For which board or commission are you re-applying? Novi Construction Board of Appeals

Why would you like to continue to serve?

I value residents of Novi to be able to participate in local Boards and give back to the community.

In my first year, I have learned a lot on how to be consistent and how to govern the appeals process.

I also would like Novi to be one of the top cities to live and believe that appeals consistency is a valued way to keep Novi at the top of the list

What are you proud of accomplishing during your term?

I would like to believe that the Board was fair and consistent in how we reviewed each case as if it was our own request.

We took each situation seriously and reviewed anything that could make it unique from other situations.

We also met as timely as possible given the Board are all volunteers and didn't want the resident to have a lengthy process

BOARDS AND COMMISSIONS APPLICATION FOR REAPPOINTMENT

If reappointed, what do you hope to accomplish in your next term?

Being an engineer, I hope to continue to contribute to serve the community in this Appeals Board.

I have built 3 homes in Novi and feel I understand a lot of what can be frustrating from a homeowner's view during the construction approval process.

I am the president of the HOA for my subdivision and want to give back as much as I can to the community as possible.

What do you want Council to know about your board or commission, and how can they assist your board or commission with its goals?

The support team is very helpful in printing out the appeal ahead of time and making sure each boardmember has one in hand

Is there anything else you would like for Council to know about you and/or your work on the board or commission?

NA
