Hot Topics:

- **Start of 2026 NSRP and Associated Tree Removals**

Work for the 2026 NSP (Neighborhood Sidewalk Program) began on **Monday, July 13th, 2026**. The initial work will be contractor PPM mobilizing to begin tree removal's in previously marked and notified locations where tree removals are to occur as part of the NSP program throughout the City of Novi.

The subdivision of WESTRIDGE DOWNS work will be executed starting in September, this includes all sidewalk and tree work along WESTRIDGE LN, and GALWAY Dr.

Once the tree removals are complete contractor Major Construction Group will begin sidewalk/concrete work. The first three subdivisions that Major will be working in will be North Haven Woods, Haverhill, and Woods of Novi. Once completed in these three developments, Major will continue working through the remaining subdivisions included in this years NSP program. Sidewalk panel marking / notifications via door hangers and yard signs will occur 2-3 weeks ahead of Major beginning work, with a final notification flyer being distributed approximately one week ahead of concrete work beginning.

Community Relations, in coordination with the Department of Public Works (DPW), sent an informational letter to addresses in the following subdivisions where a tree is marked for removal to help explain the program, the reason trees are being removed, and the possibility of trees being replaced once the program is completed: North Haven Woods, Haverhill Farms, Woods of Novi, Whispering Meadows, Westridge Downs, Royal Crown Estates, Addington, Broadmoor Park, Mockingbird, Simmons Orchard, Cedarspring Estates, Settlers Creek, Camborne, and Homestead Condos.

The Sidewalk Repair Program webpage has also been updated with the latest information. You can see example of the signage and door hangers to be used on the webpage: <https://cityofnovi.org/sidewalkrepairprogram/>

- **Food Waste/Compost Bins**

The Food Scrap Composting Program is now active! Collection Bins, alongside instructional signage regarding what [acceptable materials](#) have been placed at the rear parking lot for Ella Mae Power Park. Some issues have been identified with the current placement and so a relocation within the Civic Center campus is being considered. Our account manager from [My Green Michigan](#) has confirmed that our collection/service day going forward will be Tuesdays. Two bins have now also been placed at MSU Tollgate Farm. Social Media posts and other educational promotion are planned in addition to the dedicated webpage: <https://cityofnovi.org/trash/food-scrap-composting-program/>

Great Lakes Water Authority (GLWA) Status Update:

14 MILE TRANSMISSION WATER MAIN REPLACEMENT: **The long wait has finally come to an end, The contractor fully reopened 14 Mile Road for the full length on Tuesday, August 4th!** They will utilize temporary traffic markings for a few weeks until RCOC's pavement marking contractor can place the permanent ones. There is also a fair amount of restoration (minor grading, planting grass and replacement trees, and irrigation fixes) needed on the overall project which will be done under flag control and intermittent lane closures.

Frequently Asked Questions:

1. Does the City of Novi have a Policy or Ordinance regarding e-bikes/electric scooters/electric minibikes (especially on sidewalks)?

Answer: No, The City of Novi does not *currently* have an ordinance regarding e-bikes or similar toys/vehicles. However, we are aware of the increase in such modes of transport and the safety concerns of pedestrians and non-motorized bikers sharing the sidewalk. Policy/Ordinance options regarding the matter are currently being explored.

2. Does the City of Novi have Flock Cameras installed/in-service?

Answer: Yes, The City has had several Flock Automated License Plate Reader (ALPR) cameras positioned at strategic roadway intersections throughout the City since the approval of their purchase and installation in 2023.

Detective Sergeant Snell recently provided a memorandum regarding their use in Novi and surrounding communities and can be reviewed [HERE](#).

Additionally, on the morning of Sunday, July 5th, Novi PD discovered someone had tampered with our Flock cameras located at southbound Novi Road at I-96 and northbound Novi Road at I-96. Based on the preliminary investigation, the damage appears to have been intentional. It appears the suspect was unsuccessful in removing the northbound camera on Novi Road, as only three of the four mounting bolts had been loosened. The southbound camera only sustained damage to its solar panel.

During a check of other Flock camera locations, officers identified another incident at the westbound Eight Mile Road and Haggerty Road location, where the mounting bolts had been loosened.
