BOARDS AND COMMISSIONS APPLICATION FOR REAPPOINTMENT

If reappointed, what do you hope to accomplish in your next term?

Nothing earth shattering to be honest, just keep the board on the path we have been on. Timely and professionally run meetings, with quality decision makers working together to understand and explain decisions made.

What do you want Council to know about your board or commission, and how can they assist your board or commission with its goals?

I feel that with city manager and attorney present at all our meetings, we have been able to ask questions we did not know answer to during the case presentation and that has help keep things moving forward. Hope that stays the same format

Is there anything else you would like for Council to know about you and/or your work on the board or commission?

I am very proud of the work we have done. Everyone on board comes from a different place (different job, age, ect) so we have a very well rounded board that is able to adapt and understand most cases and get well explained results to applicant.
