BOARDS AND COMMISSIONS APPLICATION FOR REAPPOINTMENT

Thank you for your continued interest in serving on an advisory board or commission. The purpose of this form is to provide City Council members with comprehensive information about board or commission members who wish to be reappointed at the end of their term. Please provide thoughtful, detailed answers. City Council will make appointments based on this application and a two minute introductory speech given by all candidates during a City Council meeting. Boards and commissions candidate introductions typically take place in February, June, and December. This application will be kept on file for one year, and is open for public inspection upon request.

For which board or commission are you re-applying? Construction Board of Appeals - Full Term

Why would you like to continue to serve?

I am a licensed professional engineer with over 30 years of experience in Civil Engineering and Real Estate development. I have expertise with the type of issues that come up before the Board of Appeals and enjoy providing solutions and ideas to resolve the conflicts. I also have knowledge of building code.

What are you proud of accomplishing during your term?

I have been an Alternate member of Construction Board of Appeals for more than 10 years. I am proud of attending most of the meetings and providing input on the cases that come before us.

BOARDS AND COMMISSIONS APPLICATION FOR REAPPOINTMENT

If reappointed, what do you hope to accomplish in your next term?

If reappointed, I will continue to participate and provide input to not only resolve the issues that come up but also some best practices to prevent them from happening in the field.

What do you want Council to know about your board or commission, and how can they assist your board or commission with its goals?

We have some talented folks on the board that have served in this capacity for several years.

Is there anything else you would like for Council to know about you and/or your work on the board or commission?

I enjoy providing solutions to engineering and code issues and understand the hardship and site constraints that are sometime present.
