For which board or commission are you re-applying?

Economic Development Corporation

Why would you like to serve?

Love my city and always want to be available to serve in whatever capacity is needed.

What are you proud of accomplishing during your term?

If reappointed, what do you hope to accomplish in your next term?

Would like to help communicate better with our current businesses in order for them to feel they are supported by our city. Letting our current business community know they are appreciated will also help spread the word that we are a business friendly community.

What do you want Council to know about your board or commission, and how can they assist your board or commission with its goals?

Support the mission of the Committee so that they are able to develop and maintain relationships with the Novi Business Community.

Is there anything else you would like for Council to know about you and/or your work on the board or commission?
