

2022-23 Basketball & Volleyball Leagues

The 2022-23 Youth Basketball and Volleyball seasons ended on March 24. While the fall season went as planned, the winter season had its fair share of challenges as we dealt with the loss of a practice gym due to school construction, an ice storm, snow storm, power outages, and a set of school gym bleachers that were broken the majority of the season, reducing access to half court. The Co-Ed K and Co-Ed 2nd grade basketball leagues had the most impacted schedules. Because of this, we added a Basketball Family Fun Night with music, games, and another chance for kids to play the sport they love. Despite these challenges, the 1,277 participants enjoyed their time on the courts.

Program success can be attributed to the dedicated volunteer coaches who led their respective teams, MHSAA referees, and the City's site supervisor staff, most of whom are young adults and students. We are thankful to the Novi Community School District for working to make as many gyms available as possible. Diamond Castle Jewelers, O'Brien Sullivan Funeral Home, Sellers Buick GMC, Novi Youth Assistance, and Dick's Sporting Goods supported the program community as sponsors.

The basketball and volleyball leagues incorporates the Department's core values of excellence by providing a high quality program for the large number of participants.
