

COMMUNITY **IMPACT** DAY

May 13, 2026

Small moments of service, multiplied by many, create powerful community change.

What is Community Impact Day?

Community Impact Day is a statewide day of service uniting Michigan chambers, businesses, and community leaders to roll up their sleeves together and create meaningful, visible impact in the communities where we live, work, and do business.

**19 Chambers participating in
2026!**

**Class of 2026
Community Project**

How it works...

Community Impact Day works through a simple, collaborative process that brings projects and people together for maximum local impact.

How it works...

- 1.Groups, organizations, nonprofits, and businesses submit community focused projects they would like support with on Community Impact Day.
- 1.The Chamber collects volunteers from across the business community who are ready to give back and get involved. Sign up sheet now available.
- 1.Finally, the Chamber shares the full list of submitted projects with registered volunteers, allowing them to choose the projects that align with their interests, availability, and passion for making a difference.

- Troy Area Chamber of Commerce
- Troy Chamber of Commerce

A group of volunteers are working in a forest, planting young trees. In the foreground, a man in a blue shirt and jeans is using a shovel to plant a sapling. Other people are visible in the background, also engaged in planting. The scene is set in a wooded area with many trees and some potted plants on the ground.
