the committee to go to various presentations by historic commissions, and to events such as those put on by Schoolcraft College through their "lifelong learning" programs to learn and to investigate possible Commission presenters. If approved, I will continue to serve as treasurer. I will also work with a fellow Commission member to submit "did you know" articles for publication on our site.

What do you want Council to know about your board or commission, and how can they assist your board or commission with its goals?

One of important and definitely beneficial ways the Council could assist the Commission is cut down on the legal paperwork required from our presenters! We have lost the possibility of several interesting and worthwhile presenters putting on their programs in Novi because of that extensive paperwork. It is way beyond what the Detroit Historic Society or Schoolcraft College requires!

We are a group of dedicated members with the goal to preserve Novi's history; to inform the public of that history and to make it available to all interested; and to put on interesting and informative programs for the public.

Is there anything else you would like for Council to know about you and/or your work on the board or commission?

I am proud and happy to be a Novi Historical Commission member!
