MCM Quality Systems

**For which board or commission are you re-applying?**

Zoning Board of Appeals

**Why would you like to serve?**

With my experience as a ZBA Member/Chair for the past eight years, I believe I can bring valuable insights to the board. I am dedicated to ensuring that zoning decisions are made judiciously and in the best interest of the community. Collaborating with other board members and utilizing my skills, I aim to contribute to the thoughtful planning and growth of our city, fostering a positive environment for residents and businesses alike.

**What are you proud of accomplishing during your term?**

During my term as the city zoning board member/chair, I take pride in the diligent and fair execution of my responsibilities. Our team, under my leadership, successfully achieved the approval of numerous zoning board of appeals (ZBA) cases without encountering setbacks. This accomplishment reflects our commitment to efficient and effective decision-making, contributing to the overall betterment of the community's zoning regulations and, by extension, the city's development and reputation.

**If reappointed, what do you hope to accomplish in your next term?**

If reappointed as a zoning board member, I aspire to continue fostering fair and effective zoning practices for the community. In my next term, I aim to work collaboratively with fellow board members and stakeholders to address any outdated ordinances, ensuring they are revised to meet the needs of a modern city. Additionally, I hope to contribute to the city's growth by actively participating in the approval process of ZBA cases, leveraging my experience to make informed and beneficial decisions. Overall, I am committed to upholding the highest standards in zoning regulations, further enhancing the reputation and development of our city.

**What do you want Council to know about your board or commission, and how can they assist your board or commission with its goals?**

I would like the Council to be aware of the vital role that our ZBA plays in shaping the city's development and adherence to zoning regulations. Our primary goal is to ensure fair and effective decision-making regarding zoning matters. To assist our ZBA in achieving its goals, the Council can provide support in the following ways: 1. Training and Education: Continuous training and

education on new zoning regulations or changes in legislation will enhance our ability to make informed decisions. Support from the Council in facilitating relevant training sessions would be greatly beneficial. 2. Community Engagement: Council support in promoting community engagement initiatives related to zoning matters can help us gather valuable input from residents. This input is crucial for making decisions that align with the community's needs and aspirations. 3. Collaborative Decision-Making: Encouraging open communication and collaboration between our ZBA and the Council fosters a more cohesive approach to city planning. Regular updates and feedback sessions can contribute to a more streamlined decision-making process.

**Is there anything else you would like for Council to know about you and/or your work on the board or commission?**

I would like the Council to know that my dedication to serving on the Zoning Board of Appeals goes beyond a sense of duty. In my eight years as a member/chair, I have consistently approached my responsibilities with diligence, fairness, and a commitment to the well-being of our community. My experience has equipped me with a deep understanding of the intricate details involved in zoning matters and the importance of making informed, equitable decisions. I bring a collaborative mindset to the board, fostering teamwork and open communication among members to navigate complex zoning issues. I am not only committed to upholding the existing standards but also to actively contributing to the improvement of our zoning ordinances. Through my tenure, our board has successfully handled numerous ZBA cases, demonstrating our ability to make decisions that align with the city's growth and development objectives. If reappointed, I am eager to continue leveraging my expertise to contribute to the city's positive trajectory. I value transparency, community engagement, and the pursuit of excellence in zoning practices. I appreciate the opportunity to serve on the Zoning Board of Appeals and look forward to continuing to contribute to the betterment of our city.
